- (1) Subject to a permitted variance of \pm 5% in aggregate.
- (2) The Certificates will be priced assuming 100% of the Adjustable Rate Prepayment Assumption and 100% of the Fixed Rate Prepayment Assumption. 100% of the Adjustable Rate Prepayment Assumption assumes that, based on the life of the loan, prepayments start at 4% CPR in month one, increase by approximately 1.00% each month to 27% CPR in month 24 and remain at 27% CPR thereafter. 100% of the Fixed Rate Prepayment Assumption assumes that, based on the life of the loan, prepayments start at 4.6% CPR in month one, increase by approximately 1.67% each month to 23% CPR in month 12 and remain at 23% CPR thereafter.
- (3) Initial Credit Enhancement includes initial overcollateralization of approximately 0.28%.
- (4) All Classes of Certificates will be rated by [Moody's, S&P and Fitch.]
- (5) Class A1 is the Senior Certificate of Group 1.
- (6) Class A2 is the Senior Certificate of Group 2.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES

- (7) Class A-IO will be a Senior Interest-Only Certificate, and will receive interest payments for the first 24 distribution dates.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations; and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES

Mortgage Insurance

Approximately 68.2% of the mortgage loans with over 80% Loan-to-Value ("LTV") will be covered by a loan level primary mortgage insurance policy provided by Mortgage Guarantee Insurance Corporation ("MGIC"), Triad Guaranty Insurance Company ("Triad") or Radian. Approximately 95.6% of the insured mortgage loans are covered by the MGIC policy.

This coverage will generally reduce the LTV of the insured loans to 60%.

Credit Risk Manager

The MurrayHill Company ("MurrayHill") will act as a credit risk manager on behalf of the trust. MurrayHill's primary function will be to monitor and advise the servicers with respect to default management, mortgage insurance collections, and reporting for the benefit of the trust. The following summarizes some of MurrayHill's monthly activities:

- Monitoring of all loans that are 60 or more days delinquent to ensure all foreclosure timelines are met or forbearance plans are established.
- Monitoring of the servicers' claim process for loans with mortgage insurance to ensure insurance claims are filed in an accurate and timely way.
- Review of the prepayment penalty collections by the servicers.

Principal Payment Priority

At the Senior level, the collateral is divided up into two Groups, Group 1 and Group 2.

Prior to the Stepdown Date, and whenever a Trigger Event is in effect, all Group 1 principal will be paid to the Class A1 certificate and all Group 2 principal will be paid to the Class A2 certificate. Once the class A1 has been retired, all Group 1 principal will be allocated to the Class A2 certificate. Once the Class A2 has been retired, all Group 2 principal will be allocated to the Class A1 certificate. Principal will then be allocated sequentially to the M1, M2, M3 and B certificates.

The Stepdown Date is the later of (i) the Distribution Date upon which the Senior Enhancement Percentage (as defined herein) doubles (i.e. meets the targeted Senior Enhancement Percentage), or (ii) the 37th distribution date.

On or after the Stepdown Date and as long as a Trigger Event is not in effect, principal will be first allocated to the Class A1 and Class A2, concurrently from their respective collateral groups to the Target Senior Enhancement Percentage. Principal will then be allocated sequentially to the M1, M2, M3 and B certificates so that the credit enhancement behind each class equals two times the respective original credit enhancement percentage for such class, as a product of the current loan balance, subject to a floor equal to approximately 0.28% of the Cut-Off Date Pool Balance.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES**Interest Payment Priority**

The Interest Rates for Classes A1, A2, M1, M2, M3 and B (the "LIBOR Certificates") will be equal to the lesser of (i) one-month LIBOR plus their respective margins and (ii) their Net Funds Cap (as defined herein). Interest for any Class of LIBOR Certificates will be calculated on an actual/360 basis. The Interest Rate for Class A-IO will, for each Accrual Period through the Accrual Period pertaining to the 24th Distribution Date, be an annual rate equal to 6.00% on a 30/360 basis. Interest will accrue on the Class A-IO Certificate based upon its Class Notional Amount, as defined herein. Following the Accrual Period pertaining to the 24th Distribution Date, the Class A-IO Certificates will no longer accrue interest and will not be entitled to distributions.

