## INDEPENDENT AUDITORS' REPORT

To the Shareholder of  
Tradetrek Securities, Inc.:

We have audited the accompanying statement of financial condition of Tradetrek Securities, Inc. as of December 31, 2002. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Tradetrek Securities, Inc., as of December 31, 2002, in conformity with accounting principles generally accepted in the United States of America.

The accompanying notes are an integral part of this financial statement.

TRADEKREK SECURITIES, INC.  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE PERIOD SEPTEMBER 1, 2001, (INCEPTION)  
THROUGH DECEMBER 31, 2002

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Tradetrek Securities, Inc. (the "Company") was incorporated in the State of Delaware. The Company was registered on September 1, 2001 with the Securities and Exchange Commission as a broker/dealer and is a member of the National Association of Securities Dealers, Inc. The Company clears all trades through a clearing broker-dealer. Accordingly, the Company does not carry customers' accounts and does not receive, deliver or hold cash or securities in connection with customers' securities transactions.

The Company records its transactions in securities on a trade-date basis. Securities listed on a national securities exchange are valued at their last sales price. Securities that are traded on the over-the-counter market are valued at their last closing "bid" price if held long by the Company and their last closing "asked" price if sold short by the Company. The resulting unrealized gains and losses are reflected in income.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

NOTE 2 - NET CAPITAL REQUIREMENTS

The Company is subject to the Uniform Net Capital Rule (Rule 15c3-1) under the Securities Exchange Act of 1934. The Rule requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Rule also requires minimum net capital in an amount equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness. At December 31, 2002, the Company had net capital of \$190,142 and excess net capital of \$185,142.

NOTE 3 - INCOME TAXES

The Company is subject to corporate taxes for federal and state purposes. No provision for these taxes has been made since there is a loss reflected on the statement of operations.

TRADE TREK SECURITIES, INC.  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE PERIOD SEPTEMBER 1, 2001, (INCEPTION)  
THROUGH DECEMBER 31, 2002  
(continued)

NOTE 4 - SIGNIFICANT GROUP CONCENTRATION OF RISK

In the normal course of its business, the Company enters into financial transactions where the risk of potential loss due to changes in the market (market risk) or failures of the other parties to the transaction to perform (credit risk) exceeds the amounts recorded for the transaction.

The Company's policy is to continuously monitor its exposure to the market and counterparty risk through the use of a variety of financial position and credit exposure reporting and control procedures. In addition, the Company has a policy of reviewing the customers and/or other counterparties with which it conducts business.

As of December 31, 2002, there were no customer accounts having debit balances which presented any risks nor was there any exposure with any other transaction conducted with any other broker.
