Report of Independent Auditors

The Administrator
Ashland Inc. Employee Savings Plan

We have audited the accompanying statements of net assets available for benefits of Ashland Inc. Employee Savings Plan as of December 31, 2002 and 2001, and the related statements of changes in net assets available for benefits for the year ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2002 and 2001, and the changes in its net assets available for benefits for the year ended December 31, 2002, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2002 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

ASHLAND INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2002

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Ashland Inc. Employee Savings Plan (Plan) provides only general information. The information provided in this Note and other information in this Form 11-K Annual Report is not intended to be and does not constitute a Summary Plan Description or Plan document, as these terms are defined under the Employee Retirement Income Security Act of 1974 (ERISA). Instead, this information merely summarizes selected aspects of the Plan. Consult the Summary Plan Description or the Plan document for more information about the Plan. The Plan document controls the terms of the Plan and supersedes any inconsistencies contained herein or in the Summary Plan Description. Ashland Inc. (Ashland), as Plan Administrator, retains all rights to determine, interpret and apply the Plan's terms as to factual matters and matters of law. This retained discretionary authority is more particularly described in the Summary Plan Description and in the Plan document.

General

The Plan is a contributory, defined contribution plan and covers active regular employees in groups designated by Ashland, the Plan sponsor, as eligible to participate. The Plan is intended to qualify under sections 401(a), 401(k), and 401(m) of the Internal Revenue Code (IRC), and under section 404(c) of ERISA.

Contributions

The Plan allows participants to make pre-tax contributions, pursuant to the terms of the Plan and Section 401(k) of the IRC. The Plan utilizes a safe harbor design under Section 401(k)(12) of the IRC. The Plan no longer permits participants to make after-tax contributions. Ashland or its participating subsidiaries also make matching contributions related to participant contributions, subject to applicable limitations in the Plan and IRC. Employees in groups designated as eligible to participate may immediately enroll in the Plan, regardless of the amount of company service. However, Ashland's matching contributions will not begin until the eligible employee completes one year of service. Effective January 1, 2002, employees who are eligible to participate in Ashland's executive incentive compensation plan are again eligible to join the Plan, if they are otherwise in a group designated by the Plan sponsor as eligible to participate.

Effective January 1, 2002, the rules regarding participant contributions changed in response to tax law changes. Beginning that date, participants may contribute from 1 to 50 percent of eligible compensation in whole number percentage increments. Excluding catch-up contributions, participants were limited to contributions of \$11,000 in 2002. The maximum annual contribution from compensation for future years is scheduled to increase by \$1,000 each year until it reaches \$15,000 in 2006. After 2006, the maximum amount will be adjusted for inflation under IRS rules.

Eligible employees who are at least 50 by December 31 can make catch-up contributions in addition to the regular contribution. Catch-up contributions are pre-tax contributions from an eligible participant's compensation in excess of a plan-imposed limit or the legal pre-tax contribution limit. Therefore, the eligible participant's contributions must first reach a plan-imposed limit or the legal pre-tax contribution limit before any contributions are characterized as catch-up contributions. For 2002 these employees

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

may contribute \$1,000 as catch-up contributions and for 2003, they can contribute \$2,000 as catch-up contributions. The catch-up contribution is presently scheduled to increase by \$1,000 each year until it reaches \$5,000 in 2006. After 2006, the maximum amount will be adjusted for inflation under IRS rules.

Ashland or its participating subsidiaries contribute up to a maximum of 4.2 percent of eligible compensation. Eighty cents of each \$1.10 increment of the company contribution on the first 2 percent of a participant's contribution is required to be invested in the Ashland Inc. Restricted Common Stock Fund. Seventy cents of each \$1.00 increment of the company contribution on the next 2 percent of a participant's contribution is required to be invested in the Ashland Inc. Restricted Common Stock Fund. The remainder of the company contribution is invested among the available investment alternatives in the same proportion as the participant's own contribution is invested.

Until December 31, 2002, the portion of the company contribution that had to be invested in the Ashland Inc. Restricted Common Stock Fund and the dividends paid on such Common Stock were not eligible for in-service withdrawals and were not be used as security for a loan by a participant from his or her account under the Plan. Plan participants who will be at least age 55 by the end of a calendar year were allowed once each year to elect to diversify a portion of their company matching contribution that is invested in the Ashland Inc. Restricted Common Stock Fund. From age 55 through age 59, the amount that was subject to this election was 25 percent of the amounts contributed by the company, determined on a cumulative basis. From and after age 60, the applicable percentage was increased to 50 percent, determined on a cumulative basis.

Effective March 1, 2000, the portion of each participant's account that was required to be invested in the Ashland Inc. Restricted Common Stock Fund was designated as and converted to an employee stock ownership plan (ESOP). Therefore, the portion of each company matching contribution that was required to be invested in Ashland Inc. Common Stock was allocated to this ESOP portion of the Plan. The company may direct that dividends paid on the Ashland Inc. Common Stock allocated to the ESOP portion of the Plan be passed through and paid directly to participants and beneficiaries.

On January 1, 2003, the balance in the Ashland Restricted Stock Fund was transferred into the Ashland Stock Fund, which is not restricted. Investments in the Ashland Stock Fund can be moved to any other investment in the Savings Plan. Ashland will continue to contribute the same matching percentage in Ashland Stock after December 31, 2002, but the contribution will no longer be restricted and can be moved into any investment in the Savings Plan.

Plan participants age 55 or older are permitted to transfer a designated portion of their Leveraged Employee Stock Ownership Plan (LESOP) accounts to their accounts in the Ashland Inc. Employee Savings Plan during annual election periods. Amounts subject to this election in the LESOP are first

Contributions (Continued)

transferred to the unrestricted Ashland Inc. Common Stock Fund account in the Plan of electing participants. Those participants can then choose to transfer the amounts from the unrestricted Ashland Inc. Common Stock Fund to other investment options in the Plan. During October 2002, 19,723 shares of Ashland Inc. Common Stock were transferred from the LESOP accounts of the electing participants to their corresponding unrestricted Ashland Inc. Common Stock Fund accounts in the Plan.

Participants direct the investment of their contributions into various investment options offered by the Plan. Currently, the Plan offers approximately 190 investment options.

Plan participants can exchange all or part of their holdings in the Arch Coal Stock Fund for an investment in any of the other funds available in the Plan, other than the Ashland Inc. Restricted Common Stock Fund. Participants cannot, however, make contributions to the Arch Coal Stock Fund or make exchanges from other funds into the Arch Coal Stock Fund. Depending upon the volume of trading in Arch Coal, Inc. Common Stock, it is possible that trading in the Arch Coal Stock Fund could be periodically suspended. This will allow the trustee to maintain responsible oversight of the transactions within the Plan. Any cash dividend that may be paid on Arch Coal, Inc. Common Stock will be reinvested in the Arch Coal Stock Fund.

Participant Loans

Any participant in the Plan can obtain a loan from the Plan for any reason and may hold up to 2 loans at any one time. Loans must be repaid within 5 years in equal installment amounts determined by the Plan sponsor. Loan interest compounds monthly at an annual rate equal to the prime rate on the last business day of the month before the loan is made plus 1 percent. Interest on the loan will be credited to the participant's account as the loan is repaid as earnings in the investment option or options, in the same percentage, as participant's contributions.

Vesting

The Plan provides for immediate vesting of all employer and employee contributions regardless of the employee's length of participation in the Plan or service with the employer. However, in order to preserve the qualified status of the Plan with the Internal Revenue Service, there are certain restrictions pertaining to the employee's right to withdraw contributions and any earnings thereon while actively employed by Ashland or its subsidiaries. If a participant or beneficiary entitled to a benefit cannot be located, the vested benefit is forfeited. However, if such a participant or beneficiary makes a proper claim prior to the termination of the Plan, the forfeited benefit shall be restored in an amount equal to the amount forfeited, unadjusted for any gains or losses.

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Payments of Benefits

Participants may withdraw a certain portion of their account while employed. The portion which can be withdrawn depends upon whether the employee is age 59-½ at withdrawal and the source of funds. Only one such withdrawal is allowed in any 12 month period and the withdrawal cannot exceed the current value of the total account.

Amounts in the Restricted Company Match Account cannot be withdrawn while employed. However, eligible participants who are age 55 could diversify a portion of their Restricted Company Match Account. Upon termination of employment, an employee (or beneficiary in the event of death) may receive the entire value of the account. The employee or beneficiary may elect to receive the withdrawal in a lump sum or in monthly, quarterly or annual installments.

Plan Termination

Although it has not expressed any intention to do so, Ashland reserves the right, at its sole discretion, to amend, suspend, modify, interpret, discontinue or terminate the Plan or change the funding method at any time without the requirement to give cause or consideration to any individual, subject to the provisions set forth in ERISA. No accounting treatment or funding of the Plan shall be deemed evidence of an intent to limit in any way the right to amend or terminate the Plan.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements have been prepared on the accrual basis of accounting. All costs and expenses of administering the Plan are paid by Ashland, except that fees are paid to the investment managers from their respective funds. The preparation of the financial statements and accompanying notes in conformity with accounting principles generally accepted in the United States requires the Plan's management to make estimates and assumptions that affect the amounts reported. Actual results could differ from those estimates.

Investment Valuation

Except for the investment contracts, the Plan's investments are stated at fair value which equals the quoted market price, bid price for other listed investments, at quoted market price that represents the net asset value of shares of registered investment companies, and at cost (which equals market) for commingled short-term investment funds on the last business day of the plan year. Participant loans are valued at their outstanding balances, which approximate fair value.

Investment contracts are recorded at their contract values, which represent contributions and reinvested income, less any withdrawals plus accrued interest, because these investments have fully benefit-responsive features.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation (Continued)

The cost of investments disposed of is determined on the basis of average historical cost. Income or loss, less investment management fees, is allocated to members' accounts on the basis of each members' proportionate interest in the fund. The value of the fund, and the value of each member's interest, will fluctuate with the carrying value of the securities in which the fund is invested.

NOTE C - INVESTMENTS

The fair values of individual investments that represent 5 percent or more of the net assets of the Plan at December 31, 2002, and 2001 are as follows:

ASHLAND INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE F - TAX STATUS OF THE PLAN

On February 6, 1997, the Internal Revenue Service ruled that the Plan qualified under Section 401(a) of the IRC and, therefore, the related trust was exempt from taxation. Once qualified, the Plan was required to operate in conformity with the IRC to maintain its qualification. Subsequent to the receipt of that determination letter, the Plan was completely amended and restated to comply with various legal and other changes. On August 1, 2002, the Internal Revenue Service issued a favorable determination letter stating that the Plan, as amended and restated, remained qualified under the IRC.

Subsequent to the August 1, 2002, determination letter, the Plan was completely amended and restated to comply with various legal and other changes. On December 30, 2002, Ashland applied for another determination letter with the Internal Revenue Service stating the Plan, as amended and restated, qualified under the IRC. On March 3, 2003, the Internal Revenue Service issued a favorable determination letter. Ashland believes that the Plan, as amended, remains qualified and, therefore, the related trust is tax exempt.

NOTE G - SUBSEQUENT EVENTS

Effective January 1, 2003, the Plan was amended to eliminate the ESOP characteristics and the restrictive nature of the portion of the company matching contribution that is invested in Ashland stock. While a portion of the company matching contribution continues to be invested in Ashland stock, participants may elect to diversify any or all of that investment. This also applies to all amounts that were otherwise required to remain invested in Ashland stock at December 31, 2002. Therefore, the part of the matching contribution that had been restricted is treated the same as the part of the matching contribution that was not restricted effective January 1, 2003.

The amount of the company matching contribution is increasing effective July 1, 2003. The new company matching contribution will be \$1.10 for each \$1.00 the participant contributes up to a maximum participant contribution of 5 percent of pay. Therefore, Ashland or its participating subsidiaries will match participant contributions up to a maximum of 5.5 percent of eligible compensation. For each \$1.10 of the company matching contribution \$.60 will be initially invested in Ashland stock. Participants may immediately elect to diversify the amounts so invested in Ashland stock.

Effective September 30, 2003, the Arch Coal Stock Fund will be eliminated from the Ashland Inc. Employee Savings Plan. Balances in this fund may be exchanged or transferred to any other investment option in the Plan until the close of the market on September 30, 2003. After that date, any remaining balance will be automatically transferred to the Low Volatility Fund. The participant can then transfer the balance into any other investment option in the Plan. Former employees of Ashland with a balance in the Arch Coal Stock Fund have the additional option of taking their balance in Arch Coal stock.

ASHLAND INC.
EMPLOYEE SAVINGS PLAN

WHEREAS, Ashland Inc. established the Ashland Inc. Employee Savings Plan (which was known as the Ashland Inc. Employee Thrift Plan before October 1 1995) originally effective June 1, 1964 for the benefit of employees eligible to participate therein;

WHEREAS, the aforesaid Plan was amended from time to time and, as so amended, was completely amended and restated effective October 1, 1976 to comply with the provisions of the Employee Retirement Income Security Act of 1974;

WHEREAS, the aforesaid amended and restated Plan was further amended from time to time and was completely amended and restated effective October 1, 1980, and again restated effective October 1, 1983, and again restated effective October 1, 1985, and again restated effective October 1, 1989 and again restated effective October 1, 1995; and again restated effective January 1, 1997;

WHEREAS, Article 20 of the aforesaid amended and restated Plan, reserves to Ashland Inc. the right to further amend the Plan; and

WHEREAS, Ashland Inc. desires to make further amendments to the Plan and to incorporate such amendments into a completely restated Plan;

NOW, THEREFORE, Ashland Inc. does hereby further amend and restate the Ashland Inc. Employee Savings Plan, generally effective as of January 1, 2003, except as otherwise indicated, and provided that amendments which were made hereto from and after the Plan's last effective date of restatement through the date on which this restatement was executed shall be effective as of the dates that were specified under each such amendment, whether or not such effective dates are specified hereinafter, in accordance with the following terms and conditions:

ARTICLE 1
PURPOSE OF PLAN

1.1 Designation.

(a) General. The Plan is designated the "Ashland Inc. Employee Savings Plan." The Plan is also designated as a discretionary contribution plan under Section 401(a) of the Code to which contributions may be made without regard to the current or accumulated earnings and profits of the respective Participating Companies for the taxable years thereof ending with or within the Plan Year, and whose assets may be invested, without limitation, in qualifying employer securities as defined in Section 407(d)(5) of ERISA.

(b) ERISA 404(c). It is intended that the Plan be a plan described in Section 404(c) of ERISA, to the extent that the terms and operation of the Plan comply with those provisions; therefore, fiduciaries of the Plan may be relieved of any liability for any losses which are the direct and necessary result of investment instructions given by a Member or Beneficiary.

(c) Testing Method. The Plan is designated as an ADP test safe-harbor plan, as described in Notice 98-52, as modified in Notice 2000-3, and as allowed in Section 401(k)(12)(B) of the Code. As a result of such designation, Members may only make salary reduction elections, as described in Article 6, that are allocated to the Members' Tax Deferred Accounts. Also as a result of such designation, amounts attributable to Participating Company contributions allocated to Members' Accounts after December 31, 1998, and for distributions after December 31, 1998, of amounts from or attributable to what had been Members' Restricted Company Match Accounts shall, in addition to any other applicable restrictions on distributions, not be distributable to a Member before the occurrence of an event described in Section 401(k)(2)(B) of the Code, except that the same may not be distributed on account of the hardship of a Member. Finally, as a result of such designation, Members that are eligible to make salary reduction contributions under Article 6 shall receive the notice required by Section 401(k)(12)(D) of the Code. Such notice will be provided at or around the time of eligibility to participate and annually thereafter. The annual notice will be

provided at least 30 days but not more than 90 days before the start of the next Plan Year.

(1) Top-Heavy. Effective January 1, 2002, so long as the Plan consists solely of a Plan that meets the applicable requirements of Code sections 401(k)(12) and 401(m)(11), the top-heavy requirements of Code section 416 and the provisions of Article 24 shall not apply.

(d) ESOP. Effective January 1, 2003, the Restricted Company Match Account shall no longer be designated as an employee stock ownership plan, qualified under sections 401(a) and 4975(e)(7) of the Code. Therefore, each Member's Restricted Company Match Account will become part of the Member's Account and the amounts attributable to the Restricted Company Match Account shall become part of the investment in Fund A – Ashland Common Stock Fund. .

1.2 Purpose. The purpose of the Plan is to provide retirement and other benefits for the Members and their respective beneficiaries. To provide such benefits, the Participating Companies propose to make such contributions as directed and determined by the Sponsoring Company in accordance with the provisions of the Plan. Except as otherwise provided by the Plan and by law, the assets of the Plan shall be held for the exclusive benefit of Members and their beneficiaries and defraying reasonable expenses of administering the Plan, and it shall be impossible for any part of the assets or income of the Plan to be used for, or diverted to, purposes other than such exclusive purposes.

1.3 Plan Mergers.

(a) Ballenger and SuperAmerica. Effective as of December 31, 1995, with respect to accounts formerly held under the Ballenger Paving Company, Inc. 401(k) Employee Savings Plan (the "Ballenger Plan") and effective as of April 1, 1996, with respect to accounts formerly held under the SuperAmerica Hourly Associates Savings Plan (the "SuperAmerica Plan"), the Ballenger Plan and SuperAmerica Plan shall, as of their respective effective dates, be merged with and become a part of this Plan. The actual transfer of accounts from each of these plans to this Plan shall be made as part of the said plan mergers on such date as shall be determined and agreed to by and between the Sponsoring Company and the Trustee and the trustee of the applicable plan being merged herein. After each such account is transferred to the Plan, each such account shall be held and

administered pursuant to the terms of this Plan; provided, however, notwithstanding anything contained herein to the contrary, the Section 411(d)(6) protected benefits (as defined under Treas. Reg. §1.411 (d) - 4) associated with each such account shall be preserved under this Plan. The accounts which are so transferred and merged into this Plan shall be placed in and shall be a part of the applicable Member's Account hereunder, and for purposes of determining service hereunder, the Member's prior service under the plan being merged herein shall count hereunder to determine such Member's Period of Service, and, for purposes of applying the withdrawal rules under this Plan, this Plan shall refer to the applicable date of allocation of employer contributions under such plan.

- (b) Superfos Related Plans. Effective on or after August 31, 2000, the accounts formerly held under the Shears Construction, LP 401(k) Retirement Savings Plan that are designated by the Plan Administrator or its delegate and effective on or after September 18, 2000, the accounts formerly held under the Superfos and Affiliates 401(k) Plan, the JB Coxwell Contracting, Inc. 401(k) Plan and the Harper Brothers Construction, Inc. 401(k) Profit Sharing Plan that are designated by the Plan Administrator or its delegate, shall, as of their respective effective dates, be merged with and become a part of this Plan. The actual transfer of accounts from each of these plans to this Plan shall be made as part of the said plan mergers on such date as shall be determined and agreed to by and between the Sponsoring Company and the Trustee and the trustee of the applicable plan being merged herein. After each such account is transferred to the Plan, each such account shall be held and administered pursuant to the terms of this Plan. The investment options into which the transferred assets are initially placed shall be similar to those in which they were invested prior to the merger, as determined by the Plan Administrator or its delegate. To accomplish the said merger, the Plan Administrator shall implement such procedures, as it deems appropriate or convenient. These may include but not be limited to suspending account transactions for a period of time following the merger. The Section 411(d)(6) protected benefits as defined under applicable Treasury regulations and other pronouncements shall be preserved; provided, however, that changes may be made to them after the merger allowed under law and Treasury or

Internal Revenue Service interpretations. The accounts that are so transferred and merged into this Plan shall be placed in and shall be a part of the applicable Member's existing Account hereunder, if the Member has one. For purposes of applying the withdrawal rules under this Plan to the merged assets, this Plan shall refer to the applicable date of allocation of employer contributions under the plan from which the assets were transferred. Nevertheless, if that is not administratively convenient, then the transferred assets shall be deemed contributed on the date of transfer hereto for purposes of applying the withdrawal rules of the Plan. Effective for distributions on or after September 6, 2000, the assets of the accounts formerly held under the Shears Construction, LP 401(k) Retirement Savings Plan may only be distributed to Members in a form allowed by Section 13.3(a). Any optional form of benefit that would have otherwise applied to such assets before the effective date of Treas. Reg. §1.411(d)-4, Q&A-2(e) shall no longer apply. Notwithstanding anything in the foregoing to the contrary, the change to the optional forms of distribution available for the assets that were transferred from the Shears Construction, LP 401(k) Retirement Savings Plan and merged herewith shall not apply to a Member whose benefit consists in whole or in part of assets transferred from the said Shears Plan and whose benefit is distributed before the earlier of (i) the 90th day after the Member is furnished a summary of material modifications that describes the deletion of the otherwise preserved optional forms of distribution; or;(ii) January 1, 2002.

- (c) Conforming Distribution Options. Effective January 1, 2002, except to the extent already accomplished by Section 13.3(b) as in effect on January 1, 2001, the distribution options available for any amounts transferred, merged, consolidated or otherwise contributed to the Plan from a source outside of the Plan shall only be those distribution options otherwise available under the Plan to the extent allowed by Code sections 411(d)(6)(D) and (E).

ARTICLE 2
DEFINITIONS

2.1 As used in the Plan:

- (a) "Account" shall mean all of the separate accounts maintained for each Member under the provisions of Article 10 of the Plan (excepting, however, the accounts which comprise such Members' Tax Deferred Account) reflecting such Member's contributions to the Trust under the provisions of Article 5 of the Plan and reflecting Participating Company contributions to the Trust allocated on behalf of such Member under the provisions of Article 7 of the Plan, as adjusted in accordance with the provisions of Section 10.3 of the Plan. Effective January 1, 2003, each Member's Restricted Company Match Account shall become part of the Member's Account.
- (b) "Actual Contribution Percentage" shall mean, for the Highly Compensated Eligible Employees and the Non-Highly Compensated Eligible Employees for a Plan Year, the average of the ratios, calculated separately for each person in each such group, of the amount, if any, of -
- (1) such person's Member contributions allocated to such person's Account under Article 5; and
 - (2) such person's Participating Company contributions allocated to such person's Account under Article 7, to the extent such contributions are not treated as Member contributions allocated to such person's Tax Deferred Account under Article 6 pursuant to the terms of Section 2.1 (c) of the Plan for such Plan Year to the person's Actual Deferral Percentage Compensation for such Plan Year.

For purposes of computing the Actual Contribution Percentage of any Highly Compensated Eligible Employee, the amount of contributions, if any, allocated to such individual's Account (to the extent such contributions are considered in calculating the Actual Contribution Percentage under this paragraph (b) of Section 2.1 of the Plan) for such Plan Year shall be combined with any other contributions by or on behalf of such individual intended to be made under Section 401(m) of the Code to any other plan (if any) which allows such contributions, maintained by the Sponsoring Company or maintained by an

Affiliated Company, which are made by or on behalf of such individual from and after the time any such plan was so maintained, except to the extent that such other plan (if any) cannot be aggregated with this Plan under Treas. Reg. Section 1.410(b)-7(c), or any successor thereto.

(c) "Actual Deferral Percentage" shall mean, for the Highly Compensated Eligible Employees and the Non-Highly Compensated Eligible Employees for a Plan Year, the average of the ratios, calculated separately for each person in each such group, of the amount of -

(1) contributions, if any, allocated to such person's Tax Deferred Account under Article 6; and

(2) such person's Participating Company contributions allocated to such person's Account under Article 7, to the extent the Sponsoring Company decides to treat such contributions for purposes of this paragraph (c) as Member contributions allocated to such person's Tax Deferred Account under Article 6 for such Plan Year to the person's Actual Deferral Percentage Compensation for such Plan Year.

For purposes of computing the Actual Deferral Percentage of any Highly Compensated Eligible Employee, the amount of contributions, if any, allocated to such individual's Tax Deferred Account and Restricted Company Match Account (to the extent such contributions are considered in calculating the Actual Deferral Percentage under this paragraph (c) of Section 2.1 of the Plan) for such Plan Year shall be combined with any other contributions of such individual intended to be made under Section 401(k) of the Code to any other plan (if any) which allows such contributions maintained by the Sponsoring Company or maintained by an Affiliated Company, which are made by such individual from and after the time any such plan was so maintained, except to the extent that such other plan (if any) cannot be aggregated with this Plan under Treas. Reg. Section 1.410(b)-7(c), or any successor thereto.

(d) "Actual Deferral Percentage Compensation" shall mean the Compensation received during the Plan Year by an Employee.

(e) "Affiliated Company" shall mean each of the following for such a period of time as is applicable under Section 414 of the Code:

- (1) a corporation which, together with a Participating Company is a member of a controlled group of corporations within the meaning of Section 414(b) of the Code (as modified by Section 415(h) thereof for the purposes of Article 5, and the applicable regulations thereunder);
 - (2) a trade or business (whether or not incorporated) with which a Participating Company is under common control within the meaning of Section 414(c) of the Code (as modified by Section 415(h) thereof for the purposes of Article 5, and the applicable regulations thereunder);
 - (3) an organization which, together with a Participating Company, is a member of an affiliated service group (as defined in Section 414(m) of the Code); and
 - (4) and any other entity required to be aggregated with a Participating Company pursuant to regulations under Section 414(o) of the Code.
- (f) "Beneficiary" shall mean the person or persons entitled to receive the distributions, if any, payable under the Plan pursuant to the applicable provisions of Articles 11 and 13 of the Plan, upon or after a Member's death, as such Member's Beneficiary. Each Member may designate a Beneficiary by filing a written designation thereof over his signature with the Sponsoring Company in such form and manner as the Sponsoring Company may prescribe from time to time. A designation shall be effective upon its receipt by the Sponsoring Company, retroactive to the date such Member signed such designation, provided that it is so filed during such Member's lifetime. The last effective designation received by the Sponsoring Company shall supersede all prior designations, provided that any designation shall only be effective if the Beneficiary survives the Member. A Member may designate one or more contingent Beneficiaries to receive any distributions in the event the primary Beneficiary (or Beneficiaries) does not survive the Member and may change his Beneficiary designation from time to time as provided above; provided however, the spouse to whom the Member was married on his date of death shall be such Member's Beneficiary, unless the spouse waives the right to be the Beneficiary and consents to the designation of another as follows:
- (1) the spouse's consent and waiver is in writing and it is witnessed by either a notary public or Plan representative;

- (2) the waiver and consent specify the alternate Beneficiary including any class of Beneficiaries, which may not be changed without spousal consent, except that if a trust is named as the Beneficiary, the beneficiaries under such trust may be changed without additional spousal consent;
- (3) the waiver and consent specify the form of benefit payment (if applicable) which may not be changed without spousal consent; and
- (4) the spouse's consent acknowledges the effect of the consent and waiver.

Notwithstanding anything to the contrary contained in (2) and (3) immediately above, a spouse may execute a general consent and waiver which permits the Member to change alternate Beneficiaries and/or forms of benefit payment (if applicable) without spousal consent if, in such general consent and waiver, the spouse acknowledges his right to limit consent to a specific beneficiary and/or specific form of benefit, where applicable, and the spouse voluntarily elects to relinquish either or both of such rights. Any consent and waiver is only effective with respect to the spouse who signed such consent and is not effective with respect to any subsequent spouse. However, if it is established to the satisfaction of the Sponsoring Company that a written consent and waiver cannot be obtained because there is no spouse or the spouse cannot be located or because of such other circumstances as may be provided in Treasury regulations, then a Member's designation will be deemed effective without the need to comply with (1) through (4) above of this paragraph (f).

If a Member fails to designate a Beneficiary, or if no designated Beneficiary survives the Member or dies simultaneously with the Member or under circumstances making it impossible to determine whether such Beneficiary survived such Member, the Member shall be deemed to have designated one of the following as Beneficiary (if living at the time of the Member's death) in the following order of priority: (i) the surviving spouse, and (ii) the Member's estate. If the Sponsoring Company shall be in doubt as to the right of any person as a Beneficiary, payment may be made to the Member's estate and such payment shall be in full satisfaction of any and all liability of the Plan (or any other person or entity) to any person claiming under or through such Member. Whenever the rights of a Member are stated or limited in the Plan, his Beneficiaries shall be bound thereby.

To the extent consistent with the provisions of Section 401(a)(9) of the Code and the regulations thereunder, the Member's Beneficiary as determined under this Section 2.1(f) shall be his "designated beneficiary" as defined under said Section and regulations.

- (g) "Code" shall mean the Internal Revenue Code of 1986, as amended from time to time. References to any Section of the Code shall include any successor provision thereto.
- (h) "Compensation" shall mean the salary and wages (or, if an Employee is not paid a fixed salary or wages, such other compensation as determined by the Sponsoring Company) paid by a Participating Company to an Employee during the Plan Year, including commissions, payroll continuation for sickness, overtime pay, shift premium, and vacation pay, if any, any amounts contributed to the Member's Tax Deferred Account, and any amounts excluded from the Member's income under Sections 401(k), 402(h), 403(b) or 125 of the Code; provided, however, Compensation shall not include (i) incentive compensation bonuses, but, effective October 1, 1999, Compensation shall include variable pay and bonus amounts paid to Members who are not eligible for the Sponsoring Company's incentive compensation bonus program, (ii) amounts contributed by a Participating Company or Affiliated Company under any employee benefit plan (other than amounts contributed to a Member's Tax Deferred Account under this Plan and any amounts excluded from the Member's income under Sections 401(k), 402(h), 403(b) or 125 of the Code), (iii) amounts paid to a Member under the Ashland Inc. ERISA Forfeiture Plan or any successor plan thereto, (iv) amounts paid to a Member as stock appreciation rights through the Ashland Inc. Long Term Incentive Plan or the Amended Stock Incentive Plan for Key Employees of Ashland Inc. and its Subsidiaries or any successor or similar plans thereto, (v) allowances paid by reason of foreign assignment, which are not a part of such Member's base United States salary as determined by the Sponsoring Company; and (vi) remuneration determined to be disregarded under this paragraph (h) by the Sponsoring Company under rules uniformly applicable to all employees similarly situated; (vii) severance pay paid on or after November 1, 1992; (viii) amounts deferred under and amounts paid from any nonqualified

salary deferral plan; and (ix) effective January 1, 2000, amounts paid for waiving benefits under the Sponsoring Company's flexible benefits program. Notwithstanding anything in the foregoing to the contrary, the Compensation of each Member taken into account under the Plan for any Plan Year shall not exceed \$150,000 as adjusted at the same time and manner as the adjustments under Section 415(d) of the Code, and any such adjustment for a calendar year shall apply to the Plan Year which begins with or within such calendar year and such adjustments shall only be made in increments of \$10,000, rounded down to the next lowest multiple of \$10,000, with the base period for determining this annual adjustment being the calendar quarter beginning October 1, 1993. Effective for Plan Years beginning on and after January 1, 2002, the Compensation of each Member taken into account under the Plan for any Plan Year shall not exceed \$200,000. This amount shall be adjusted at the same time and manner as the adjustments under Section 415(d) of the Code. Any such adjustment for a calendar year shall apply to the Plan Year that begins with or within such calendar year. These adjustments shall only be made in increments of \$5,000, rounded down to the next lowest multiple of \$5,000, with the base period for determining this annual adjustment being the calendar quarter beginning July 1, 2001.

