News Release

Lodgement of preliminary prospectus with MAS

Singapore, 31 March 2003 – Singapore Telecommunications Limited (“SingTel”) wishes to advise that the preliminary prospectus in relation to the proposed initial public offering (“IPO”) of shares in Singapore Post Limited (“SingPost”) has been lodged with the Monetary Authority of Singapore (“MAS”) on 31 March 2003.

The Singapore Exchange Securities Trading Limited (“SGX-ST”) has issued a Letter of Eligibility to SingPost, a wholly-owned subsidiary of SingTel, for the listing and quotation of shares in SingPost on the Mainboard of the SGX-ST.

Information in preliminary prospectus and potential impact on SingTel

The preliminary prospectus relates to a proposed IPO that may or may not proceed but if it does proceed will impact SingTel’s financial results for the financial year ending 31 March 2004.

SingTel intends to dispose of part of its holding in SingPost and intends to commit to holding the remaining shares for 12 months after the IPO, subject to exceptions described in the preliminary prospectus.

The number of shares in SingPost to be offered in the IPO has not yet been determined. However, if SingTel’s holding in SingPost following the IPO is less than 50 per cent but greater than 20 per cent, it will not consolidate SingPost in its financial statements but will equity account for its share of SingPost’s net earnings.

To the extent that proceeds from the IPO and SingPost’s dividends are used for SingTel’s debt repayment, there will be corresponding reduction in interest expense and debt level.

The financial impact, including any gain, on SingTel will only be known when the price and size of the IPO are determined.
