(São Paulo - Brazil), (December 11, 2002) - The management of Telefônica Data Brasil Holding S.A. (NYSE: TDBPY; BOVESPA: TDBH), in accordance with CVM Instruction # 358 from January 03, 2002, announces that its Board of Directors, on session held on December 10, 2002, decided to approve the proposal for the sale by its fully-owned subsidiary Telefônica Empresas, of the business composed by the assets and contracts with customers related to the following services: (i) **Switched IP (Internet Protocol)**: Services and infrastructure that allow the establishment of switched connections of remote users through the dial-up network; (ii) **Speedy Link**: Service rendered to Internet Service Providers (ISPs), that allows them to offer to their clients the use the broad band access to internet named Speedy.

Furthermore, the Company wants to clarify that: (a) The present transaction is interesting to the Company since, even selling the aforementioned businesses including the cession of the contracts with clients and the transference of employees, it will continue to keep its own IP network, taking care of the business communications of its corporate clients, without doing the investments needed to render services to the retail market; (b) The value of the sale of the aforementioned services, their respective assets and contracts with clients was determined to be R\$ 143,910,000.00 (one hundred forty three million, nine hundred ten thousand reais), according to the valuation made by an independent company, KMPG Corporate Finance S/C Ltda.
