Eldorado Gold Closes CDN\$ 46.0 Million Financing

VANCOUVER, BC - Paul N. Wright, President and Chief Executive Officer of Eldorado Gold Corporation (the "Company" or "Eldorado") (TSX: "ELD") is pleased to announce that the Company has closed its previously announced financing of 28,750,000 units at CDN\$ 1.60 per unit ("Unit") with a syndicate of underwriters led by Yorkton Securities and including Sprott Securities Inc., BMO Nesbitt Burns Inc., TD Securities Inc., National Bank Financial Inc., Research Capital Corporation and Haywood Securities Inc. (the "Underwriters") for gross proceeds of CDN\$ 46.0 million.

Each Unit consists of one Common Share and one-half of one Common Share Purchase Warrant. Each whole Common Share Purchase Warrant will entitle the holders to acquire one Common Share of Eldorado at a price of CDN\$ 2.00 until December 23, 2003. The issuance of the Units was qualified by a short form prospectus receipted December 16, 2002.

At closing, CDN\$ 43,875,965 of the gross proceeds of the offering were released to the Company. The Underwriters received a cash commission of CDN\$ 2,070,000.

The net proceeds of the offering will be used to finance the development and construction of the Company's Kisladag gold project in Turkey and for general corporate purposes.

The securities being offered have not been, nor will they be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons absent U.S. registration or an applicable exemption from U.S. registration requirements. Eldorado has superior gold assets in Brazil and Turkey, two countries with enormous geological potential. In Brazil we are focusing on the continuing improvement at the São Bento mine. In Turkey, we continue to expand our asset base, with a resource of approximately 9.4 million ounces in an increasingly attractive jurisdiction. With our international expertise in mining, finance and project development, together with highly skilled and dedicated staff, Eldorado is well positioned to grow in value as we create and pursue new opportunities.
