News Release

Kinross Elects to Participate in New Sleeper Claims

Kinross Gold Corporation has elected to participate in ten new mineral claims staked by X-Cal Resources Ltd. located in the Sleeper Gold District, Humboldt County, Nevada.

Upon receipt of funds from Kinross, X-Cal will transfer the new mineral claims to Sleeper Mining Company, LLC, which is the company formed by X-Cal and Kinross to hold their mineral interests in the Sleeper area.

X-Cal has the right to purchase the entire Kinross interest in Sleeper Mining Company, LLC, valid until December 30, 2003. By exercising that right, X-Cal could regain 100% interest in the new claims. (X-Cal currently owns 50% of the joint venture company.)

In addition to the claims held jointly with Kinross in Sleeper Mining Company, LLC, X-Cal also holds 100% of 4,800 acres of mineral claims in the Sleeper Gold District that are independent of its agreements with Kinross. Exploration of the Sleeper Gold Property by X-Cal is ongoing.
