PRESS RELEASE

Eurocell Profiles (UK) invests in a new extrusion hall

Eurocell Profiles Ltd, a major player in the UK plastic window and door market and part of the Plastics Converting division of Tessengerlo Group (Belgium), invests in the construction of a new extrusion hall.

With the investment, which amounts to 4 million GBP, Eurocell Profiles extends its production and storage capacity at its main Clover Nook site in Alfreton, Derbyshire (UK).

The new extrusion hall is to be operational by the end of 2004.

Eurocell Profiles Ltd, as part of Fairbrook plc, produces a wide range of high-tech PVC products for construction and renovation, which are marketed under the brand names EUROCELL and PINNACLE.

Fairbrook plc has 6 production and 53 distribution sites throughout Great Britain.

Eurocell Profiles Ltd is the third largest window profile manufacturer in the UK.

The Plastics Converting division of Tessengerlo Group, employing 2,500 people, produces PVC profiles for window and door systems as well as PVC pipes and fittings for construction. The division's turnover totalled 500 million EUR in 2002.
