INDEPENDENT AUDITOR'S REPORT

The Director and Stockholder
CMP Equities, Inc.
Eden Prairie, Minnesota

We have audited the accompanying statement of financial condition of CMP Equities, Inc. as of December 31, 2002, and the related statements of operations, changes in stockholder's equity, changes in subordinated borrowing, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CMP Equities, Inc. as of December 31, 2002, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

1. Description of Business and Summary of Significant Accounting Policies –

Description of Business

The Company is a securities broker/dealer registered with the Securities and Exchange Commission (SEC), and regulated by the National Association of Securities Dealers, Inc. (NASD). The Company is primarily an agent for clients in mutual fund transactions in the midwestern United States.

Use of Estimates

The preparation of these financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect certain reported amounts and disclosures in the financial statements and accompanying notes. Actual results could differ from these estimates.

Income Taxes

The shareholder of the Company elected to be taxed as an S corporation under the provisions of the Internal Revenue Code and applicable state regulations. Accordingly, no provision for income taxes is included in these financial statements.

2. Subordinated Borrowing –

The liability is due to the sole shareholder, subordinated to the claims of any general creditors, noninterest bearing, and due July 31, 2007.

3. Related Party Transactions –

The Company shares office facilities with an affiliated company; no charges were incurred for rent or other expenses. The Company paid a management fee of \$4,512 to this affiliated company under an agreement in which this affiliated company pays all the related broker/dealer expenses of the Company.

4. Net Capital Requirement –

The Company is subject to the Securities and Exchange Commission (SEC) Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires the ratio of aggregate indebtedness to net capital, both as defined, not to exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). Net capital and the related net capital ratio fluctuate on a daily basis; however, at December 31, 2002, the net capital ratio was 0 and net capital was \$6,375, which exceeded the minimum capital requirement by \$1,375.

The Company is exempt from Rule 15c3-3 of the Securities and Exchange Commission since the Company does not carry security accounts for customers or perform custodial functions relating to customer securities. Therefore, the Company is not required to make a periodic computation of the reserve requirements for the exclusive benefit of customers.

INDEPENDENT AUDITOR'S REPORT – SUPPLEMENTARY INFORMATION REQUIRED BY
RULE 17a-5 OF THE SECURITIES AND EXCHANGE COMMISSION

The Director and Stockholder
CMP Equities, Inc.
Eden Prairie, Minnesota

We have audited the accompanying financial statements of CMP Equities, Inc. as of and for the year ended December 31, 2002, and have issued our report thereon dated February 14, 2003. Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information on page 9 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

REPORT ON INTERNAL CONTROL REQUIRED BY
SEC RULE 17a-5 FOR A BROKER-DEALER CLAIMING
AN EXEMPTION FROM SEC RULE 15c3-3

The Director and Stockholder
CMP Equities, Inc.
Eden Prairie, Minnesota

In planning and performing our audit of the financial statements and supplemental schedule of CMP Equities, Inc. for the year ended December 31, 2002, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by Rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

website www.ibico.com

CMP EQUITIES, INC.

Lurie Besikof Lapidus
& Company, LLP

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be a material weakness as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2002, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