The "Accrual Period" for any Class of LIBOR Certificates and the Class A-IO Certificate, for each Distribution Date, will be the one-month period beginning on the immediately preceding Distribution Date (or on August 25, 2002, in the case of the first Accrual Period) and ending on the day immediately preceding the related Distribution Date.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES

Interest Payment Priority (continued)

Interest received or advanced on each Distribution Date will be allocated in the following priority:

- (1) To pay fees: for both Group 1 and Group 2, Servicing Fee, Trustee Fee and Mortgage Insurance Fee;
- (2) To pay Current Interest and Carryforward Interest to the Class A1 and Current and Carryforward Interest to the Class A-IO(1) from Group 1 Interest;
- (3) To pay Current Interest and Carryforward Interest to the Class A2 and Current and Carryforward Interest to the Class A-IO(2) from Group 2 Interest;
- (4) To pay Current Interest and Carryforward Interest to Classes M1, M2, M3 and B (the "Subordinate Classes"), sequentially;
- (5) To pay the Credit Risk Manager Fee;
- (6) To pay to the Trustee, previously unreimbursed extraordinary costs, liabilities and expenses, to the extent provided in the Trust Agreement;
- (7) Any interest remaining after the application of (1) through (5) above will be deemed excess interest for such Distribution Date and will be distributed as *principal*, concurrently, in proportion of their respective class principal amounts after giving effect to distributions already made on such Distribution Date, to the Class A1 and Class A2 and then sequentially to Classes M1, M2, M3 and B to maintain the Overcollateralization Target;
- (8) To pay pro rata to the Class A1 and Class A2 any Basis Risk Shortfall and Unpaid Basis Risk Shortfall amounts, to the extent not covered by the Interest Rate Cap⁽¹⁾;
- (9) To pay sequentially to Classes M1, M2, M3 and B any Basis Risk Shortfall and Unpaid Basis Risk Shortfall amounts, to the extent not covered by the Interest Rate Cap⁽¹⁾;
- (10) To pay sequentially to Classes M1, M2, M3 and B any Deferred Amounts;
- (11) To pay remaining amounts to the holder of the Class X Certificate. ⁽¹⁾

⁽¹⁾ Any amounts received off the Interest Rate Cap will be allocated in steps (8), (9) and (11), in that order of priority.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES**Class A-IO Notional Amount**

The Class A-IO Notional Balance will consist of two components, one from each Collateral Group. The A-IO Component Notional Balance, for each Collateral Group, will be the lesser of the beginning period Group collateral balance and the following schedule:

<u>Distribution Dates</u>	<u>A-IO(1) Notional Amount</u>	<u>A-IO(2) Notional Amount</u>
1-6	\$217,796,720	\$186,614,081
7-12	\$178,197,316	\$152,684,248
13-18	\$138,597,913	\$118,754,415
19-24	\$79,198,807	\$67,859,666

On and after the 25th distribution date, the Class Notional Amount for the Class A-IO Certificate will be zero.

Interest will be paid to the Class A-IO from both Collateral Group 1 and Collateral Group 2. The A-IO(1) Component Notional Balance will be 54% of the aggregate Class A-IO Notional Balance. The A-IO(2) Component Notional Balance will be 46% of the aggregate Class A-IO Notional Balance. Each A-IO component will accrue interest at a rate of 6.00% on a 30/360 basis.

Carryforward Interest

“Carryforward Interest” for each Class of Offered Certificates for any Distribution Date will be the sum of (1) the amount, if any, by which (x) the sum of (A) Current Interest for such Class for the immediately preceding Distribution Date and (B) any unpaid Carryforward Interest from previous Distribution Dates exceeds (y) the amount distributed in respect of interest on such Class on such immediately preceding Distribution Date, and (2) interest on such amount for the related Accrual Period at the applicable Interest Rate.

“Current Interest” for any Class of Offered Certificates for any Distribution Date will be the aggregate amount of interest accrued at the applicable Interest Rate during the related Accrual Period on the Class Principal Amount or Class Notional Amount of that Class.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES

Interest Rate Cap

An Interest Rate Cap Agreement will be purchased by the Trust to (i) protect against interest rate risk from upward movement in one month LIBOR and (ii) diminish basis risk associated with the hybrid adjustable-rate mortgage loans and the fixed-rate mortgage loans. The cap is not subordinated to losses. The twenty-four month Interest Rate Cap Agreement will have an at the money strike rate. It will contribute cash in the event one-month LIBOR rises above the strike rate.

The Notional Balance of the cap will amortize according to its schedule. The table below is an approximation of the schedule for the cap the Trust intends to purchase.

Month	Approximate Notional Balance (\$)	Month	Approximate Notional Balance (\$)
1	N/A	13	\$ 1,026,626,441.12
2	\$1,214,286,021.32	14	\$ 1,005,241,831.41
3	\$1,204,691,463.83	15	\$ 984,265,969.64
4	\$1,193,405,111.26	16	\$ 963,734,591.26
5	\$1,180,426,999.36	17	\$ 943,637,956.91
6	\$1,165,815,710.13	18	\$ 923,955,525.81
7	\$1,149,636,096.80	19	\$ 904,630,131.40
8	\$1,131,918,149.65	20	\$ 885,700,828.35
9	\$1,112,752,368.61	21	\$ 867,196,394.99
10	\$1,092,261,540.74	22	\$ 849,083,561.49
11	\$1,070,642,321.09	23	\$ 830,429,224.34
12	\$1,048,472,364.67	24	\$ 809,075,305.68

