RADWARE WINS TWO "Best of ENTERPRISEVISION"™ AWARDS

Selected As Best Vendor And Best Enterprise Solution At EnterpriseVision

MAHWAH, NJ, August 6, 2002 - Radware (NASDAQ; RDWR), the leader in Intelligent Application Switching (IAS), ensuring end-to-end control, performance and integrity of networked applications announced today that the company has been named as the Best Enterprise Vendor and the Best Enterprise Solution at EnterpriseVision recently held in La Jolla, CA. Over 60 companies attended the two-day summit which featured innovative technologies and advancing IT alliances.

The "Best of EnterpriseVision Awards" are the only awards in the channel voted on solely by the attending IT Service Providers. Radware's comprehensive suite of products was selected as *Best Enterprise Solution*. Radware also picked up recognition as the *Best Enterprise Vendor*

"The vendors review many products and solutions at our events," said Sally Hewett, event director, Vision Events. "Through voting on this award, they recognize Radware as a leader in their category and a company well respected in the network infrastructure market."

"To be recognized by leading system integrators and selected by our peers as a top company is certainly an honor," said Rod Jones, Senior Director. **"EnterpriseVision is an excellent place to showcase technology solutions and Radware is continuing to validate itself as the premier company in Intelligent Application Switching. Our customers are our partners and they keep us in front as an industry leader. We listen to what their technology needs are and go out and build the products that expedite their business."**

About Radware

Radware is dedicated to providing Intelligent Application Switching, guaranteeing the best operation and servicing of IP applications and enterprise traffic across the Internet. Radware aligns application needs with the network infrastructure to seamlessly allocate resources, optimize application operations and extend security, ensuring the integrity of the critical business processes.

Radware's solutions address the needs of corporate enterprises, service providers and e-commerce business through one or more of our award-winning products including: Web Server Director (WSD), Cache Server Director (CSD), FireProof, LinkProof, Peer Director and the CertainT 100. Radware's comprehensive suite of products service end-to-end application operations and provide robust and scalable network traffic assurance. *Get certain, from click to content, across your network – with Radware.* For more information, please visit us at www.radware.com

About Vision Events