- (i) "Employee" shall, except as otherwise provided, mean any person who is an employee of one or more Participating Companies. The term Employee shall not include: (i) any person included in a unit of employees covered by a collective bargaining agreement between employee representatives and one or more Participating Companies unless such bargaining agreement specifically provides otherwise; (ii) any leased employees as defined in Section 414(n) of the Code; (iii) any person compensated on an hourly rate or other rate basis if such employee is not included in a designated eligible payroll classification code so designated by the Sponsoring Company; and (iv) any employee not included in a designated eligible payroll classification code so designated by the Sponsoring Company, which shall include those employees acquired as part of the acquisition of Superfos a/s and its US subsidiaries until the later of the date such employees are transferred to a designated eligible payroll classification code by

the Sponsoring Company or January 1, 2000. For purposes of this section 2.1(i), a United States citizen who is an employee (a) of a foreign subsidiary (as defined in Section 3121(l)(8) of the Code) of a domestic Participating Company which is the subject of an agreement entered into by such domestic Participating Company under Section 3121(l) of the Code and as to whom contributions under a funded plan of deferred compensation are not provided by any person other than such domestic Participating Company with respect to the remuneration paid to such United States citizen by such foreign subsidiary, or (b) of a domestic subsidiary (as defined in Section 407(a)(2)(A) of the Code) of a domestic Participating Company and as to whom contributions under a funded plan of deferred compensation are not provided by any person other than such domestic Participating Company with respect to the remuneration paid to such United States citizen by such domestic subsidiary, shall be deemed to be an employee of such domestic Participating Company. For purposes of this section 2.1(i), under rules of general application, a former employee of a Participating Company who is temporarily on leave of absence from employment with such Participating Company in order to render services to an Affiliated Company or other affiliate of a Participating Company, may be deemed an Employee of such Participating Company during such absence if such absence is determined by the Sponsoring Company to be in the interest of a Participating Company or an Affiliated Company; provided that such status as a deemed employee will be equally available to both Highly Compensated Employees and Non-Highly Compensated Employees who satisfy the criteria for such status; and provided further that such status shall only be available under terms and conditions satisfying Treas. Reg. §1.401(a)(4)-11(d) or any successor to that regulation.

- (j) "Employment Commencement Date" shall mean the date on which an employee (whether or not such employee is an Employee within the meaning of paragraph (i) of this Section 2.1) first performs an Hour of Service for a Participating Company or an Affiliated Company.
- (k) "ERISA" shall mean the Employee Retirement Income Security Act of 1974, as amended from time to time. References to any Section of ERISA shall include any successor provision thereto.

(l) "Highly Compensated Eligible Employee" shall mean, with respect to a Plan Year, any Employee from and after the time he is eligible to participate in the Plan, pursuant to the provisions of Article 3, and who is a Highly Compensated Employee for such Plan Year.

(m) "Highly Compensated Employee" shall mean for a particular Plan Year (1) an Employee who is a 5% owner (as defined in Section 416(i)(1)(B) of the Code) at any time of a Participating Company or an Affiliated Company during the present Plan Year (the "determination year"); or (2) an Employee who received compensation during the 12 consecutive month period prior to such Plan Year (the "look-back year") from a Participating Company or an Affiliated Company in excess of \$80,000 (as adjusted at the same time and in the same manner as the adjustments under Section 415(d) of the Code, and any such adjustment for a calendar year shall apply to the determination year or look-back year (whichever is applicable) which begins with or within such calendar year, except that the base period is the calendar quarter ending September 30, 1996).

For these purposes, the compensation of an individual refers to compensation as defined under Section 415(c)(3) of the Code.

A former Employee shall be a Highly Compensated Employee if he was (1) a Highly Compensated Employee at the time he separated from service; or (2) a Highly Compensated Employee at any time after attaining age 55. The determination of the status under (1) or (2) in the immediately preceding sentence shall be based on the rules for determining whether an individual was a Highly Compensated Employee as in effect in the particular determination year, in accordance with Section 1.414(q)-1T,A-4 of the temporary Treasury regulations and Notice 97-45.

When determining whether an Employee is a Highly Compensated Employee in the Plan Year before the generally effective date of this amendment and restatement (January 1, 1997), the provisions of this paragraph (m) shall be treated as being in effect in such prior Plan Year.

(n) "Hour of Service" shall mean each hour for which an employee is paid, or entitled to payment, by a Participating Company or an Affiliated Company for the performance of duties as an employee.

- (o) "Investment Manager" shall mean any party that: (i) is (A) registered as an investment advisor under the Investment Advisors Act of 1940, or (B) a bank (as defined in the Investment Advisors Act of 1940), or (C) an insurance company qualified to manage, acquire and dispose of Plan assets under the laws of more than one state; (ii) acknowledges in writing that it is a fiduciary with respect to the Plan; and (iii) is granted the power to manage, acquire or dispose of any asset of the Plan pursuant to Article 14 of the Plan.
- (p) "Member" shall mean an eligible Employee who becomes a Member of the Plan as provided in Article 4 of the Plan. A Member ceases to be a Member when all funds in his Account, Restricted Company Match Account and Tax Deferred Account to which he is entitled under the Plan have been distributed in accordance with the Plan.
- (q) "Non-Highly Compensated Eligible Employee" shall mean, with respect to a Plan Year, any Employee from and after the time he is eligible to participate in the Plan, pursuant to the provisions of Article 3, who is not a Highly Compensated Eligible Employee for such Plan Year.

- (s) "One-Year Period of Service" shall mean 12 months of a Period of Service. - (t) "One-Year Period of Severance" shall mean a 12-consecutive-month period beginning on an employee's Severance from Service Date and ending on the first anniversary of such date provided that the employee during such 12-consecutive-month period does not perform an Hour of Service for a Participating Company or Affiliated Company.
- (u) "Participating Company" shall mean (1) the Sponsoring Company; (2) any division of the Sponsoring Company some or all of whose employees are

designated as eligible to participate in this Plan; and (3) an affiliate of the Sponsoring Company which adopts the Plan pursuant to Article 18 of the Plan.

- (v) "Period of Service" shall mean a period of employment with a Participating Company or an Affiliated Company commencing on an employee's Employment Commencement Date or Reemployment Commencement Date, whichever is applicable, and ending on such employee's Severance from Service Date; provided, however, Period of Service shall also include any Period of Severance immediately following a Period of Service if the employee completes an Hour of Service within 12 months of the date on which the employee was first absent from service. Notwithstanding the foregoing provisions of this paragraph (v), Period of Service shall not include the period between the first anniversary and the second anniversary of the first date of absence from work (1) by reason of the pregnancy of the employee, (2) by reason of the birth of a child of the employee, (3) by reason of the placement of a child with the employee in connection with the adoption of such child by such employee, or (4) for purposes of caring for such child for a period beginning immediately following such birth or placement. In the case of any employee who has a One-Year Period of Severance prior to becoming vested in any portion of his Account, such employee's Periods of Service with a Participating Company or an Affiliated Company before any such One-Year Period of Severance shall not be taken into account if such employee's latest Period of Severance equals or exceeds the greater of (i) five years or (ii) his prior aggregate Periods of Service completed before the date on which such One-Year Period of Severance began, and such prior aggregate Periods of Service shall not include any Period of Service not required to be taken into account by reason of any prior One-Year Period of Severance. Any Period of Service, or part thereof, with an Affiliated Company (other than a Participating Company) during a period of time during which such Affiliated Company was not an Affiliated Company shall be disregarded except that the following shall not be disregarded: (A) service as provided in Section 3.2 of the Plan, (B) service with an Affiliated Company by an Employee who was transferred from an Affiliated Company to a Participating Company, and (C) service with an Affiliated Company by an employee which is determined by the

Sponsoring Company under uniform, nondiscriminatory rules not to be disregarded; provided that such service will be equally available to both Highly Compensated Employees and Non-Highly Compensated Employees who satisfy the criteria for such service; and provided further that such service shall only be available under terms and conditions satisfying Treas. Reg. §1.401(a)(4)-11(d) or any successor to that regulation.

- (w) "Period of Severance" shall mean the period of time commencing on an employee's Severance from Service Date and ending on the date such employee again performs an Hour of Service.
- (x) "Plan" shall mean the Ashland Inc. Employee Savings Plan (formerly known as the Ashland Inc. Employee Thrift Plan).
- (y) "Plan Year" shall mean the calendar year.
- (z) "Reemployment Commencement Date" shall mean the first date, following the Severance from Service Date, on which an employee performs an Hour of Service.

- (ab) "Severance from Service Date" shall mean the earliest to occur of (1) the date on which an employee quits, retires or is discharged from employment with a Participating Company or an Affiliated Company, or dies; or (2) except as otherwise provided in clause (3), the first anniversary of the first date of a period during which an employee remains absent from service (with or without pay) with a Participating Company or an Affiliated Company for any reason other than a quit, retirement, discharge or death; or (3) the second anniversary (or such shorter period as may be allowed by regulations) of the first date of a period in which an employee remains absent from service with a Participating Company or an Affiliated Company by reason of the placement of a child with the employee in connection with the adoption of such child by such employee, or for purposes of caring for such child for a period beginning immediately following such birth or placement, if the employee furnishes to the Sponsoring Company such information in such form and at such time as it may from time to time require that such absence was for one of the reasons specified in this sentence and the

number of days for which there was such an absence. Notwithstanding the preceding sentence, (i) if an employee is absent from service with a Participating Company or an Affiliated Company solely by reason of temporary leave of absence determined by the Sponsoring Company under uniform, non-discriminatory rules to be in the interest of a Participating Company or an Affiliated Company, such employee shall be deemed not to have quit or been absent from service with such Participating Company or Affiliated Company so long as such employee complies with the terms and conditions of such temporary leave of absence; or (ii) if an employee is absent from service with a Participating Company or an Affiliated Company solely by reason of military service under circumstances by which such employee is afforded reemployment rights under any applicable Federal or State statute or regulation, such employee shall be deemed not to have quit or have been absent from service with such Participating Company or Affiliated Company if such employee returns to service with such Participating Company or Affiliated Company before the expiration of such reemployment rights; provided, however, in the event that such employee fails to comply with the terms and conditions of a temporary leave of absence or fails to return to service with such Participating Company or Affiliated Company before the expiration of such reemployment rights, such employee shall be deemed to have quit on the first day on which such employee was first absent from service with such Participating Company or Affiliated Company by reason of such temporary leave of absence or such military service.

- (ac) "Sponsoring Company" shall mean Ashland Inc. including any successor by merger, purchase or otherwise.
- (ad) "Tax Deferred Account" shall mean all the separate accounts maintained under the provisions of Article 10 to which are allocated, on behalf of a Member, contributions to the Trust under the provisions of Section 6.1 of the Plan as adjusted in accordance with the provisions of Section 10.3 of the Plan.
- (ae) "Termination of Employment" shall mean termination of employment with any Participating Company or any Affiliated Company, whether voluntarily or involuntarily, for any reason other than by reason of a Member's transfer to a Participating Company or an Affiliated Company. With respect to amounts held

in a Member's Tax Deferred Account and Restricted Company match Account and for distributions before December 31, 2001, a Member shall be deemed to have incurred a Termination of Employment upon the date of the sale by a Participating Company or an Affiliated Company to a purchaser not related to either such Company under Sections 414 (b), (c), (m), or (o) of the Code of

- (i) substantially all of the assets (within the meaning of Section 409(d)(2) of the Code) used by such Company in a trade or business of such Company even though such Member continues employment with the purchaser of such assets, or
- (ii) the stock (within the meaning of Section 409(d)(3) of the Code) of a Participating Company or an Affiliated Company even though such Member continues employment with such Company;

provided, that such purchaser does not maintain the Plan after the date of such sale.

Notwithstanding anything in the Plan to the contrary, effective January 1, 2002 Termination of Employment shall include both a separation from service and a severance from employment for purposes of determining if a distribution under the Plan is allowed.

- (af) "Trust" shall mean the legal entity resulting from the trust agreement between the Sponsoring Company, on its own behalf and as agent for all other Participating Companies, and the Trustee which receives the Participating Companies' and Members' contributions, and holds, invests, and disburses funds to or for the benefit of Members and their Beneficiaries.
- (ag) "Trust Fund" shall mean the total contributions made by the Participating Companies and Members to the Trust pursuant to the Plan, increased by profits, gains, income and recoveries received, and decreased by losses, depreciation, benefits paid and expenses incurred in the administration of the Trust. ARTICLE 3

REQUIREMENTS FOR ELIGIBILITY

3.1 Eligibility Requirements.

(a)(1) General. Each Member of the Plan on January 1, 2003, shall continue to be a Member subject to the provisions of the Plan. Subject to the provisions of Article 4 of the Plan, an Employee who is a Member under the provisions of sub-paragraph (2) of this paragraph (a) shall be eligible for the contribution described in Section 7.1(c) as soon as is administratively feasible after completing a One-Year Period of Service, provided that such Member is an Employee of a Participating Company on such date.

(2) Less Than One Year. Subject to the provisions of Article 4 of the Plan, each Employee of a Participating Company in a payroll classification designated as eligible for participation hereunder by the Sponsoring Company who has not received credit for a One-Year Period of Service shall be eligible to make the contributions allowed under Article 6 of the Plan as soon as is administratively feasible after the later of:

(i) January 1, 2001; or

(ii) the Employee's date of employment.

Employees who are eligible to make contributions under this sub-paragraph (2) of this paragraph (a) shall be considered to be Members of the Plan for all purposes except they shall not be eligible to receive the contributions described in Section 7.1(c) of the Plan until completing a One-Year Period of Service.

(3) Reemployment. Notwithstanding anything to the contrary herein contained, any Member who incurs a Termination of Employment and who is subsequently reemployed as an Employee of a Participating Company in a payroll classification designated as eligible for participation hereunder by the Sponsoring Company shall be eligible to again become a Member, subject to the provisions of Article 4, as of the first pay period for such Employee beginning coincident with or next following the day after the reemployment of such Employee.

(b) Special Rule for Deferred Compensation Eligible Group. Effective January 1, 2002, Employees who are or who become eligible to make non-qualified salary deferrals under the Ashland Inc. Deferred Compensation Plan shall be eligible to

make contributions to this Plan. The terms of the Plan shall be applied to these Employees in the same manner as they are applied to other eligible Employees, except as otherwise noted in this paragraph (b) of Section 3.1. The Employees referred to in this paragraph (b) shall only be allowed to make one irrevocable election to make contributions to the Plan for each Plan Year, subject only to suspension because of a hardship distribution as provided under Sections 5.3 and 6.3. Such election shall be made at such time and pursuant to such procedures as prescribed by the Sponsoring Company from time to time. Such elections shall, however, be collected prior to the Plan Year to which they relate. In the event the Employee becomes eligible to make non-qualified salary deferrals under the Ashland Inc. Deferred Compensation Plan effective on a day other than January 1, then the Employee's irrevocable election under this Plan shall be collected before the period of the Plan Year to which an election under the Ashland Inc. Deferred Compensation Plan would relate. Under these circumstances, the Employee's existing election under this Plan would end and the Employee would have to make a new irrevocable election hereunder to be effective for the remainder of the Plan Year. Such elections shall become irrevocable on the first day of the Plan Year (or portion thereof) to which they relate and shall be effective with respect to pay received after such day (or as soon as is administratively feasible). Notwithstanding anything in the foregoing to the contrary, an Employee whose election is otherwise irrevocable shall have an opportunity to increase such election effective with respect to Compensation received after June 30, 2003. To be eligible to increase the election, the Employee must meet all of the following:

- (1) The Employee elected to contribute 4% or less of Compensation to the Plan for the 2003 Plan Year; and
- (2) The Employee does not elect to increase the contribution above 5% of Compensation.

An election to increase an Employee's contribution to the Plan described above will only be effective with respect to Compensation received after June 30, 2003 and will be irrevocable for the remainder of the Plan Year. Any such election

shall be made in the manner prescribed by the Sponsoring Company, but it can be made no later than June 30, 2003.

3.2 Service With A Predecessor Employer. If the Plan had previously been maintained by a predecessor of a Participating Company, whether a corporation, partnership, sole proprietorship or other business entity, any period of service with such predecessor shall be treated as a period of service with a Participating Company. If the Plan had not been previously maintained by a predecessor of a Participating Company, service with such predecessor shall not be taken into account, except to the extent required pursuant to regulations prescribed by the United States Secretary of the Treasury or his delegate. Notwithstanding the foregoing, service by a sole proprietor or partner shall not be counted as a period of service with a Participating Company.

ARTICLE 4

PARTICIPATION IN THE PLAN

4.1 Participation. Any Employee eligible to participate in the Plan in accordance with Article 3 of the Plan shall become a Member with respect to the first paycheck for such Employee issued for the first pay period beginning after the Sponsoring Company records such Employee's enrollment as a Member. Such enrollments shall be accomplished by means of such administrative procedures as may be prescribed by the Sponsoring Company, from time to time. By enrolling in the Plan, each Member shall (i) authorize the automatic deduction of such Member's contributions and any contributions allocable to his Tax Deferred Account from such Member's Compensation or authorize such other method of making contributions as may be required by the Sponsoring Company, (ii) designate such Member's investment election under the provisions of Section 8.2 of the Plan, (iii) designate one or more Beneficiaries pursuant to the provisions of Section 2.1(f) of the Plan, and (iv) provide such other information, and agree to such conditions, understandings, declarations or agreements as the Sponsoring Company shall from time to time require.

ARTICLE 5

MEMBER CONTRIBUTIONS

5.1 Rate. Subject to Section 5.4, Section 6.1 and the limitations of Article 7, each Member may elect to contribute to the Plan by means of payroll deduction (or other method as may be required by the Sponsoring Company) an amount not less than 1% nor more than 50% (in whole number percentages) of Compensation, for each payment of Compensation received after enrolling for participation under Section 4.1 of the Plan. The 50% limit may be exceeded for a Member to the extent required to facilitate the Member's catch-up contribution under Section 6.1(b). Contributions pursuant to this Article 5 that are less than or equal to 4% (5% effective July 1, 2003) of a Member's Compensation, and with respect to which a Participating Company contribution is made under the provisions of Article 7 of the Plan, are designated as Basic Contributions. Contributions that are in excess of 4% (5% effective July 1, 2003) of a Member's Compensation, and with respect to which no such Participating Company contribution is made, are designated as Supplemental Contributions. All Member contributions shall be paid into the Plan not less frequently than monthly and shall be allocated to such Member's Account or Tax Deferred Account as provided in the Plan.

5.2 Change of Rate. Subject to Section 3.1(b), a Member may elect to change his contribution rate (including changes to or from 0%) within the limits set forth in Section 5.1 by following such administrative procedures as may be prescribed by the Sponsoring Company, from time to time. Any such change to his contribution rate shall be effective with respect to the first paycheck for such Member issued for the first pay period beginning after the Sponsoring Company records such change.

5.3 Automatic Discontinuance of Contributions. If a Member ceases to be an Employee, or otherwise ceases to be eligible to participate pursuant to the terms of Article 3 of the Plan, his Basic Contributions and Supplemental Contributions, if any, shall be automatically discontinued.

If a Member elects to make a hardship withdrawal from his Account and Tax Deferred Account, if any, pursuant to the provisions of Section 12.3 of the Plan, such Member's Basic Contributions and Supplemental Contributions, if any, shall be automatically discontinued effective for payments of Compensation first occurring for the pay period of such Member after the Sponsoring Company records such withdrawal. The automatic discontinuance of contributions resulting from a hardship withdrawal shall last for a period of 12 calendar months, starting with

the first calendar month coincident with or next following the automatic discontinuance of contributions. After the expiration of this 12 calendar month period, the Member must affirmatively elect to resume contributions pursuant to the provisions of Section 5.2 of the Plan. The 12-month suspension period described in the foregoing shall be changed to 6 months for hardship distributions made after December 31, 2001.

In no event shall the Actual Contribution Percentage for the Highly Compensated Eligible Employees exceed the greater of (i) the Actual Contribution Percentage for the Non-Highly Compensated Eligible Employees multiplied by 1.25; or (ii) the lesser of (A) the Actual Contribution Percentage for the Non-Highly Compensated Eligible Employees plus 2.00, or (B) the Actual Contribution Percentage for the Non-Highly Compensated Eligible Employees multiplied by 2 (hereinafter called the "actual contribution percentage test"). The Sponsoring Company may, without notice to any Member, discontinue all or part of the contributions of any one or more Highly Compensated Eligible Employees when such discontinuance is deemed necessary or advisable to establish and/or preserve the Plan as qualified under the provisions of Section 401(a) of the Code and related provisions or to satisfy the actual contribution percentage test in the immediately preceding sentence. To the extent permitted by regulations issued by the Secretary of the Treasury of the United States or his delegate, such discontinuance by the Sponsoring Company may be retroactive. Notwithstanding anything to the contrary contained herein, the following actions may be taken by the Sponsoring Company, without notice to any Member, in the event that the actual contribution percentage test is not satisfied for the Plan Year:

- (a) If the actual deferral percentage test of Section 6.3 is satisfied for such Plan Year, then the Sponsoring Company may recharacterize such amount of the salary reduction contributions allocated to the Tax Deferred Accounts of the Non-Highly Compensated Eligible Employees for such Plan Year as Participating Company contributions for such Plan Year to the extent that such recharacterization would allow the Plan to satisfy the actual contribution percentage test for such Plan Year; provided that the actual deferral percentage test was still met for such Plan Year, both with and without the amounts so recharacterized. Any contributions that are so recharacterized shall not otherwise be considered to be Participating Company contributions and shall remain allocated to the Tax Deferred Accounts of the affected Non-Highly Compensated Eligible Employees.

(b) If the actual contribution percentage test for the Plan Year cannot be satisfied under (a) of this Section 5.3, then the amount by which the Participating Company contributions and Member contributions for such Plan Year which are allocated to the Accounts of Highly Compensated Eligible Employees exceeds the maximum amount of such contributions that could have been made for such Plan Year to satisfy the actual contribution percentage test (hereinafter "excess aggregate contributions") shall be distributed, with their allocable share of income or loss, to the Highly Compensated Eligible Employees by the end of the following Plan Year, as determined for each such Employee in the following described manner. The total amount of the excess aggregate contributions for the year is first determined. To determine the total excess aggregate contributions, the actual contribution ratios (which is for each Highly Compensated Eligible Employee the ratio of Member and Participating Company contributions allocated to his Account for the Plan Year to his Actual Deferral Percentage Compensation for the Plan Year) of the Highly Compensated Eligible Employees for such Plan Year are reduced, beginning with the Highly Compensated Eligible Employee(s) having the highest actual contribution ratio, in succession, until each such actual contribution ratio is reduced to no more than the greater of the following --

- (1) the particular actual contribution ratio resulting in the Actual Contribution Percentage for the Highly Compensated Eligible Employees that satisfies the actual contribution percentage test, calculated under the formula of $[(M \times T) - S] \div N$, where M is the maximum allowable Actual Contribution Percentage for the Highly Compensated Eligible Employees, based upon the Actual Contribution Percentage of the Non-Highly Compensated Eligible Employees for such Plan Year, T is the total number of Highly Compensated Eligible Employees for the Plan Year, S is the sum of the actual contribution ratios of the Highly Compensated Eligible Employees who do not have the highest actual contribution ratio for the Plan Year, and N is the number of Highly Compensated Eligible Employees who do have the highest actual contribution ratio for the Plan Year; or
- (2) the actual contribution ratio of the Highly Compensated Eligible Employee(s) with the next highest actual contribution ratio;

until no such Highly Compensated Eligible Employee's actual contribution ratio for the Plan Year exceeds the highest permitted such ratio for such Plan Year. The amount of the total excess

aggregate contributions to be distributed to a particular Highly Compensated Eligible Employee for the Plan Year is determined by starting with the Highly Compensated Eligible Employee with the greatest amount of Member and Participating Company contributions allocated to his Account for such Plan Year and reducing the amount of such contributions to the next highest amount of such contributions for a Highly Compensated Eligible Employee and continuing in descending order until all the excess aggregate contributions have been so allocated and distributed. For this purpose, the highest amount of such contributions is determined after the distribution of any excess aggregate contributions. However, the excess aggregate contributions so allocated to a Highly Compensated Eligible Employee cannot exceed the sum of the Participating Company contributions and Member contributions actually allocated to such Highly Compensated Eligible Employee's Account for the Plan Year. Excess aggregate contributions distributed to a Highly Compensated Eligible Employee for a Plan Year shall first come from any Supplemental Contributions made by such Employee under Section 5.1 for such Plan Year and, if there are still excess aggregate contributions to be distributed after exhausting such Employee's Supplemental Contributions, then the remaining portion of the distribution shall come from such Employee's Basic Contributions under Section 5.1 and Participating Company contributions allocated to his Account for the Plan Year in the proportion that such Basic Contributions bears to such Participating Company contributions for such Employee for such Plan Year. The amount of allocable income or loss that is added to a Highly Compensated Eligible Employee's distribution of excess aggregate contributions is equal to the income or loss allocable to the Member contributions under this Article 5 and the Participating Company contributions for the Plan Year multiplied by a fraction whose numerator is the excess aggregate contributions allocated to the Highly Compensated Eligible Employee for the Plan Year and whose denominator is the sum of such Employee's Account on the first day of such Plan Year and the Member contributions under this Article 5 and Participating Company contributions allocated to his Account for such Plan Year. Notwithstanding anything to the contrary, if, during the Plan Year for which an excess aggregate contribution is made, a Highly Compensated Eligible Employee who would otherwise be allocated a share of such excess aggregate contribution with its allocable share of income or loss receives a distribution of all of his Account, such distribution shall be deemed to have been a distribution of such Employee's share of the excess aggregate contribution and its allocable share of income or loss.

5.4 Rollover Contributions. Subject to the provisions of this Section 5.4, effective after December 31, 1997, a Member may contribute to the Plan, for allocation to the Member's Account, an amount consisting of a Direct Rollover, a Regular Rollover or a Conduit IRA Rollover. Amounts contributed by a Member pursuant to this Section 5.4, and any earnings and any income allocable thereto, shall be fully vested and nonforfeitable at all times.

(a) Eligibility. Effective for rollover contributions to the Plan after December 31, 2002, Employees who meet the eligibility requirements of Section 3.1 of the Plan and former Employees who still have an Account or Tax Deferred Account in the Plan are eligible to make contributions under this Section 5.4.

(b) Direct Rollover. A Direct Rollover is a contribution that satisfies all of the following:

- (1) The contribution is made in cash (including a check) or by such other means as may be prescribed by the Sponsoring Company, in consultation with the Trustee.
- (2) The contribution consists of all or a portion of the taxable part of the Member's benefit under another qualified trust or annuity (as defined in Code section 402(c)(8)). For this purpose, such a contribution may include an eligible rollover distribution to a Member that is a former Employee from another qualified trust sponsored by the Sponsoring Company, a Participating Company or an Affiliated Company. Effective for rollover contributions made after December 31, 2001, such contributions that are received from a qualified trust may also include amounts that were not taxable to the Member upon distribution. The Plan must, however, separately account for the rollover contributions that consist of amounts that were both taxable and non-taxable to the Member on distribution from the qualified trust. The non-taxable portion of such distribution will be treated as after-tax contributions made after 1986 under clause (ii) of Section 10.1. Additionally, after December 31, 2001, the Plan will accept (i) rollover contributions from an annuity contract described in section 403(b) of the Code, excluding after-tax employee contributions, and (ii) rollover contributions from an eligible plan under section 457(b) of the Code that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.
- (3) The contribution constitutes an eligible rollover distribution (as defined in Code Section 402(c)(4)).

- (4) The contribution is being transferred directly to the Plan pursuant to the provisions of Code Section 401(a)(31). Effective for rollover contributions after December 31, 2001, the contribution is being transferred directly to the Plan pursuant to the provisions of Code section 401(a)(31), 403(b)(10) or 457(d)(1)(C), as applicable.
- (c) Regular Rollover. A Regular Rollover is a contribution that satisfies all the requirements enumerated for a Direct Rollover in paragraph (b) of this Section 5.4, except the requirement of paragraph (b)(4) of this Section 5.4, and which is delivered by the Member to the Plan not later than the 60th day after the day of the Member's receipt of the amount being contributed as a Regular Rollover. Effective for rollover contributions after December 31, 2001, the time limit of the preceding sentence may be extended as allowed in Code section 402(c)(3)(B).
- (d) Conduit IRA Rollover. A Conduit IRA Rollover is a contribution that satisfies all of the following:
- (1) The contribution is made in cash (including a check) or by such other means as may be prescribed by the Sponsoring Company, in consultation with the Trustee.
 - (2) The contribution consists of all or a portion of a Member's benefit under an individual retirement account or individual retirement annuity, the assets of which consist solely of amounts attributable to a qualified trust as defined in Code Section 402(c)(8), as required under Code Section 408(d)(3)(A)(ii). The source of the distribution for rollover contributions after December 31, 2001 is not relevant so long as the amount of the rollover contribution was properly in the account from which it was distributed and so long as the rollover contribution to the Plan does not exceed the amount the Member received from such account that would have been included in gross income.
 - (3) The contribution is delivered by the Member to the Plan not later than the 60th day after the day of the Member's receipt of the amount being contributed as a Conduit IRA Rollover. Effective for rollover contributions after December 31, 2001, the time limit of the preceding sentence may be extended as allowed in Code section 408(d)(3)(i).
- (e) Information Provided by Member. Before the Plan will accept a Direct Rollover, a Regular Rollover or a Conduit IRA Rollover, the Sponsoring Company may require the Member to provide such information and documentation as the Sponsoring

Company deems to be convenient and appropriate to demonstrate that the amount submitted as a Direct Rollover, Regular Rollover or Conduit IRA Rollover satisfies the requirements applicable to such a rollover. If, after accepting a contribution from a Member as a Direct Rollover, Regular Rollover or Conduit IRA Rollover, the Sponsoring Company becomes aware such contribution did not satisfy the applicable rollover requirements in paragraph (b), (c) or (d) of this Section 5.4, then the amount of such contribution and any earnings attributable to it will be automatically distributed within a reasonable time to the Member, without the Member's consent.

- (f) Investment. Coincident with or prior to the Plan's acceptance of a contribution under this Section 5.4, the Member shall direct the Plan and the Trustee regarding the investment of the contribution among the investment alternatives provided in Article 8 of the Plan. The Member's investment of contributions under this Section 5.4 shall be subject to all the relevant provisions of Article 8 of the Plan and shall be subject to such administrative procedures as prescribed, from time to time, by the Sponsoring Company, in consultation with the Trustee.
- (g) Amounts Received as Surviving Spouse or Alternate. Distributions received by an Employee in the capacity of a surviving spouse or an alternate payee under a qualified domestic relations order that satisfies the requirements of paragraph (a) hereof shall be eligible to be contributed to the Plan as a rollover contribution if the relevant provisions of this Section 5.4 are met with respect to the same as though the Employee were an employee with respect to such distribution.

ARTICLE 6

SALARY REDUCTION CONTRIBUTIONS

6.1 Salary Reduction Election.

(a) General. Subject to the provisions of Section 6.3 and the limitations of Article 7, each Member may elect to reduce his remuneration from a Participating Company by having an amount of his contribution under Article 5 of the Plan, determined in whole number percentages of his Compensation, allocated to his Tax Deferred Account. Such election shall be made pursuant to such administrative procedures as may be prescribed by the Sponsoring Company, from time to time. Member contributions under this Section 6.1, when combined with any other contributions of such Member intended to be made under Section 401(k) of the Code to any other plan (if any) which allows such contributions maintained by the Sponsoring Company or maintained by an Affiliated Company, which are made by such Member from and after the time any such plan was so maintained, shall not exceed the dollar limitation as determined by the United States Secretary of the Treasury or his delegate pursuant to Section 402(g) of the Code to reflect increases in the cost of living and to be adjusted no more than annually. Notwithstanding anything in the foregoing to the contrary, effective for contributions after December 31, 2001, the applicable limit of Code section 402(g) may be exceeded as allowed in paragraph (b) of this Section 6.1. Notwithstanding anything in the foregoing to the contrary, if a Member's contributions under this Section 6.1 made during a calendar year exceed the maximum dollar limitation described above (hereinafter called "excess deferral"), then such Member may notify the Sponsoring Company by March 1 of the calendar year following the calendar year for which such excess deferral was made, in writing, under such procedures as may be prescribed by the Sponsoring Company, from time to time, of the amount of such excess deferral in the Plan. If the Sponsoring Company has actual knowledge of such an excess deferral for a Member, then such written notice from such Member shall be deemed to have been given. After such actual notice or deemed notice occurs, the amount of such excess deferral, reduced by any prior distributions of excess contributions under Section 6.3, shall be distributed to the Member, with its allocable share of income or loss, by April 15 of the calendar year following the calendar year for which the excess deferral occurred; provided, however, that such distribution may be made earlier, including within the calendar year for which the excess deferral occurred. The amount of income or loss allocable to the distribution of the excess deferral is determined by multiplying the amount of income or loss allocable to

the contributions made to the Plan for the calendar year during which the excess occurred (or if earlier, the income or loss for such contributions as of the Valuation Date immediately prior to the distribution) by a fraction whose numerator is the excess deferral for such Member and whose denominator is the sum of such Member's Tax Deferred Account balance as of the beginning of the calendar year for which the excess deferral occurred and the amount of such Member's contributions under this Section 6.1 for that calendar year (or if earlier, the amount of such contributions as of the Valuation Date immediately prior to the distribution). Excess deferrals distributed shall first come from any Supplemental Contributions made under this Section 6.1 during the calendar year for which the excess deferral occurred and, if there are still excess deferrals to be distributed after exhausting such Supplemental Contributions, then the remaining portion of the distribution shall come from the Member's Basic Contributions under this Section 6.1 made during such calendar year, provided, that notwithstanding any other provision of the Plan to the contrary, the amount of any Participating Company contributions related to any such Basic Contributions shall be forfeited and used to reduce the amount of Participating Company contributions that would otherwise be required. Notwithstanding anything to the contrary, if, during the calendar year for which an excess deferral is made, a Member who would otherwise receive a distribution of such an excess deferral with its allocable share of income or loss receives a distribution of all of his Tax Deferred Account, such distribution shall be deemed to have been a distribution of such Member's excess deferral and its allocable share of income or loss.