On each Payment Date, the cap provider will make payments equal to the product of (a) the cap Notional Balance for that month, (b) the excess, if any, of one month LIBOR for such determination date over the strike rate, and (c) the actual number of days in the corresponding accrual period for the transaction divided by 360.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES

Net Funds Cap

The Class A1 “Net Funds Cap” for each Distribution Date will be the annual rate equal to (a) a fraction, expressed as a percentage, the numerator of which is the product of (1) the Group 1 Optimal Interest Remittance Amount (as defined below) for such date and (2) 12, and the denominator of which is the aggregate Group 1 loan balance for the immediately preceding Distribution Date, multiplied by (b) a fraction, the numerator of which is 30 and the denominator of which is the actual number of days in the accrual period.

The Class A2 “Net Funds Cap” for each Distribution Date will be the annual rate equal to (a) a fraction, expressed as a percentage, the numerator of which is the product of (1) the Group 2 Optimal Interest Remittance Amount (as defined below) for such date and (2) 12, and the denominator of which is the aggregate Group 2 loan balance for the immediately preceding Distribution Date, multiplied by (b) a fraction, the numerator of which is 30 and the denominator of which is the actual number of days in the accrual period.

The Mezzanine and Subordinate Class “Net Funds Cap” for each Distribution Date will be the weighted average of the Class A1 “Net Funds Cap” and the Class A2 “Net Funds Cap”.

The “Group 1 Optimal Interest Remittance Amount” with respect to each Distribution Date will be equal to the amount, if any, by which (1) the product of (A) (x) the weighted average of the Net Mortgage Rates (as defined below) of the Mortgage Loans in the Group 1, as of the first day of the related collection period divided by (y) 12 and (B) the aggregate Group 1 loan balance for the immediately preceding Distribution Date exceeds, (2) (I) in the case of the first 24 Distribution Dates only, an amount equal to the product of (A) 6% divided by 12 and (B) the lesser of (x) the A-IO(1) Component Notional Amount and (y) the aggregate Group 1 loan balance and (II) thereafter, zero.

The “Group 2 Optimal Interest Remittance Amount” with respect to each Distribution Date will be equal to the amount, if any, by which (1) the product of (A) (x) the weighted average of the Net Mortgage Rates (as defined below) of the Mortgage Loans in the Group 2, as of the first day of the related collection period divided by (y) 12 and (B) the aggregate Group 2 loan balance for the immediately preceding Distribution Date exceeds, (2) (I) in the case of the first 24 Distribution Dates only, an amount equal to the product of (A) 6% divided by 12 and (B) the lesser of (x) the A-IO(2) Component Notional Amount and (y) the aggregate Group 2 loan balance and (II) thereafter, zero. The “Net Mortgage Rate” with respect to any Mortgage Loan will be the Mortgage Rate thereof reduced by the sum of the Servicing Fee Rate, the Trustee Fee Rate and the Insurance Fee Rate, in the case of a MGIC or Radian Insured Mortgage Loan.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES**Basis Risk Shortfall**

With respect to each Distribution Date, to the extent that (a) the amount of interest payable to a Class exceeds (b) its Net Funds Cap (such excess, a "Basis Risk Shortfall"), that Class will be entitled to the amount of such Basis Risk Shortfall or Unpaid Basis Risk Shortfall, plus interest thereon at the applicable Interest Rate, before the Class X and Class R Certificates are entitled to any distributions. The "Unpaid Basis Risk Shortfall" for any Class of Certificates on any Distribution Date will be the aggregate of all Basis Risk Shortfalls for such Class for all previous Distribution Dates, together with interest thereon at the applicable Interest Rate, less all payments made with respect to such Class in respect of such Basis Risk Shortfalls on or prior to such Distribution Date.

Losses

Losses that are not covered by mortgage insurance are allocated in the following order: excess spread, overcollateralization, Class B, then Class M3, then Class M2, and then Class M1. The allocation of losses to a class will result in a writedown of its principal amount and is referred to as an "Applied Loss Amount". The balance of the Class A Certificates will not be reduced by allocation of Applied Loss Amounts.

Deferred Amount

With respect to each Distribution Date, the "Deferred Amount" for each Class of Subordinate Certificates will be equal to the amount by which (x) the aggregate of Applied Loss Amounts previously applied in reduction of the Class Principal Amount thereof exceeds (y) the aggregate of amounts previously distributed in reimbursement thereof.

5% Optional Redemption

The transaction can be called by the Master Servicer, Aurora Loan Services (an affiliate of Lehman Brothers), on any Distribution Date following the month in which the loan principal balance of the loans is reduced to less than 5% of the Cut-off Date loan principal balance. If the optional redemption is not exercised, beginning with the following Distribution Date, the margin on Class A1 and Class A2 will double, and the margins on the Subordinate Classes will increase to 1.5 times their initial margin.

