ACCOUNTANT'S AUDIT REPORT

I have audited the accompanying balance sheet of Jeffrey Joslin, dba StockTraders (a sole proprietorship) as of December 31, 2002, and the related statements of income, cash flows, sole proprietor's equity, and changes in liability subordinated to claims of general creditors for the twelve months then ended. These financial statements are the responsibility of StockTraders. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Jeffrey Joslin, dba StockTraders, as of December 31, 2002, and the results of its operations and the changes in its financial position for the twelve months then ended in conformity with generally accepted accounting principles.

The accompanying financial statements have been prepared solely from the accounts of Jeffrey Joslin, and do not include the personal accounts of the owner or those of any other operations in which he is engaged. Federal taxes on income of the owner are computed on his total income from all sources; accordingly, no provision for such taxes is included in these statements.

Notes to Financial Statements
December 31, 2002

Note 1. BACKGROUND

Jeffrey Joslin, dba StockTraders (a sole proprietorship), is an introducing brokerage company in Huntington Beach, California which started operations on June 1, 1995. Introducing broker/dealers place all transactions through other registered broker/dealers, fully disclosing all of its customer accounts to the clearing firm, and does not clear transactions nor carry customer accounts. Clearing brokers are responsible for holding the securities of the customer and for furnishing customers with statements regarding their accounts.

StockTraders is registered with the SEC (Securities & Exchange Commission), NASD (National Association of Stock Dealers), SIPC (Securities Investor Protection Corporation) and with the State of California, Department of Corporations.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The company maintains its books on the accrual method of accounting recognizing income when earned and expenses when incurred.

The cost of property and equipment are stated at cost. Depreciation for financial statement purposes is computed on the straight-line basis over the estimated useful lives of the assets, ranging from five to seven years (see footnote 5).

Note 3. CASH AND CASH EQUIVALENTS

Pursuant to contract terms between StockTraders and Advanced Clearing, Inc. (a clearing broker), a minimum balance of \$15,000 must be maintained in Stocktrader's Advanced Clearing, Inc. cash accounts at all times. The minimum balance is subject to change at the discretion of Advanced Clearing, Inc. based upon StockTraders sales volume, business mix, or other risks. Upon termination of the relationship, funds will be released to StockTraders after all account debits and liabilities are satisfied.

Funds in the money market account are shown at cost, which approximates market value. Money market funds are mutual funds whose underlying securities are very short-term money market instruments invested in private or government securities that are highly liquid and low risk. Money market funds are not federally insured. The Company throughout the year has maintained balances in various operating and money market accounts in excess of federally insured limits.

Note 4. SECURITY DEPOSIT/OFFICE LEASE

The \$557 security deposit will be returned to StockTraders upon termination of the office lease per agreement between lessor and lessee. Lease payments are \$696 per month, with three months remaining on the lease. The total contingent liability for the remaining lease is \$2088. The lease is renewable yearly.

Note 5. DEPRECIATION

Depreciation for the year amounted to \$724.

	<u>Estimated Useful Life</u>	<u>Cost</u>
Computer Equipment	5	\$3,151
Furniture & Equipment	7	<u>2,300</u>
Total		<u>5,451</u>
Less Accumulated Depreciation		<u>(4,549)</u>
Fixed assets net of accumulated depreciation		<u>\$ 902</u>

Note 6. COMMISSIONS EARNED

All trading commissions are received through clearing brokers (see footnote 1). Net commission checks are received after clearing, execution and other fees have been deducted by the clearing broker.

Note 7. RELATED PARTY TRANSACTIONS

Salaries totaling \$2,150 were paid to the owner's spouse for services rendered to the company.

Note 8. CAPITALIZATION REQUIREMENTS

Brokers or dealers who introduce customer accounts (introducing brokers) are required to maintain net capital of \$50,000 during the period that they engage in the sale of securities. The NASD under SEC Rule 17a-11 places an additional requirement on its members requiring capitalization at 120% of the minimum net capitalization requirement, or \$60,000. StockTraders net capital at December 31, 2002 was \$110,576 in compliance with the minimum net capitalization requirements. For a detailed analysis of net capital, see Supplemental Schedule #1 which is a part of these audited financial statements.
