Dear Sandra Folsom Kinsey,

For the past eight years, OSC/SEC has been THE industry event in this area for Canadian financial and accounting professionals. OSC/SEC brings together the top representatives from U.S. and Canadian regulators and standard-setters. This powerhouse faculty will provide you with a complete, practical examination of recent changes in financial accounting and reporting.

More importantly, this conference will show you what the changes mean for you and how to implement them. You will walk away from OSC/SEC 2003 with a clear understanding of what you need to do to ensure your financial reporting and accounting practices do not run afoul in an increasingly restrictive climate.

This year's program that has been completely updated and refreshed to deliver the key information that will make a difference to your day-to-day work. Specifically, this year's event will present you with the latest on:

- Changing enforcement priorities at both the OSC and the SEC
- In-depth discussion of the numerous changes to hedge accounting and how these affect you
- Key practical information on the implications of the current pension shortfall crisis
- Understanding and implementing new internal control measures

And much, much more!

This year's OSC/SEC Conference brings together all the elements you need for a profitable and detailed learning experience. Don't miss out on this most important annual briefing. Register today!

Sincerely,

Chris Graham
