Paris, 3 December 2003

Philippe Chevallier joined the Italcementi Group on 1st December 2003 and will become Financial Director of Italcementi SpA and Ciments Français SA on 1st January 2004.

Chevallier will take over from Michel Lefebvre who, from 1st January 2004, will be responsible for operations in Bulgaria, Greece, Cyprus and Kazakhstan.

The Group also confirms the structure it put in place in 2000 for administration and finance, dividing these areas into two separate entities: the Finance Department, which has just been entrusted to Philippe Chevallier, and Administration and Control, which has been under the directorship of Dario Massi since 2000.

Philippe Chevallier joins the Management Committee, on which the area directors and main operational directors sit, under the directorship of Rodolfo Danielli, Chief Operating Officer.

Philippe Chevallier is 45 years of age and a graduate of the Essec business school and the Paris Institut d'Etudes Politiques. He held various financial positions within the Usinor (Arcelor) Group between 1982 and 2000. He has been Financial Director of the Elixir Group since 2001.
