INDEPENDENT AUDITOR'S REPORT

Board of Directors and Stockholders
Allied Research Services, Inc.

We have audited the accompanying statement of financial condition of Allied Research Services, Inc. as of December 31, 2003. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether this financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Allied Research Services, Inc. as of December 31, 2003 in conformity with accounting principles generally accepted in the United States of America.

Notes to the Financial Statement

December 31, 2003

Note 1 - Summary of Significant Accounting Policies

Allied Research Services, Inc. (ARS) (the "Company") is a broker-dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the National Association of Securities Dealers (NASD). The Company operates under (SEC) Rule 15c3-3(k)(2)(ii), which provides that all funds and securities belonging to the Company's clients would be handled by a clearing broker-dealer. The Company is a Texas corporation. The Company's clients are located throughout the United States.

ARS conducts a portion of its business within the safe harbor of Section 28(e) of the Securities Act of 1934 as amended. In that regard, ARS executes brokerage transactions for investment advisors, money managers and plan sponsors ("Money Managers") at a negotiated commission rate. As an incentive to use the facilities of ARS for the execution of such brokerage transactions, ARS has developed a system to provide third party research services to Money Managers based upon the frequency of use of its facilities.

Third party research paid for in advance of the execution of brokerage transactions is reflected as an asset and expensed as the related commission income is earned. When commission income is earned in advance of payment of third party research, a liability is recorded; the liability is reduced as the related third party research is paid. These methods are in accordance with the guidelines suggested by the Securities Exchange Commission.

Securities transactions are recorded on a trade date basis.

Compensated absences have not been accrued because the amount cannot be reasonably estimated.

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due.

Depreciation on furniture and office equipment is calculated using an accelerated method over a 5 to 7 year life.

Investment account securities are comprised primarily of government securities which are reflected at market value. Securities readily marketable are carried at market value as determined by quoted market prices and securities not readily marketable are carried at fair value as determined by management of the Company.

ALLIED RESEARCH SERVICES, INC.

Notes to the Financial Statement

December 31, 2003

Note 1 - Summary of Significant Accounting Policies, continued

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Note 2 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2003, the Company had a net capital of approximately \$5,632,739 and net capital requirements of approximately \$39,953. The Company's ratio of aggregate indebtedness to net capital was .11 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

Note 3 - Possession or Control Requirements

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (S.E.C.) Rule 15c3-3(k)(2)(ii) by promptly transmitting all customer funds and securities to the clearing broker who carries the customer accounts.

Note 4 - Subordinated Borrowings – Related Party

Borrowings under subordination agreements at December 31, 2003 from the sole shareholder are as follows:

Liabilities pursuant to secured demand note collateral agreements - 12%, due May 31, 2004 fully collateralized by securities	\$ 1,000,000
--	--------------

Liabilities pursuant to secured demand note collateral agreements – 12%, due August 31, 2004 fully collateralized by securities	1,000,000
---	-----------

ALLIED RESEARCH SERVICES, INC.
Notes to the Financial Statement
December 31, 2003

Note 4 - Subordinated Borrowings – Related Party, continued

Liabilities pursuant to secured demand
note collateral agreements – 12%, due
November 30, 2004 fully collateralized
by securities

1,000,000

\$3,000,000

The subordinated borrowings are covered by agreements approved by the National Association of Securities Dealers, Inc. and are thus available in computing net capital under the Securities and Exchange Commission's uniform net capital rule. To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid.

Note 5 - Concentration Risk

At December 31, 2003, and at various other times throughout the year, the Company had cash balances in excess of federally insured limits.

Note 6 - Commitments and Contingencies

Included in the Company's clearing agreement with its clearing broker-dealer, is an indemnification clause. This clause relates to instances where the Company's clients fail to settle security transactions. In the event this occurs, the Company will indemnify the clearing broker-dealer to the extent of any net loss on the unsettled trades. At December 31, 2003, management of the Company had not been notified by the clearing broker-dealer, nor were they otherwise aware, of any potential losses relating to this indemnification.
