NOTE 1 - SIGNIFICANT BUSINESS ACTIVITIES AND ACCOUNTING POLICIES

Chatsworth Securities LLC, (the "Company"), is a registered broker-dealer, primarily acting as brokers in executing customer orders for the purchase and sale of marketable securities on behalf of their customers on a fully disclosed basis with a clearing broker-dealer. In addition, the Company receives fees for consulting and private placements.

In the normal course of its business, the Company enters into financial transactions where the risk of potential loss due to changes in market (market risk) or failure of the other party to the transaction to perform (credit risk) exceeds the amounts recorded for the transaction.

The Company's policy is to continuously monitor its exposure to market and counter-party risk through the use of a variety of financial position and credit exposure reporting and control procedures. In addition, the Company has a policy of reviewing the credit standing of each broker-dealer, clearing organization, customer and/or other counterparty with which it conducts business.

The clearing and depository operations for the Company's proprietary transactions are performed by its clearing broker pursuant to the clearance agreement.

The Company's financial records are kept on an accrual basis. The Company considers all highly liquid investments with a maturity of three months or less when purchased, to be cash equivalents.

NOTE 2 - INCOME TAXES
