Return of Substitutional Portion of Public Pension Fund

We hereby announce that UFJ Bank Limited ("UFJ Bank"), a wholly owned subsidiary of UFJ Holdings, Inc., was released, on September 1, 2002, from benefit obligation regarding UFJ Pension Fund, with respect to the portion that UFJ Bank operates for the Government ("substitutional portion").

This is because UFJ Pension Fund has obtained an approval, on September 1, 2002, for exemption from the future benefit obligation with respect to substitutional portion from the Minister of Health, Labor and Welfare, in accordance with the enforcement of the Welfare Pension Insurance Law.

As a result, UFJ Bank expects to report approximately Yen 11.0 billion of extraordinary gain on a consolidated basis.

This, however, will not affect the forecast of consolidated financial results for the fiscal year ending March 31, 2003, which we have announced before.
