## African Metals Announces New Director and Investor Relations Agreement.

VANCOUVER, BC – Willis W. Osborne, President of African Metals Corporation (TSX Venture Exchange AFR) is pleased to announce that Mamadou Keita has agreed to stand as a Director of the Company and that an agreement has been signed between the Company and James Mathers for investor relations services.

Mr. Keita received his Ingenieur Degree (Geology) from National School of Ingenieurs (Mali) in 1969 and M.Sc. (Minera) from the Mining Institute of Petersburg, (Russia) in 1978. In 1979 he was made the representative for the Government of Mali in a major diamond exploration project in the western Mali which was carried out through the Malian and French Governments. He later was made the Chief Geologist of a regional geological and geochemical survey for gold in western Mali by the Direction Nationale de la Geologie et des Mines of the Malian Ministere des Mines.

Under the terms of the Investor Relations agreement, Mr. Mathers will work for a minimum of two months for the Company in contacting shareholders and potential investors to inform them of Company activities and to explain the potential of the Company projects. For his efforts, Mr. Mathers will be receiving \$1,500.00 per month. After the initial 2 months period either African Metals or Mr. Mathers can cancel the arrangement at any time.

**ON BEHALF OF THE BOARD OF DIRECTORS  
OF AFRICAN METALS CORPORATION**

*"Signed"*
