## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Burnham & Flower Financial, Inc.

We have audited the accompanying statement of financial condition of Burnham & Flower Financial, Inc. as of December 31, 2002, and the related statements of income, changes in stockholders' equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Burnham & Flower Financial, Inc. as of December 31, 2002, and the results of its operations and cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the accompanying schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**NOTES TO FINANCIAL STATEMENTS**

---

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

The summary of significant accounting policies of Burnham & Flower Financial, Inc. (the Company) is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, who is responsible for their integrity and objectivity. These accounting policies conform to U.S. generally accepted accounting principles, and have been consistently applied in the preparation of the financial statements.

*a) Organization and nature of operations:*

The Company is a broker-dealer with the Securities and Exchange Commission (SEC) and is a member of the National Association of Securities Dealers. The Company does not receive, directly or indirectly, or hold funds or securities for, or owe funds or securities to, customers and does not carry accounts of, or for customers. All customer orders clear through another broker (currently, Harbour Investments, Inc.) for cost efficiencies. The Company is a Michigan Corporation and is a member of a group of entities under common control.

*b) Basis of presentation:*

These financial statements include all accounts of the Company.

*c) Commissions:*

Commissions and related expenses are recorded on a trade-date basis as securities transactions occur.

*d) Income taxes:*

There is no provision for income taxes because the Company has made a valid election under Section 1372(a) of the Internal Revenue Code as an S Corporation whereby corporate income is taxed to its stockholders.

**NOTE 2 - RELATED PARTY TRANSACTIONS:**

From time to time, a member of the controlled group made non-interest bearing advances to the Company. All advances were paid in full by December 31, 2002.

Occupancy costs represent the Company's allocation of general, administrative, and facility costs, shared by the controlled group.

**NOTE 3 - NET CAPITAL REQUIREMENTS:**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2002, the Company had net capital of \$15,221, which was \$10,221 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0.005 to 1. Net capital, as reported in Part II of Form X-17A-5 was \$1 lower, or, \$15,220.

## REPORT ON INTERNAL CONTROL

Board of Directors  
Burnham & Flower Financial, Inc.:

In planning and performing our audit of the financial statements of Burnham & Flower Financial, Inc. (the Company), we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Board of Directors  
Burnham & Flower Financial, Inc.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level, the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities and Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2002, to meet the SEC's objectives.

This report is intended for the information and use of the Board of Directors, management, the SEC and the National Association of Securities Dealers and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be, and should not be, used by anyone other than these specified parties.
