DIVISION OF MARKET REGULATION

Dear Mr. Carpenter,

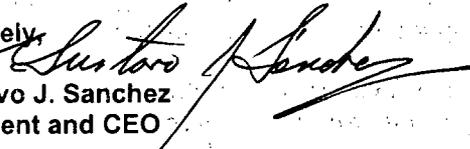

Sansima Consulting Group, Inc. is a Third Party Administrator (TPA) responsible for the administration and record keeping of participant records for certain employee benefit plans. We perform these services for plan sponsors that have Defined Contribution Plans such as 401(k), ESOP's, Profit Sharing and Money Purchase plans. All these plan sponsors maintain a trustee custodian bank or financial institution who is responsible for the effecting the necessary financial transactions as well as the safe-keeping of stocks and/or other securities. Sansima does not even receive any of the participant contributions or deposits they are made directly by the plan sponsor into these other institutions. Our main role is to maintain the records, provide periodic statements to participants reflecting their account balances, and provide the necessary mechanisms for these participants to request their transactions such as investment elections, withdrawals, loans or inter fund transfers. These functions are done through either forms, an Interactive Voice Response System or an Interactive Internet Service.

As requested we have attached a completed Form TA-2. I hope that this explains Sansima's role in the industry. If you have any additional questions please feel free to contact one of the officers of the Firm as follows:

Gustavo J. Sanchez  
President and CEO