Origination and Servicing

The majority of the mortgage loans were originated by Option One (29.4%), BNC (22.9%), Finance America (13.9%), Accredited Home Lender (12.9%) and People's Choice (8.5%), and as of the closing date will be serviced by Option One, (52.2%) and Ocwen (34.6%). As of October 1st, we anticipate that certain loans serviced by Option One will transfer to Ocwen, and 57.2% of the loans will be serviced by Ocwen. Any servicing transfer will be subject to rating agency approval.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES**Credit Enhancement****Subordination**

Classes A1, A2 and A-IO will have limited protection by means of the subordination of the Subordinate Classes. Classes A1, A2 and A-IO will have the preferential right to receive interest due to them and principal available for distribution (in the case of Classes A1 and A2) over Classes having a lower priority of distribution. Similarly, Class M1 will be senior in right of priority to Classes M2, M3 and B, Class M2 will be senior to Class M3 and Class B, and Class M3 will be senior to Class B. If on any Distribution Date after giving effect to all realized losses and distributions of principal on such Distribution Date, the Certificate Principal Amount exceeds the aggregate loan balance, the Subordinate Classes will be reduced by the Applied Loss Amount in inverse order of priority of distribution until Classes B, M3, M2, and M1 have been reduced to zero.

Overcollateralization

Excess interest will be used to pay down the certificates so the aggregate loan balance exceeds the aggregate certificate balance (Overcollateralization or "OC"). Excess spread will be used to maintain the OC Target.

The "OC Target" with respect to any Distribution Date prior to the Stepdown Date is equal to the initial OC, or approximately 0.28% of the cutoff date collateral balance.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).

MORTGAGE BACKED SECURITIES

Trigger Event

A "Trigger Event" will have occurred with respect to any Distribution Date if either a Delinquency Event or a Cumulative Loss Trigger Event (if applicable) is in effect for such Distribution Date.

A "Delinquency Event" will have occurred with respect to any Distribution Date if The Rolling Three Month Delinquency Rate as of the last day of the immediately preceding month equals or exceeds [%] of the Senior Enhancement Percentage for that Distribution Date.

The cumulative loss trigger will be determined by the rating agencies. It has not yet been determined if the transaction will be subject to a cumulative loss trigger. A "Cumulative Loss Trigger Event" is generally deemed to have occurred with respect to any Distribution Date if the fraction, expressed as a percentage, obtained by dividing (x) the aggregate amount of cumulative Realized Losses incurred on the Mortgage Loans from the Cut-off Date through the last day of the related Due Period by (y) the Cut-off Date Balance, exceeds a certain percentage, with respect to such Distribution Date, as set forth in a schedule determined by the rating agencies.

The "Rolling Three Month Delinquency Rate" with respect to any Distribution Date will be the average of the Delinquency Rates for each of the three (or one and two, in the case of the first and second Distribution Dates) immediately preceding months.

The "Delinquency Rate" for any month will be the fraction, expressed as a percentage, the numerator of which is the aggregate outstanding principal balance of all Mortgage Loans 60 or more days delinquent (including all foreclosures and REO Properties) as of the close of business on the last day of such month, and the denominator of which is the aggregate loan balance as of the close of business on the last day of such month.

The "Senior Enhancement Percentage" for any Distribution Date will be the fraction, expressed as a percentage, the numerator of which is the sum of the total Certificate Principal Amount of Classes M1, M2, M3 and B and the Overcollateralization Amount (which, for purposes of this definition only, will not be less than zero), and the denominator of which is the aggregate loan balance, after giving effect to distributions on that Distribution Date.

This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. This information does not constitute either an offer to sell or a solicitation of an offer to buy any of the securities referred to herein. Offers to sell and solicitations of offers to buy the securities are made only by, and this information must be read in conjunction with, the final Prospectus Supplement and the related Prospectus or, if not registered under the securities laws, the final Offering Memorandum (the "Offering Document"). Information contained herein does not purport to be complete and is subject to the same qualifications and assumptions, and should be considered by investors only in the light of the same warnings, lack of assurances and representations and other precautionary matters, as disclosed in the Offering Document. Information regarding the underlying assets has been provided by the issuer of the securities or an affiliate thereof and has not been independently verified by Lehman Brothers Inc. or any affiliate. The analyses contained herein have been prepared on the basis of certain assumptions (including, in certain cases, assumptions specified by the recipient hereof) regarding payments, interest rates, losses and other matters, including, but not limited to, the assumptions described in the Offering Document. Lehman Brothers Inc., and any of its affiliates, make no representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities. This information supersedes any prior versions hereof and will be deemed to be superseded by any subsequent versions (including, with respect to any description of the securities or underlying assets, the information contained in the Offering Document).
