## PRESS RELEASE

### UPDATE ON DOYLE LEGAL PROCEEDINGS

**Raymond A. Hrkac**, President of **GGL Diamond Corp. (GGL.TSX Venture)** announces that the hearing of the special Tribunal ordered by the Federal Court of Appeal to hear the claim dispute between Golden Rule Resources Ltd. et al and GGL has been concluded and that a decision is expected by the end of March.

In their submissions to the Tribunal, Golden Rule Resources Ltd. et al have conceded that their claims were staked in contravention of the Canada Mining Regulations and have confined their position to an allegation that the initial Notices of Protest filed by GGL et al were filed out of time. This technical objection was not raised at the time of the initial hearing before the Supervising Mining Recorder and GGL is confident that it will not prevail.
