REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

January 16, 2003

To the Member of
Eltekon Securities, LLC

We have audited the accompanying statement of financial condition of Eltekon Securities, LLC (the "Company") as of December 31, 2002, and the related statements of operations, changes in member's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Eltekon Securities, LLC at December 31, 2002 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Melton & Melton, L.L.P.

ELTEKON SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2002

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization and Operations

Eltekon Securities, LLC (the "Company") is a Texas limited liability company formed on December 18, 2000. The Company is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and various states, and is a member of the National Association of Securities Dealers ("NASD"). As an introducing broker-dealer, the Company does not hold customer funds or securities; however, will clear all customer transactions on a fully disclosed basis through a clearing broker.

The Company is a wholly owned subsidiary of Eltekon Financial, LLC ("EF"), who is the parent and sole member. The Company and its parent are in the start-up phase of operations and, therefore, rely on contributions from investors to fund operations. Eltekon Holdings, LLC ("EH"), the parent of EF, has entered into a funding agreement with its members providing that the members will fund any capital requirements of EH and its subsidiaries through the year ended December 31, 2003.

Revenue Recognition

Commission fees are revenue from securities transactions and are recorded on a trade-date basis. Mutual fund trailing commissions are accrued monthly as earned. Transaction fees are received from an affiliate based on trades executed for customers of that affiliate. Management fees represent fees charged to customers whose accounts are managed by the Company.

Clearing and Execution Expense

Clearing and execution expense represents charges paid to the clearing broker for the execution of trades for customers of the Company and its affiliate. These charges are recorded on a trade-date basis. The Company is reimbursed by the affiliate for charges paid on its behalf. The reimbursement is shown as revenue on the accompanying statement of operations.

Accounts Receivable

Accounts receivable include commissions on 2002 trades that were not yet received at December 31, 2002.

Payable to Clearing Broker

Payable to clearing broker represents the amount due for clearance, execution, and sundry charges.

ELTEKON SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2002

**NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Accounts Payable – Affiliate

The amount payable to affiliate includes the net amount of fees and commissions collected by the Company from the affiliate's customers on the affiliate's behalf. Reimbursement of clearing and execution charges, and transaction fees are netted against the commissions received.

Income Taxes

The Company, EF, and EH are treated as partnerships for federal income tax purposes. Consequently, federal income taxes are not payable by, or provided for, the Company. The members of EH are taxed individually on the Company's earnings. The Company's net income or loss is allocated among the members in accordance with the regulations of EH.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Management believes that these estimates and assumptions provide a reasonable basis for the fair presentation of the financial statements.

NOTE 2 - MANAGEMENT AGREEMENT

The Company and its member have a management agreement in which the member agrees to pay all overhead expenses of the Company.

NOTE 3 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2002, the Company's ratio of aggregate indebtedness to regulatory net capital was .616 to 1 and its regulatory net capital of \$81,593 was in excess of the minimum net capital required of \$50,000.

ELTEKON SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2002

NOTE 3 - NET CAPITAL REQUIREMENTS (CONTINUED)

Proprietary accounts held at the clearing broker (PAIB Assets) are considered allowable assets in the computation of net capital pursuant to an agreement between Eltekon Securities, LLC and the clearing broker which requires, among other things, that the clearing broker perform a computation of PAIB Assets similar to the customer reserve computation set forth in Rule 15c3-3.

NOTE 4 - SUBORDINATED LIABILITIES

There were no liabilities subordinated to claims of general creditors at any time during the year ended December 31, 2002.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

The Company and the clearing broker, through which accounts are introduced, attempt to control the risks associated with customer activities by limiting customer accounts to only cash-type accounts and monitoring for prompt customer payments in accordance with various regulatory guidelines. The Company maintains a \$25,000 deposit account with the clearing broker to secure its obligation to fund any losses incurred by the clearing broker on customer transactions.

NOTE 6 - OMISSION OF CERTAIN SCHEDULES

The schedules "Computation for Determination of Reserve Requirements," pursuant to Rule 15c3-3 and specified by Rule 17a-5(d)(3), and "Information Relating to Possession or Control of Securities," as specified by Rule 15c3-3 and Rule 17a-5(d)(3), were both omitted and not required inasmuch as the Company operates pursuant to the exemptive provisions of SEC Rule 15c3-3(k)(2)(ii). The Company is an introducing broker-dealer and clears all transactions for customers on a fully disclosed basis with a clearing broker who carries all of the customer accounts.

SCHEDULE I

ELTEKON SECURITIES, LLC
COMPUTATION OF NET CAPITAL UNDER RULE 15c3-1 OF THE
SECURITIES AND EXCHANGE COMMISSION
As of December 31, 2002

Net capital	
Total member's equity	\$90,018
Deductions and/or charges:	
Nonallowable assets:	
Accounts receivable	17
Prepaid expenses	<u>8,425</u>
Net capital	<u>\$81,576</u>
Aggregate indebtedness:	
Items included in statement of financial condition:	
Accounts payable	<u>\$50,243</u>
Total aggregate indebtedness	<u>\$50,243</u>
Computation of basic net capital requirement:	
Minimum net capital required	<u>\$50,000</u>
Excess net capital at 1,500 percent	<u>\$31,576</u>
Excess net capital at 1,000 percent	<u>\$76,552</u>
Ratio: Aggregate indebtedness to net capital	<u>.616 to 1</u>

There are no reconciling items between net capital calculated above and the Company's computation (included in Part II of Form X-17A-5 as of December 31, 2002).

MELTON & MELTON, L.L.P.
CERTIFIED PUBLIC ACCOUNTANTS

REPORT ON INTERNAL CONTROL

January 16, 2003

To the Member of
Eltekon Securities, LLC.

In planning and performing our audit of the financial statements and supplemental schedule of Eltekon Securities, LLC. (the "Company") for the year ended December 31, 2002, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons.
2. Recordation of differences required by Rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial

statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures which accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures which do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2002, to meet the SEC's objectives.

This report is intended solely for the information and use of the member, management, the SEC, National Association of Securities Dealers and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Multa & Multa, L.L.P.