(b) Catch-Up Contributions. Effective for contributions made after December 31, 2001, Members who will be at least age 50 before the close of the applicable Plan Year shall be able to make catch-up contributions in accordance with, and subject to the limitations of, Code section 414(v). Such catch-up contributions shall not be taken into account for purposes of the provisions of the Plan implementing the required limitations of sections 402(g) and 415 of the Code. The Plan shall not be treated as failing to satisfy the provisions of the Plan implementing the requirements of section 401(k)(3), 401(k)(11), 401(k)(12), 410(b) or 416 of the Code, as applicable, by reason of the making of such catch-up contributions. The Sponsoring Company shall prescribe administrative procedures that it considers to be convenient to facilitate catch-up contributions. These procedures may be changed from time to time.

6.2 Change or Suspension/Resumption of Salary Reduction Rate. Subject to Sections 3.1(b), 5.1 and 6.1 of the Plan, a Member may elect to change the amount of his contributions being allocated to his Tax Deferred Account, in amounts equal to one or more whole percentage points of his Compensation (including changes to or from 0%), by following such administrative procedures as may be prescribed by the Sponsoring Company, from time to time, and any such change shall be effective with respect to the first paycheck for such Member issued for the first pay period beginning after the Sponsoring Company records such change.

6.3 Automatic Suspension or Discontinuance of Salary Reduction. If a Member ceases to be an Employee, or otherwise ceases to be eligible to participate pursuant to the terms of Article 3 of the Plan, his Basic Contributions and Supplemental Contributions, that were being made and allocated pursuant to the terms of this Article 6, if any, shall be automatically discontinued.

If a Member elects to make a hardship withdrawal from his Account and Tax Deferred Account, if any, pursuant to the provisions of Section 12.3 of the Plan, such Member's Basic Contributions and Supplemental Contributions, that were being made and allocated pursuant to the terms of this Article 6, if any, shall be automatically discontinued effective for payments of Compensation first occurring for the pay period of such Member after the Sponsoring Company records such withdrawal. The automatic discontinuance of contributions resulting from a hardship withdrawal shall last for a period of 12 calendar months, starting with the first calendar month coincident with or next following the automatic discontinuance of contributions. After the expiration of this 12 calendar month period, the Member must affirmatively elect to resume contributions pursuant to the provisions of Section 5.2 and/or Section 6.2 of the Plan. The 12-month suspension period described in the foregoing shall be changed to 6 months for hardship distributions made after December 31, 2001.

In no event shall the Actual Deferral Percentage for the Highly Compensated Eligible Employees exceed the greater of (i) the Actual Deferral Percentage for the Non-Highly Compensated Eligible Employees multiplied by 1.25; or (ii) the lesser of (A) the Actual Deferral Percentage for the Non-Highly Compensated Eligible Employees plus 2.00, or (B) the Actual Deferral Percentage for the Non-Highly Compensated Eligible Employees multiplied by 2 (hereinafter called the "actual deferral percentage test"). However, the amount of any excess deferrals under Section 6.1 for a calendar year attributable to Non-Highly Compensated Eligible Employees shall be disregarded and excluded from the computation of the actual deferral

percentage test for the Plan Year in which such excess deferrals occurred, and, for this purpose, such excess deferrals shall be deemed to be the last contributions made during the calendar year in which such excess deferrals occurred, going backwards, until the contributions so determined equal the amount of the excess deferral for any such Employee. The Sponsoring Company may, without notice to any Member, discontinue the salary reduction contributions of any one or more Highly Compensated Employees when such discontinuance is deemed necessary or advisable to establish and/or preserve the Plan as qualified under the provisions of Section 401(a) and Section 401(k) of the Code. To the extent permitted by regulations issued by the Secretary of the Treasury of the United States or his delegate, such discontinuance by the Sponsoring Company may be retroactive and/or be by way of reclassification of Member contributions and/or by way of distributions to Members. If salary reduction contributions are discontinued pursuant to the terms of this Section 6.3, the payroll deductions which were related to such contributions shall continue at the same rate for each affected Member, and such contributions, from and after the date of such discontinuance, shall be deemed to be contributions made under and subject to the provisions of Article 5, including, but not limited to, the limitations applicable to such contributions under Section 5.4 of the Plan. If the Sponsoring Company determines to allow salary reduction contributions to resume for any or all of the Highly Compensated Eligible Employees, the rate of the contributions being made as of the day prior to such resumption which related to the original discontinuance of the salary reduction contributions shall cease to be made under the provisions of Article 5 and shall, from and after the date of such resumption, be made under the terms of this Article 6 at a rate for each Member equal to the lesser of the rate at which such contributions were being made prior to their prior discontinuance or such rate as is prescribed by the Sponsoring Company, pursuant to the terms of this Section 6.3. Notwithstanding anything to the contrary contained herein, the following actions may be taken by the Sponsoring Company, without notice to any Member, in the event that the actual deferral percentage test is not satisfied for the Plan Year. In such event, the amount by which the salary reduction contributions for such Plan Year which are allocated to the Tax Deferred Accounts of Highly Compensated Eligible Employees exceeds the maximum amount of such contributions that could have been made for such Plan Year to satisfy the actual deferral percentage test (hereinafter "excess contributions") shall be distributed, with their allocable share of income or loss, to the Highly Compensated Eligible Employees by the end of the following Plan Year, as determined for each such Employee in the following

described manner. To determine the total excess contributions, the actual deferral ratios (which is for each Highly Compensated Eligible Employee the ratio of salary reduction contributions allocated to his Tax Deferred Account for the Plan Year to his Actual Deferral Percentage Compensation for the Plan Year) of the Highly Compensated Eligible Employees for such Plan Year are reduced, beginning with the Highly Compensated Eligible Employee(s) having the highest actual deferral ratio, in succession, until each such actual deferral ratio is reduced to no more than the greater of the following --

- (1) the particular actual deferral ratio resulting in the Actual Deferral Percentage for the Highly Compensated Eligible Employees that satisfies the actual deferral percentage test, calculated under the formula of $[(M \times T) - S] \div N$, where M is the maximum allowable Actual Deferral Percentage for the Highly Compensated Eligible Employees, based upon the Actual Deferral Percentage of the Non-Highly Compensated Eligible Employees for such Plan Year, T is the total number of Highly Compensated Eligible Employees for the Plan Year, S is the sum of the actual deferral ratios of the Highly Compensated Eligible Employees who do not have the highest actual deferral ratio for the Plan Year, and N is the number of Highly Compensated Eligible Employees who do have the highest actual deferral ratio for the Plan Year; or
- (2) the actual deferral ratio of the Highly Compensated Eligible Employee(s) with the next highest actual deferral ratio; until no such Highly Compensated Eligible Employee's actual deferral ratio for the Plan Year exceeds the highest permitted such ratio for such Plan Year.

The amount of the total excess contributions to be distributed to a particular Highly Compensated Eligible Employee for the Plan Year is determined by starting with the Highly Compensated Eligible Employee with the greatest amount of salary reduction contributions allocated to his Tax Deferred Account for such Plan Year and reducing the amount of such contributions to the next highest amount of such contributions for a Highly Compensated Eligible Employee and continuing in descending order until all the excess contributions have been so allocated and distributed. For this purpose, the highest amount of such contributions is determined after the distribution of any excess

contributions. However, the excess contributions so allocated to a Highly Compensated Eligible Employee cannot exceed the amount of salary reduction contributions actually allocated to such Highly Compensated Eligible Employee's Tax Deferred Account for the Plan Year, and are reduced by the amount of any previously distributed excess deferrals under Section 6.1 attributable to such Plan Year. Excess contributions distributed to a Highly Compensated Eligible Employee for a Plan Year shall first come from any Supplemental Contributions made by such Employee and allocated to his Tax Deferred Account for such Plan Year and, if there are still excess contributions to be distributed after exhausting such Employee's Supplemental Contributions, then the remaining portion of the distribution shall come from such Employee's Basic Contributions that were allocated to his Tax Deferred Account for such Plan Year, provided, that notwithstanding any other provision of the Plan to the contrary, the amount of any Participating Company contributions related to any such Basic Contributions shall be forfeited and used to reduce the amount of Participating Company contributions that would otherwise be required. The amount of allocable income or loss that is added to a Highly Compensated Eligible Employee's distribution of excess contributions is equal to the income or loss allocable to the salary reduction contributions for the Plan Year multiplied by a fraction whose numerator is the excess contributions allocated to the Highly Compensated Eligible Employee for the Plan Year and whose denominator is the sum of such Employee's Tax Deferred Account on the first day of such Plan Year and the salary reduction contributions under allocated to his Tax Deferred Account for such Plan Year. Notwithstanding anything to the contrary, if, during the Plan Year for which an excess contribution is made, a Highly Compensated Eligible Employee who would otherwise be allocated a share of such excess contribution with its allocable share of income or loss receives a distribution of all of his Tax Deferred Account, such distribution shall be deemed to have been a distribution of such Employee's share of the excess contribution and its allocable share of income or loss.

PARTICIPATING COMPANY CONTRIBUTIONS

7.1 Participating Company Contributions.

(a) Prior to July 1, 2003. The Participating Companies shall contribute to the Trust, in cash or in kind, on behalf of each Member for whom there are Member Basic Contributions, the amount derived from the following table:

Column 1 Successive Levels of Member Basic Contributions, as a Percentage of Compensation, to which Levels of Participating Company Contributions Relate	Column 2 Participating Company Contributions as a Percentage of each Level of Member Basic Contributions in Column 1

The determination of the amount of the aggregate Participating Company contributions, and the payment thereof, for each payment of Compensation for which a contribution is to be made shall be made as soon as practicable after the payment of such Compensation, as arranged, from time to time, between the Sponsoring Company and the Trustee. Subject to the limitations of Section 7.2 and Section 7.3 of the Plan, the Participating Company contributions made with regard to each Member's Basic Contributions shall be allocated between the Account and Restricted Company Match Account of each such Member for the period for which such allocation is being made as determined under the following table:

and the payment thereof, for each payment of Compensation for which a contribution is to be made shall be made as soon as practicable after the payment of such Compensation, as arranged, from time to time, between the Sponsoring Company and the Trustee. Subject to the limitations of Section 7.2 and Section 7.3 of the Plan, the Participating Company contributions made with regard to each Member's Basic Contributions shall be allocated to the Account of each such Member for the period for which such allocation is being made with a portion of such contribution invested in Fund A—Ashland Common Stock Fund and the remainder invested pursuant to the Member's investment election for contributions of the Member under Articles 5 and 6 as determined under the following table:

- (a) Notwithstanding any other provision of the Plan, the sum of the Annual Additions (as hereinafter defined) to a Member's Account and Tax Deferred Account for a Limitation Year (as defined in Section 7.4) ending after January 1, 1984 shall not exceed the lesser of: (i) \$30,000 as adjusted under Section 415(d) of the Code, determined as of the applicable Limitation Year; or (ii) 25% of such Member's Limitation Year Compensation (as defined in Section 7.4). Effective for Limitation Years beginning after December 31, 2001, the sum of the said Annual

Additions shall not exceed (except as otherwise allowed under Code section 414(v)) the lesser of: (i) \$40,000 as adjusted under Section 415(d) of the Code, determined as of the applicable Limitation Year; or (ii) 100% of such Member's Limitation Year Compensation (as defined in Section 7.4). The limitation in each clause (ii) above shall not apply with respect to any contributions for medical benefits (within the meaning of Section 419A(f)(2) of the Code) after separation from service which are otherwise treated as an Annual Addition or to any amount otherwise treated as an Annual Addition under Section 415(l) of the Code. The term Annual Additions to a Member's Account for any Limitation Year shall mean the sum of:

- (1) such Member's allocable share of the total aggregate Participating Company contributions for the Plan Year ending within such Limitation Year;
- (2) amounts allocated under Section 6.1 to such Member's Tax Deferred Account for the Plan Year ending within such Limitation Year (other than excess deferrals distributed to the Member by April 15 of the calendar year following the calendar year during which such excess deferral arose);
- (3) the amount of such Member's total Basic Contributions and Supplemental Contributions to his account for the Plan Year ending within such Limitation Year (other than rollover contributions, repayments of loans or of amounts described in Section 411(a)(7)(B) of the Code in accordance with the provisions of Section 411(a)(7)(C) of the Code, repayments of amounts described in Section 411(a)(3)(D) of the Code, direct transfers between qualified plans, deductible employee contributions within the meaning of Section 72(o)(5) of the Code; and salary reduction contributions to a simplified employee pension plan which are excludable from gross income under Section 408(k)(6) of the Code);
- (4) amounts allocated, in years beginning after March 31, 1984, to an individual medical benefit account, as defined in Section 415(l)(2) of the Code, which is part of a defined benefit plan; and

- (5) amounts derived from contributions paid or accrued after December 31, 1985, in taxable years ending after such date, which are attributable to post-retirement medical benefits allocated to the separate account of a key employee, as defined in Section 419A(d)(3) of the Code, under a welfare benefits fund, as defined in Section 419(e) of the Code, maintained by a Participating Company or an Affiliated Company.

Except as provided in (2) of this paragraph (a), excess deferrals, excess contributions and excess aggregate contributions are included as Annual Additions for the Limitation Year for which they are allocated to an account.

- (b) In the event that it is determined that, but for the limitations contained in paragraph (a) of this Section 7.2, the Annual Additions to a Member's Account and Tax Deferred Account for any Limitation Year would be in excess of the limitations contained herein, such Annual Additions shall be reduced to the extent necessary to bring such Annual Additions within the limitation contained in paragraph (a) of this Section 7.2 in the following order:

- (1) Any employee contributions by a Member to his Account which are included in such Annual Additions shall be returned to such Member together with any gain attributable to such returned employee contributions unless the return of employee contributions under this subparagraph (1) results in discrimination in favor of employees of the Sponsoring Company, or other Participating Company which is not an Affiliated Company of the Sponsoring Company, who are officers or highly compensated;
- (2) If there are no such employee contributions, or, if such employee contributions cannot be returned or are not sufficient to reduce such Annual Additions to the limitations contained herein, to the extent permitted by the Code and/ or regulations issued thereunder, contributions allocated to a Member's Tax Deferred Account which are included in such Annual Additions shall be paid to such Member together with any gain attributable to such contributions;
- (3) If there are no such allocations, or, if such allocations cannot be paid to such Member or are not sufficient to reduce such Annual Additions to the

limitations contained herein, such Member's allocable share of the aggregate Participating Company contributions for the Plan Year ending within such Limitation Year shall be reduced.

- (c) To the extent that the amount of any Member's allocable share of the aggregate Participating Company contributions is reduced in accordance with the provisions of paragraph (b) of this Section 7.2, the amount of such reductions shall be treated as a forfeiture under the Plan and shall be applied to reduce Participating Company contributions made or to be made after the date on which such reduction arose or, if there are no such contributions made, shall be returned to the Participating Companies.

7.3 Limitation on Annual Additions for Participating Companies or Affiliated Companies Maintaining Other Defined Contribution Plans. In the event that any Member of this Plan is a participant under any other Defined Contribution Plan (as defined in Section 7.4) maintained by a Participating Company or an Affiliated Company (whether or not terminated), the total amount of Annual Additions to such Member's accounts under all such Defined Contribution Plans shall not exceed the limitations set forth in Section 7.2; provided, however, if any such Defined Contribution Plan is subject to a special limitation in addition to, or instead of, the regular limitations described in Sections 415(b) and 415(c) of the Code: (i) the total amount of Annual Additions to such Member's Account, Tax Deferred Account and Restricted Company Match Account in this Plan (only) shall not exceed the limitations set forth in Section 7.2, (ii) the combined limitations for all such Defined Contribution Plans (including this Plan) shall be the larger of such special limitation or the limitations set forth in Section 7.2 and (iii) if any such other Defined Contribution Plan is a tax credit employee stock ownership plan under which the amount allocated to such Member for a Limitation Year is equal to the limitation set forth in Section 7.2, no part of the total aggregate Participating Company contributions for such Limitation Year may be allocated to such Member under this Plan. If it is determined that as a result of the limitations set forth in this Section 7.3 the Annual Additions to a Member's Account, Tax Deferred Account and Restricted Company Match Account in this Plan must be reduced, such reduction shall be accomplished in accordance with the provisions of Section 7.2.

Limitation Year Compensation shall not include deferred compensation amounts (other than amounts received by a Member pursuant to an unfunded non-qualified plan in the year such amounts are includable in the gross income of the Member for federal income tax purposes); amounts allocated to a Member's Tax Deferred Account, provided, however, that such amounts shall be included as Limitation Year Compensation in Limitation Years beginning after December 31, 1997; allowances paid by reason of foreign assignment; amounts realized from the exercise of non-qualified stock options or when restricted stock (or property) held by a Member becomes freely transferable or is no longer subject to a substantial risk of forfeiture; amounts realized from the sale, exchange or other disposition of stock acquired under a qualified stock option; and other amounts which receive

Subject to such administrative procedures as may be prescribed by the Sponsoring Company, from time to time, and subject to any requirements regarding the minimum amount that a Member may be able to direct to be transferred from one investment Fund to another as may be prescribed, from time to time, by the Sponsoring Company and the Trustee, a Member may elect to transfer all or a portion of his Account and Tax Deferred Account invested in any Fund available under the trust agreement to or among any one or more of the other such Funds by following such administrative procedures

for the same as may be prescribed by the Sponsoring Company, from time to time, generally to be effective no later than the end of the next day following the day on which such investment transfer is recorded on the records of the Trustee and on which the New York Stock Exchange is open. Notwithstanding anything in the Plan to the contrary, no Member or Beneficiary may elect to have any portion of such person's other investments in the Plan transferred to such person's investment (if any) in the Arch Coal Investment Fund. Any such Member who is eligible for a loan may apply for a loan by contacting the Trustee in the manner prescribed by the Sponsoring Company, from time to time. A Member to whom a loan is made automatically agrees to be bound by all the terms and conditions associated with such loan by receiving, accepting, cashing and/or depositing the check representing the loan amount, including any loan agreement and/or promissory note, the provisions of which were on or sent in association with such check.

- (b) Conditions. Loans under (a) above shall meet all of the following requirements:

- (2) 50% of the nonforfeitable portion of the Member's Tax Deferred Account and Account.

(d) Repayments.

- (1) Period to Repay. Each loan under this Section 8.6 must be repaid within five years of the date it is made.
- (2) Method of Repayment. Except as otherwise allowed, a Member's repayment of a loan shall be made by means of payroll deductions providing for substantially level amortization with payments not less than quarterly. Notwithstanding the foregoing, a Member may pre-pay the total outstanding balance of a loan by delivering a money order, cashier's check or certified check in the amount of such balance in such manner as may be prescribed, from time to time, by the Sponsoring Company. A Member with one or more loans outstanding who, after December 31, 1997, ceases to be paid through the payroll system of the Sponsoring Company shall be permitted to continue to repay such loan or loans by personal check or by such other means as may be authorized by the Sponsoring Company, from time to time. Effective January 1, 2001, any Member eligible to obtain a loan under paragraph (a) of this Section 8.6 and who is not paid on the payroll system or the Sponsoring Company shall repay any loan hereunder by personal check or by such other means as may be authorized by the Sponsoring Company, from time to time. If such a Member later becomes covered by the payroll system of the Sponsoring Company, the Sponsoring Company shall, in consultation with the

Trustee, from time to time, prescribe procedures to accommodate repayments under these circumstances.

Notwithstanding anything contained herein to the contrary, and subject to the discretion of the Sponsoring Company, in the event a Member to whom a loan has been made goes on an approved leave of absence without pay, the installment payments otherwise due to repay such loan may be suspended for a period of up to one year; provided, however, that such suspension shall not extend the five-year period within which such loan must otherwise be repaid and provided further, that any remaining installments upon such Member's return to active, paid employment on the payroll system of the Sponsoring Company shall be appropriately adjusted to take into account the period during which installment payments were missed.
 - ii. Military Leaves. Notwithstanding anything contained herein to the contrary, in the event a Member to whom a loan has been made goes on a military leave of absence of the kind described in Code section 414(u) for more than two weeks, the installment payments otherwise due to repay such loan may be suspended for the period of such leave. Interest shall continue to accrue during the time such loan repayments are suspended at the lesser of 6% or the rate that otherwise applied to the loan. Upon return to employment within the time required to preserve reemployment rights under Federal law the loan will be re-amortized over an extended period. The extended period shall equal the term of the original loan and the period of the military leave. The amount of

the re-amortized periodic loan repayments shall not be less than the amount of the periodic payments that were due before the military leave.

- (e) Default. Unless otherwise provided under this Section 8.6 or under law, a Member to whom a loan is made under this Section 8.6 shall be considered to be in default with regard to the repayment of such loan if, at any time while the loan is outstanding, the Member ceases to meet the eligibility requirements for a loan under paragraph (a) of this Section 8.6. Except to the extent that sub-paragraphs (3) and (4) of paragraph (d) of this Section 8.6 may apply to such Member, upon a default, the outstanding balance of the loan will become due and payable which may result in a deemed distribution or a distribution of an offset amount with respect to the Member under applicable Department of Treasury regulations.

The Trustee shall value each investment Fund under the trust agreement at fair market value as of the close of business on each Valuation Date. In making such valuation, the Trustee shall deduct all charges, expenses and other liabilities, if any, contingent or otherwise, then chargeable against each such Fund, in order to give effect to income realized and expenses paid or incurred, losses sustained and unrealized gains or losses constituting appreciation or depreciation in the value of Trust investments in each such Fund since the last previous valuation. The Trustee shall deliver to the Sponsoring Company a certified valuation of each such investment Fund together with a statement of the amount of net income or loss (including appreciation or depreciation in the value of Trust investments in each such Fund) in such manner and at such time or times as may be prescribed in the trust agreement between the Sponsoring Company and the Trustee.

ARTICLE 10

SEPARATE ACCOUNTS

10.1 Separate Accounts. Separate accounts under each investment Fund shall be maintained under the Plan for each Member. The amount contributed by or on behalf of a Member or allocated to such Member shall be credited to his Account or his Tax Deferred Account in the manner set forth in Articles 5, 6, 7 and 8 of the Plan. No amounts allocated to a Member's Account shall be reallocated to such Member's Tax Deferred Account, and, except as otherwise allowed by Section 6.3 of the Plan and/or law, regulation or ruling, no amount allocated to a Member's Tax Deferred Account shall be reallocated to such Member's Account. All payments from the Plan to a Member or his Beneficiary shall be charged (i) first against the Account of such Member, starting with any after-tax contributions the Member made prior to 1987, exclusive of earnings allocable thereto, to the extent such contributions still remain in the Member's Account, until exhausted, and then (ii) against the remainder of the Account, consisting first of any other Member after-tax contributions and second of the Participating Company contributions, and then charged against his Tax Deferred Account, including all allocable earnings. Except as otherwise provided in the Plan, each Member has a nonforfeitable right to amounts in his Account and Tax Deferred Account.

10.2 Accounts of Members Transferred to an Affiliated Company. If a Member is transferred to an Affiliated Company which is not a Participating Company, the amount credited to his Account and Tax Deferred Account shall continue to share in the earnings or losses of each investment Fund for which such Member has an account(s) and such Member's rights and obligations with respect to his Account and Tax Deferred Account shall continue to be governed by the provisions of the Plan and Trust.

10.3 Adjustment of Members' Accounts. Pursuant to and consistent with the trust agreement between the Sponsoring Company and the Trustee, the Account and Tax Deferred Account of each Member shall be adjusted so that the amount of net income, loss, appreciation or depreciation in the value of each investment Fund for which such Member has an account(s) for the period (hereinafter referred to as the "Valuation Period") from the last previous Valuation Date to the Valuation Date as of which the valuation is being conducted shall be credited to or charged against the Member's Fund accounts in the ratio that (i) the balance in each Fund account of each Member as of the first day of such Valuation Period minus the amount distributable to such Member from such Fund account during such Valuation Period

bears to (ii) the balance in all such Members' accounts as of the first day of such Valuation Period minus the total amounts distributable to all such Members from all such Fund accounts during such Valuation Period.

ARTICLE 11

TERMINATION OF EMPLOYMENT BENEFITS

If a Member incurs a Termination of Employment, such Member (or Beneficiary in the case of the death of a Member) shall be entitled to receive a benefit equal to the total amount in the Member's Account and Tax Deferred Account as determined in accordance with the provisions of Section 13.2 of the Plan. Such benefit shall be paid in a single lump sum or otherwise in accordance with one of the forms of payment available to such Member or Beneficiary as set forth in Section 13.3 of the Plan. Such benefit may also be payable in kind, to the extent that Section 13.4 applies. Notwithstanding anything in the Plan to the contrary and for distributions before January 1, 2002, if the Member's Termination of Employment is due to a substantial sale of assets or stock, as described in Section 2.1 (ae)(i) and (ii) of the Plan, and if such Member has a Tax Deferred Account at the time of such Termination of Employment, then such distribution must be made as a lump sum distribution, as defined in Code Section 401(k)(10)(B), or any successor thereto.

ARTICLE 12

WITHDRAWALS PRIOR TO TERMINATION OF EMPLOYMENT

12.1 In-Service Withdrawals. As of any Valuation Date prior to a Member's Termination of Employment, such Member shall be entitled to withdraw all or any part of his Account, reduced by the amount of Participating Company contributions and earnings on such contributions allocated to such Member's Account during the 24-month period preceding such Member's withdrawal. Withdrawal by a Member under this Section 12.1 shall only be allowed once during any 12-month period. Withdrawals paid to Members shall first consist of such Member's after-tax contributions made before 1987 and still remaining in his Account, exclusive of earnings allocable thereto. After such amounts are completely exhausted, withdrawals shall come from after-tax contributions made after 1986, Participating Company contributions and the earnings allocable to both such contributions. A Member may elect a withdrawal under this Section 12.1 by contacting the Trustee in such manner as may be prescribed by the Sponsoring Company, from time to time. Withdrawals made under this Section 12.1 are payable as a single sum, in cash or in kind, as allowed under Section 13.4 of the Plan. Notwithstanding anything to the contrary, consistent with Section 1.1(c), amounts attributable to Participating Company contributions under Article 7 and allocated to a Member's Account after December 31, 1998 and amounts attributable to what had been the Member's Restricted Company Match Account shall be distributable to a Member upon such Member's proper election before Termination of Employment on or after such Member attains age 59 ½, reduced by the amount of Participating Company contributions and earnings on such contributions allocated to such Member's Account during the 24-month period preceding such Member's withdrawal.

12.2 In-Service Withdrawals of the Tax Deferred Account. As of any Valuation Date on or after a Member attains age 59½ and prior to such Member's Termination of Employment, such Member shall be entitled to withdraw all or any part of his Tax Deferred Account; provided, however, that in connection with such withdrawal, such Member also withdraws all of his Account, reduced by the amount of Participating Company contributions and earnings on such contributions allocated to such Member's Account during the 24-month period preceding such Member's withdrawal. Withdrawals by a Member under this Section 12.2 shall only be

allowed once during any 12-month period. Withdrawals paid to Members shall first consist of such Member's after-tax contributions made before 1987 and still remaining in his Account, exclusive of earnings allocable thereto, and, after such amounts are completely exhausted, withdrawals under this Section 12.2 shall come from after-tax contributions made after 1986, Participating Company contributions and, finally, Member contributions allocated to such Member's Tax Deferred Account, including the earnings allocable to all such contributions. A Member may elect a withdrawal under this Section 12.2 by contacting the Trustee in such manner as may be prescribed by the Sponsoring Company, from time to time. Withdrawals under this Section 12.2 are payable as a single sum, in cash or in kind, as allowed under Section 13.4 of the Plan..

12.3 Hardship Withdrawal.

- (a) A Member may apply for a withdrawal as of any Valuation Date on account of hardship (as hereinafter defined in this Section 12.3) of all or a part of the value of his Tax Deferred Account that is equal to the amount of his Tax Deferred Account as of December 31, 1988 plus salary reduction contributions allocated to such Account after such date, less the amount of previous hardship withdrawals hereunder by filing such application in such form and manner and at such time (prior to the Valuation Date as of which such hardship withdrawal is to be effective) as the Sponsoring Company may from time to time prescribe. An application for a hardship withdrawal under this Section 12.3 may be submitted only by a Member who has no balance in his Account or is withdrawing the entire amount which he is eligible to withdraw under the provisions of Section 12.1 in conjunction with his application for a hardship withdrawal. Payment of an amount withdrawn under this Section 12.3 shall be made in a lump sum, in cash, as soon as reasonably practicable after the date on which such withdrawal is approved by the Sponsoring Company. That portion of such Member's Tax Deferred Account not withdrawn pursuant to this Section 12.3 shall remain in the Trust Fund in such Member's investment Fund accounts allocated to his Tax Deferred Account.
- (b) For purposes of this Section 12.3, hardship shall be determined in the sole discretion and judgment of the Sponsoring Company in a uniform and nondiscriminatory manner and shall be deemed to exist, on the basis of an

objective analysis of the relevant facts and circumstances, only in the case of an immediate and heavy financial need of the Member. An immediate and heavy financial need of the Member will be deemed to exist if the application for withdrawal is on account of:

- (i) medical expenses described in Section 213(d) of the Code incurred by the Member, the Member's Spouse, or any dependents of the Member (as defined in Code Section 152);
- (ii) the purchase (excluding mortgage payments) of a principal residence for the Member;
- (iii) the payment of tuition for the next 12 months of post-secondary education for the Member, Member's spouse or Member's children or dependents;
- (iv) payments necessary to prevent eviction from the Member's principal residence or the foreclosure of the mortgage on that residence;
- (v) other events which are adopted by the Sponsoring Company and which are deemed immediate and heavy financial needs by the Commissioner of Internal Revenue through the publication of revenue rulings, notices, and other documents of general applicability; or
- (vi) any other set of relevant facts and circumstances which, in the sole discretion of the Sponsoring Company, based upon an objective analysis of the particular facts and circumstances, constitutes an immediate and heavy financial need.

