Exhibit A

Fox Pan American Sports LLC has issued convertible promissory notes in an aggregate principal amount of \$15,245,424.00 to three investors in Texas, Colorado and California, respectively, each of whom is accredited. The notes are convertible into limited liability company shares of the issuer at any time after the third anniversary of the date of the issuance of the notes and in certain other instances in accordance with the terms of the credit agreement pursuant to which the notes were issued. The proceeds of the loans made by the investors in exchange for the notes are budgeted to be used for operating expenses going forward, as well as to pay for approximately \$10,000 worth of expenses associated with the offering of the notes. The investors have committed to loan another \$1,954,576 to the issuer in exchange for additional notes convertible into limited liability company shares of the issuer. The smallest aggregate commitment of an investor under the convertible credit agreement is \$4,000,000 and the smallest individual loan advance (which comprises part of a larger aggregate commitment) will be \$454,560.00. Operating expenses going forward include payment of salaries for three or more individuals, rent, equipment and other business expenses. Additional convertible notes may be issued under the credit agreement provided that each of the three investors is afforded the opportunity to participate in making additional loans on a pro rata basis.

The issuer has only one class of limited liability company shares.

No disqualification provisions are applicable to any of the investors.
