INDEPENDENT AUDITOR'S REPORT

Board of Directors
Newbridge Securities Corporation
Ft. Lauderdale, Florida

I have audited the accompanying statement of financial condition of Newbridge Securities Corporation (the Company) as of December 31, 2002, and the related statements of income, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Newbridge Securities Corporation at December 31, 2002, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

NEWBRIDGE SECURITIES CORPORATION
STATEMENT OF CHANGES IN LIABILITIES
SUBORDINATED TO CLAIMS OF GENERAL CREDITORS
FOR THE YEAR ENDED DECEMBER 31, 2002

There are no changes in liabilities subordinated to claims of general creditors since there was no subordinated debt at any time during the period.

See accompanying notes and independent auditor's report

NEWBRIDGE SECURITIES CORPORATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2002

NOTE 1 – BUSINESS AND ORGANIZATION

The Company was incorporated in Virginia on December 17, 1997 as Ludwig Investments, Inc. In 2000, Newbridge Financial, Inc. (formerly Financial Holdings & Investments Corp.) acquired the Company and renamed the Company Newbridge Securities Corporation. The Company is a wholly owned subsidiary of Newbridge Financial, Inc. The Company is registered as a broker-dealer under the Securities Exchange Act of 1934, as amended, and is a member of the National Association of the Securities Dealers, Inc.

The Company acts as an introducing broker through a clearing arrangement with a clearing broker-dealer on a fully disclosed basis. This broker-dealer provides clearing services, handles funds of the Company's customers, holds securities, and remits customer account activity statements to the Company's customers.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

RECOGNITION OF COMMISSION INCOME

Securities transactions are recorded for financial statement purposes on a trade-date basis with related commission income and expenses recorded on a trade-date basis.

INCOME TAXES

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes related primarily to differences between the bases of certain assets and liabilities for financial and tax reporting. The deferred taxes represent the future tax return consequences of those differences, which will either be taxable when the asset and liabilities are recovered or settled.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

STATEMENT OF CASH FLOWS

For purposes of the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than ninety days, that are not held for sale in the ordinary course of business.

NEWBRIDGE SECURITIES CORPORATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2002

NOTE 3 – NET CAPITAL REQUIREMENT

The Company is subject to the Securities & Exchange Commission's uniform Net Capital Rule (Rule 15c3-1) which requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed fifteen to one. Net capital and the related net capital ratio fluctuates on a daily basis; however, as of December 31, 2002, the ratio of aggregate indebtedness to net capital was .71:1 and net capital was \$ 1,313,746, which exceeded the minimum net capital requirement by \$ 947,746.

NOTE 4 – DEPOSIT WITH THE CLEARING BROKER

The Company has a deposit, which is interest earning, retained by its clearing broker-dealer as part of the clearing arrangement and to offset any unsecured customer debits.

NOTE 5- RELATED PARTY TRANSACTIONS

Under an agreement between the Company and Newbridge Financial, Inc. (sole shareholder of the Company), the Company pays a management fee to the parent. The management fee is a mutually agreed upon amount and may not represent the cost of obtaining the aforementioned items from an unrelated party. The management fees are paid for financial and administrative services, and for providing office facilities including furniture, fixtures and equipment. For the year ended December 31, 2002, the total management fee paid to the affiliate was \$565,000. The Company had a balance due to the affiliate at December 31, 2002 in the amount of \$75,000. The Company will be filing a consolidated income tax return with its affiliated group members for the year ended December 31, 2002. Some of the officers of the Company are also the officers of the Parent and have a direct ownership interest in the Parent. These officers also owned corporations which received consulting and professional development fees totaling approximately \$276,000 from the Company during 2002.

NOTE 6 - CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the credit-worthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

NEWBRIDGE SECURITIES CORPORATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2002

NOTE 7- INCOME TAXES

A deferred tax asset in the amount of \$ 733,000 has been recorded to recognize the benefits of tax loss carryforwards at December 31, 2002. The deferred tax asset is offset by a valuation allowance in the same amount as the Company believes it is more likely than not that future tax benefits will not be realized. Realization of the deferred tax asset is dependent on generating sufficient taxable income in the future. The amount of the deferred tax asset considered realizable could change in the near term if estimates of future taxable income are increased. The Federal and Florida State net operating loss carryforwards will expire in the years 2019 through 2022.

The tax provisions (benefits) differ from amounts that would be calculated by applying federal statutory rates to income (loss) before income taxes because the Company is subject to state income taxes.

INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION REQUIRED
BY RULE 17a-5 OF THE SECURITIES AND EXCHANGE COMMISSION

Board of Directors
Newbridge Securities Corporation
Fort Lauderdale, Florida

I have audited the accompanying financial statements of Newbridge Securities Corporation as of and for the year ended December 31, 2002, and have issued my report thereon dated February 14, 2003. My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the schedules presented on pages 11, 12, 13, 14, and 15 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

POMPANO BEACH, FL 33060
(954) 942-1120

INDEPENDENT AUDITOR'S SUPPLEMENTARY REPORT ON
INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5

Board of Directors
Newbridge Securities Corporation
Fort Lauderdale, Florida

In planning and performing my audit of the financial statements and supplemental schedules of Newbridge Securities Corporation(the Company) for the year ended December 31, 2002, I considered its internal control, including control activities for safeguarding securities, in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), I have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that I considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by Rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives.

Board of Directors
(Continued)

Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

My consideration of the internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, I noted no matters involving internal control, including control activities for safeguarding securities, that I consider to be material weaknesses as defined above.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures were adequate at December 31, 2002, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and is not intended to be and should not be used by anyone other than these specified parties.

DENNIS S. BENIMOFF, CPA