In no event shall an amount withdrawn under this Section 12.3 exceed the amount required to relieve the immediate financial need created by the hardship or which would be reasonably available (as determined by the Sponsoring Company) from other resources of the Member. However, the amount withdrawn under this Section 12.3 may include the amount reasonably anticipated to be necessary to pay any local, state, or federal taxes or penalties resulting from such distribution. To satisfy the

Sponsoring Company that the amount to be withdrawn under this Section 12.3 is necessary to satisfy the immediate financial need, each Member applying for a withdrawal under this Section 12.3 shall swear out a statement before a notary public representing that such need cannot be relieved:

- (A) through reimbursement or compensation by insurance or otherwise;
- (B) by reasonable liquidation of the Member's assets, to the extent such liquidation would not itself cause an immediate and heavy financial need;
- (C) by cessation of elective contributions or employee contributions under the Plan; or
- (D) by other distributions or nontaxable (at the time of the loan) loans from plans maintained by the Sponsoring Company or by any other employer, or by borrowing from commercial sources on reasonable commercial terms.

So long as the person who reviews the sworn representation of the Member applying for a hardship distribution has no actual knowledge of facts contrary to such Member's representation, the Sponsoring Company shall be able to rely on such representation in making the hardship distribution under this Section 12.3.

12.4 Repayment of Withdrawn Amounts Prohibited. Repayment of amounts withdrawn by a Member or Beneficiary pursuant to the provisions of Article 11 or Article 12 of the Plan, are not permitted.

ARTICLE 13
PAYMENT OF BENEFITS

13.1 Required Distributions.

- (a) Effective Date. The provisions of this Section 13.1 are effective for distributions after December 31, 2002.
- (b) Precedence. The requirements of this Section 13.1 will take precedence over any inconsistent provisions of the Plan.
- (c) Incorporation. Distributions that are required by this Section 13.1 are made in accordance with the requirements of section 401(a)(9) of the Code and the regulations thereunder. Those regulations, as they now exist and as they may be amended, are incorporated herein by reference and made a part hereof to the extent such requirements are not otherwise specifically set forth in the Plan and to the extent such requirements are not in conflict with any legally permissible provision of the Plan. Optional provisions allowed by those regulations that are available under the Plan are specified herein.
- (d) Lifetime Distribution Periods. Distributions to a Member during the Member's life shall commence no later than the Member's required beginning date specified in (e)(2) of this Section 13.1. Such distributions shall, as of the first distribution calendar year, if not made in a single sum to the Member, be made over any of the following periods (or any combination thereof):
 - (1) a period certain not extending beyond the life expectancy of the Member;
 - (2) a period certain not extending beyond the joint life and last survivor expectancy of the Member and the Member's designated beneficiary.For purposes of this Section 13.1, a Member's designated beneficiary shall be the Beneficiary designated by the Member under the Plan. The distribution periods in (1) and (2) of this paragraph (b) cannot exceed the period allowed for installment payments in Section 13.3(a) of the Plan.
- (e) Latest Date of Payment. Notwithstanding anything in the Plan to the contrary, the payment of a Member's benefit shall begin not later than the earlier of:
 - (1) The 60th day after the later of the close of the Plan Year in which the Member -
 - (A) reaches age 65,

- (B) completes the 10th anniversary of participation in the Plan, or
 - (C) terminates service with the Participating Company and all Affiliated Companies; or
- (2) The Member's required beginning date, which is the later of (i) April 1 of the calendar year following the calendar year in which the Member attains age 70½ or (ii) April 1 of the calendar year after the Member terminates employment. Clause (ii) shall not apply with respect to a Member that is a 5% owner (as defined in Code section 416) for the Plan Year in which such Member attains 70½.
- (f) Life Expectancy. For purposes of this Section 13.1, the life expectancy of an individual shall be based upon the applicable table in Treas. Reg. §1.401(a)(9)-9 using such individual's birthday in the calendar year in which the determination of life expectancy is being made. Minimum distributions under this Section 13.1 to a Member during the Member's life and to a Member's surviving spouse will be based on a recalculation of Member's or surviving spouse's life expectancy (whichever is applicable). In all other events, the applicable life expectancy will be reduced by one for each subsequent year in a distribution period.
- (g) Death Distribution Periods.
- (1) Commencement. In the event a Member dies before distributions begin under Section 13.2 of the Plan, the death benefit (if any) which is payable shall commence pursuant to whichever of the following applies:
- (A) In the event such benefit is payable to a designated beneficiary who is not such Member's surviving spouse, such distribution shall commence on or before December 31 of the calendar year following the calendar year in which the Member died.
 - (B) In the event that such benefit is payable to a designated beneficiary who is such Member's surviving spouse, such distribution shall commence as of the later of the date prescribed under (A) above or December 31 of the calendar year in which the Member would have attained age 70½.
 - (C) In the event there is no designated beneficiary, or if distributions will not be made over the life expectancy of the designated beneficiary, then the distribution of such benefit must be commenced and completed by December 31 of the calendar year containing the fifth anniversary of such Member's death.

(2) Periods. Death benefits (if any) under the Plan which are distributable shall be distributed over whichever of the following periods are applicable:

- (A) over a period certain not greater than such beneficiary's life expectancy;
- (B) over a period ending on December 31 of the calendar year containing the fifth anniversary of the Member's death; or
- (C) if there are death benefits distributable after lifetime distributions to the Member commenced, such benefits shall be distributed at least as rapidly as under the method of distribution being used prior to the Member's death.

The distribution periods in (A), (B) and (C) of this sub-paragraph (2) cannot exceed the period allowed for installment payments in Section 13.3(a) of the Plan.

- (h) Death of Spouse. For purposes of (g) above, if the surviving spouse dies before payments to such spouse begin, then the provisions of (g)(1)(B) and (g)(2)(A) above shall apply as if such spouse were the Member.
- (i) Method of Compliance. To comply with the provisions of this Section 13.1, distributions to a Member shall begin no later than the Member's required beginning date under Section 13.1(c)(2). The payment that is made by the required beginning date is on account of the preceding calendar year, which is the first distribution calendar year. Distributions that are made on account of subsequent distribution calendar years shall be made no later than December 31 of the applicable distribution calendar year. The amount of each such distribution shall be based upon the value of the Member's Account and Tax Deferred Account as of the last Valuation Date in the calendar year immediately preceding each distribution calendar year, increased by any allocations thereto after such Valuation Date and decreased by any distributions made after such Valuation Date that occurred in such year of valuation. The amount of each such distribution shall be determined by the quotient obtained by dividing the Accounts so determined by the Member's life expectancy or the Member's and the Member's designated beneficiary's (if any) life expectancy, as determined under paragraph (f) of this Section 13.1. Distributions of death benefits shall comply with the provisions of this Section 13.1 by being distributed under the other relevant provisions this Article 13, provided that such distributions are not made at a later time or over a longer period of time than is allowed under this Section 13.1. The distribution of any excess deferral, excess contribution or excess aggregate contribution pursuant to the provisions of Sections 6.1, 6.3 or 5.3 shall not act to reduce the amount of

the distribution otherwise required under this Section 13.1. Distributions made under this paragraph (g) of Section 13.1 shall be made first from the portion of a Member's Account consisting of such Member's after-tax contributions made before 1987, exclusive of any earnings allocable thereto, to the extent that such Member has such contributions remaining in his Account, until exhausted, with any additional distributions to come first from such Member's remaining after-tax contributions in his Account, such Member's contributions that were allocable to his Tax Deferred Account, Participating Company contributions in such Member's Account, and finally, the Participating Company contributions in such Member's Restricted Company Match Account and the earning allocable to all these types of contributions.

13.2 Termination of Employment Benefits.

- (a) General. The Sponsoring Company shall cause to be made distribution of the benefits payable to a Member or his Beneficiary (in the event of the Member's death) upon Termination of Employment, based upon the value of such Member's Account and Tax Deferred Account as of the Valuation Date coincident with or immediately following the later of (i) the date on which such Member's Termination of Employment occurs or (ii) the date on which the Member files a claim for such benefits under such administrative procedures as may be prescribed by the Sponsoring Company, from time to time. Distributions under this Article 13 shall first be charged against the remaining after-tax contributions in the Member's Account that were made prior to 1987, exclusive to any earnings allocable thereto, and then charged against such sources as prescribed under Section 10.1 of the Plan.
- (b) Consent. If the value of a Member's Account, Tax Deferred Account and Restricted Company Match Account exceeds \$5,000 at the time when such Member is entitled to a distribution under paragraph (a) of this Section 13.2 of the Plan, then no part of such benefit may be distributed to him prior to his attainment of 65, unless he consents to the distribution within the 90-day period prior to the first day on which all events have occurred which entitle such Member to such distribution. The filing by such Member of a claim or other application for the distribution of his benefit hereunder shall be deemed to constitute such a consent for payment. However, if the value of a benefit to be distributed under paragraph (a) of this Section 13.2 is

equal to or less than \$5,000, then such benefit shall be distributed to the individual entitled thereto, in a single sum, as soon as is reasonably practical. The distribution of any excess deferral, excess contribution or excess aggregate contribution pursuant to the provisions of Sections 6.1, 6.3 or 5.3 shall not be subject to the requirements of this paragraph (b). For purposes of this paragraph (b), any rollover contributions to the Plan and any direct transfers of benefits to the Plan by or with respect to a Member shall be included in determining if a benefit is equal to, less than or greater than \$5,000.

13.3 Methods of Payment of Termination of Employment Benefits. The Sponsoring Company shall cause to be made a distribution of benefits pursuant to Section 13.2 of the Plan in accordance with one of the available methods of distribution set forth in this Section 13.3, as elected by the Member (or Beneficiary in the case of the death of a Member) in such form and manner and at such time (not later than 30 days after such Member's Termination of Employment except as otherwise provided in paragraph (b) of this Section 13.3 and in paragraph (b) of Section 13.2) as the Sponsoring Company may from time to time prescribe. The available methods of distribution are as follows:

(a) Installment Payments or Lump Sum Distribution.

- (1) Subject to the limitations described in Section 13.1 of the Plan, benefits may be paid in the form of one or more monthly, quarterly or annual installments over a fixed number of calendar years comprising not less than 1 calendar year, as elected by the Member or Beneficiary. Notwithstanding anything to the contrary contained herein, a Beneficiary who is not the surviving spouse of the deceased member cannot elect installments for a period extending beyond December 31 of the calendar year containing the fifth anniversary of the Member's death. In the event that an election of a stated number of installments over a stated number of years is in effect, each such installment shall equal the value of the Member's Account and Tax Deferred Account as of the Valuation Date as of which such installment is paid multiplied by a fraction whose numerator is one and whose denominator is the number of specified installments remaining in such specified number of years. A Member (or Beneficiary) may also elect to have a designated dollar amount or

percentage of the total of the Member's Account and Tax Deferred Account distributed in each elected installment, determined as of the Valuation Date as of which such installment is paid. In respect of all then unpaid amounts in his Account and Tax Deferred Account, a Member (or Beneficiary) may make an election to change his prior election under this sub-paragraph (1) by filing such change in such form and manner and at such time as the Sponsoring Company may from time to time prescribe.

(2) Death of a Member Before Receiving Complete Payment of his Account.

Subject to the limitations described in Section 13.1 of the Plan, in the event of the death of a Member before receiving all installments under the provisions of sub-paragraph (1) of this paragraph (a) to which he would otherwise become entitled, such Member's Beneficiary may elect, at such time and in such manner as may be prescribed, from time to time, by the Sponsoring Company, to receive one or more payments in respect of all then unpaid amounts in such Member's Account and Tax Deferred Account pursuant and subject to the provisions of sub-paragraph (1) of this paragraph (a).

- (b) Annuity and other Preserved Optional Benefits. Effective January 1, 2001, the annuity optional form of benefit that was preserved for certain Members under the provisions of this Section 13.3(b) as in effect before January 1, 2001, and any other optional form of benefit that was preserved under the terms of the Plan before January 1, 2001, that differs from those available under 13.3(a) shall be completely eliminated, consistent with Treas. Reg. §1.411(d)-4, Q&A-2(e). The foregoing described elimination of certain optional forms of distribution shall not apply to an affected Member whose benefit is distributed before the earlier of (i) the 90th day after the Member is furnished a summary of material modifications or summary plan description that describes the deletion of the otherwise preserved optional forms of distribution; or; (ii) January 1, 2002. An affected Member for these purposes is a Member whose Account balance, in part or in total, was subject to the terms of the Plan as in effect prior to January 1, 2001, addressing preserved optional forms of benefit. Notwithstanding anything to the contrary, the provisions of this paragraph (b) of Section 13.3 of the Plan

shall not act to eliminate any optional form that is needed to comply with section 401(a)(9) of the Code, as reflected in Section 13.1 of the Plan.

13.4 Distribution in Kind.

(a) General. A Member or Beneficiary who (i) receives a distribution pursuant to the provisions of Article 11 and Section 13.2 of the Plan, or (ii) elects to withdraw all or a part of his interest in the Plan under Section 12.1 or Section 12.2 of the Plan, may elect, in such form and manner and at such time as the Sponsoring Company may from time to time prescribe, to receive (instead of cash) all or a part of the distributable value of such Member's accounts in Fund A whole shares and cash in lieu of any fractional shares of the stock of the Sponsoring Company to be distributed from the Plan. The number of whole shares of such stock distributable hereunder shall be determined based upon the unit value of such stock or debentures used to determine the value of such Member's accounts for purposes of distribution from the Plan.

13.5 Lost Member/Beneficiary. Notwithstanding any other provision of the Plan, in the event the Sponsoring Company, after reasonable effort, is unable to locate a Member or Beneficiary to whom a benefit is payable under the Plan, such benefit shall be forfeited; provided, however, that such benefit shall be reinstated (in an amount equal to the amount forfeited) upon proper claim made by such Member or Beneficiary prior to termination of the Plan. Benefits forfeited under this Section 13.5 shall be used to reduce the Sponsoring Company contributions under Article 7 of the Plan or, if there are no such contributions, shall be returned to the Sponsoring Company. Restorations under this Section 13.5 shall be made by way of special Sponsoring Company contribution or by way of offsetting forfeitures then to be applied to reduce aggregate Sponsoring Company contributions.

13.6 Direct Rollovers.

(a) General. Subject to the exceptions and limitations contained in this Section 13.6, a Member, an alternate payee under an approved qualified domestic relations order (as defined in Code Section 414(p)) who is a Member's former spouse or a deceased Member's surviving spouse may elect to have all, or any portion (in increments of 10%) of an Eligible Rollover Distribution (as defined in (f) below) to which such individual is entitled transferred from this Plan to an Eligible Retirement Plan (as defined in (f) below).

- (b) Exceptions and Limitations. Among the exceptions, limitations and conditions applied to elections under paragraph (a) of this Section 13.6 are the following:
- (1) Such elections cannot direct that all or any part of an Eligible Rollover distribution be transferred to, among or between more than one Eligible Retirement Plan.
 - (2) Such elections may be revoked, in writing, except that such elections shall become irrevocable at the point in time when it becomes administratively impractical to stop the transfer from being made in accordance with such election, as determined by the Plan Administrator.
 - (3) In the case of an involuntary cash-out distribution of a benefit equal to or less than \$5,000 under Section 13.2(b) of the Plan, or in any other case when the consent requirements of Section 13.2(b) do not apply, the Member or other applicable distributee (as identified in paragraph (a) above) shall have 30 days within which to make an election under paragraph (a) after receiving the notice referred to in paragraph (c). If such election is not made within 30 days, the benefit shall be distributed to the distributee as soon as administratively practical. If such election is made within 30 days, then the transfer to the Eligible Retirement Plan may be made as soon as administratively practical. In the event that a distribution is subject to the consent requirements of Section 13.2(b), then the Member may affirmatively elect to receive a distribution or to have an election under paragraph (a) implemented within 30 days of receiving the notice referred to in paragraph (c); provided that information is given explaining that the Member has at least 30 days to receive a distribution.
- (c) Time and Method of Transfer. Within a reasonable period of time before distributing an Eligible Rollover Distribution, the Plan Administrator shall provide the notice required under Code Section 402(f) in any manner allowed by Treasury regulation and provide an opportunity to make the election provided under paragraph (a). Transfers made pursuant to such an election may be accomplished in any reasonable manner, as determined by the Plan Administrator, from time to time, in accordance with applicable Treasury regulations.

- (d) Series of Payments. In the event a series of payments may otherwise be made under the terms of the Plan each of which would be an Eligible Rollover Distribution, an election (or failure to elect) under paragraph (a) with regard to the first payment in such series shall control and be applied to all remaining payments in such series, unless the distributee revokes, changes or otherwise modifies his or her prior decision regarding the options available under paragraph (a) in such manner, at such time and subject to such conditions as the Plan Administrator may prescribe from time to time.
- (e) Administration. The Plan Administrator shall, from time to time, prescribe such rules as it deems convenient or desirable to administer the provisions of this Section 13.6. This may include, but not be limited to, the following:
- (1) Prescribing forms for making the election described in paragraph (a);
 - (2) Requiring the distributee to furnish information regarding the identity, status and location of the Eligible Retirement Plan;
 - (3) Requiring the Eligible Retirement Plan designated by the distributee to provide certain information about itself; and
 - (4) Requiring the distributee and/or the Eligible Retirement Plan to represent and/or certify that the Eligible Retirement Plan is authorized under law and pursuant to its own terms to accept the transfer of the Eligible Rollover Distribution.
- (f) Definitions. For purposes of this Section 13.6, the following terms shall have the following definitions:
- (1) "Eligible Retirement Plan" shall mean an individual retirement account described in Code Section 408(a), an individual retirement annuity described in Code Section 408(b), an annuity plan described in Code Section 403(a) or a qualified trust described in Code Section 401(a) that accepts Eligible Rollover Distributions; provided, however, that, with respect to a distributee who is a deceased Member's surviving spouse, only an individual retirement account or an individual retirement annuity may be an Eligible Retirement Plan. For distributions after December 31, 2001, an Eligible Retirement Plan shall also mean an annuity contract described in section 403(b) of the Code and an eligible plan under section 457(b) of the Code that is maintained by a

state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and that agrees to separately account for amounts transferred into such plan from this Plan. Also for distributions after December 31, 2001, the definition of an Eligible Retirement Plan shall apply without limitation in the case of a distribution to a surviving spouse or to a spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the Code.

- (2) "Eligible Rollover Distribution" shall mean any distribution of all or part of a Member's benefit under the Plan, except for the following:
- (A) Substantially equal periodic payments, not less frequently than annually, made over (i) the life or life expectancy of the distributee, (ii) the joint lives or joint life expectancies of the distributee and a beneficiary, or (iii) a period of 10 or more years;
 - (B) The portion of a distribution required under Code Section 401(a)(9);
 - (C) The portion of any distribution excluded from gross income, without regard to any exclusion for net unrealized appreciation on employer securities;
 - (D) The distribution of excess deferrals, excess contributions and excess aggregate contributions, as well as the income or loss allocable to such distributions and the return of elective deferrals that were made under Section 401(k) of the Code with any allocable income or loss in order to satisfy the limits imposed by Section 415 of the Code;
 - (F) Other types or portions of distributions identified under Treasury regulations or in Internal Revenue Service pronouncements.

For purposes of (A) immediately above, the determination of whether payments are substantially equal for a specified period is made when such payments first begin without regard to contingencies or modifications that have not yet occurred. Notwithstanding any other provision, the following shall apply in determining whether a distribution is an Eligible Rollover Distribution:

- (I) Effective for distributions after December 31, 1998, the portion of a distribution that is a hardship distribution as

defined in Code section 401(k)(2)(B)(i)(IV) is not part of an Eligible Rollover Distribution.

- (II) Effective for distributions after December 31, 2001, any amount that is distributed on account of hardship shall not be an Eligible Rollover Distribution and the distributee cannot elect to have any portion of such a distribution paid directly to an Eligible Retirement Plan.
- (III) Effective for distributions after December 31, 2001, a portion of a distribution shall not fail to be an Eligible Rollover Distribution merely because the portion consists of after tax employee contribution that are not includible in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in section 401(a) or 403(a) of the Code that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution that is includible in gross income and the portion of such distribution that is not so includible.

ARTICLE 14

TRUST FUND

14.1 Trust Fund. All the funds of the Plan shall be held by the Trustee appointed from time to time by the Sponsoring Company, in one or more trusts under a trust agreement entered into between the Trustee and the Sponsoring Company for use in providing the benefits of the Plan and paying any expenses of the Plan not paid directly by the Participating Companies. The fact that separate accounts are maintained for each Member shall not be deemed to segregate for such Member, or to give such Member any direct interest in, any specific asset or assets in the Trust Fund.

14.2 Administration of the Trust Fund and Funding Policy. Except as otherwise provided in the Plan or the trust agreement and subject to the direction and control of the Sponsoring Company (or other fiduciary identified by the Sponsoring Company for such purpose), the Trustee shall have exclusive authority and discretion to manage and control the assets of the Trust Fund. The Sponsoring Company shall have the authority to appoint an Investment Manager to manage (including the power to acquire and dispose of) all or any part of the assets of the Trust Fund. The Sponsoring Company shall be responsible for establishing a funding policy and method consistent with the objectives of the Plan and the requirements of Title I of ERISA.

14.3 Benefits Payable Solely by Trust. All benefits payable under the Plan shall be paid or provided for solely from the Trust. The Participating Companies assume no liability or responsibility therefor.

14.4 Exclusive Benefit of Trust Fund. Except as otherwise allowed under Section 403(c)(2)(A) and (C) of ERISA, the assets of the Trust Fund shall not inure to the benefit of any Participating Company and shall be held for the exclusive purposes of providing benefits to Members and their Beneficiaries and defraying reasonable expenses of administering the Plan.

ARTICLE 15

ADMINISTRATION OF THE PLAN

15.1 Plan Administrator and Administration of the Plan. The Sponsoring Company shall be the "administrator" (as defined in Section 3(16) of ERISA) of the Plan and shall be a named fiduciary for the Plan. Any reference to the Plan Administrator in the Plan shall be deemed to be a reference to the Sponsoring Company, unless the context clearly indicates otherwise. The Sponsoring Company shall, in its capacity as administrator, be responsible for the performance of all reporting and disclosure obligations under ERISA and all other obligations required or permitted to be performed by the Plan administrator under ERISA. The Sponsoring Company shall have all powers necessary and the discretion necessary and convenient to administer the Plan in accordance with its terms, including, but not limited to, all necessary, appropriate and convenient power and authority to interpret, administer and apply the provisions of the Plan with respect to all persons having or claiming to have any rights, benefits, entitlements or obligations under the Plan. This includes, without limitation, the ability to construe and interpret provisions of the Plan, make determinations regarding law and fact, reconcile any inconsistencies between provisions in the Plan or between provisions of the Plan and any other statement concerning the Plan, whether oral or written, supply any omissions to the Plan or any document associated with the Plan, and to correct any defect in the Plan or in any document associated with the Plan. All such interpretations of the Plan and documents associated with the Plan and questions concerning its administration and application, as determined by the Sponsoring Company, shall be binding on all persons having an interest under the Plan. Such administrator of the Plan shall be the designated agent for service of legal process.

15.2 Delegation of Responsibility. The Sponsoring Company may delegate (and may give to its delegates the authority to redelegate) to any person or persons any responsibility, power, or duty whether ministerial or fiduciary; provided, however, no responsibility in the Plan or trust agreement to manage or control the assets of the Plan (other than a power to appoint an Investment Manager) may be delegated to anyone other than a fiduciary identified pursuant to Section 15.2 of the Plan. The Sponsoring Company, the Trustee or any delegatee, redelegatee or designee of either of them may employ one or more persons to render advice or perform ministerial duties with regard to any responsibility such fiduciary has under the Plan.

15.3 Liability. The board of directors of the Sponsoring Company and any delegatee, redelegatee or designee (other than any Investment Manager or Trustee), and any employee of

a Participating Company or Affiliated Company serving the Plan in any capacity within the scope of his employment shall be free from all liability for their acts and conduct in the administration of the Plan and Trust except for acts of willful misconduct; provided, however, that the foregoing shall not relieve any of them from any responsibility or liability for any responsibility, obligation or duty that they may have pursuant to ERISA.

15.4 Indemnity by Participating Companies. In the event and to the extent not insured against by any insurance company pursuant to provisions of any applicable insurance policy, the Participating Companies shall indemnify and hold harmless any person from any and all claims, demands, suits or proceedings made or threatened by reason of the fact that he, his testator or intestate (i) is or was a director or officer of a Participating Company or an Affiliated Company or (ii) is or was an employee of a Participating Company or an Affiliated Company who serves or served the Plan or Trust in any capacity within the scope of his employment and as a delegatee (or redelegatee) of the Sponsoring Company, provided such person acted, in good faith, in what he reasonably believed to be the best interest of the Plan. Expenses against which such person may be indemnified hereunder include, without limitation, the amount of any settlement or judgment, costs, counsel fees and related charges reasonably incurred in connection with a claim asserted or proceeding brought or settlement thereof. A Participating Company from which indemnification may be sought hereunder may, at its expense, settle any such claim, demand, suit or proceeding made or threatened when such settlement appears to be in the best interest of such Participating Company. This Section 15.4 shall not be construed to limit whatever rights of indemnity to which the persons specified in this Section 15.4 and such other persons not described in the foregoing provisions of this Section 15.4 who are or were (or claim under or through) employees of a Participating Company or an Affiliated Company may be entitled by law, corporate by-law or otherwise.

15.5 Payment of Fees and Expenses. The Trustee, the board of directors of the Sponsoring Company and any delegatee, redelegatee or designee shall be entitled to payment from the Trust Fund for all reasonable fees, costs, charges and expenses incurred by them in the course of performance of their duties under the Plan and the Trust, except to the extent that such fees and costs are paid by any Participating Company or Affiliated Company. Notwithstanding any other provision of the Plan or Trust, no person who is a "disqualified person" within the meaning of Section 4975(e)(2) of the Code, or a "party in interest" within the meaning of Section 3(14) of ERISA and who receives full-time pay from any Participating

Company or Affiliated Company shall receive compensation from the Trust Fund, except for reimbursement of expenses properly and actually incurred.

15.6 Voting of Shares. All voting rights with respect to common stock in Fund A under Section 8.1 held by the Trustee shall be exercised by the Trustee only as directed by the Members (and by Beneficiaries of deceased Members who have not received a distribution of their benefits, and such Beneficiaries shall be treated as Members for purposes of applying the provisions of this Section 15.6) having all or a part of their Accounts and/or Tax Deferred Accounts invested in such Fund A, acting in their capacity as named fiduciaries (within the meaning of ERISA Section 402) in accordance with the provisions of this Section 15.6. Before each annual or special meeting of shareholders of the Sponsoring Company (or such other company which issued such securities, if applicable) there shall be sent to each such Member a copy of the proxy solicitation material sent generally to shareholders for such meeting, together with a form to be returned to the Trustee, requesting instructions from the Member, acting in his capacity as a named fiduciary, to the Trustee on how to separately vote (I) the stock allocable to that part of such Member's Account and/or Tax Deferred Account in Fund A, and on how to separately vote (II) a proportionate share (based on the stock allocable to that part of such Member's Account and/or Tax Deferred Account in Fund A) of the Non-Directed Securities (defined below). For purposes of this Section 15.6, Non-Directed Securities shall mean that common stock allocated to Fund A for which instructions are not timely received by the Trustee. Upon receipt of such instructions, the Trustee shall vote such shares as instructed. In lieu of voting fractional shares as instructed by Members, the Trustee may vote the combined fractional shares of such securities to the extent possible to reflect the directions of Members with allocated fractional shares. The number of votes to which a Member's direction under clause (II), above, applies shall be the number of votes equal to the total number of votes attributable to the sum of the votes related to the common stock referred to in said clause (II) multiplied by a fraction, the numerator of which is the number of shares of common stock allocable to that part of such Member's Account and/or Tax Deferred Account in Fund A and the denominator of which is the total number of shares of common stock allocable to that part of all such Members' Accounts and/or Tax Deferred Accounts in Fund A who have timely provided instructions to the Trustee with respect to the common stock referred to in said clause (II). For purposes of this Section 15.6, fractional shares shall be rounded to the nearest 1/1,000th of a share. Except to the extent required by law, the instructions received by the Trustee from a Member under this Section 15.6 shall be held in confidence by the Trustee and any contractor

retained by the Trustee to assist in tabulation of votes and shall not be divulged or released to the Sponsoring Company, to any officer of the Sponsoring Company, to any employee of the Sponsoring Company or to any other person, except in the aggregate.

ARTICLE 16

BENEFIT CLAIMS PROCEDURE

16.1 Initial Claim – Notice of Denial. If any claim for benefits (within the meaning of section 503 of ERISA) is denied in whole or in part, the Sponsoring Company will provide written notification of the denied claim to the Member or Beneficiary, as applicable, (hereinafter referred to as the claimant) in a reasonable period, but not later than 90 days after the claim is received. The 90-day period can be extended under special circumstances. If special circumstances apply, the claimant will be notified before the end of the 90-day period after the claim was received. The notice will identify the special circumstances. It will also specify the expected date of the decision. When special circumstances apply, the claimant must be notified of the decision not later than 180 days after the claim is received.

The written decision will include:

- (a) The reasons for the denial.
- (b) Reference to the Plan provisions on which the denial is based. The reference need not be to page numbers or to section headings or titles. The reference only needs to sufficiently describe the provisions so that the provisions could be identified based on that description.
- (c) A description of additional materials or information needed to process the claim. It will also explain why those materials or information are needed.
- (d) A description of the procedure to appeal the denial, including the time limits applicable to those procedures. It will also state that the claimant may file a civil action under section 502 of ERISA (ERISA – §29 U.S.C. 1132). The claimant must complete the Plan's appeal procedure before filing a civil action in court.

If the claimant does not receive notice of the decision on the claim within the prescribed time periods, the claim is deemed denied. In that event the claimant may proceed with the appeal procedure described below.

16.2 Appeal of Denied Claim. The claimant may file a written appeal of a denied claim with the Sponsoring Company in such manner as determined from time to time. The Sponsoring Company is the named fiduciary under ERISA for purposes of the appeal of the

denied claim. The Sponsoring Company may delegate its authority to rule on appeals of denied claims and any person or persons or entity to which such authority is delegated may re-delegate that authority. The appeal must be sent at least 60 days after the claimant received the denial of the initial claim. If the appeal is not sent within this time, then the right to appeal the denial is waived.

The claimant may submit materials and other information relating to the claim. The Sponsoring Company (or its delegate) will appropriately consider these materials and other information, even if they were not part of the initial claim submission. The claimant will also be given reasonable and free access to or copies of documents, records and other information relevant to the claim.

Written notification of the decision on the appeal will be delivered to the claimant in a reasonable period, but not later than 60 days after the appeal is received. The 60-day period can be extended under special circumstances. If special circumstances apply, the claimant will be notified before the end of the 60-day period after the appeal was received. The notice will identify the special circumstances. It will also specify the expected date of the decision. When special circumstances apply, the claimant must be notified of the decision not later than 120 days after the appeal is received.

Special rules apply if the Sponsoring Company designates a committee as the appropriate named fiduciary for purposes of deciding appeals of denied claims. For the special rules to apply, the committee must meet regularly on at least a quarterly basis.

When the special rules for committee meetings apply the decision on the appeal must be made not later than the date of the committee meeting immediately following the receipt of the appeal. If the appeal is received within 30 days of the next following meeting, then the decision must not be made later than the date of the second committee meeting following the receipt of the appeal.

The period for making the decision on the appeal can be extended under special circumstances. If special circumstances apply, the claimant will be notified by the committee or its delegate

before the end of the otherwise applicable period within which to make a decision. The notice will identify the special circumstances. It will also specify the expected date of the decision. When special circumstances apply, the claimant must be notified of the decision not later than the date of the third committee meeting after the appeal is received.

In any event, the claimant will be provided written notice of the decision within a reasonable period after the meeting at which the decision is made. The notification will not be later than 5 days after the meeting at which the decision is made.

