8 Dec, 2003, 15:39	TAKEOVER	INL Announces Result of SKY Takeover Offer

Full Text of Announcement

The Executive Chairman of Independent Newspapers Limited ("INL"), Ken Cowley today announced the results of the takeover Offer for Sky Network Television Limited ("Sky") that closed last Friday, 5 December.

As a result of the takeover Offer INL acquired 47 million Sky shares and holds a total of 304.9 million Sky shares. INL now owns 78.3 per cent of Sky.

Mr Cowley said that the close of the Offer has enabled INL to calculate the amount of surplus capital that it can distribute to INL shareholders in a tax-efficient manner, subject to shareholder and high court approval.

"We plan to distribute approximately \$340 million to INL shareholders in April or May 2004. This represents a capital repayment of approximately 78 cents per share," Mr Cowley said.
