MASNET No. 30 OF 04.06.2003
Announcement No. 30

WANT WANT HOLDINGS LTD

INCORPORATION OF A NEW SUBSIDIARY IN PRC

The Directors of Want Want Holdings Ltd ("the Company") wish to announce that the Company has incorporated a subsidiary "Nanjing Ming-Want Agricultural Eco Park Ltd" ("Nanjing Ming-Want Agricultural") with a registered share capital of US\$9.9 million. The Company will hold 99% of the registered share capital of Nanjing Ming-Want Agricultural and the remaining 1% will be held by Danehill Worldwide Limited.

The principal activities of Nanjing Ming-Want Agricultural are the breeding of high grade dairy cows, fresh milk production, sales of farm produce and other ancillary activities relating to ecosystem protection projects and related services.

The Group believes the future is promising for the dairy market in China with the current low per capita consumption of dairy products, strong economic growth resulting in higher consumer income, and the increasing dairy products consumption in the last few years. The higher demand for dairy end products in China is also expected to lead to higher demand for milk sources. Hence, this investment will enable the Group to secure the supply of high quality fresh milk for its expansion into the dairy products market in China.

The transaction is not expected to have a material impact on the net tangible assets or earnings per share of the Company for the financial year ending 31 December 2003. None of the Directors or substantial shareholders of the Company has any interest, direct or indirect, in the transaction.