Whether the decision on the appeal is made by a committee or not, a denial of the appeal will include:

- (a) The reasons for the denial.
- (b) Reference to the Plan provisions on which the denial is based. The reference need not be to page numbers or to section headings or titles. The reference only needs to sufficiently describe the provisions so that the provisions could be identified based on that description.
- (c) A statement that the claimant may receive free of charge reasonable access to or copies of documents, records and other information relevant to the claim.
- (d) A description of any voluntary procedure for an additional appeal, if there is such a procedure. It will also state that the claimant may file a civil action under section 502 of ERISA (ERISA – §29 U.S.C. 1132).

If the claimant does not receive notice of the decision on the appeal within the prescribed time periods, the appeal is deemed denied. In that event the claimant may file a civil action in court. The decision regarding a denied claim is final and binding on all those who are affected by the decision. No additional appeals regarding that claim are allowed.

ARTICLE 17

INALIENABILITY OF BENEFITS

The right of any Member or Beneficiary to any benefit or payment under the Plan or Trust or to any separate account maintained as provided by the Plan shall not, to the fullest extent permitted by law, be subject to voluntary or involuntary anticipation, transfer, alienation or assignment, attachment, execution, garnishment, levy, sequestration or other legal or equitable process. The foregoing shall not apply to the extent allowed under Code section 401(a)(13). In the event a Member or Beneficiary who is receiving or is entitled to receive benefits under the Plan attempts to assign, transfer or dispose of such right, or if an attempt is made to subject said right to such process, such assignment, transfer or disposition shall be null and void. Notwithstanding the foregoing provisions hereof, expressly permitted are: (i) any arrangement to which the Sponsoring Company consents for the direct deposit of benefit payments to any account in a bank, savings and loan association or credit union, provided such arrangement is not part of an arrangement constituting an assignment or alienation; (ii) the recovery by the Plan of overpayment of benefits previously made to a Member or Beneficiary; or (iii) effective on and after January 1, 1985, the creation, assignment, or recognition of a right to any benefit payable pursuant to a qualified domestic relations court order as defined in ERISA. Effective December 1, 1995, and notwithstanding anything contrary contained in the Plan, any Alternate Payee who is assigned a Plan benefit pursuant to a qualified domestic relations order shall, upon the approval of such assignment under such order by the Plan Administrator or its delegate and after such assignment is recorded on the records of the Plan maintained by the Trustee, be entitled to receive a distribution of such assigned benefit as a lump sum, regardless of whether the Member from whose benefit the assignment was made is otherwise entitled to receive a distribution under the Plan.

ARTICLE 18

ADOPTION OF PLAN BY OTHER COMPANIES

Any company may, with the approval of the Sponsoring Company, adopt this Plan pursuant to appropriate written resolutions of the board of directors or other managing body or delegatee of such company and by executing such documents with the Trustee as may be necessary to make such company a party to the Trust as a Participating Company. A company which adopts the Plan is thereafter a Participating Company with respect to its Employees for purposes of the Plan. A company that adopted the Plan shall cease to be a Participating Company when any of the following happens:

- (a) Such company's managing body adopts actions designed to end such company's participation in this Plan;
- (b) Such company ceases active business or ceases to have active employees that meet the requirements to be Members of the Plan and the Sponsoring Company takes action to memorialize the effective date such company ceased to be a Participating Company; or
- (c) Such other reasonable action taken by the Sponsoring Company and the Participating Company intended to end said Participating Company's status as a Participating Company.

ARTICLE 19

WITHDRAWAL OF PARTICIPATING COMPANY FROM PLAN

19.1 Notice of Withdrawal. Subject to provisions of Section 19.4, any Participating Company, with the consent of the Sponsoring Company, may at any time withdraw from the Plan upon giving the Sponsoring Company and the Trustee at least 30 days notice in writing of its intention to withdraw.

19.2 Segregation of Trust Assets Upon Withdrawal. Upon the withdrawal of a Participating Company pursuant to Section 19.1, the Trustee shall segregate the allocable share of the assets in the Trust Fund, the value of which shall equal the total credited to the accounts of Members employed by the withdrawing Participating Company. Such segregation shall occur upon a Valuation Date or such other date as may be specified by the Sponsoring Company.

19.3 Exclusive Benefit of Members. Except as otherwise allowed by law, neither the segregation and transfer of the Trust assets upon the withdrawal of a Participating Company nor the execution of a new agreement and declaration of trust by such withdrawing Participating Company shall operate to permit any part of the Trust Fund to be used for or diverted to purposes other than for the exclusive benefit of the Members and their Beneficiaries.

19.4 Applicability of Withdrawal Provisions. The withdrawal provisions contained in this Article 19 shall be applicable only if the withdrawing Participating Company continues to cover its Members and eligible Employees in another defined contribution plan and trust qualified under Sections 401 and 501 of the Code. Otherwise, the termination provisions of Article 21 of the Plan shall apply.

ARTICLE 20

AMENDMENT OF THE PLAN

The Sponsoring Company may, by and through actions of its board of directors or any delegatee thereof, amend the Plan with respect to any or all Participating Companies at any time, and from time to time, by action of the Board of Directors of the Sponsoring Company or its delegatee; provided, however, except as otherwise allowed by law, no such amendment shall operate to permit any part of the Trust Fund to be used for or diverted to purposes other than the exclusive benefit of the Members and their Beneficiaries.

ARTICLE 21

PERMANENCY OF THE PLAN AND PLAN TERMINATION

21.1 Merger or Consolidation of Plan. The Plan may not be merged or consolidated with, nor may its assets or liabilities be transferred to, any other plan, unless each Member would (if the Plan then terminated) receive a benefit immediately after the merger, consolidation, or transfer which is equal to or greater than the benefit he would have been entitled to receive immediately before the merger, consolidation, or transfer (if the Plan had then terminated).

21.2 Right to Terminate Plan. The Sponsoring Company reserves the right to terminate either the Plan or both the Plan and the Trust as to any or all Participating Companies.

21.3 Discontinuance of Contributions. Whenever the Sponsoring Company determines that it is impossible or inadvisable for any Participating Company to make further contributions as provided in the Plan, such Participating Company may, without terminating the Plan and/or Trust, temporarily or permanently discontinue all further contributions by such Participating Company. Thereafter, the Sponsoring Company and the Trustee shall continue to administer all the provisions of the Plan which are necessary and remain in force, other than the provisions relating to contributions by such Participating Company. However, the Trust shall remain in existence with respect to such Participating Company and all of the provisions of the Trust Agreement shall remain in force.

21.4 Termination of Plan and Trust. If the Sponsoring Company determines to terminate (as to any Participating Company) the Plan and Trust completely, they shall be terminated insofar as they are applicable to such Participating Company as of the date of such termination. Upon such termination of the Plan and Trust, after payment of all expenses and proportional adjustment of accounts of Members employed by such Participating Company to reflect such expenses, Trust Fund profits or losses, and allocations of any previously unallocated funds to the date of termination, such Participating Company's Members shall be entitled to receive the amount then credited to their respective Accounts and Tax Deferred Accounts in the Trust Fund. However, the occurrence of such a termination shall not, in and of itself, entitle

Members to receive a distribution of their Tax Deferred Accounts. Such entitlement shall only occur if neither the Sponsoring Company nor any Affiliated Company maintain a successor plan, other than an ESOP satisfying the requirements of Section 4975(e)(7). For this purpose, a successor plan is any defined contribution plan maintained by the Sponsoring Company or an Affiliated Company, except that such a plan shall not be deemed to be a successor plan if at all times during the 24 month period preceding the 12 month period before the termination of this Plan fewer than 2% of the Employees who were eligible to participate in this Plan are eligible for such other plan. If a Member with a Tax Deferred Account is entitled to a distribution upon termination of the Plan because of the satisfaction of the foregoing requirements, then any distribution to such a Member must be made as a lump sum distribution, as defined in Code Section 401(k)(10)(B), or any successor thereto. The Sponsoring Company, in its sole discretion, may cause payment of such amount to be made in cash, or in assets of the Trust Fund. Any amounts unallocable to such Participating Company's Members shall be returned to the Sponsoring Company.

ARTICLE 22

MISCELLANEOUS

22.1 Status of Employment Relations. Nothing herein contained shall be deemed (i) to give to any employee the right to be retained in the employ of a Participating Company; (ii) to affect the right of a Participating Company to terminate or discharge any employee at any time; (iii) to give a Participating Company the right to require any employee to remain in its employ; or (iv) to affect any employee's right to terminate his employment at any time.

22.2 Applicable Law. To the extent that State law shall not have been preempted by ERISA or any other laws of the United States, the Plan shall be construed, regulated, interpreted and administered according to the laws of the Commonwealth of Kentucky.

22.3 Legal Effect. The Plan described herein shall amend and supersede, as of January 1, 2003, and at such other individual dates as indicated throughout, all provisions in the Plan as in effect on December 31, 2002, except as otherwise provided herein and further excepting that the rights of former Members who terminated employment or retired prior to January 1, 2003, or made a total withdrawal prior to January 1, 2003 while employed, shall be governed by the terms of the Plan in effect at the time of termination of employment or retirement, or in effect on December 31, 2002 in the case of total withdrawals while employed, as the case may be, unless otherwise provided herein.

22.4 Military Leave. Notwithstanding any provisions of the Plan to the contrary, contributions, benefits and service credit with respect to qualified military service will be provided in accordance with Code section 414(u) and all other applicable law. A Member who returns to work from qualified military service may make up contributions missed while on military leave. These contributions are in addition to other allowable contributions under the Plan. The Member has until the earlier of (1) the period equal to three times the period of qualified military service or (2) five years. The Participating Company contributions that would have been paid with respect to such Member contributions under the provisions of Article 7 of the Plan at the particular time applicable will also be contributed with respect to a Member's make-up contributions. These Participating Company contributions are in addition to any other such contributions made with respect to the Member's contributions for the present Plan Year. While on a qualified military leave a Member is considered to earn the rate of Compensation he

would have received if he had not been engaged in qualified military service. If this cannot be determined with reasonable certainty, then the Member's deemed Compensation would be the average of the Member's Compensation for the 12 months preceding the qualified military service (or period of employment if shorter than 12 months).

ARTICLE 23
TENDER OFFER

23.1 Applicability. The provisions of this Article 23 shall apply in the event any person, either alone or in conjunction with others, makes a tender offer, or exchange offer, or otherwise offers to purchase or solicits an offer to sell to such person one percent or more of the outstanding shares of common stock of the Sponsoring Company (herein jointly and severally referred to as a "tender offer").

23.2 Instructions to Trustee. All decisions with respect to tender offers with respect to the shares of common stock of the Sponsoring Company held in Fund A under Section 8.1 of the Plan shall be exercised by the Trustee only as directed by the Members (and by Beneficiaries of deceased Members who have not received a distribution of their benefits, and such Beneficiaries shall be treated as Members for purposes of applying the provisions of this Article 23) who have all or a part of their Accounts and/or Tax Deferred Accounts invested in Fund A, acting in their capacity as named fiduciaries (within the meaning of ERISA Section 402) in accordance with the provisions of this Article 23. In the event a tender offer is received by the Trustee (including a tender offer for shares of such common stock subject to Section 14 (d) (1) of the Securities Exchange Act of 1934 or subject to Rule 13e-4 promulgated under such Act, as those provisions may be amended from time to time), in accordance with Section 23.1, to purchase or exchange any such shares of common stock held by the Trustee, the Trustee shall inform each Member who has all or a part of his Account and/or Tax Deferred Account invested in Fund A, in writing, of the terms of the tender offer as soon as practicable and shall furnish to each such Member such documents as are prepared by any person and provided to shareholders of the Sponsoring Company pursuant to the Securities Exchange Act of 1934 and a form to each such Member to be returned to the Trustee requesting instructions from such Member, acting in his capacity as a named fiduciary, on whether or not to sell, offer to sell, exchange or otherwise dispose of the common stock allocable to that part of such Member's Account and/or Tax Deferred Account in Fund A (determined as of the most recent Valuation Date for which information is readily available). Upon receipt of such separate instructions, the Trustee shall act upon the tender offer as instructed. For purposes of this Article 23, fractional shares shall be rounded to the nearest 1/1,000th of a share. The instructions referred to herein shall be in such form and shall be filed in such manner and at such time as the Sponsoring Company and the Trustee may prescribe.

23.3 Trustee Action on Member Instructions. The Trustee shall sell, offer to sell, exchange or otherwise dispose of the common stock held in Fund A under the Trust as directed by Members through their instructions, as provided in Section 23.2. The number of shares to be sold, offered for sale, exchanged or otherwise disposed of by the Trustee under this Section 23.3 pursuant to a Member's direction shall reflect the value of such Member's Account and/or Tax Deferred Account invested in Fund A (excluding all investments in Fund A other than the shares to be sold, offered or exchanged) determined as of the latest Valuation Date for which record processing has been completed at the time of the Trustee's disposition of shares. Each Member directing the Trustee to dispose of his allocable shares under this Article 23 shall also be deemed to have elected a transfer of the total value of his Account and/or Tax Deferred Account in Fund A to a new investment fund under the Plan. For purposes of this Article 23, such deemed transfers shall be effective as of and shall use values as of the Valuation Date used to determine the number of shares to be sold, offered for sale, exchanged or otherwise disposed of by the Trustee under this Section 23.3. Any gain or loss, whether realized or unrealized, on the directed disposition of shares shall be allocated (in accordance with the provisions of Section 10.3) among the Members who have directed such a disposition under this Article 23. The proceeds derived from dispositions directed under this Article 23 shall be invested by the Trustee in accordance with Section 23.4. Except for the provisions of Section 8.2 and Section 8.4 all the provisions of the Plan and trust agreement shall apply to such new investment fund. Any shares becoming allocable to a Member's Account and/or Tax Deferred Account in Fund A after the latest Valuation Date for which record processing has been completed at the time of the Trustee's disposition of shares shall remain a part of such Member's Account and/or Tax Deferred Account in Fund A subject to all the provisions of the Plan other than this Article 23.

23.4 Investment of Proceeds. Any securities received in connection with a disposition directed under this Article 23 shall remain a part of the new investment fund subject, however, to the Sponsoring Company's right to amend the Plan in accordance with its provisions. Any cash proceeds of a disposition directed under this Article 23 and any income from investments under the new investment fund shall remain a part of the new investment fund and shall be invested in such securities as the Sponsoring Company (or other fiduciary identified by the Sponsoring Company for such purpose) may from time to time direct; provided, however, in the absence of any direction from the Sponsoring Company or other fiduciary the Trustee may in its

discretion, or pursuant to applicable provisions in the trust agreement if any such provisions appear therein, invest the cash proceeds in Fund B described in Section 8.1 of the Plan.

23.5 Action With Respect to Members Not Instructing the Trustee or Not Issuing Valid Instructions. To the extent to which Members do not instruct the Trustee or do not issue valid directions to the Trustee to sell, offer to sell, exchange or otherwise dispose of the shares of stock of the Sponsoring Company allocable to their Account and/or Tax Deferred Accounts in Fund A, such Members shall be deemed to have directed the Trustee that such shares remain invested in Fund A subject to all provisions of the Plan other than this Article 23.

23.6 Withdrawal of Shares. In the event, under the terms of a tender offer or otherwise, any shares of common stock held in Fund A and tendered for sale, exchange or transfer pursuant to such offer may be withdrawn from such offer, the Trustee shall follow such instructions respecting the withdrawal of such shares from such offer in the same manner and in the same proportion as shall be timely received by the Trustee from Members entitled under this Article 23 to give instructions as to the sale, exchange or transfer of shares of such common stock pursuant to such offer, acting in their capacity as named fiduciaries.

23.7 Partial Offers. In the event that an offer for fewer than all of the shares of common stock invested in Fund A and held by the Trustee shall be received by the Trustee, the total number of shares of such common stock that the Plan sells, exchanges or transfers pursuant to such offer shall be allocated among Members' Accounts and/or Tax Deferred Accounts, to the extent that such accounts are invested in Fund A, on a pro rata basis in accordance with the directions received from Members with respect to the allocable share of each such Member's Account and/or Tax Deferred Account invested in Fund A.

23.8 Multiple Offers. In the event an offer shall be received by the Trustee and instructions shall be solicited from Members pursuant to Sections 23.2 to 23.7 hereof regarding such offer, and, prior to the termination of such offer, another offer is received by the Trustee for the shares of common stock invested in Fund A subject to the first offer, the Trustee shall use its best efforts under the circumstances to solicit instructions from the Members in their capacity as named fiduciaries:

- (a) with respect to shares of common stock tendered for sale, exchange or transfer pursuant to the first offer, whether to withdraw such tender, if possible, and, if withdrawn, whether to tender any shares of common stock so withdrawn for sale, exchange or transfer pursuant to the second offer, and

- (b) with respect to shares of common stock not tendered for sale, exchange or transfer pursuant to the first offer, whether to tender or not to tender such shares of common stock for sale, exchange or transfer pursuant to the second offer.

The Trustee shall follow all such instructions received in a timely manner from Members in the same manner and in the same proportion as provided in Sections 23.2 to 23.7 hereof. With respect to any further offer for any such common stock received by the Trustee and subject to any earlier offer (including successive offers from one or more existing offerors), the Trustee shall act in the same manner as described above in this Section 23.8.

23.9 No Impact on Account. A Member's instructions to the Trustee to tender or exchange shares of common stock shall not be deemed a withdrawal or suspension from the Plan or a forfeiture of any portion of the Member's benefit.

23.10 Confidentiality. The instructions received by the Trustee from a Member under this Article 23 shall be held in confidence by the Trustee and any contractor retained by the Trustee to assist in the tabulation of tenders and shall not be divulged or released to the Sponsoring Company, to any officer of the Sponsoring Company, to any employee of the Sponsoring Company or to any other person, except in the aggregate, unless otherwise required by law.

ARTICLE 24

SPECIAL RULES IN THE EVENT PLAN BECOMES TOP HEAVY

24.1 General. Notwithstanding any other provision of the Plan, this Article 24 shall apply to each Plan Year as to which the Plan is "Top-Heavy" (as hereinafter defined in this Article 24), hereinafter called "Top-Heavy Year", and, to the extent provided in this Article 24, to each Plan Year following a Plan Year as to which the Plan is Top-Heavy.

24.2 Minimum Benefits. The Participating Company contributions and forfeitures allocated to the Account (for purposes of this Article 24, references to a Member's "Account" shall include such Member's Account, Tax Deferred Account and Restricted Company Match Account) of each Member who is a Non-Key Employee and who is employed on the last day of the Plan Year, shall not be less than three percent of such Member's Compensation. Notwithstanding the preceding sentence, the foregoing percentage for any Top-Heavy Year shall not exceed the percentage at which Participating Company contributions and forfeitures are allocated to the Account of the Key Employee for whom such percentage is the highest for such Top-Heavy Year; provided, however, that all defined contribution plans within an Aggregation Group shall be treated as one plan. The minimum benefit as prescribed above is determined without regard to any Social Security contribution and without regard to any salary deferral or cash or deferred contributions made on behalf of such a Non-Key Employee under a plan qualified under Section 401(k) of the Code.

24.3 Vesting. In any Top-Heavy Year, the Account of any Member shall be fully vested and nonforfeitable, as it is in years when the Plan is not Top-Heavy.

24.4 Definitions. For purposes of this Article 24, the following definitions shall apply:

- (a) "Aggregation Group" shall mean (i) each plan of a Participating Company or an Affiliated Company in which at least one Key Employee participates or participated at any time during the Determination Period (regardless of whether the plan has terminated); (ii) each other plan of a Participating Company or an Affiliated Company which enables any plan described in (i) above to meet the requirements of Section 401(a)(4) or 410 of the Code; and (iii) any other plan or plans which the Sponsoring Company elects to include provided that the group would continue to meet the requirements of Sections 401(a)(4) and 410 of the Code with such plan or plans being taken into account. For these purposes, the group of plans included under (i) and (ii) above is considered to be a "required aggregation group" and the

group of plans included under (i)-(iii) is considered to be a "permissive aggregation group."

- (b) "Determination Date" shall mean, with respect to the first Plan Year, the last day of such Plan Year, and with respect to any subsequent Plan Year, the last day of the preceding Plan Year.
- (c) "Determination Period" shall mean the Plan Year containing the Determination Date and the four preceding Plan Years.
- (d) "Key Employee" shall mean, with respect to any Plan Year, as determined under Section 416(i) of the Code, any person (and the beneficiary under the plan of any person) who, at any time during the Determination Period with respect to such Plan Year, is:
 - (1) an officer of a Participating Company or an Affiliated Company who:
 - (A) effective for Plan Years beginning after December 31, 1986, has annual compensation greater than 50 percent of the dollar limitation in effect under Section 415(b)(1)(A) of the Code for any such Plan Year, and
 - (B) is taken into account under Section 416(i) of the Code;
 - (2) one of the ten employees who:
 - (A) owns (or is considered as owning within the meaning of Sections 318 and 416(i) of the Code) both more than a 1/2 percent ownership interest in value and one of the ten largest percentage ownership interests in value of his employer; and
 - (B) has (during the Plan Year of ownership) annual compensation from his employer and any Affiliated Company of more than the limitation in effect under Section 415(c)(1)(A) of the Code for the calendar year in which such Plan Year ends;
 - (3) a five percent owner (as defined in Section 416(i) of the Code) of his employer or
 - (4) a one percent owner (as defined in Section 416(i) of the Code) of his employer having annual compensation from his employer and any Affiliated Company of more than \$150,000.

For purposes of this paragraph (d), "compensation" shall mean compensation as defined in Section 7.4(d) (which defines "Limitation Year Compensation" for purposes of applying the annual addition limitations) of the Plan except that salary reduction contributions that would otherwise be excluded from the definition of compensation thereunder because of special tax benefits applicable to such contributions under Section 125, 402(a)(8), 402(h)(1)(B) or 403(b) of the Code shall be included in such compensation.

- (e) "Non-Key Employee" shall mean any individual who, with respect to any Plan Year during the Determination Period, is not a Key Employee.
- (f) "Top-Heavy" shall mean, with respect to any Plan Year, that the Plan falls within a Top-Heavy Group or that, as of the Determination Date, the Top Heavy Ratio exceeds 60%.
- (g) "Top-Heavy Group" shall mean, with respect to any Plan Year, any Aggregation Group if (as of the Determination Date) the sum of the Top Heavy Ratios for each plan falling within the Aggregation Group exceeds 60%.
- (h) "Top Heavy Ratio" shall mean, with respect to any Determination Date:
 - (1) For any defined benefit plan the ratio of the present value of the cumulative accrued benefits (including any benefits derived from employee contributions) under the plan for all Key Employees to the present value of the cumulative accrued benefits (including any benefits derived from employee contributions) under the plan for all employees. Such present value shall be consistently and uniformly determined under regulations under Section 416 of the Code (i) by using the actuarial assumptions used by the plan for purposes of minimum funding standards under Section 412 of the Code (modified as necessary to conform with the requirements of Section 415 of the Code and regulations thereunder); (ii) as of the most recent valuation date used for computing plan costs for purposes of minimum funding under Section 412 of the Code falling within a 12-month period ending on the Determination Date; (iii) by including distributions made within the Plan Year in which falls the Determination Date and the four preceding Plan Years; and (iv) on the basis that each employee terminated employment on the valuation date.

- (2) For any defined contribution plan (including any simplified employee pension plan), the ratio of the sum of the account balances under the plan as of the Determination Date for Key Employees to the sum of the account balances under the plan as of the Determination Date for all employees. For purposes of computing this ratio, any distribution made within the Plan Year in which falls the Determination Date and the four preceding Plan Years shall be included and both the numerator and denominator of the Top-Heavy Ratio are increased to reflect any contribution not actually made as of the Determination Date, but which is required to be taken into account on that date under Section 416 of the Code and the regulations thereunder.
- (3) For purposes of (1) and (2) above, the following shall apply:
- (A) The value of account balances and the present value of accrued benefits will be determined as of the most recent valuation date that falls within or ends with the 12-month period ending on the applicable Determination Date, except as provided in Section 416 of the Code and the regulations thereunder for the first and second plan years of a defined benefit plan.
 - (B) There shall be disregarded the account balances and accrued benefits of a Member:
 - (i) who is a Non-Key Employee, but who was a Key Employee in a Prior Plan Year or
 - (ii) with respect to a Plan Year beginning after 1984, who has not performed services for the employer maintaining the plan at any time during the five-year period ending on the Determination Date.
 - (C) The calculation of the Top-Heavy Ratio, and the extent to which distributions, rollovers and transfers are taken into account will be made in accordance with Section 416 of the Code and the regulations thereunder.
 - (D) Deductible voluntary contributions shall not be included.
 - (E) The value of account balances and accrued benefits under plans aggregated with the Plan shall be calculated with reference to the

Determination Dates under such plans that fall within the same calendar year as the applicable Determination Date under the Plan.

- (F) The value of account balances under the Plan will be determined as of the Determination Date with respect to the applicable Plan Year.
- (G) The accrued benefit of a Non-Key Employee shall be determined under (i) the method, if any, that uniformly applies for accrual purposes under all de-fined benefit plans maintained by the Participating Company and Affiliated Companies, or (ii) if there is no such method, as if such benefit accrued not more rapidly than the slowest accrual rate permitted under the fractional rule of Section 411(b)(1)(C) of the Code.

SPECIAL SUPPLEMENT TO ARTICLE 24 – MODIFICATIONS TO TOP-HEAVY RULES

The following provisions replace the applicable provisions of Article 24 that precede these supplemental provisions.

1. Effective date. This section shall apply for purposes of determining whether the Plan is a top-heavy plan under section 416(g) of the Code for Plan Years beginning after December 31, 2001, and whether the Plan satisfies the minimum benefits requirements of section 416(c) of the Code for such years. This section amends the preceding provisions of Article 24.

2. Determination of top-heavy status.

2.1 Key employee. Key employee means any Employee or former Employee (including any deceased Employee) who at any time during the Plan Year that includes the determination date was an officer of the employer having annual compensation greater than \$130,000 (as adjusted under section 416(i)(1) of the Code for plan years beginning after December 31, 2002), a 5-percent owner of the employer, or a 1-percent owner of the employer having annual compensation of more than \$150,000. For this purpose, annual compensation means compensation within the meaning of section 415(c)(3) of the Code. The determination of who is a key employee will be made in accordance with section 416(i)(1) of the Code and the applicable regulations and other guidance of general applicability issued thereunder.

2.2 Determination of present values and amounts. This section 2.2 shall apply for purposes of determining the present values of accrued benefits and the amounts of account balances of employees as of the determination date.

2.2.1 Distributions during year ending on the determination date. The present values of accrued benefits and the amounts of account balances of an Employee as of the determination date shall be increased by the distributions made with respect to the Employee under the Plan and any plan aggregated with the Plan under section 416(g)(2) of the Code during the 1-year period ending on the determination date. The preceding sentence shall also apply to distributions under a terminated plan which, had it not been terminated, would have been aggregated with the Plan under section 416(g)(2)(A)(i) of the Code. In the case of a distribution made for a reason other than separation from service, death, or disability, this provision shall be applied by substituting 5-year period for 1-year period.

2.2.2 Employees not performing services during year ending on the determination date. The accrued benefits and accounts of any individual who has not performed services for the employer during the 1-year period ending on the determination date shall not be taken into account.

3. Minimum benefits.

3.1 Matching contributions. Employer matching contributions shall be taken into account for purposes of satisfying the minimum contribution requirements of section 416(c)(2) of the Code and the Plan. The preceding sentence shall apply with respect to matching contributions under the Plan or, if the Plan provides that the minimum contribution requirement shall be met in another plan, such other plan. Employer matching contributions that are used to satisfy the minimum contribution requirements shall be treated as matching contributions for purposes of the actual contribution percentage test and other requirements of section 401(m) of the Code.

WITNESSETH:

WHEREAS, Ashland is the sponsor of the Ashland Inc. Employee Savings Plan (the "Plan"); and

WHEREAS, Ashland wishes to establish a trust to hold and invest plan assets under the Plan for the exclusive benefit of participants in the Plan and their beneficiaries; and

WHEREAS, Ashland is the fiduciary identified in the Plan empowered to appoint, direct and control the Trustee of the Plan, and to select investment vehicles that satisfy the terms of the Plan; and

WHEREAS, the Trustee is willing to hold and invest the aforesaid plan assets in trust among several investment options selected by Ashland; and

WHEREAS, Ashland wishes to have the Trustee perform certain ministerial recordkeeping and administrative functions under the Plan; and

WHEREAS, Ashland is the administrator of the Plan within the meaning of Section 3(16)(A) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and, as such, is a named fiduciary within the meaning of ERISA Section 402(a); and

WHEREAS, the Trustee is willing to perform, in addition to its trustee responsibilities set forth in this Agreement, recordkeeping and administrative services for the Plan if the services are purely ministerial in nature and are provided within a framework of plan provisions, guidelines and interpretations conveyed in writing to the Trustee by Ashland.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants and agreements set forth below, Ashland and the Trustee agree as follows:

Section 1. Trust. Ashland hereby establishes the Ashland Inc. Employee Savings Plan Trust (the "Trust") with the Trustee. The Trust shall consist of an initial contribution of money or other property acceptable to the Trustee in its sole discretion, made by Ashland or transferred from a previous trustee under the Plan, such additional sums of money and Ashland Common Stock (hereinafter defined) as shall from time to time be delivered to the Trustee under the Plan, all investments made therewith and proceeds thereof, and all earnings and profits thereon, less the payments that are made by the Trustee as provided herein, without distinction between principal and income. The Trustee hereby accepts the Trust on the terms and conditions set forth in this Agreement. In accepting this Trust, the Trustee shall be accountable for the assets received by it, subject to the terms and conditions of this Agreement.

Section 2. Exclusive Benefit of Trust Assets. Except as allowed by law, no part of the Trust may be used for, or diverted to, purposes other than the exclusive benefit of the participants in the Plan or their beneficiaries prior to the satisfaction of all liabilities with respect to the participants and their beneficiaries.

Section 3. Disbursements.

(a) Directions from Ashland. The Trustee shall make disbursements in the amounts and in the manner that Ashland directs from time to time in writing. Ashland hereby directs that, pursuant to the Plan, a participant withdrawal request may be made by telephone and the Trustee shall process such request only after the identity of the participant is verified by use of a personal identification number ("PIN") and social security number. In respect of directions from Ashland, the Trustee shall have no responsibility to ascertain the compliance with the terms of the Plan or of applicable law or the effect for tax purposes or otherwise; the Trustee shall not have any responsibility to see to the application of any disbursement.

(b) Limitations. The Trustee shall not be required to make any disbursement in excess of the net realizable value of the assets of the Trust at the time of the disbursement. The Trustee shall not be required to make any disbursement in cash unless Ashland has provided a written direction as to the assets to be converted to cash for the purpose of making the disbursement.

Section 4. Investment of Trust.

(a) Selection of Investment Options. The Trustee shall have no responsibility for the selection of investment options under the Trust and shall not render investment advice to any person in connection with the selection of such options.

(b) Available Investment Options. Ashland shall direct the Trustee as to what investment options: (i) the Trust shall be invested in during the participant recordkeeping reconciliation period, and (ii) the investment options in which Plan participants may invest in, subject to the following limitations. Ashland may determine to offer as investment options only (i) securities issued by the investment companies advised by Fidelity Management & Research Company ("Mutual Funds"), (ii) equity securities issued by Ashland or an affiliate which are publicly-traded and which are "qualifying employer securities" within the meaning of section 407(d)(5) of ERISA ("Ashland Common Stock"), (iii) notes evidencing loans to Plan participants in accordance with the terms of the Plan, (iv) a mixed portfolio, the "Low Volatility Fund", consisting of a fund of investment contracts and wrapped bond portfolios selected and managed by PRIMCO (an investment manager appointed by Ashland) and the Short Duration Commingled Pool managed by Fidelity Management Trust Company, (v) the Packaged Investment Funds, consisting of various combinations of the Low Volatility Fund and Mutual Funds, and (vi) collective investment funds maintained by the Trustee for qualified plans. Ashland hereby directs the Trustee to continue to hold investment contracts and wrapped bond portfolios heretofore entered into by Ashland, a predecessor trustee, or an investment manager appointed by Ashland and specifically identified on Schedule "F" attached hereto ("Existing Investment Contracts"), until Ashland or an investment manager appointed by Ashland directs otherwise, it being expressly understood that such direction is given in accordance with Section 403(a) of ERISA. The Trustee shall be considered a fiduciary with investment discretion only with respect to Plan assets that are invested in investment contracts chosen by the Trustee or in collective investment funds maintained by the Trustee for qualified plans. The investment options initially selected by Ashland are identified on Schedules "A" and "C" attached hereto. Ashland may add or delete additional investment options with the consent of the Trustee and upon mutual amendment of this Trust Agreement and the Schedules thereto to reflect such additions.

