Establishment of a Subsidiary for Issuance of
“Non-dilutive” Preference Shares

We hereby announce that UFJ Holdings, Inc. has resolved, at its board of directors' meeting held on September 4, 2002, to establish a wholly owned subsidiary in Cayman Islands named UFJ Capital Finance 4 Limited (“Cayman Subsidiary”) as a vehicle to issue preference shares (“Non-dilutive Preference Shares”).

The Non-dilutive Preference Shares, noncumulative perpetual preference shares issued by the Cayman Subsidiary, do not cause any dilution of the ordinary shares of UFJ Holdings, i.e. the Non-dilutive Preference Shares are not accompanied with conversion rights to these ordinary shares. The Non-dilutive Preference Shares are scheduled to be issued through private placements near the end of September 2001, after submission of a notification to and acceptance by the Financial Services Agency regarding the establishment of the Cayman Subsidiary.

This issuance aims to reinforce the capital adequacy of UFJ Holdings and UFJ Bank Limited (a wholly owned subsidiary of UFJ Holdings) through increasing the Tier I capital.

This press release is for the purpose of providing information only and does not constitute any invitation to any person to take any action.
