Press Release

Paris, July 18th 2003

AGF and Crédit Foncier have signed today a Memorandum of Understanding ("MoU") in relation to the potential sale of AGF's 72.15% stake in Entenial.

This agreement features a period of exclusive negotiations, sets some terms of the potential sale and indicates that Crédit Foncier will conduct a due diligence.

Subject to the above, the reference value for 100% of Entenial would be EUR 565m (this amount includes an estimate of Entenial's consolidated net income for first half 2003), i.e. EUR 47.8 per share, to be increased by Entenial's Q3 2003 consolidated net income, group share. The price will be set following the usual due diligence procedure. Nevertheless, in case of a price downward adjustment greater than EUR 35m, both parties would be allowed to end the negotiations.

The exclusivity period during which the parties will negotiate the terms of the sale and purchase agreement will end on October 30th, 2003.

This project is being discussed with the Employees' representatives of each company. Besides the usual conditions, the MoU also indicates that the closing of the potential transaction will be subject to the approval of the respective Boards of each company and to the authorisation of the relevant supervisory, market and competition authorities.

Following its acquisition of AGF's stake in Entenial, Crédit Foncier will launch a public market transaction on all Entenial's shares.