(c) Participant Direction. Each Plan participant shall direct the Trustee in which investment option(s) to invest the assets in the participant's individual accounts. Such directions may be made by Plan participants by use of the telephone exchange system

maintained for such purposes by the Trustee or its agent, in accordance with written Telephone Exchange Guidelines attached hereto as Schedule "G". In the event that the Trustee fails to receive a proper direction, the assets shall be invested in the securities of the Investment Option set forth for such purpose on Schedule "C", until the Trustee receives a proper direction.

At the beginning of the Participant Recordkeeping Reconciliation Period, Ashland shall instruct the Trustee to allocate participant balances among the investment options listed on Schedule "C" attached hereto. During the special enrollment period of August 7, 1995 through September 6, 1995, participants may change their investment elections. If a participant fails to make an election by the close of this period, then the participant's account balances shall remain invested according to the allocation initially designated by Ashland prior to the special enrollment period.

(d) Mutual Funds. Ashland hereby acknowledges that it has received from the Trustee a copy of the latest prospectus for each Mutual Fund selected by Ashland as a Plan investment option. The Trustee shall from time to time provide Ashland with updated or revised prospectuses for each such Mutual Fund as issued. Trust investments in Mutual Funds shall be subject to the following limitations:

(i) Execution of Purchases and Sales. Purchases and sales of Mutual Funds (other than for Exchanges) shall be made on the date on which the Trustee receives by 4:00 p.m. Eastern Time from Ashland in good order all information and documentation necessary to accurately effect such purchases and sales (or in the case of a purchase, the date on which the Trustee has received a wire transfer of funds necessary to make such purchase). Exchanges of Mutual Funds shall be made in accordance with the Telephone Exchange Guidelines attached hereto as Schedule "G".

(ii) Voting. At the time of mailing of notice of each annual or special stockholders' meeting of any Mutual Fund, the Trustee shall send a copy of the notice and all proxy solicitation materials to each Plan participant who has shares of the Mutual Fund credited to the participant's accounts, together with a voting direction form for return to the Trustee or its designee. The participant shall have the right to direct the Trustee as to the manner in which the Trustee is to vote the shares credited to the participant's accounts (both vested and unvested). The Trustee shall vote the shares as directed by the participant. The Trustee shall not vote shares for which it has received no directions from the participant.

During the participant recordkeeping reconciliation period, Ashland shall have the right to direct the Trustee as to the manner in which the Trustee is to vote the shares of the Mutual Funds in the Trust. Ashland shall have the right to direct the Trustee as to the manner in which the Trustee is to vote the Mutual Fund shares held in any short-term investment fund or liquidity reserve. Other than as described above, the Trustee shall have no duty to solicit directions from participants or the Sponsor.

(e) Ashland Common Stock. Trust investments in Ashland Common Stock shall be made via the Ashland Inc. Common Stock Fund (the "Stock Fund") which shall consist of shares of Ashland Common Stock and short-term liquid investments, including Fidelity Institutional Cash Portfolios: Money Market Portfolio: Class A or such other Mutual Fund or commingled money market pool as agreed to by Ashland and Trustee, necessary to satisfy the Fund's cash needs for transfers and payments. A cash target range of 80 to 120 basis points shall be maintained in the Stock Fund. Such target range may be changed as agreed to in writing by Ashland and the Trustee. The Trustee is responsible for ensuring that the actual cash held in the Stock Fund falls within the agreed upon range over time. Each participant's proportional interest in the Stock Fund shall be measured in units of participation, rather than shares of Ashland Common Stock. Such units shall represent a proportionate interest in all of the assets of the Stock Fund, which includes shares of Ashland Common Stock, short-term investments and at times, receivables for dividends and/or Ashland Common Stock sold and payables for Ashland Common Stock purchased. A Net Asset Value ("NAV") per unit will be determined daily for each unit outstanding of the Stock Fund. The return earned by the Stock Fund will represent a combination of the dividends paid on the shares of Ashland Common Stock held by the Stock Fund, gains or losses realized on sales of Ashland Common Stock, appreciation or depreciation in the market price of those shares owned, and interest on the short-term investments held by the Stock Fund. Dividends received by the Stock Fund are reinvested in additional shares of Ashland Common Stock. Investments in Ashland Common Stock shall be subject to the following limitations:

(i) Acquisition Limit. Pursuant to the Plan, the Trust may be invested in Ashland Common Stock to the extent necessary to comply with investment directions under Section 4(c) of this Agreement.

(ii) Fiduciary Responsibility. The Trustee shall have no duty to monitor the suitability under the fiduciary duty rules of section 404(a)(1) of ERISA (as modified by section 404(a)(2) of ERISA) of acquiring and holding Sponsor Stock. The Trustee shall not be liable for any loss, which arises from the directions of Ashland or Plan Participants with respect to the acquisition and holding of Ashland Common Stock, unless it is clear on their face that the actions to be taken under those directions would be contrary to the terms of the Plan or this Agreement.

(iii) Execution of Purchases and Sales

(A) After netting all purchases and sales, any remaining purchases and sales of Ashland Common Stock (other than for exchanges) shall be made on the open market on the date on which the Trustee receives from Ashland in good order all information and documentation necessary to accurately effect such purchases and sales (or, in the case of purchases, the date on which the Trustee has received a wire transfer of the funds necessary to make such purchases). Exchanges of Ashland Common Stock shall be made in accordance with the Telephone Exchange Guidelines attached hereto as Schedule "G". Such general rules shall not apply in the following circumstances:

(1) If the Trustee is unable to purchase or sell the total number of shares required to be purchased or sold on such day as a result of market conditions; or

(2) If the Trustee is prohibited by the Securities and Exchange Commission, the New York Stock Exchange, or any other regulatory body from purchasing or selling any or all of the shares required to be purchased or sold on such day.

In the event of the occurrence of the circumstances described in (1) or (2) above, the Trustee shall purchase or sell such shares as soon as possible thereafter and shall determine the price of such purchases or sales to be the average purchase or sales price of all such shares purchased or sold, respectively. The Trustee may follow directions from Ashland to deviate from the

above purchase and sale procedures provided that such direction is made in writing by Ashland.

(3) Upon the direction of Ashland, Ashland Common Stock may be contributed to the Plan by Ashland or purchased by the Trustee from Ashland or an affiliate. Stock contributed by Ashland or purchased by the Trustee from Ashland or an affiliate shall be valued at the closing price of such stock on the New York Stock Exchange (NYSE) for the trading day on which such stock is contributed or sold to the Plan. In no event shall a commission be charged with respect to stock contributed by Ashland or purchased from Ashland or an affiliate. The number of shares to be transferred will be determined by dividing the total amount of Ashland Common Stock to be purchased by the closing price of Ashland Common Stock on the NYSE on the trading date.

(B) Use of an Affiliated Broker. Ashland hereby authorizes the Trustee to use Fidelity Brokerage Services, Inc. ("FBSI") to provide brokerage services in connection with any open market purchase or sale of Ashland Common Stock in accordance with directions from Plan participants. FBSI shall execute such directions directly or through its affiliate, National Financial Services Company ("NFSC"). The provision of brokerage services shall be subject to the following:

(1) As consideration for such brokerage services, Ashland agrees that FBSI shall be entitled to remuneration under this authorization provision in the amount of three and one-half cents (\$.035) commission on each share of Ashland Common Stock bought or sold by it. Any change in such remuneration may be made only by a signed agreement between Ashland and Trustee.

(2) Following the procedures set forth in Department of Labor Prohibited Transaction Class Exemption 86-128, the Trustee will provide Ashland with the following documents: (1) a description of FBSI's brokerage placement practices; (2) a copy of PTCE 86-128; and (3) a form by which Ashland may terminate this authorization to use a broker affiliated with the Trustee. The Trustee will provide Ashland with this termination

form annually, as well as an annual report which summarizes all securities transaction-related charges incurred by the Plan, and the Plan's annualized turnover rate.

(3) Any successor organization of FBSI, through reorganization, consolidation, merger or similar transactions, shall, upon consummation of such transaction, become the successor broker in accordance with the terms of this authorization provision.

(4) The Trustee and FBSI shall continue to rely on this authorization provision until notified to the contrary. Ashland reserves the right to terminate this authorization upon sixty (60) days written notice to FBSI (or its successor) and the Trustee, in accordance with Section 11 of this Agreement.

(iv) Securities Law Reports. Ashland shall be responsible for filing all reports required under Federal or state securities laws with respect to the Trust's ownership of Ashland Common Stock, including, without limitation, any reports required under section 13 or 16 of the Securities Exchange Act of 1934, and shall immediately notify the Trustee in writing of any requirement to stop purchases or sales of Ashland Common Stock pending the filing of any report. The Trustee shall provide to Ashland such information on the Trust's ownership of Ashland Common Stock as Ashland may reasonably request in order to comply with Federal or state securities laws.

(v) Voting and Tender Offers. Notwithstanding any other provision of this Agreement, the provisions of this Section shall govern the voting and tender of Ashland Common Stock. Ashland, after consultation with the Trustee, shall pay for all printing, mailing, tabulation and other costs associated with the voting and tendering of Ashland Common Stock.

(A) Voting.

(1) Before each annual or special meeting of the shareholders of Ashland, the Trustee shall send to each Plan participant with an interest in Ashland

Common Stock through his participation in the Stock Fund, a copy of the notice of the meeting and the proxy solicitation materials for the meeting together with a voting instruction form to be returned to the Trustee or its designee requesting confidential written instructions on how the Ashland Common Stock allocable to such participant's interest in the Stock Fund is to be voted by the Trustee. The materials furnished to participants shall include a notice explaining each participant's right to instruct the Trustee with respect to the voting of shares of Ashland Common Stock allocable to his interest in the Stock Fund, and shall state the method by which the Trustee shall vote shares for which it receives no instruction. Except to the extent required by law, these instructions will be held in confidence by the Trustee and its designee, and will not be divulged to Ashland, any Ashland officer or employee, or any other person except in the aggregate, unless otherwise required by law.

(2) Upon timely receipt of such instructions, the Trustee (after combining votes of allocable fractional shares to give effect to the greatest extent to participants' instructions) shall vote shares of Ashland Common Stock as instructed by the participants. The Trustee shall vote shares of Ashland Common Stock for which it has received no instructions in the same proportion on each issue as it votes those shares allocable to participants' interest in the Stock Fund for which it has received voting instructions from participants.

(3) Ashland shall provide the Trustee with copies of the notice of any annual or special meeting of the shareholders of Ashland and the proxy solicitation materials in sufficient time and number to allow timely distribution to participants as set out above.

(B) Tender Offers.

(1) Instructions to Trustee. In the event a tender offer shall be received by the Trustee for any shares of Ashland Common Stock held by the Trustee, the Trustee shall as soon as practicable distribute to each participant: (a) the materials distributed to Ashland shareholders in connection with the tender offer; (b) a notice explaining a participant's rights to instruct the Trustee with respect to the tender of Ashland Common Stock

allocable to his interest in the Stock Fund and stating the method by which the Trustee shall tender shares for which it receives no instruction; and (c) a form by which such participant may instruct the Trustee in writing whether or not to tender or exchange shares of Ashland Common Stock allocable to his interest in the Stock Fund. Ashland and the Trustee may also provide participants with such other material concerning the tender or exchange offer as the Trustee and Ashland in their discretion determine to be appropriate. Ashland shall cooperate with the Trustee to insure that participants receive the requisite information in a timely manner.

(2) Trustee Action on Participant Instructions. Each participant who has an interest in the Stock Fund shall be entitled to give written direction to the Trustee to tender or not to tender some or all of the shares of Ashland Common Stock allocable to his interest in the Stock Fund (including fractional shares). The Trustee shall tender or not tender shares of Ashland Common Stock in accordance with written instructions received in a timely manner from participants. The Trustee shall not tender shares of Ashland Common Stock allocable to a participant's interest in the Stock Fund for which the Trustee has received no instruction.

(3) Confidentiality. The instructions received by the Trustee from a participant shall be held in confidence by the Trustee and any contractor retained by the Trustee to assist in tabulation of tenders and shall not be divulged or released to Ashland, any Ashland officer or employee, or any other person except in the aggregate, unless otherwise required by law.

(4) Withdrawal of Shares. A participant who has directed the Trustee to tender some or all of the shares of Ashland Common Stock allocable to his interest in the Stock Fund may, at any time prior to the deadline, direct the Trustee in writing to withdraw some or all of the tendered shares allocable to such participant's interest in the Stock Fund, and upon timely receipt of such instructions, the Trustee shall withdraw the directed number of shares from the tender offer prior to the deadline. A participant shall not be limited as to the number of directions to tender or withdraw that the participant may give to the Trustee.

(5) Partial Offers. In the event that an offer for fewer than all of the shares of Ashland Common Stock held by the Trustee shall be received, the total number of shares of Ashland Common Stock that the Trustee tenders pursuant to such offer shall be allocated among participants' interest in the Stock Fund on a pro rata basis in accordance with the directions received from participants with respect to the shares of Ashland Common Stock allocable to their interest in the Stock Fund.

(6) Multiple Offers. In the event that, prior to the termination of a tender offer for shares of Ashland Common Stock held by the Trustee, another offer is received by the Trustee for the shares of Ashland Common Stock subject to the first offer, the Trustee shall use its best efforts under the circumstances to solicit written instructions from the participants with respect to the shares of Ashland Common Stock allocable to each participant's interest in the Stock Fund as to: (a) whether to withdraw shares previously tendered in response to the first offer; and whether to tender pursuant to the second offer any such shares so withdrawn; and (b) whether or not to tender pursuant to the second offer shares not previously tendered. The Trustee shall follow all such written instructions received in a timely manner from participants, in accordance with the provisions of this Section 4(3)(v)(B). With respect to any further offer received by the Trustee (including successive offers from one or more existing offers) for Ashland Common Stock subject to any earlier offer, the Trustee shall act in the same manner as described in this subsection 4(e)(v)(B)(6).

(7) No Impact on Account. A participant's instructions to the Trustee to tender or exchange shares of Ashland Common Stock shall not be deemed a written election by the Plan to withdraw, or have distributed, any or all of his withdrawal shares, nor shall such instructions give rise to a suspension from the Plan or a forfeiture of any portion of the participant's account. The Trustee shall credit to each proportional interest of the participant from which the tendered shares of Ashland Common Stock were taken the proceeds received by the Trustee in exchange for the shares of Ashland Common Stock tendered from that interest. Pending receipt of directions from the participant, funds received by the Trustee in exchange for tendered shares of Ashland Common Stock shall be invested by the Trustee in the fund described in Schedule "C".

(vi) Shares Credited. For all purposes of this Section, the number of shares of Ashland Common Stock deemed "credited" or "reflected" to a participant's proportional interest shall be determined as of the last preceding valuation date. The trade date is the date the transaction is valued.

(vii) General. With respect to all rights other than the right to vote, the right to tender, and the right to withdraw shares previously tendered, in the case of Ashland Common Stock credited to a participant's proportional interest in the Stock Fund, the Trustee shall follow the directions of the participant and if no such directions are received, the directions of Ashland. The Trustee shall have no duty to solicit directions from participants. With respect to all rights other than the right to vote and the right to tender, in the case of Ashland Common Stock not credited to participants' accounts, the Trustee shall follow the directions of Ashland.

(viii) Conversion. All provisions in this Section 4(e) shall also apply to any securities received as a result of a conversion of Ashland Common Stock.

(f) Notes. Ashland shall act as the Trustee's agent for participant loan notes and as such shall (i) to the extent practicable through payroll withholding, collect and remit all principal and interest payments to the Trustee and (ii) to the extent required by law, keep the proceeds of such loans separate from the other assets of Ashland and clearly identify such assets as Plan assets. To originate a participant loan, the Plan participant shall direct the Trustee as to the term and amount of the loan to be made from the participant's individual account. Such directions shall be made by Plan participants by use of the telephone exchange system maintained for such purpose by the Trustee or its agent. The Trustee shall determine, based on the current value of the participant's account on the date of the request and any guidelines provided by Ashland, the amount available for the loan. Based on the monthly interest rate supplied by Ashland in accordance with the terms of the Plan, the Trustee shall advise the participant of such interest rate, as well as the installment payment amounts. The Trustee shall distribute the loan note with the proceed check to the participant. The Trustee also shall distribute truth-in-lending disclosure to the participant. To facilitate recordkeeping, the Trustee may destroy the original of any promissory note made in connection with a loan to

a participant under the Plan, provided that the Trustee first creates a duplicate by a photographic or optical scanning or other process yielding a reasonable facsimile of the promissory note and the Plan participant's signature thereon, which duplicate may be reduced or enlarged in size from the actual size of the original promissory note.

(g) Low Volatility Fund. All transactions involving the Low Volatility Fund shall be done in accordance with the Operating Procedures attached hereto as Schedule "H".

That portion of the Low Volatility Fund managed by the Trustee shall utilize an approved collective investment trust of the Trustee as referenced in this Agreement. Otherwise, Trustee and Ashland will jointly develop investment management guidelines to be utilized by the Trustee in managing its portion of the Low Volatility Fund.

That portion of the Low Volatility Fund managed by any investment manager other than the Trustee shall be subject to separate investment management guidelines jointly developed by Ashland and the other investment manager, a copy of which shall be provided for information purposes to Trustee upon request.

(h) The Packaged Investment Funds. All transactions involving the Packaged Investment Funds shall be done in accordance with the Operating Procedures attached hereto as Schedule "H".

(i) Participation in Commingled Pools. Ashland hereby (i) agrees to the Plan's participation in the Fidelity Group Trust for Employee Benefit Plans (the "Group Trust"), a group trust maintained by the Trustee for qualified plans and (ii) acknowledges that it has received from the Trustee a copy of the terms of the Group Trust, as now in effect, and the terms of the Declaration of Separate Fund for each separate fund of the Group Trust, as now in effect, selected by Ashland, including any description of investment philosophy, policy and guidelines, or similar information as now in effect on each such Separate Fund. The Trustee shall provide Ashland with revisions to such Declaration's trust terms, investment philosophy, policy and guidelines and similar information as from time to time are put into effect by the Trustee.

(j) Reliance of Trustee on Directions.

(i) The Trustee shall not be liable for any loss, or by reason of any breach, which arises from any participant's exercise or non-exercise of rights under this Section 4 over the assets in the participant's accounts or from following the instructions of an investment manager appointed by Ashland.

(ii) The Trustee shall not be liable for any loss, or by reason of any breach, which arises from Ashland's exercise or non-exercise of rights under this Section 4, unless it was clear on their face that the actions to be taken under Ashland's directions were prohibited by the fiduciary duty rules of section 404(a) of ERISA or were contrary to the terms of the Plan or this Agreement.

(k) Trustee Powers. The Trustee shall have the following powers and authority:

(i) Subject to paragraphs (b), (c), (d), (e), (f), (g) and (h) of this Section 4, to sell, exchange, convey, transfer, or otherwise dispose of any property held in the Trust, by private contract or at public auction. No person dealing with the Trustee shall be bound to see to the application of the purchase money or other property delivered to the Trustee or to inquire into the validity, expediency, or propriety of any such sale or other disposition.

(ii) Subject to paragraphs (b) and (c) of this Section 4, to invest in investment contracts and short term investments (including interest bearing accounts with the Trustee or money market mutual funds advised by affiliates of the Trustee) and in collective investment funds maintained by the Trustee for qualified plans, in which case the provisions of each collective investment fund in which the Trust is invested shall be deemed adopted by Ashland and the provisions thereof incorporated as a part of this Trust as long as the fund remains exempt from taxation under Sections 401(a) and 501(a) of the Internal Revenue Code of 1986, as amended.

(iii) To cause any securities or other property held as part of the Trust to be registered in the Trustee's own name, in the name of one or more of its nominees, or in the Trustee's account with the Depository Trust Company of New York and to hold any investments in bearer form, but the books and records of the Trustee shall at all times show that all such investments are part of the Trust.

(iv) To keep that portion of the Trust in cash or cash balances as Ashland may, from time to time, deem to be in the best interest of the Trust.

(v) To make, execute, acknowledge, and deliver any and all documents of transfer or conveyance and to carry out the powers herein granted.

(vi) To settle, compromise, or submit to arbitration any claims, debts, or damages due to or arising from the Trust; to commence or defend suits or legal or administrative proceedings; to represent the Trust in all suits and legal and administrative hearings; and to pay all reasonable expenses arising from any such action, from the Trust if not paid by Ashland.

(vii) To employ legal, accounting, clerical, and other assistance as may be required in carrying out the provisions of this Agreement and to pay their reasonable expenses and compensation from the Trust if not paid by Ashland.

(viii) To do all other acts although not specifically mentioned herein, as the Trustee may deem necessary to carry out any of the foregoing powers and the purposes of the Trust.

Section 5. Recordkeeping and Administrative Services to Be Performed.

(a) General. The Trustee shall perform those recordkeeping and administrative functions described in Schedule "A" attached hereto. These recordkeeping and administrative functions shall be performed within the framework of Ashland's written directions regarding the Plan's provisions, guidelines and interpretations.

(b) Accounts. The Trustee shall keep accurate accounts of all investments, receipts, disbursements, and other transactions hereunder. The Trustee shall report to Plan Participants the value of the assets held in the Trust and account balances as of the last day of each fiscal quarter of the Plan and, if not on the last day of a fiscal quarter, the date on which the Trustee resigns or is removed as provided in Section 8 of this Agreement or is terminated as provided in Section 10 (the "Reporting Date").

The Trustee shall provide a Trial Balance Report to Ashland as of the last day of each calendar month and, if not on the last day of a calendar month, the date on which the

Trustee resigns or is removed as provided in Section 8 of this Agreement or is terminated as provided in Section 10 (the "Reporting Date").

Within twenty (20) days following each Reporting Date or within sixty (60) days in the case of a Reporting Date caused by the resignation or removal of the Trustee, or the termination of this Agreement, the Trustee shall file with Ashland a written account setting forth all investments, receipts, disbursements, and other transactions effected by the Trustee between the Reporting Date and the prior Reporting Date, and setting forth the value of the Trust as of the Reporting Date. Except as otherwise required under ERISA, upon the expiration of six (6) months from the date of filing such account with Ashland, the Trustee shall have no liability or further accountability to anyone with respect to the propriety of its acts or transactions shown in such account, except with respect to such acts or transactions as to which Ashland shall within such six (6) month period file with the Trustee written objections.

(c) Inspection and Audit. All records generated by the Trustee in accordance with paragraphs (a) and (b) shall be open to inspection and audit, during the Trustee's regular business hours prior to the termination of this Agreement, by Ashland or any person designated by Ashland. Upon the resignation or removal of the Trustee or the termination of this Agreement, the Trustee shall provide to Ashland, at no expense to Ashland, in the format regularly provided to Ashland, a statement of each participant's accounts as of the resignation, removal, or termination, and the Trustee shall provide to Ashland or the Plan's new recordkeeper such further records as are reasonable, at Ashland's expense.

(d) Effect of Plan Amendment. A confirmation of the current qualified status of the Plan is attached hereto as Schedule "E". The Trustee's provision of the recordkeeping and administrative services set forth in this Section 5 shall be conditioned on Ashland delivering to the Trustee a copy of any amendment to the Plan as soon as administratively feasible following the amendment's adoption, with, if requested, an IRS determination letter or an opinion of counsel substantially in the form of Schedule "E" covering such amendment, and on Ashland providing the Trustee on a timely basis with all the information Ashland deems necessary for the Trustee to perform the recordkeeping and administrative services and such other information as the Trustee may reasonably request.

(e) Returns, Reports and Information. Ashland shall be responsible for the preparation and filing of all returns, reports, and information required of the Trust or Plan by

law. The Trustee shall provide Ashland with such information as Ashland may reasonably request to make these filings. Ashland shall also be responsible for making any disclosures to Participants required by law except such disclosure as may be required under federal or state truth-in-lending laws with regard to Participant loans which shall be provided by the Trustee. The Trust shall file such reports required of Trustees by the IRS.

Section 6. Compensation and Expenses. Within thirty (30) days of receipt of the Trustee's bill, which shall be computed and billed in accordance with Schedule "B" attached hereto and made a part hereof, as amended from time to time, Ashland shall send to the Trustee a payment in such amount or Ashland may direct the Trustee to deduct such amount from participants' accounts. All expenses of the Trustee relating directly to the acquisition and disposition of investments constituting part of the Trust, and all taxes of any kind whatsoever that may be levied or assessed under existing or future laws upon or in respect of the Trust or the income thereof, shall be a charge against and paid from the appropriate Plan participants' accounts.

Section 7. Directions and Indemnification.

(a) Identity of Persons Acting for Ashland. Ashland shall designate to the Trustee those persons who are authorized to act for it in Plan matters in the manner set forth on Schedule "D" attached hereto. The Trustee shall be fully protected in relying on the instructions of those designated persons while their designation is in effect.

(b) Directions from Ashland. Whenever Ashland provides a direction to the Trustee, the Trustee shall not be liable for any loss, or by reason of any breach, arising from the direction if the direction is contained in a writing (or is oral and immediately confirmed in a writing) signed by any individual whose name and signature have been submitted (and not withdrawn) in writing to the Trustee by Ashland in the form attached hereto as Schedule "D", provided the Trustee reasonably believes the signature of the individual to be genuine. Such direction may also be made via EDT in accordance with procedures agreed to by Ashland and the Trustee; provided, however, that the Trustee shall be fully protected in relying on such direction as if it were a direction made in writing by Ashland. The Trustee shall have no responsibility to ascertain any direction's (i) accuracy, (ii) compliance with the terms of the Plan or any applicable law, or (iii) effect for tax purposes or otherwise.

(c) Directions from Investment Manager. To the extent that Ashland appoints an investment manager, Ashland hereby directs the Trustee to follow the instructions of any such

investment manager so appointed. Whenever an investment manager appointed by Ashland provides a direction to the Trustee, the Trustee shall not be liable for any loss, or by reason of any breach, arising from the direction if the Trustee follows such direction with the care, skill and prudence as would a reasonable person who is familiar with such matters.

(d) Co-Fiduciary Liability. In any other case, the Trustee shall not be liable for any loss, or by reason of any breach, arising from any act or omission of another fiduciary under the Plan except as provided in section 405(a) of ERISA.

(e) Indemnification. Ashland shall indemnify the Trustee against, and hold the Trustee harmless from, any and all loss, damage, penalty, liability, cost, and expense, including without limitation, reasonable attorneys' fees and disbursements, that may be incurred by, imposed upon, or asserted against the Trustee by reason of any claim, regulatory proceeding, or litigation arising from any act done or omitted to be done by any individual or person with respect to the Plan or Trust, so long as the Trustee in the performance of its duties under this Agreement acts with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use or is following the directions of Ashland or an investment manager appointed by Ashland.

(f) Survival. The provisions of this Section 7 shall survive the termination of this Agreement.

Section 8. Resignation or Removal of Trustee.

(a) Resignation. The Trustee may resign at any time upon sixty (60) days' notice in writing to the Sponsor, unless a shorter period of notice is agreed upon by Ashland.

(b) Removal. Ashland may remove the Trustee at any time upon sixty (60) days' notice in writing to the Trustee, unless a shorter period of notice is agreed upon by the Trustee.

Section 9. Successor Trustee.

(a) Appointment. If the office of Trustee becomes vacant for any reason, Ashland may in writing appoint a successor trustee under this Agreement. The successor

trustee shall have all of the rights, powers, privileges, obligations, duties, liabilities, and immunities granted to the Trustee under this Agreement. The successor trustee and predecessor trustee shall not be liable for the acts or omissions of the other with respect to the Trust.

(b) Acceptance. When the successor trustee accepts its appointment under this Agreement, title to and possession of the Trust assets shall immediately vest in the successor trustee without any further action on the part of the predecessor trustee. The predecessor trustee shall execute all instruments and do all acts that reasonably may be necessary or reasonably may be requested in writing by Ashland or the successor trustee to vest title to all Trust assets in the successor trustee or to deliver all Trust assets to the successor trustee.

(c) Corporate Action. Any successor of the Trustee or successor trustee, through sale or transfer of the business or trust department of the Trustee or successor trustee, or through reorganization, consolidation, or merger, or any similar transaction, shall, upon consummation of the transaction, become the successor trustee under this Agreement.

Section 10. Termination. This Agreement may be terminated at any time by Ashland upon sixty (60) days' notice in writing to the Trustee. On the date of the termination of this Agreement, the Trustee shall forthwith transfer and deliver to such individual or entity as Ashland shall designate, all cash and assets then constituting the Trust. If, by the termination date, Ashland has not notified the Trustee in writing as to whom the assets and cash are to be transferred and delivered, the Trustee may bring an appropriate action or proceeding for leave to deposit the assets and cash in a court of competent jurisdiction. The Trustee shall be reimbursed by Ashland for all costs and expenses of the action or proceeding including, without limitation, reasonable attorneys' fees and disbursements.

Section 11. Resignation, Removal, and Termination Notices. All notices of resignation, removal, or termination under this Agreement must be in writing and mailed to the party to which the notice is being given by certified or registered mail, return receipt requested, to Ashland c/o J. Marvin Quin, Senior Vice President and Chief Financial Officer, Ashland Inc., 1000 Ashland Drive, Russell KY 41169, and to the Trustee c/o John M. Kimpel, Fidelity Investments, 82 Devonshire Street, Boston, Massachusetts 02109, or to such other addresses as the parties have notified each other of in the foregoing manner.

Section 12. Duration. This Trust shall continue in effect without limit as to time, subject, however, to the provisions of this Agreement relating to amendment, modification, and termination thereof.

Section 13. Amendment or Modification. This Agreement may be amended or modified at any time and from time to time only by an instrument executed by both Ashland and the Trustee. Notwithstanding the foregoing, to reflect increased operating costs the Trustee may once in each twelve-month period, beginning October 1, 1997, amend Schedule "B" without Ashland's consent upon seventy-five (75) days written notice to Ashland.

Section 14. General.

(a) Performance by Trustee, its Agents or Affiliates. Ashland acknowledges and authorizes that the services to be provided under this Agreement shall be provided by the Trustee, its agents or affiliates, including Fidelity Investments Institutional Operations Company or its successor, and that certain of such services may be provided pursuant to one or more other contractual agreements or relationships.

(b) Entire Agreement. This Agreement contains all of the terms agreed upon between the parties with respect to the subject matter hereof.

(c) Waiver. No waiver by either party of any failure or refusal to comply with an obligation hereunder shall be deemed a waiver of any other or subsequent failure or refusal to so comply.

(d) Successors and Assigns. The stipulations in this Agreement shall inure to the benefit of, and shall bind, the successors and assigns of the respective parties.

(e) Partial Invalidity. If any term or provision of this Agreement or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

(f) Section Headings. The headings of the various sections and subsections of this Agreement have been inserted only for the purposes of convenience and are not part of this Agreement and shall not be deemed in any manner to modify, explain, expand or restrict any of the provisions of this Agreement.

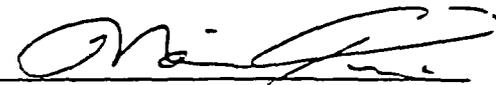

Section 15. Governing Law.

(a) Massachusetts Law Controls. This Agreement is being made in the Commonwealth of Massachusetts, and the Trust shall be administered as a Massachusetts trust. The validity, construction, effect, and administration of this Agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts, except to the extent those laws are superseded under section 514 of ERISA.

