**SYNEX INTERNATIONAL ANNOUNCES
CLOSING OF THE SALE OF ITS SOFTWARE DIVISION**

Synex International Inc. announces that the sale of its Software Division, Synex Systems Corporation, to Lasata Software Pty Ltd was closed on September 30, 2002 for the amount of \$2,500,000 plus an estimated amount of \$475,000 for working capital, subject to a holdback of \$275,000 pending collection of the outstanding working capital.

Lasata is a privately owned company based in Perth, Australia, which develops and markets financial reporting software for global markets that is complementary to the F9 and F9 Professional financial reporting software developed by Synex Systems over the years.

Synex International Inc is a public company, trading on the Toronto Stock Exchange, with two divisions covering the development and operation of electrical generation facilities and an engineering group providing services for the control and use of water, particularly hydroelectric facilities.
