Dear Sirs,

I note from your webpage that Glencar Mining plc is not included in your most recently published list of companies with a 12(g) 3.2 (b) exemption. I understand from our representative in Bank of New York that there was some question of non filing relating to 1999. My file shows continuous filing of all company releases and documents since 1986. However, if I have inadvertently omitted to file a particular document, I would be grateful if you could so advise me and inform me as to how I should rectify the position.

Yours faithfully,

Hugh McCullough