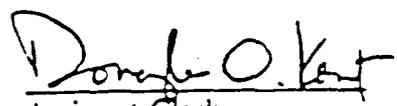

(b) Controlling Law. The Trustee is not a party to the Plan, and in the event of any conflict between the provisions of the Plan and the provisions of this Agreement, the provisions of the Plan shall control to the extent that they do not increase or alter the responsibilities of the Trustee under this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers as of the day and year first above written.

[Name of Plan]

Dear Ms. Redden:

In accordance with your request, this letter sets forth our opinion with respect to the qualified status under section 401(a) of the Internal Revenue Code of 1986 (including amendments made by the Employee Retirement Income Security Act of 1974) (the "Code"), of the [name of plan], as amended to the date of this letter (the "Plan").

The material facts regarding the Plan as we understand them are as follows. The most recent favorable determination letter as to the Plan's qualified status under section 401(a) of the Code was issued by the [location of Key District] District Director of the Internal Revenue Service and was dated [date] (copy enclosed). The version of the Plan submitted by [name of company] (the "Company") for the District Director's review in connection with this determination letter did not contain amendments made effective as of [date]. These amendments, among other matters, [brief description of amendments]. [Subsequent amendments were made on [date] to amend the provisions dealing with [brief description of amendments].]

The Company has informed us that it intends to submit the Plan to the [location of Key District] District Director of the Internal Revenue Service and to request from him a favorable determination letter as to the Plan's qualified status under section 401(a) of the Code. The Company may have to make some modifications to the Plan at the request of the Internal Revenue Service in order to obtain this favorable determination letter, but we do not expect any of these modifications to be material. The Company has informed us that it will make these modifications.

Based on the foregoing statements of the Company and our review of the provisions of the Plan, it is our opinion that the Internal Revenue Service will issue a favorable determination letter as to the qualified status of the Plan, as modified at the request of the Internal Revenue Service, under section 401(a) of the Code, subject to the customary condition that continued qualification of the Plan, as modified, will depend on its effect in operation.

[Furthermore, in that the assets are in part invested in common stock issued by the Company or an affiliate, it is our opinion that the Plan is an "eligible individual account plan" (as defined under Section 407(d)(3) of ERISA) and that the shares of common stock of the Company held and to be purchased under the Plan are "qualifying employer securities" (as

defined under Section 407(d)(5) of ERISA). Finally, it is our opinion that interests in the Plan are not required to be registered under the Securities Act of 1933, as amended, or, if such registration is required, that such interests are effectively registered under said Act.]

Sincerely,
[name of law firm]

TELEPHONE EXCHANGE GUIDELINES

The following telephone exchange guidelines are currently employed by Fidelity Institutional Retirement Services Company (FIRSCO).

Telephone exchange hours are 8:30 a.m. (ET) to 8:00 p.m. (ET) on each business day. A "business day" is any day on which the New York Stock Exchange is open.

FIRSCO reserves the right to change these telephone exchange guidelines at its discretion.

Participants may call on any business day to exchange between investment options. If the request is received before 4:00 p.m. (ET), it will receive that day's trade date. Calls received after 4:00 p.m. (ET) will be processed on a next day basis.

Exchange Restriction

It is the intention of the Trustee to maintain a sufficient liquidity reserve in the Ashland Common Stock Fund to meet exchange, redemption or withdrawal requests. However, if there is insufficient liquidity in the Ashland Common Stock Fund to allow for same day exchanges, the Trustee will be required to sell shares of Ashland Common Stock to meet the exchange requests. If this occurs, the subsequent exchange into other Plan investment options will take place three (3) business days later. This allows for settlement of the stock trade at the custodian and the corresponding transfer to Fidelity.

OPERATING PROCEDURES FOR
THE LOW VOLATILITY FUND
&
THE PACKAGED INVESTMENT FUNDS

Administrative services for the Ashland Inc. Employees Savings Plan Low Volatility Fund and The Packaged Investment Funds (the "Funds") will be provided by Fidelity Management Trust Company ("FMTC") effective October 1, 1995. These administrative services cover the "unitization" of the Funds in the Trust. The unitization of the Fund will incorporate the blending of the Net Asset Values ("NAVs") of Fidelity Investments' Mutual Funds, and Fidelity Management Trust Company Commingled Pools, and the PRIMCO Managed Fund in order to establish an overall NAV for each of the Funds. Individually, each Fidelity mutual fund, FMTC Commingled Pool, and the PRIMCO Managed Fund shall be known as a "Component" of the Fund. Collectively, they will be referred to as "Components" of the Fund. All dividends, and capital gains, shall be reinvested in each of the Components.

In accordance with directions received from Ashland Inc., the Funds shall be referred to individually as the Low Volatility Fund, the Conservative Strategy Fund, the Moderate Strategy Fund, and the Aggressive Strategy Fund.

The target allocation and drift allowances of the Components of the Funds shall be as follows:

Low Volatility Fund

The Low Volatility Fund shall be invested primarily in fixed income securities, such as insurance company investment contracts and bank investment contracts, bonds and short-term instruments:

<u>Drift</u>	<u>Target</u>	<u>Component</u>
+/- 5%	75%	PRIMCO Managed Fund
+/- 5%	25%	FMTC Short Duration Commingled Pool

100%

Net participant activity in this Fund will be initially directed to FMTC Short Duration Commingled Pool.

Initially the target allocation will be approximately \$20 Million into FMTC Short Duration Commingled Pool, which will be significantly less than the 25% target. Over time as investment contracts mature the actual investment allocation will come in line to the target allocations.

Conservative Strategy Fund

The Conservative Strategy Fund invests primarily in fixed income securities, such as bonds, short-term instruments and the Low Volatility Fund, as well as stocks for their growth potential:

<u>Drift</u>	<u>Target</u>	<u>Component</u>
+/- 5%	50%	Low Volatility Fund
+/- 5%	20%	Fidelity Government Securities Fund
+/- 5%	20%	Fidelity Equity Income II Fund
+/- 5%	10%	Fidelity Contra Fund
<hr/>		
100%		

Net participant activity in this Fund will be initially directed to Low Volatility Fund.

Moderate Strategy Fund

The Moderate Strategy Fund invests in a balance of fixed income securities, such as bonds and short-term instruments, as well as stocks for their growth potential:

<u>Drift</u>	<u>Target</u>	<u>Component</u>
+/- 5%	30%	Low Volatility Fund
+/- 5%	20%	Fidelity Government Securities Fund
+/- 5%	30%	Fidelity Equity Income II Fund
+/- 5%	15%	Fidelity Contra Fund
+/- 5%	5%	Fidelity Overseas Fund
<hr/>		
100%		

Net participant activity in this Fund shall be initially directed to Low Volatility Fund.

Aggressive Strategy Fund

The Aggressive Strategy invests primarily in stocks, but will also invest a portion of its assets in fixed income securities as a cushion against changing market conditions:

<u>Drift</u>	<u>Target</u>	<u>Component</u>
+/- 5%	15%	Low Volatility Fund
+/- 5%	15%	Fidelity Government Securities Fund
+/- 5%	40%	Fidelity Equity Income II Fund
+/- 5%	20%	Fidelity Contra Fund
+/- 5%	10%	Fidelity Overseas Fund
<hr/>		
100%		

Net participant activity in this Fund shall be initially directed to Low Volatility Fund.

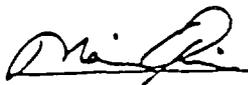

The drift allowance has been established because the allocation of the Components will deviate from the target asset allocation ratio due to market fluctuations and daily participant activity. As such, whenever any Component violates the drift allowance, FMTC shall purchase and/or sell shares or units of the Components as appropriate, to bring each Component back to the target. FMTC shall rebalance all Funds at least monthly in order to bring each Component back to the target.

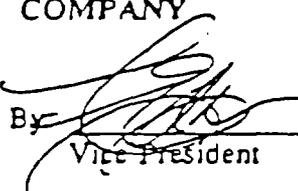

Ashland Inc. will direct FMTC in writing of any expenses to be accrued out of the Funds Net Asset Value.

Ashland Inc. hereby directs FMTC to follow these operating procedures. Any written changes to this direction shall be in writing signed by an authorized signatory of Ashland Inc. and agreed to in writing by FMTC.

SECOND AMENDMENT TO TRUST AGREEMENT BETWEEN
FIDELITY MANAGEMENT TRUST COMPANY AND
ASHLAND INC.

THIS SECOND AMENDMENT, dated as of the fifteenth day of April, 1996, by and between Fidelity Management Trust Company (the "Trustee") and Ashland Inc. (the "Sponsor");

WITNESSETH:

WHEREAS, the Trustee and the Sponsor heretofore entered into a Trust Agreement dated October 1, 1995, with regard to the Ashland Inc. Employee Savings Plan (the "Plan"); and

WHEREAS, the Trustee and the Sponsor now desire to amend said trust agreement as provided for in Section 13 thereof;

NOW THEREFORE, in consideration of the above premises the Trustee and the Sponsor hereby amend the trust agreement by:

- (1) Amending and restating Section 4(e) as follows:

(e) Ashland Common Stock. Trust investments in Ashland Common Stock shall be made via the Ashland Common Stock Fund and the Ashland Restricted Stock Fund (the "Stock Funds") which shall consist of shares of Ashland Stock and short-term liquid investments, including Fidelity Institutional Cash Portfolios: Money Market Portfolio: Class A or such other Mutual Fund or commingled money market pool as agreed to by Ashland and Trustee, necessary to satisfy the Fund's cash needs for transfers and payments. A cash target range of 80 to 120 basis points shall be maintained in each of the Stock Funds. Such target range may be changed as agreed to in writing by Ashland and the Trustee. The Trustee is responsible for ensuring that the actual cash held in each of the Stock Funds falls within the agreed upon range over time. Each participant's proportional interest in the Stock Funds shall be measured in units of participation, rather than shares of Ashland Common Stock. Such units shall represent a proportionate interest in all of the assets of the Stock Funds, which includes shares of Ashland Common Stock, short-term investments and at times, receivables for dividends and/or Ashland Common Stock sold and payables for Ashland Common Stock purchased. A Net Asset Value ("NAV") per unit will be determined daily for each unit outstanding of the Stock Funds. The return earned by the Stock Funds will represent a combination of the dividends paid on the shares of Ashland Common Stock held by the Stock Funds, gains or losses realized on sales of Ashland Common Stock, appreciation or depreciation in the market price of those shares owned, and interest on the short-term investments held by the Stock Funds. Dividends received by the Stock Funds are reinvested in

additional shares of Ashland Common Stock. Investments in Ashland Common Stock shall be subject to the following limitations:

(i) Acquisition Limit. Pursuant to the Plan, the Trust may be invested in Ashland Common Stock to the extent necessary to comply with investment directions under Section 4(c) of this Agreement.

(ii) Fiduciary Responsibility. The Trustee shall have no duty to monitor the suitability under the fiduciary duty rules of section 404(a)(1) of ERISA (as modified by section 404(a)(2) of ERISA) of acquiring and holding Sponsor Stock. The Trustee shall not be liable for any loss, which arises from the directions of Ashland or Plan Participants with respect to the acquisition and holding of Ashland Common Stock, unless it is clear on their face that the actions to be taken under those directions would be contrary to the terms of the Plan or this Agreement.

(iii) Execution of Purchases and Sales.

(A) After netting all purchases and sales, any remaining purchases and sales of Ashland Common Stock (other than for exchanges) shall be made on the open market on the date on which the Trustee receives from Ashland in good order all information and documentation necessary to accurately effect such purchases and sales (or, in the case of purchases, the date on which the Trustee has received a wire transfer of the funds necessary to make such purchases). Exchanges of Ashland Common Stock shall be made in accordance with the Telephone Exchange Guidelines attached hereto as Schedule "G". Such general rules shall not apply in the following circumstances:

(1) If the Trustee is unable to purchase or sell the total number of shares required to be purchased or sold on such day as a result of market conditions; or

(2) If the Trustee is prohibited by the Securities and Exchange Commission, the New York Stock Exchange, or any other regulatory body from purchasing or selling any or all of the shares required to be purchased or sold on such day.

In the event of the occurrence of the circumstances described in (1) or (2) above, the Trustee shall purchase or sell such shares as soon as possible thereafter and shall determine the price of such purchases or sales to be the average purchase or sales price of all such shares purchased or sold, respectively. The Trustee may follow directions from Ashland to deviate from the above purchase and sale procedures provided that such direction is made in writing by Ashland.

(3) Upon the direction of Ashland, Ashland Common Stock may be contributed to the Plan by Ashland or purchased by the Trustee from Ashland or an affiliate. Stock contributed by Ashland or

purchased by the Trustee from Ashland or an affiliate shall be valued at the closing price of such stock on the New York Stock Exchange (NYSE) for the trading day on which such stock is contributed or sold to the Plan. In no event shall a commission be charged with respect to stock contributed by Ashland or purchased from Ashland or an affiliate. The number of shares to be transferred will be determined by dividing the total amount of Ashland Common Stock to be purchased by the closing price of Ashland Common Stock on the NYSE on the trading date.

(B) Use of an Affiliated Broker. Ashland hereby directs the Trustee to use Fidelity Brokerage Services, Inc. ("FBSI") to provide brokerage services in connection with any open market purchase or sale of Ashland Common Stock in accordance with directions from Plan participants. FBSI shall execute such directions directly or through its affiliate, National Financial Services Company ("NFSC"). The provision of brokerage services shall be subject to the following:

(1) As consideration for such brokerage services, Ashland agrees that FBSI shall be entitled to remuneration under this authorization provision in the amount of three and one-half cents (\$.035) commission on each share of Ashland Common Stock bought or sold by it. Any change in such remuneration may be made only by a signed agreement between Ashland and Trustee.

(2) Following the procedures set forth in Department of Labor Prohibited Transaction Class Exemption 86-128, the Trustee will provide Ashland with the following documents: (1) a description of FBSI's brokerage placement practices; (2) a copy of PTCE 86-128; and (3) a form by which Ashland may terminate this authorization to use a broker affiliated with the Trustee. The Trustee will provide Ashland with this termination form annually, as well as an annual report which summarizes all securities transaction-related charges incurred by the Plan, and the Plan's annualized turnover rate.

(3) Any successor organization of FBSI, through reorganization, consolidation, merger or similar transactions, shall, upon consummation of such transaction, become the successor broker in accordance with the terms of this authorization provision.

(4) The Trustee and FBSI shall continue to rely on this authorization provision until notified to the contrary. Ashland reserves the right to terminate this authorization upon sixty (60) days written notice to FBSI (or its successor) and the Trustee, in accordance with Section 11 of this Agreement.

(iv) Securities Law Reports. Ashland shall be responsible for filing all reports required under Federal or state securities laws with respect to the Trust's ownership of Ashland Common Stock, including, without limitation, any reports required under section 13 or 16 of the Securities Exchange Act of 1934, and shall immediately notify the Trustee in

writing of any requirement to stop purchases or sales of Ashland Common Stock pending the filing of any report. The Trustee shall provide to Ashland such information on the Trust's ownership of Ashland Common Stock as the Named Fiduciary may reasonably request in order to comply with Federal or state securities laws.

(v) Voting and Tender Offers. Notwithstanding any other provision of this Agreement, the provisions of this Section shall govern the voting and tender of Ashland Common Stock. Ashland, after consultation with the Trustee, shall pay for all printing, mailing, tabulation and other costs associated with the voting and tendering of Ashland Common Stock.

(A) Voting.

(1) Before each annual or special meeting of the shareholders of Ashland, the Trustee shall send to each Plan participant with an interest in Ashland Common Stock through his participation in the Stock Funds, a copy of the notice of the meeting and the proxy solicitation materials for the meeting together with a voting instruction form to be returned to the Trustee or its designee requesting confidential written instructions on how the Ashland Common Stock allocable to such participant's interest in the Stock Funds is to be voted by the Trustee. The materials furnished to participants shall include a notice explaining each participant's right to instruct the Trustee with respect to the voting of shares of Ashland Common Stock allocable to his interest in the Stock Funds, and shall state the method by which the Trustee shall vote shares for which it receives no instruction. Except to the extent required by law, these instructions will be held in confidence by the Trustee and its designee, and will not be divulged to Ashland, any Ashland officer or employee, or any other person except in the aggregate, unless otherwise required by law.

(2) Upon timely receipt of such instructions, the Trustee (after combining votes of allocable fractional shares to give effect to the greatest extent to participants' instructions) shall vote shares of Ashland Common Stock as instructed by the participants. The Trustee shall vote shares of Ashland Common Stock for which it has received no instructions in the same proportion on each issue as it votes those shares allocable to participants' interest in the Stock Funds for which it has received voting instructions from participants.

(3) Ashland shall provide the Trustee with copies of the notice of any annual or special meeting of the shareholders of Ashland and the proxy solicitation materials in sufficient time and number to allow timely distribution to participants as set out above.

(B) Tender Offers.

(1) Instructions to Trustee. In the event a tender offer shall be received by the Trustee for any shares of Ashland Common Stock held by the Trustee, the Trustee shall as soon as practicable distribute to each participant: (a) the materials distributed to Ashland shareholders in connection with the tender offer; (b) a notice explaining a participant's rights to instruct the Trustee with respect to the tender of Ashland Common Stock allocable to his interest in the Stock Funds and stating the method by which the Trustee shall tender shares for which it receives no instruction; and (c) a form by which such participant may instruct the Trustee in writing whether or not to tender or exchange shares of Ashland Common Stock allocable to his interest in the Stock Funds. Ashland and the Trustee may also provide participants with such other material concerning the tender or exchange offer as the Trustee and Ashland in their discretion determine to be appropriate. Ashland shall cooperate with the Trustee to insure that participants receive the requisite information in a timely manner.

(2) Trustee Action on Participant Instructions. Each participant who has an interest in the Stock Funds shall be entitled to give written direction to the Trustee to tender or not to tender some or all of the shares of Ashland Common Stock allocable to his interest in the Stock Funds (including fractional shares). The Trustee shall tender or not tender shares of Ashland Common Stock in accordance with written instructions received in a timely manner from participants. The Trustee shall not tender shares of Ashland Common Stock allocable to a participant's interest in the Stock Funds for which the Trustee has received no instruction.

(3) Confidentiality. The instructions received by the Trustee from a participant shall be held in confidence by the Trustee and any contractor retained by the Trustee to assist in tabulation of tenders and shall not be divulged or released to Ashland, any Ashland officer or employee, or any other person except in the aggregate, unless otherwise required by law.

(4) Withdrawal of Shares. A participant who has directed the Trustee to tender some or all of the shares of Ashland Common Stock allocable to his interest in the Stock Funds may, at any time prior to the deadline, direct the Trustee in writing to withdraw some or all of the tendered shares allocable to such participant's interest in the Stock Funds, and upon timely receipt of such instructions, the Trustee shall withdraw the directed number of shares from the tender offer prior to the deadline. A participant shall not be limited as to the number of directions to tender or withdraw that the participant may give to the Trustee.

(5) Partial Offers. In the event that an offer for fewer than all of the shares of Ashland Common Stock held by the Trustee shall be received, the total number of shares of Ashland Common Stock that the Trustee tenders pursuant to such offer shall be allocated among participants' interest in the Stock Fund on a pro rata basis in accordance with the directions received from participants with respect to the shares of Ashland Common Stock allocable to their interest in the Stock Funds.

(6) Multiple Offers. In the event that, prior to the termination of a tender offer for shares of Ashland Common Stock held by the Trustee, another offer is received by the Trustee for the shares of Ashland Common Stock subject to the first offer, the Trustee shall use its best efforts under the circumstances to solicit written instructions from the participants with respect to the shares of Ashland Common Stock allocable to each participant's interest in the Stock Funds as to: (a) whether to withdraw shares previously tendered in response to the first offer; and whether to tender pursuant to the second offer any such shares so withdrawn; and (b) whether or not to tender pursuant to the second offer shares not previously tendered. The Trustee shall follow all such written instructions received in a timely manner from participants, in accordance with the provisions of this Section 4(3)(v)(B). With respect to any further offer received by the Trustee (including successive offers from one or more existing offerors) for Ashland Common Stock subject to any earlier offer, the Trustee shall act in the same manner as described in this subsection 4(c)(v)(B)(6).

(7) No Impact on Account. A participant's instructions to the Trustee to tender or exchange shares of Ashland Common Stock shall not be deemed a written election by the Plan to withdraw, or have distributed, any or all of his withdrawal shares, nor shall such instructions give rise to a suspension from the Plan or a forfeiture of any portion of the participant's account. The Trustee shall credit to each proportional interest of the participant from which the tendered shares of Ashland Common Stock were taken the proceeds received by the Trustee in exchange for the shares of Ashland Common Stock tendered from that interest. Pending receipt of directions from the participant, funds received by the Trustee in exchange for tendered shares of Ashland Common Stock shall be invested by the Trustee in the fund described in Schedule "C".

(vi) Shares Credited. For all purposes of this Section, the number of shares of Ashland Common Stock deemed "credited" or "reflected" to a participant's proportional interest shall be determined as of the last preceding valuation date. The trade date is the date the transaction is valued.

(vii) General. With respect to all rights other than the right to vote, the right to tender, and the right to withdraw shares previously

tendered, in the case of Ashland Common Stock credited to a participant's proportional interest in the Stock Funds, the Trustee shall follow the directions of the participant and if no such directions are received, the directions of Ashland. The Trustee shall have no duty to solicit directions from participants. With respect to all rights other than the right to vote and the right to tender, in the case of Ashland Common Stock not credited to participants' accounts, the Trustee shall follow the directions of Ashland.

(viii) Conversion. All provisions in this Section 4(e) shall also apply to any securities received as a result of a conversion of Ashland Common Stock.

- (2) Amending the "investment options" portion of Schedules "A" and "C" as follows:

Restricted Ashland Stock Fund

- (3) Amending Schedule "B" as follows:

Trustee Fee:

To the extent that assets are invested in Ashland Common Stock and Ashland Restricted Stock, 0.10% of such assets in the Trust, subject to an annual minimum of \$10,000 and an annual maximum of \$60,000, payable pro rata quarterly on the basis of such assets as of the calendar quarter's last valuation date.

IN WITNESS WHEREOF, the Trustee and the Sponsor have caused this Second Amendment to be executed by their duly authorized officers effective as of the day and year first above written.

Re: ASHLAND EMPLOYEE SAVINGS PLAN - PLAN SPONSOR WORKSTATION ADDENDUM

Dear Mike:

This letter is sent to you in lieu of a signed amendment to the Trust Agreement, dated as of October 1, 1995, between Ashland Inc. and Fidelity Management Trust Company.

We hereby consent to the addition of Plan Sponsor Workstation (PSW) functionality and its related charges to our service configuration for the above referenced plan. PSW is a windows-based application that seeks to provide FIRSCo plan sponsors with direct access to plan and participant information. The information that can be accessed would replicate the current remote access functionality such as plan specific balances, participants balances, fund prices, history information and loan information. We understand that our existing remote access to FPRS will be terminated after PSW has been successfully installed.

Fees for this service are:

- Will be the same as is currently being charged for Ashland's remote access terminals.
- Number PSW Installations: 7
- Usage Fees:
 - Access to PSW via an Internet "web browser", there is no additional fees for the service.
 - Alternatively, access to PSW may be obtained via an MCI service that FIRSCo has established for PSW. The usage fee for this service is \$5.00 per hour for each hour of connection to MCI.

Both the annual service fee and the usage fees will be billed by FIRSCo quarterly.

Very truly yours,

Larry E. Smith, Manager

Schedule "I"

OPERATIONAL GUIDELINES FOR NON-FIDELITY MUTUAL FUNDS

Pricing

By 7:00 p.m. Eastern Time ("ET") each Business Day, the Non-Fidelity Mutual Fund Vendor (Fund Vendor) will input the following information ("Price Information") into the Fidelity Participant Recordkeeping System ("FPRS") via the remote access price screen that Fidelity Investments Institutional Operations Company, Inc. ("FIIOC"), an affiliate of the Trustee, has provided to the Fund Vendor: (1) the net asset value for each Fund at the Close of Trading, (2) the change in each Fund's net asset value from the Close of Trading on the prior Business Day, and (3) in the case of an income fund or funds, the daily accrual for interest rate factor ("mil rate"). FIIOC must receive Price Information each Business Day (a "Business Day" is any day the New York Stock Exchange is open). If on any Business Day the Fund Vendor does not provide such Price Information to FIIOC, FIIOC shall pend all associated transaction activity in the Fidelity Participant Recordkeeping System ("FPRS") until the relevant Price Information is made available by Fund Vendor.

Trade Activity and Wire Transfers

By 7:00 a.m. ET each Business Day following Trade Date ("Trade Date plus One"), FIIOC will provide, via facsimile, to the Fund Vendor a consolidated report of net purchase or net redemption activity that occurred in each of the Funds up to 4:00 p.m. ET on the prior Business Day. The report will reflect the dollar amount of assets and shares to be invested or withdrawn for each Fund. FIIOC will transmit this report to the Fund Vendor each Business Day, regardless of processing activity. In the event that data contained in the 7:00 a.m. ET facsimile transmission represents estimated trade activity, FIIOC shall provide a final facsimile to the Fund Vendor by no later than 9:00 a.m. ET. Any resulting adjustments shall be processed by the Fund Vendor at the net asset value for the prior Business Day.

The Fund Vendor shall send via regular mail to FIIOC transaction confirms for all daily activity in each of the Funds. The Fund Vendor shall also send via regular mail to FIIOC, by no later than the fifth Business Day following calendar month close, a monthly statement for each Fund. FIIOC agrees to notify the Fund Vendor of any balance discrepancies within twenty (20) Business Days of receipt of the monthly statement.

For purposes of wire transfers, FIIOC shall transmit a daily wire for aggregate purchase activity and the Fund Vendor shall transmit a daily wire for aggregate redemption activity, in each case including all activity across all Funds occurring on the same day.

Prospectus Delivery

FIIOC shall be responsible for the timely delivery of Fund prospectuses and periodic Fund reports ("Required Materials") to Plan participants, and shall retain the services of a third-party vendor to handle such mailings. The Fund Vendor shall be responsible for all materials and production costs, and hereby agrees to provide the Required Materials to the third-party vendor selected by FIIOC. The Fund Vendor shall bear the costs of mailing annual Fund reports to Plan participants. FIIOC shall bear the costs of mailing prospectuses to Plan participants.

Proxies

The Fund Vendor shall be responsible for all costs associated with the production of proxy materials. FIIOC shall retain the services of a third-party vendor to handle proxy solicitation mailings and vote tabulation. Expenses associated with such services shall be billed directly to the Fund Vendor by the third-party vendor.

Participant Communications

The Fund Vendor shall provide internally-prepared fund descriptive information approved by the Funds' legal counsel for use by FIIOC in its written participant communication materials. FIIOC shall utilize historical performance data obtained from third-party vendors (currently Morningstar, Inc., FACTSET Research Systems and Lipper Analytical Services) in telephone conversations with plan participants and in quarterly participant statements. The Sponsor hereby consents to FIIOC's use of such materials and acknowledges that FIIOC is not responsible for the accuracy of such third-party information. FIIOC shall seek the approval of the Fund Vendor prior to retaining any other third-party vendor to render such data or materials under this Agreement.

Compensation

FIIOC shall be entitled to fees as set forth in a separate agreement with the Fund Vendor.

The Sponsor and its agents agree to use such Electronic Services and Electronic Products only in the course of reasonable administration of or participation in the Plan and to keep confidential and not publish, copy, broadcast, retransmit, reproduce, commercially exploit or otherwise disseminate the Electronic Products or Electronic Services or any portion thereof without the Trustee's written consent, except, in cases where Trustee has specifically notified the Sponsor that the Electronic Products or Services are suitable for delivery to Sponsor's plan participants, for non-commercial personal use by participants or beneficiaries with respect to their participation in the plan or for their other retirement planning purposes.

**FIFTEENTH AMENDMENT TO TRUST AGREEMENT BETWEEN
FIDELITY MANAGEMENT TRUST COMPANY AND
ASHLAND INC.**

THIS FIFTEENTH AMENDMENT, dated as of the fifth day of June, 2001, by and between Fidelity Management Trust Company (the "Trustee") and Ashland Inc. (the "Sponsor");

WITNESSETH:

WHEREAS, the Trustee and the Sponsor heretofore entered into a Trust Agreement dated October 1, 1995, with regard to the Ashland Inc. Employee Savings Plan (the "Plan"); and

WHEREAS, the Trustee and the Sponsor now desire to amend said Trust Agreement as provided for in Section 13 thereof;

NOW THEREFORE, in consideration of the above premises, the Trustee and the Sponsor hereby amend the Trust Agreement by:

- (1) Amending and restating the first paragraph of Section 4(e), "Ashland Common Stock", as follows:

(e) Ashland Stock. Trust investments in Ashland Common Stock shall be made via the Ashland Common Stock Fund and the Ashland Restricted Stock Fund. Trust investments in the common stock of Arch Coal, Inc. shall be made via the Arch Coal Stock Fund and the Arch Coal Stock Fund shall be administered consistent with the applicable provisions of the Plan, this Trust and any administrative procedural guidelines agreed to by and between Ashland and the Trustee. Individually and collectively the Ashland Common Stock, the Ashland Restricted Stock and the Arch Coal Stock shall be know as "Stock". Individually and collectively, the Ashland Common Stock Fund, the Ashland Restricted Stock Fund, and the Arch Coal Stock Fund shall be know as the "Stock Funds". The Stock Funds shall consist primarily of shares of Ashland Common Stock (in the Ashland Common Stock Fund and the Ashland Restricted Stock Fund) and shares of the common stock of Arch Coal, Inc. (in the Arch Coal Stock Fund). The Stock Funds shall also include cash or short-term liquid investments, in accordance with this paragraph, in amounts designed to satisfy daily participant exchange or withdrawal requests. Such holdings will include Colchester Street Trust: Money Market Portfolio: Class I or such other Mutual Fund or commingled money market pool as agreed to in writing by Ashland and Trustee. Ashland shall, after consultation with the Trustee, establish and communicate to the Trustee in writing a target percentage and drift allowance for such short-term liquid investments. Subject to its ability to execute open-market trades in Stock or to otherwise trade with Ashland, the Trustee shall be responsible for ensuring that the short-term investments held in the Stock Funds falls within the agreed-upon range over time. Each participant's proportional interest in the Stock Funds shall be measured in units of participation, rather than shares of Stock. Such units shall represent a proportionate interest in all of the assets of the Stock Fund, which includes shares of

Stock, short-term investments and at times, receivables and payables (such as receivables and payables arising out of unsettled stock trades). The Trustee shall determine a daily net asset value ("NAV") for each unit outstanding of the Stock Funds. Valuation of the Stock Funds shall be based upon: (a) the New York Stock Exchange ("NYSE") closing price of the stock; or (b) if unavailable, the latest available price as reported by the principal national securities exchange on which the Stock is traded (the "Closing Price"); or (c) if neither is available, the price determined in good faith by the Trustee. The NAV shall be adjusted for gains or losses realized on sales of Stock, appreciation or depreciation in the value of those shares owned, and interest on the short-term investments held by the Stock Funds, payables and receivables for pending stock trades, and payables for other expenses of the Stock Funds, including principal obligations, if any, and expenses that, pursuant to Sponsor direction, the Trustee accrues or pays from the Stock Funds. At the direction of the Sponsor, the NAV may also be adjusted for commissions on purchases and sales of Stock. Dividends received by the Ashland Common Stock Fund shall be reinvested in additional shares of the common stock of Ashland Inc. Dividends received by the Ashland Restricted Stock Fund shall be passed through to Plan participants invested in the Ashland Restricted Stock Fund pursuant to the procedures set forth on Schedule "J" attached hereto.

