provided, that notwithstanding anything to the contrary set forth above, it is understood and agreed that in the event that (i) mortgage loans or other assets have been included in a securitization (including a reREMIC or a CBO) by C-BASS or one of its Subsidiaries (it being understood that C-BASS may or may not have retained and may or may not own a related class of securities in such securitization), and (ii) for accounting purposes C-BASS is required to report related securities sold to third parties as liabilities, and the underlying mortgage loans or other assets as assets, on its consolidated financial statements, then only the C-BASS-owned related class of securities, if any, shall be deemed to be assets shown on the consolidated financial statements of C-BASS for the purpose of the above calculation; provided further that (a) for the purposes of this proviso, the term “securitization” shall be deemed to include only (1) those transactions with respect to which (A) the underlying assets have

been transferred to a special-purpose entity or vehicle or a REMIC or other trust (collectively, the "Transferee") in a transaction structured in a way such that such transfer would qualify as a legal "true sale" and/or "true contribution" ("true contribution" meaning, for the purposes hereof, the contribution of such assets by C-BASS to such Transferee in exchange for equity in such Transferee), (B) C-BASS and any such Transferee would not be substantively consolidated in an insolvency proceeding involving C-BASS as the debtor, and (3) C-BASS has made available to the Buyer upon request true sale/non-consolidation opinions with respect to such securitization acceptable to the Buyer, or (C) such other transactions reasonably determined by the Buyer acting in good faith to be "securitizations;" and (b) the Buyer shall have the right to make an independent good faith determination (which determination shall be controlling and conclusive for purposes hereof) of the value of such securities which shall be deemed to be owned by C-BASS for the purposes hereof.

Conditions Precedent:

Usual and customary for repurchase agreements of this size, type and purpose including but not limited to execution and delivery of the Required Documents in form and substance satisfactory to Buyer and its counsel.

Expenses:

The Seller will pay for all out-of-pocket legal expenses incurred by the Buyer in connection with the preparation and execution of documents with respect to the Master Repurchase Agreement.

The Summary of Terms and Conditions is intended as an outline only and does not purport to summarize all the conditions, covenants, representations, warranties, events of defaults, remedies and other provisions which would be contained in definitive legal documentation for the financing and transactions contemplated hereby. The commitment of Wachovia Bank National Association is subject to negotiation and execution of definitive documents in form and substance satisfactory to Wachovia Bank National Association and its counsel.
