ISSUE OF US\$8,000,000 1.5 PER CENT. UNLISTED AND UNSECURED CONVERTIBLE BONDS DUE 2005 - TRANCHE 2

Pursuant to the Subscription Agreement entered into between the Company and CSFB on 22 May 2002, the Company issued the Tranche 2 Bonds in the aggregate principal amount of US\$8,000,000 (equivalent to approximately HK\$62,400,000) on 26 September 2003.

Reference is made to the announcement issued by the Company dated 23 May 2002 (the "Announcement"). Terms defined in the Announcement shall have the same meanings when used herein unless the context otherwise requires or otherwise defined.

ISSUE OF TRANCHE 2 BONDS

Subscription Agreement:

The Company entered into the Subscription Agreement with CSFB on 22 May 2002 pursuant to which the Company issued the Original Tranche 1 Bonds in the aggregate principal amount of US\$8,000,000 on 22 May 2002. Details of the terms of the Subscription Agreement and the Original Tranche 1 Bonds were set out in the Announcement.

Under the Subscription Agreement, CSFB has granted an option to the Company to issue and require CSFB to subscribe and pay for the Tranche 2 Bonds subject to the satisfaction of certain conditions (the "Option").

On 26 September 2003 (the "Tranche 2 Bonds Closing Date"), the Company issued, and CSFB subscribed for, the Tranche 2 Bonds in an aggregate principal amount of US\$8,000,000 (equivalent to approximately HK\$62,400,000) pursuant to the exercise of the Option. The Tranche 2 Bonds were paid in cash by CSFB on the Tranche 2 Bonds Closing Date.

Principal terms:

The Tranche 2 Bonds were issued on substantially the same terms as the Original Tranche 1 Bonds as set out in the Announcement save for, among other things, their Fixed Conversion Price.

The principal terms of the Tranche 2 Bonds are as follows:

Interest

The Tranche 2 Bonds bear interest from the Tranche 2 Bonds Closing Date at the rate of 1.5 per cent. per annum. Interest is payable semi-annually in arrears.

Conversion price:

At the election of CSFB, the Tranche 2 Bonds may be converted either at (i) their Fixed Conversion Price; or (ii) their Floating Conversion Price, provided that the conversion price shall not be less than the par value of the Shares on the date of conversion unless permitted by law and in compliance with the Listing Rules.

The Fixed Conversion Price of the Tranche 2 Bonds shall be HK\$1.98, subject to adjustment. The Fixed Conversion Price of the Tranche 2 Bonds represent a premium of approximately 17.86 per cent. over the closing price of HK\$1.68 per Share as at the date of this announcement and a premium of approximately 17.86 per cent. over the average daily closing price of approximately HK\$1.68 per Share for the five consecutive trading days up to and including the date of this announcement.

The Floating Conversion Price of the Tranche 2 Bonds shall be 94 per cent. of the average of any five closing prices per Share as selected by CSFB during the 30 consecutive business days immediately prior to the date on which notice from CSFB is received by the Company.

Maturity:

22 May 2005.

Unless previously redeemed, converted or purchased and cancelled, the Tranche 2 Bonds will be redeemed by the Company, at the election of CSFB, either by delivering such number of Shares as results from dividing the principal amount of the Tranche 2 Bonds by the lower of their Fixed Conversion Price and their Floating Conversion Price in effect on the Maturity Date or at 100% of the principal amount.

Early Redemption:

In certain circumstances set out in the terms and conditions of the Tranche 2 Bonds, the Tranche 2 Bonds may be redeemed early for an amount between 108 per cent. and 110 per cent. of the principal amount of the Tranche 2 Bonds plus accrued interest. Circumstances under which the Tranche 2 Bonds may be redeemed early include instances where the price of the Shares falls below a certain amount determined using the formula set out in the Subscription Agreement. Such terms have been agreed between the Company and CSFB after arm's length negotiations.

Escrow:

An escrow agreement (the "Escrow Agreement") was made on 25 September 2003 between the Company, CSFB and Bermuda Trust (Hong Kong) Limited as escrow agent (the "Escrow Agent") in connection with the subscription of the Tranche 2 Bonds.

The subscription funds were deposited to an account of the Escrow Agent and was released by the Escrow Agent to the Company subject to the terms and conditions set out in the Escrow Agreement.

Subscription right:

Pursuant to the Subscription Agreement, the Company also granted to CSFB an option in respect of the Tranche 2 Bonds on the following terms:-

- (1) Exercise period: from and including the Tranche 2 Bonds Closing Date up to and including the Maturity Date
- (2) Exercise price: HK\$1.98, being the Fixed Conversion Price of the Tranche 2 Bonds
- (3) Maximum amount of Shares to be subscribed: applying the exchange rate of US\$1.00 to HK\$7.7636 as prescribed under the Subscription Agreement (the "Relevant Exchange Rate"), up to 5,881,515 new Shares (representing approximately 0.85 per cent. of the existing issued share capital of the Company).

Mandate:

The maximum number of new Shares which may be issued upon conversion of the Tranche 2 Bonds based on their Fixed Conversion Price is 31,368,080 (applying the Relevant Exchange Rate) representing approximately 4.51 per cent. and approximately 4.31 per cent. of the existing issued share capital and the enlarged issued share capital of the Company respectively.

Upon exercise of the Subscription Right in respect of the Tranche 2 Bonds in full (applying the Relevant Exchange Rate), 5,881,515 new Shares, representing approximately 0.85 per cent. and approximately 0.84 per cent. of the existing issued share capital and enlarged issued share capital respectively, will be issued by the Company. The total number of Shares which may be issued upon full conversion of the Tranche 2 Bonds based on their Fixed Conversion Price and the exercise in full of the Subscription Right in respect of the Tranche 2 Bonds is 37,249,595 Shares, representing approximately 5.36 per cent. and approximately 5.08 per cent. of the existing issued share capital and the enlarged issued share capital respectively.

Authorisation had already been granted by the shareholders of the Company for the issue of all Shares pursuant to the Subscription Agreement at the special general meeting of the Company held on 22 July 2002.

USE OF PROCEEDS AND REASON FOR THE TRANCHE 2 BONDS ISSUE

The net proceeds of approximately US\$7,738,000 (equivalent to approximately HK\$60,356,400) derived from the issue of the Tranche 2 Bonds, together with the approximate amount of HK\$11,645,400 which would be received subject to and upon exercise in full of the Subscription Right in respect of the Tranche 2 Bonds (subject to adjustment as set out in the Subscription Agreement), will be used for general working capital purposes provided that such proceeds shall not be used to pay dividends to shareholders of the Company, for the purposes of or in relation to any repayment to or reduction of the debt of a related party or to repurchase Shares. The Company does not have any specific plan as regards the use of these proceeds other than as general working capital.

The Directors consider that the terms of the Tranche 2 Bonds are favourable and the issue of the Tranche 2 Bonds provides an opportunity to raise extra funds for the Company.
