On a market coming to maturity, Mobistar enjoys an excellent first quarter in 2003

Brussels, 22 April 2003

During the first quarter, Mobistar has seen a substantial rise in the total number of active customers in the order of 2.34%, with the resulting impact of 14.1% revenue growth compared with the first quarter of 2002 and an increase in its ARPU* of 1.3% compared to December 2002.

On 31 March 2003, Mobistar had a total of 2,359,360 active customers, compared to 2,305,390 active customers on 31 December 2002. This represents an increase of no less than 54,000 new cards, or a rise in the order of 2.34% in only three months.

Turnover (total income from mobile and non-mobile services and sales of equipment) was also well up by 14.1%. First quarter 2003 turnover stood at 265.1 million euros, compared to 232.3 million euros for the first quarter of 2002.

ARPU* grew by 1.3% over the last three months. On 31 March 2003, the figure stood at 33.9 euros per month per active customer against 33.47 euros per month per active customer for the whole of 2002.