Notwithstanding the foregoing paragraph, no Participant shall receive a cash dividend where the dividends attributable to such Participant with respect to the Ashland Common Stock Fund exceed \$10.00 for any given dividend payment. In the event dividends attributable to any Participant are \$10.00 or less, the dividends shall be reinvested in the Ashland Common Stock Fund as if the Participant had so elected.

Dividends received by the Arch Coal Stock Fund shall be reinvested in shares of the common stock of Arch Coal, Inc.

IN WITNESS WHEREOF, the Trustee and the Sponsor have caused this Fifteenth Amendment to be executed by their duly authorized officers effective as of the day and year first above written.

AMENDMENT TO TRUST AGREEMENT BETWEEN
FIDELITY MANAGEMENT TRUST COMPANY AND
ASHLAND INC.

THIS AMENDMENT, effective as of the date first signed below, by and between Fidelity Management Trust Company (the "Trustee") and Ashland Inc. (the "Sponsor");

WITNESSETH:

WHEREAS, the Trustee and the Sponsor heretofore entered into a Trust Agreement dated October 1, 1995, with regard to the Ashland Inc. Employee Savings Plan (the "Plan"); and

WHEREAS, the Trustee and the Sponsor now desire to amend said Trust Agreement as provided for in Section 13 thereof;

NOW THEREFORE, in consideration of the above premises, the Trustee and the Sponsor hereby amend the Trust Agreement by:

(1) Restating Section 4(e) in its entirety, as follows:

(e) Ashland Stock. Trust investments in Ashland Common Stock shall be made via the Ashland Common Stock Fund and the Ashland Restricted Stock Fund. Trust investments in the common stock of Arch Coal, Inc. shall be made via the Arch Coal Stock Fund and the Arch Coal Stock Fund shall be administered consistent with the applicable provisions of the Plan, this Trust and any administrative procedural guidelines agreed to by and between Ashland and the Trustee. Individually and collectively the Ashland Common Stock, the Ashland Restricted Stock and the Arch Coal Stock shall be know as "Stock". Individually and collectively, the Ashland Common Stock Fund, the Ashland Restricted Stock Fund, and the Arch Coal Stock Fund shall be know as the "Stock Funds". The Stock Funds shall consist primarily of shares of Ashland Common Stock (in the Ashland Common Stock Fund and the Ashland Restricted Stock Fund) and shares of the common stock of Arch Coal, Inc. (in the Arch Coal Stock Fund). The Stock Funds shall also include cash or short-term liquid investments, in accordance with this paragraph, in amounts designed to satisfy daily participant exchange or withdrawal requests. Such holdings will include Colchester Street Trust: Money Market Portfolio: Class I or such other Mutual Fund or commingled money market pool as agreed to in writing by Ashland and Trustee. Ashland shall, after consultation with the Trustee, establish and communicate to the Trustee in writing a target percentage and drift allowance for such short-term liquid investments. Subject to its ability to execute open-market trades in Stock or to otherwise trade with Ashland, the Trustee shall be responsible for

ensuring that the short-term investments held in the Stock Funds falls within the agreed-upon range over time. Each participant's proportional interest in the Stock Funds shall be measured in units of participation, rather than shares of Stock. Such units shall represent a proportionate interest in all of the assets of the Stock Fund, which includes shares of Stock, short-term investments and at times, receivables and payables (such as receivables and payables arising out of unsettled stock trades). The Trustee shall determine a daily net asset value ("NAV") for each unit outstanding of the Stock Funds. Valuation of the Stock Funds shall be based upon: (a) the New York Stock Exchange ("NYSE") closing price of the stock; or (b) if unavailable, the latest available price as reported by the principal national securities exchange on which the Stock is traded (the "Closing Price"); or (c) if neither is available, the price determined in good faith by the Trustee. The NAV shall be adjusted for gains or losses realized on sales of Stock, appreciation or depreciation in the value of those shares owned, and interest on the short-term investments held by the Stock Funds, payables and receivables for pending stock trades, and payables for other expenses of the Stock Funds, including principal obligations, if any, and expenses that, pursuant to Sponsor direction, the Trustee accrues or pays from the Stock Funds. At the direction of the Sponsor, the NAV may also be adjusted for commissions on purchases and sales of Stock. Dividends received by the Ashland Common Stock Fund shall be reinvested in additional shares of the common stock of Ashland Inc. Dividends received by the Ashland Restricted Stock Fund shall be passed through to Plan participants invested in the Ashland Restricted Stock Fund pursuant to the procedures set forth on Schedule "J" attached hereto. Dividends received by the Arch Coal Stock Fund shall be reinvested in shares of the common stock of Arch Coal, Inc.

(i) Acquisition Limit. Pursuant to the Plan, the Trust may be invested in Ashland Common Stock, Ashland Restricted Stock and Arch Coal Stock to the extent necessary to comply with investment directions in accordance with this Agreement. Ashland shall be responsible for providing specific direction on any acquisition limits required by the Plan or applicable law.

(ii) Fiduciary Duty.

(A) The Trustee shall have no duty to monitor the suitability under the fiduciary duty rules of section 404(a)(1) of ERISA (as modified by section 404(a)(2) of ERISA)

of acquiring and holding Stock. The Trustee shall not be liable for any loss or expense which arises from the directions of the Named Fiduciary with respect to the acquisition and holding of Stock, unless it is clear on their face that the actions to be taken under those directions would be prohibited by the foregoing fiduciary duty rules or would be contrary to the terms of this Agreement.

(B) Each participant with an interest in Stock (or, in the event of the participant's death, his beneficiary) is, for purposes of this Section 4(e)(ii), hereby designated as a "named fiduciary" (within the meaning of Section 403(a)(1) of ERISA), with respect to a pro rata portion of allocated shares not purchased at the direction of participants, and such participant (or beneficiary) shall have the right to direct the Trustee as to the manner in which the Trustee is to vote or tender such shares.

(iii) Purchases and Sales of Stock. Unless otherwise directed by Ashland in writing pursuant to directions that the Trustee can administratively implement, the following provisions shall govern purchases and sales of Stock.

(A) Open Market Purchases and Sales. Purchase and sales of Stock shall be made on the open market in accordance with the Trustee's standard trading guidelines, as they may be amended by the Trustee from time to time, as necessary to honor exchange and withdrawal activity and to maintain the target cash percentage and drift allowance for the Stock Funds, provided that:

(1) If the Trustee is unable to purchase or sell the total number of shares required to be purchased or sold on such day as a result of market conditions; or

(2) If the Trustee is prohibited by the Securities and Exchange Commission, the New York Stock Exchange or principal exchange on which the Stock is traded, or any other regulatory body from purchasing or selling any or all of the shares required to be purchased or sold on such day, then the Trustee shall purchase or sell such shares as soon thereafter as administratively feasible.

(B) Purchases and Sales from or to Ashland. If directed by Ashland in writing prior to the trading date, the Trustee may purchase or sell Stock from or to Ashland if the purchase or sale is for adequate consideration (within the meaning of section 3(18) of ERISA) and no commission is charged. If Ashland contributions (employer) or contributions made by Ashland on behalf of the participants (employee) under the Plan are to be invested in Stock, Ashland may transfer Stock in lieu of cash to the Trust. In either case, the number of shares to be transferred will be determined by dividing the total amount of Stock to be purchased or sold by the Closing Price of the Stock on the trading date.

(C) Use of an Affiliated Broker. Ashland hereby directs the Trustee to use Fidelity Capital Markets, a division of National Financial Services LLC ("Capital Markets") to provide brokerage services in connection with any purchase or sale of Stock on the open market, except in circumstances where the Trustee has determined, in accordance with its standard trading guidelines or pursuant to Sponsor direction, to seek expedited settlement of the trades. Capital Markets shall execute such directions directly or through its affiliates. The provision of brokerage services shall be subject to the following:

(1) As consideration for such brokerage services, Ashland agrees that Capital Markets shall be entitled to remuneration under this direction provision in an amount of no more than three and one-fifth cents (\$.032) commission on each share of Stock. Any change in such remuneration may be made only by written agreement between Ashland and Trustee.

(2) Any successor organization of Capital Markets, through reorganization, consolidation, merger or similar transactions, shall, upon consummation of such transaction, become the successor broker in accordance with the terms of this direction provision.

(3) The Trustee and Capital Markets shall continue to rely on this direction provision until notified to the contrary. Ashland reserves the right to terminate this direction upon written notice to Capital Markets (or its successor) and the Trustee, in accordance with Section 11 of this Agreement.

(iv) Execution of Purchases and Sales of Units. Unless otherwise directed in writing pursuant to directions that the Trustee can administratively implement, purchases and sales of units shall be made as follows:

(A) Subject to subparagraphs (B) and (C) below, purchases and sales of units in the Stock Fund (other than for exchanges) shall be made on the date on which the Trustee receives from the Administrator in good order all information, documentation, and wire transfers of funds (if applicable), necessary to accurately effect such transactions. Exchanges of units in the Stock Fund shall be made in accordance with the Exchange Guidelines attached hereto as Schedule "G."

(B) Aggregate sales of units in the Stock Fund on any day shall be limited to the Stock Fund's Available Liquidity for that day. For these purposes, Available Liquidity shall mean the amount of short-term investments held in the fund decreased by any outgoing cash for expenses then due, payables for loan principal, and obligations for pending stock purchases, and increased by incoming cash (such as contributions, exchanges in, loan repayments) and to the extent credit is available and allocable to the Stock Fund, receivables for pending stock sales. In the event that the requested sales exceed the Available Liquidity, then transactions shall be processed giving precedence to distributions, loans and withdrawals, and otherwise on a first-in first-out (FIFO) basis, as provided in Schedule "K" (the "Specified Hierarchy"). So long as the Stock Fund is open for such transactions, sales of units that are requested but not processed on a given day due to insufficient Available Liquidity shall be suspended until Available Liquidity is sufficient to honor such transactions in accordance with the Specified Hierarchy.

(C) The Trustee shall close the Stock Fund to sales or purchases of units, as applicable, on any date on which trading in the Stock has been suspended or substantial purchase or sale orders are outstanding and cannot be executed.

(v) Securities Law Reports. Ashland shall be responsible for filing all reports required under Federal or state securities laws with respect to the Trust's ownership of Stock, including, without limitation, any reports required under section 13 or 16 of the Securities Exchange Act of 1934, and shall immediately notify the Trustee in writing of any requirement

to stop purchases or sales of Stock pending the filing of any report. The Trustee shall provide to the Named Fiduciary such information on the Trust's ownership of Stock as the Named Fiduciary may reasonably request in order to comply with Federal or state securities laws.

(vi) Voting and Tender Offers. Notwithstanding any other provision of this Agreement the provisions of this Section shall govern the voting and tendering of Stock. The Sponsor shall provide and pay for all printing, mailing, tabulation and other costs associated with the voting and tendering of Stock. The Trustee, after consultation with Ashland, shall prepare the necessary documents associated with the voting and tendering of Stock.

(A) Voting.

(1) Before each annual or special meeting of the shareholders of Stock, the Trustee shall send to each Plan participant with an interest in Stock through his participation in the Stock Funds, a copy of the notice of the meeting and the proxy solicitation materials for the meeting together with a voting instruction form to be returned to the Trustee or its designee requesting confidential written instructions on how Stock allocable to such participant's interest in the Stock Funds is to be voted by the Trustee. The materials furnished to participants shall include a notice explaining each participant's right to instruct the Trustee with respect to the voting of shares of Stock allocable to his interest in the Stock Funds, and shall state the method by which the Trustee shall vote shares for which it receives no instruction. Except to the extent required by law, these instructions will be held in confidence by the Trustee and its designee, and will not be divulged to Ashland, any Ashland officer or employee, or any other person except in the aggregate, unless otherwise required by law.

(2) Upon timely receipt of such instructions, the Trustee (after combining votes of allocable fractional shares to give effect to the greatest extent to participants' instructions) shall vote shares of Stock as instructed by the participants. Except as otherwise required by law, the Trustee shall vote shares of Stock for which it has received no instructions in the same proportion on each issue as it votes those shares allocable to a participant's proportional interest in the Stock Fund for which it has received voting instructions from participants.

(3) Ashland shall provide the Trustee with copies of the notice of any annual or special meeting of the shareholders of Stock and the proxy solicitation materials in sufficient time and number to allow timely distribution to participants as set out above.

(B) Tender Offers.

(1) Instructions to Trustee. In the event a tender offer shall be received by the Trustee for any shares of Stock held by the Trustee, the Trustee shall as soon as practicable distribute to each participant: (a) the materials distributed to Stock shareholders in connection with the tender offer; (b) a notice explaining a participant's rights to instruct the Trustee with respect to the tender of Stock allocable to his interest in the Stock Funds and stating the method by which the Trustee shall tender shares for which it receives no instruction; and (c) a form by which such participant may instruct the Trustee in writing whether or not to tender or exchange shares of Stock allocable to his interest in the Stock Funds. Ashland and the Trustee may also provide participants with such other material concerning the tender or exchange offer as the Trustee and Ashland in their discretion determine to be appropriate. Ashland shall cooperate with the Trustee to insure that participants receive the requisite information in a timely manner.

(2) Trustee Action on Participant Instructions. Each participant who has an interest in the Stock Funds shall be entitled to give written direction to the Trustee to tender or not tender some or all of the shares of Stock allocable to his interest in the Stock Funds (including fractional shares). The Trustee shall tender or not tender shares of Stock in accordance with written instructions received in a timely manner from participants. The Trustee shall not tender shares of Stock allocable to a participant's interest in the Stock Funds for which the Trustee has received no instructions

(3) Confidentiality. The instructions received by the Trustee from a participant shall be held in confidence by the Trustee and any contractor retained by the Trustee to assist in tabulation of tenders and shall not be divulged or released to Ashland, any Ashland officer or employee, or any person except in the aggregate, unless otherwise required by law.

(4) Withdrawal of Shares. A participant who has directed the Trustee to tender some or all of the shares of The Stock allocable to his interest in the Stock Funds may, at any time prior to the deadline, direct the Trustee in writing to withdraw some or all of the tendered shares allocable to such participant's interest in the Stock Funds, and upon timely receipt of such instructions, the Trustee shall withdraw the directed number of shares from the tender offer prior to the deadline. A participant shall not be limited as to the number of directions to tender or withdraw that the participant may give to the Trustee.

(5) Partial Offers. In the event that an offer for fewer than all of the shares of Stock held by the Trustee shall be received, the total number of shares of Stock that the Trustee tenders pursuant to such offer shall be allocated among participants' interest in the Stock Fund on a pro rata basis in accordance with the directions received from participants with respect to the shares of Stock allocable to their interest in the Stock Funds.

(6) Multiple Offers. In the event that, prior to the termination of a tender offer for shares of Stock held by the Trustee, another offer is received by the Trustee for the shares of the Stock subject to the first offer, the Trustee shall use its best efforts under the circumstances to solicit written instructions from the participants with respect to the shares of The Stock allocable to each participant's interest in the Stock Funds as to: (a) whether to withdraw shares previously tendered in response to the first offer, and whether to tender pursuant to the second offer any such shares so withdrawn; and (b) whether or not to tender pursuant to the second offer shares not previously tendered. The Trustee shall follow all such written instructions received in a timely manner from participants, in accordance with the provisions of this Section 4(e)(v)(B). With respect to any further offer received by the Trustee (including successive offers from one or more existing offerors) for Stock subject to any earlier offer, the Trustee shall act in the same manner as described in this subsection.

(7) No Impact on Account. A participant's instructions to the Trustee to tender or exchange shares of Stock shall not be deemed a written election by the Plan to withdraw, or have distributed, any or all of his withdrawal shares, nor shall such instructions give rise to a suspension from the Plan or a forfeiture of any portion of the participant's account. The Trustee shall credit to each proportional interest of the participant

from which the tendered shares of Stock were taken the proceeds received by the Trustee in exchange for the shares of The Stock tendered from that interest. Pending receipt of directions from the participant, funds received by the Trustee in exchange for tendered shares of Stock shall be invested by the Trustee in the fund described in Schedule "C".

(vii) General. With respect to all rights other than the right to vote, the right to tender, and the right to withdraw shares previously tendered, in the case of Stock credited to a participant's proportional interest in the Stock Fund, the Trustee shall follow the directions of the participant and if no such directions are received, the directions of the Named Fiduciary. The Trustee shall have no duty to solicit directions from participants. With respect to all rights other than the right to vote and the right to tender, in the case of Stock not credited to participants' accounts, the Trustee shall follow the directions of the Named Fiduciary.

(viii) Conversion. All provisions in this Section 4(g) shall also apply to any securities received as a result of a conversion of Ashland Common Stock, Ashland Restricted Stock and Arch Coal Stock.

(8) Restating Schedule "G" in its entirety as attached hereto.

(9) Adding Schedule "K" as attached hereto.

IN WITNESS WHEREOF, the Trustee and the Sponsor have caused this Amendment to be executed by their duly authorized officers effective as of the day and year first signed below.

AVAILABLE LIQUIDITY PROCEDURES FOR UNITIZED SPONSOR STOCK FUND

The following procedures shall govern sales of the Sponsor Stock Fund requested for a day on which Available Liquidity is insufficient:

1. Loans, withdrawals and distributions will be aggregated and placed first in the hierarchy. If Available Liquidity is sufficient for the aggregate of such transactions, all such loans, withdrawals and distributions will be honored.

Fidelity Management Trust Company (the "Trustee") shall establish and administer the Low Volatility Fund and the Packaged Investment Funds (the Low Volatility Fund, the Conservative Strategy Fund and the Moderate Strategy Fund) (the "Fund(s)") pursuant to the operational guidelines set forth below.

II. Investment of the Funds

The Funds shall be invested in: PRIMCO Managed Fund, the FMTC Short Duration Commingled Pool, the Low-Volatility Fund, the Fidelity Government Securities Fund, the Fidelity Equity-Income II Fund, the Contrafund and the Fidelity Overseas Fund, the Components of the Funds.

The Sponsor hereby directs the Trustee to invest the Funds to the Target Allocation as follows:

	Low Volatility Fund	Conservative Strategy Fund	Moderate Strategy Fund	Aggressive Strategy Fund
PRIMCO Managed Fund	75%	0%	0%	0%
FMTC Short Duration Commingled Pool	25%	0%	0%	0%
Low Volatility Fund	-	50%	30%	15%
Fidelity Government Securities Fund	0%	20%	20%	15%
Fidelity Equity-Income II Fund	0%	20%	30%	40%
Contrafund	0%	10%	15%	20%
Fidelity Overseas Fund	0%	0%	5%	10%
Total	100%	100%	100%	100%

III. Re-Balancing of Assets

The Sponsor understands that the actual allocation of assets in one or more of the Funds may rise above or fall below the Target Allocation set forth above due to market fluctuations and daily participant activity. Accordingly, the Trustee shall review and compare the actual allocation of the assets in the Funds to the Target Allocation daily. If the actual asset allocation of the assets in any of the Components in any of the Funds rises above or falls below the Target Allocation set forth above by more than 5%, the Trustee shall buy and/or sell shares of the Component(s) to re-balance the Fund(s) to the Target Allocation.

The NAV shall be calculated by adjusting the market value of the shares or units held in the Components for any accrued dividends, interest, payables and receivables and expenses, as defined below, and dividing this value by the total number of participant Fund units outstanding. All capital gains shall be reinvested and reflected in the unit NAV.

Expenses may include, but are not limited to, fees and expenses set forth in the offering circular, declaration of trust, fund prospectus, and Schedule "B" of the Trust Agreement between the Sponsor and Trustee, as applicable. The Sponsor hereby directs the Trustee to accrue such expenses daily in the NAV and deduct as required on a daily, monthly or quarterly basis.

Mutual Fund short term trading fees will be charged to the respective Portfolio.

V. Voting

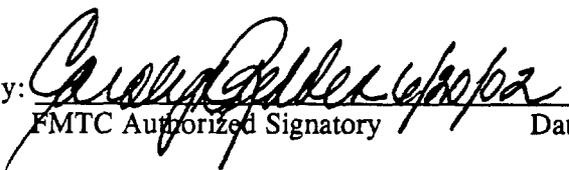

The Trustee is to vote the shares of any Mutual Fund in which the assets of the Packaged Investment Funds are invested in the same proportion as shares of those Mutual Funds are voted pursuant to participant direction under Section 4(d)(ii) of the Agreement. With respect to all other rights other than the right to vote, the Trustee shall follow the directions of the Sponsor.

With regard to the investment, rebalancing, and administration of the Funds, the Sponsor and Trustee agree that any changes to these directions shall be signed by an authorized signatory of the Sponsor and then agreed to in writing by the Trustee.

Such equitable share shall be used solely for the payments of benefits, expenses and other charges properly allocable to each such Plan and shall not be used for the payment of benefits, expenses or other charges properly allocable to any other Plan; and

WHEREAS, the Trustee is willing to hold and invest the aforesaid Plan assets in trust among several investment options selected by Ashland; and

- (2) Adding the following subsection to Section 4 as follows and relettering all subsequent subsections accordingly:

(f) Ashland Common Stock in the Ashland Inc. LESOP.

Trust investments in Ashland Common Stock in the Ashland Inc. LESOP shall be made via the Ashland LESOP Stock Fund. Dividends received on shares of Ashland Common Stock in the Ashland LESOP Stock Fund shall be either reinvested in additional shares of Ashland Common Stock and allocated to Participants' accounts or paid to Participants in cash. Such dividends shall be passed through and paid to Participants unless Ashland directs otherwise.

The Trustee shall pay out the dividend in accordance with Schedule "J", attached hereto.

(i) Acquisition Limit.

Pursuant to the Plan, the Trust may be invested in Ashland Common Stock to the extent necessary to comply with investment directions under this Agreement. Ashland shall be responsible for providing specific direction on any acquisition limits required by the Plan or applicable law.

(ii) Fiduciary Duty.

(A) Ashland shall continually monitor the suitability of the Trust acquiring and holding Ashland Common Stock, under the fiduciary duty rules of section 404(a)(1) of ERISA (as modified by section 404(a)(2) of ERISA). The Trustee shall not be liable for any loss, or expense, which arises from the directions of Ashland with respect to the acquisition and holding of Ashland Common Stock, unless it is clear on their face that the actions to be taken under those directions would be prohibited by the foregoing fiduciary duty rules or would be contrary to the terms of this Agreement.

LESOP (or, in the event of the Participant's death, his beneficiary) is, for purposes of this section 5(e)(ii), hereby designated as a "named fiduciary" (within the meaning of section 403(a)(1) of ERISA), with respect to shares of Ashland Common Stock allocated to his or her account but not purchased at his or her direction, and such Participant shall have the right to direct the Trustee as to the manner in which the Trustee is to vote or tender such shares.

(iii) Sales of Ashland Common Stock in the Ashland Inc. LESOP.

Unless otherwise directed by Ashland in writing, pursuant to directions that the Trustee can administratively implement, the following provisions shall govern sales of Ashland Common Stock in the Ashland LESOP Stock Fund:

(A) Open Market Sales. Sales of Ashland Common Stock (other than for exchanges) shall be made on the open market on the date on which the Trustee receives from the Administrator in good order all information, documentation, and wire transfer of funds (if applicable), necessary to accurately effect such transactions. Exchanges of Ashland Common Stock shall be made in accordance with the exchange guidelines attached hereto as Schedule "G". Such general rules shall not apply in the following circumstances:

(1) If the Trustee is unable to sell the total number of shares required to be purchased or sold on such day as a result of market conditions; or

(2) If the Trustee is prohibited by the Securities and Exchange Commission, the New York Stock Exchange or principal exchange on which the Ashland Common Stock is traded, or any other regulatory body from selling any or all of the shares required to be sold on such day.

In the event of the occurrence of a circumstance described in (1) or (2) above, the Trustee shall sell such shares as soon thereafter as administratively feasible, and shall determine the price of such sales to be the average sales price of all such shares sold, respectively. The Trustee may follow written directions from Ashland to deviate from the above sale procedures.

(B) Use of an Affiliated Broker. Ashland hereby directs the Trustee to use National Financial Services LLC ("NFSLLC") to provide brokerage services in connection with any sale of Ashland Common Stock in accordance with directions from

Plan Participants. NFSLLC shall execute such directions directly or through any of its affiliates. The provision of brokerage services shall be subject to the following:

(1) As consideration for such brokerage services, Ashland agrees that NFSLLC shall be entitled to remuneration under this direction provision in the amount of \$0.05 commission on each share of Ashland Common Stock up to 10,000 shares in a singular transaction, \$0.04 commission on each share of Ashland Common Stock from 10,001 to 19,999 shares in a singular transaction, and \$0.034 commission on each share of Ashland Common Stock in excess of 19,999 shares in a singular transaction. Any increase in such remuneration may be made only by a signed agreement between Ashland and Trustee.

(2) Any successor organization of NFSLLC, through reorganization, consolidation, merger or similar transactions, shall, upon consummation of such transaction, become the successor broker in accordance with the terms of this direction provision.

(3) The Trustee and NFSLLC shall continue to rely on this direction provision until notified to the contrary. Ashland reserves the right to terminate this direction upon prior written notice to NFSLLC (or its successor) and the Trustee, in accordance with Section 8 of this Agreement.

(iv) Securities Law Reports.

Ashland shall be responsible for filing all reports required under Federal or state securities laws with respect to the Trust's ownership of Ashland Common Stock, including, without limitation, any reports required under section 13 or 16 of the Securities Exchange Act of 1934, and shall immediately notify the Trustee in writing of any requirement to stop purchases or sales of Ashland Common Stock pending the filing of any report. The Trustee shall provide to Ashland such information on the Trust's ownership of Ashland Common Stock as Ashland may reasonably request in order to comply with Federal or state securities laws.

(v) Voting and Tender Offers. Notwithstanding any other provision of this Agreement the provisions of this Section shall govern the voting and tendering of Ashland Common Stock. Ashland shall provide and pay for all printing, mailing, tabulation and other costs associated with the voting and tendering of Ashland Common Stock. The Trustee, after consultation with Ashland, shall prepare the necessary documents associated with the voting and tendering of Ashland Common Stock.

(A) Voting.

(1) Before each annual or special meeting of the shareholders of Ashland Common Stock, the Trustee shall send to each Plan participant with an interest in Ashland Common Stock through his participation in the Ashland LESOP Stock Fund, a copy of the notice of the meeting and the proxy solicitation materials for the meeting together with a voting instruction form to be returned to the Trustee or its designee requesting confidential written instructions on how Ashland Common Stock allocable to such participant's interest in the Ashland LESOP Stock Fund is to be voted by the Trustee. The materials furnished to participants shall include

a notice explaining each participant's right to instruct the Trustee with respect to the voting of shares of Ashland Common Stock allocable to his interest in the Ashland LESOP Stock Fund, and shall state the method by which the Trustee shall vote shares for which it receives no instruction. Except to the extent required by law, these instructions will be held in confidence by the Trustee and its designee, and will not be divulged to Ashland, any Ashland officer or employee, or any other person except in the aggregate, unless otherwise required by law.

(2) Upon timely receipt of such instructions, the Trustee (after combining votes of allocable fractional shares to give effect to the greatest extent to participants' instructions) shall vote shares of Ashland Common Stock as instructed by the participants. Except as otherwise required by law, the Trustee shall vote shares of Ashland Common Stock for which it has received no instructions in the same proportion on each issue as it votes those shares allocable to a participant's proportional interest in the Ashland LESOP Stock Fund for which it has received voting instructions from participants.

(3) Ashland shall provide the Trustee with copies of the notice of any annual or special meeting of the shareholders of Ashland Common Stock and the proxy solicitation materials in sufficient time and number to allow timely distribution to participants as set out above.

(B) Tender Offers.

(1) Instructions to Trustee. In the event a tender offer shall be received by the Trustee for any shares of Ashland Common Stock held by the Trustee, the Trustee shall as soon as practicable distribute to each participant: (a) the materials distributed to Ashland Common Stock shareholders in connection with the tender offer; (b) a notice explaining a participant's rights to instruct the Trustee with respect to the tender of Ashland Common Stock allocable to his interest in the Ashland LESOP Stock Fund and stating the method by which the Trustee shall tender shares for which it receives no instruction; and (c) a form by which such participant may instruct the Trustee in writing whether or not to tender or exchange shares of Ashland Common Stock allocable to his interest in the Ashland LESOP Stock Fund. Ashland and the Trustee may also provide participants with such other material concerning the tender or exchange offer as the Trustee and Ashland in their discretion determine to be appropriate. Ashland shall cooperate with the Trustee to insure that participants receive the requisite information in a timely manner.

(2) Trustee Action on Participant Instructions. Each participant who has an interest in the Ashland LESOP Stock Fund shall be entitled to give written direction to the Trustee to tender or not tender some or all of the shares of Ashland Common Stock allocable to his interest in the Ashland LESOP Stock Fund (including fractional shares). The Trustee shall tender or not tender shares of Ashland Common Stock in accordance with written instructions received in a timely manner from participants. The Trustee shall not tender shares of Ashland Common Stock allocable to a participant's interest in the Ashland LESOP Stock Fund for which the Trustee has received no instructions

(3) Confidentiality. The instructions received by the Trustee from a participant shall be held in confidence by the Trustee and any contractor

retained by the Trustee to assist in tabulation of tenders and shall not be divulged or released to Ashland, any Ashland officer or employee, or any person except in the aggregate, unless otherwise required by law.

(4) Withdrawal of Shares. A participant who has directed the Trustee to tender some or all of the shares of Ashland Common Stock allocable to his interest in the Ashland LESOP Stock Fund may, at any time prior to the deadline, direct the Trustee in writing to withdraw some or all of the tendered shares allocable to such participant's interest in the Ashland LESOP Stock Fund, and upon timely receipt of such instructions, the Trustee shall withdraw the directed number of shares from the tender offer prior to the deadline. A participant shall not be limited as to the number of directions to tender or withdraw that the participant may give to the Trustee.

(5) Partial Offers. In the event that an offer for fewer than all of the shares of Ashland Common Stock held by the Trustee shall be received, the total number of shares of Ashland Common Stock that the Trustee tenders pursuant to such offer shall be allocated among participants' interest in the Ashland LESOP Stock Fund on a pro rata basis in accordance with the directions received from participants with respect to the shares of Ashland Common Stock allocable to their interest in the Ashland LESOP Stock Fund.

(6) Multiple Offers. In the event that, prior to the termination of a tender offer for shares of Ashland Common Stock held by the Trustee, another offer is received by the Trustee for the shares of the Ashland Common Stock subject to the first offer, the Trustee shall use its best efforts under the circumstances to solicit written instructions from the participants with respect to the shares of Ashland Common Stock allocable to each participant's interest in the Ashland LESOP Stock Fund as to: (a) whether to withdraw shares previously tendered in response to the first offer, and whether to tender pursuant to the second offer any such shares so withdrawn; and (b) whether or not to tender pursuant to the second offer shares not previously tendered. The Trustee shall follow all such written instructions received in a timely manner from participants, in accordance with the provisions of this Section 4(f)(v)(B). With respect to any further offer received by the Trustee (including successive offers from one or more existing offerors) for Ashland Common Stock subject to any earlier offer, the Trustee shall act in the same manner as described in this subsection.

(7) No Impact on Account. A participant's instructions to the Trustee to tender or exchange shares of Ashland Common Stock shall not be deemed a written election by the Plan to withdraw, or have distributed, any or all of his withdrawal shares, nor shall such instructions give rise to a suspension from the Plan or a forfeiture of any portion of the participant's account. The Trustee shall credit to each proportional interest of the participant from which the tendered shares of Ashland Common Stock were taken the proceeds received by the Trustee in exchange for the shares of Ashland Common Stock tendered from that interest. Pending receipt of directions from the participant, funds received by the Trustee in exchange for tendered shares of Ashland Common Stock shall be invested by the Trustee in the fund described in Schedule "C".

(vi) General.

With respect to all shareholder rights other than the right to vote, the right to tender, and the right to withdraw shares previously tendered, in the case of Ashland Common Stock, the Trustee shall follow the procedures set forth in subsection (A), above.
