The Structured Term Bond, Covered Term Sheet, or Comparable Market, as appropriate (the "Market"), is a financial instrument issued by a bank, government agency, or other issuer, the value of which is based upon the value of the underlying asset. The market is not to be construed as an indication of the value of any other security or instrument.

Where an offer or solicitation is made for the market, the issuer does not represent that the market is complete and that it is not intended to be used as a sole basis for investment decisions. By accepting the terms of the market, the investor agrees that the issuer does not provide any other information on the market, other than the information provided in the market, and that the investor understands that the issuer does not provide any other information on the market, other than the information provided in the market.

The issuer does not make any representation or warranty as to the accuracy, completeness, or timeliness of the information contained in the market, other than the information provided in the market. The issuer does not make any representation or warranty as to the accuracy, completeness, or timeliness of the information contained in the market, other than the information provided in the market.

The issuer does not make any representation or warranty as to the accuracy, completeness, or timeliness of the information contained in the market, other than the information provided in the market. The issuer does not make any representation or warranty as to the accuracy, completeness, or timeliness of the information contained in the market, other than the information provided in the market.

The issuer does not make any representation or warranty as to the accuracy, completeness, or timeliness of the information contained in the market, other than the information provided in the market. The issuer does not make any representation or warranty as to the accuracy, completeness, or timeliness of the information contained in the market, other than the information provided in the market.
