Notice of Organizational and Personnel Changes

Notice is hereby given that in accordance with the resolution adopted at the meeting of the Board of Directors of Sammy Corporation (the "Company") held on January 29, 2003, organizational and personnel changes will be implemented as of February 1, 2003, as described below:

Description

1. Purpose of organizational changes

The Company will integrate the purchasing functions and the quality assurance functions of the development and production divisions and establish an integrated purchasing system that covers the selection of components in the phases of development to the procurement of components for mass production, as well as a quality assurance system. In so doing, the Company aims to shorten the amount of time from development to mass production and materialize general and further cost reductions.

2. Organizational changes (Please see the new Organization Chart attached hereto.)

- (1) The Machinery & Materials Department of the Production Division and the Purchasing Group of the Development Administration Department of the Research & Development Control Office will be integrated to form a "Purchasing Department" in the R&D Control Office.
- (2) The Inspection Department of the Production Division and the Quality Assurance Group of the Development Administration Department of the Research & Development Control Office will be integrated to form a "Quality Assurance Department" in the R&D Control Office.
