Invensys seminar on Production Management

Invensys
plc, the international production technology and energy management
group ("Invensys")
is today holding a seminar on the strategy and operations of
the Production Management
Division at the Production Management Showcase in
Orlando.

Leo Quinn, Chief
Operating Officer Production Management division, commented
"The Production Management
Showcase is bringing together ten of our brands. We
will be presenting the business
groups, how the strategy is being implemented
and demonstrating our new technology."

Copies
of the presentations will be made available on the Invensys website:
www.invensys.com.
