INDEPENDENT AUDITOR'S REPORT
JUNE 30, 2003 AND 2002

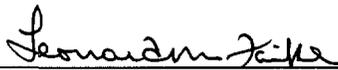

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
JOBEL Financial, Incorporated

I have audited the accompanying statements of financial condition of JOBEL Financial, Incorporated as of June 30, 2003 and 2002 which you are filing pursuant to Rule 17a-5 of the Securities and Exchange Commission. These financial statements are the responsibility of the company's management. My responsibility is to express an opinion on these financial statements based on my audits.

I conducted my audits in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of JOBEL Financial, Incorporated as of June 30, 2003 and 2002 in conformity with generally accepted accounting principles.
