### **Re: Notice on Investments in some Facilities**

SK Telecom decided to make investments in network facilities, mobile payment infrastructure, and Nate-Lycos internet portal system integration on August 30, 2002.

First, our network investment is mainly for the enhancement of the CDMA 1x and the CDMA 1x EVDO network capacity and coverage. SK Telecom would invest KRW 389,039 million in these facilities. Second, SK Telecom would invest KRW 50,000 million in the One Chip Solution Infrastructure for the Mobile Payment Service. Third, SK Telecom would also invest KRW 29,408 million in Nate-Lycos internet portal system integration.

The investments being announced is already within our capex budget for this year.
