OLIVETTI: PRELIMINARY RESULTS FOR THE VOLUNTARY PUBLIC TENDER OFFER FOR TELECOM ITALIA ORDINARY AND SAVINGS SHARES

Ivrea, 18 July 2003

Olivetti said that the acceptance period for its partial voluntary public tender offer for a portion of Telecom Italia ordinary shares (also represented by American Depositary Shares - ADS) and a portion of Telecom Italia savings shares closed today at 5:40 p.m. Central European Time. The operation was made in the context of the merger by incorporation of Telecom Italia with and into Olivetti, as approved by the Shareholders' Meetings of the two companies held on 24 and 26 May 2003, respectively (the "Merger").

According to the preliminary figures provided by the coordinator for the collection of acceptances, the total number of tendered shares consisted of **501,191,677** ordinary shares (including shares

represented by ADS) (representing approximately **9.52%** of Telecom Italia ordinary share capital and approximately **55.14%** of the ordinary shares for which the offer (for ordinary shares) was made, for an overall consideration of approximately **4,014.5** million Euros) and **249,631,175** savings shares (representing approximately **12.16%** of Telecom Italia savings share capital and approximately **70.41%** of the savings shares for which the offer (for savings shares) was made, for an overall consideration of approximately **1,203.2** million Euros).

The figures include 38,227 ADS (representing **382,270** ordinary shares) which were tendered pursuant to the so-called “Notice of Guaranteed Delivery” system. Under the “Notice of Guaranteed Delivery” system the holder does not deliver the securities at the time of the tender but undertakes to make such delivery within three business days. The tenders made through the “Notice of Guaranteed Delivery” system will be confirmed only when the securities will be delivered.

The final figures will be duly announced in a press release and a public notice. On the basis of the information available, however, Olivetti said that it would accept all the shares that have been tendered.

Assuming that the preliminary figures above are confirmed and assuming that all the tenders made through the “Notice of Guaranteed Delivery” system are confirmed through the delivery of the securities within the applicable period, Olivetti will hold approximately **64.47%** of Telecom Italia’s ordinary share capital.

As specified in the offer documentation, the consideration will be paid to tendering shareholders no later than five business days after the date on which the Merger becomes effective, which is expected to be in the first half of August. The payment day will be announced in a special notice issued no later than the business day after the Merger date.

JPMorgan Chase Bank acted as Financial Advisor to Olivetti for the operation. Other advisors in connection for the public tender offer in Italy were Banca Intesa S.p.A. and UniCredit Banca Mobiliare S.p.A.
