The Registrant hereby reports the following:

At the Registrant's Board meeting that was convened Thursday evening, August 22, 2002, to discuss the condition of the Registrant's subsidiary, Pacific Information Systems, Inc. ("Pacinfo"), and how to implement a prior decision to sell its operations, there were harsh differences of opinion regarding the identity of the director who would conduct the negotiations and oversee the sale process. Pursuant to a resolution that was passed at the meeting, to appoint Mr. Israel Gal (the Registrant's Founder and President, and the Chairman of the Board of Directors of Pacinfo), to oversee the sale, in place of Mr. Moti Weiss (CEO of the Registrant and Director of Pacinfo), Mr. Avi Wertheim (Chairman) announced his resignation as chairman of the board and as director of the company. Mr. Wertheim indicated that his resignation was due to his opinion that Mr. Gal's visit to Pacinfo was inappropriate, and due to the decision of the board to appoint Mr. Gal to oversee the sale of Pacinfo, which he felt was damaging the future of the company. Following his announcement three directors, Mr. Moti Weiss, Ms. Ariella Zochovitzky (external director) and Mr. Aharon Dovrat, followed suit and resigned as well. The reason stated by the three directors was that the rivalry between the controlling shareholders and the differences of opinion amongst the directors, prevent the Company from functioning properly.

Mr. Moti Weiss also resigned from his position as a Director in all of the Registrant's subsidiaries, and gave advance notice of his resignation as the Registrant's CEO. Mr. Weiss stated that as Pacinfo is in a severe situation and his efforts to rectify the situation had not received the support of some of the members of the Registrant's and Pacinfo's Board, he was left with no choice but to resign.

Until the Registrant's Board of Directors elects a new Chairman, Mr. Israel Gal shall temporarily serve as Chairman.
