Dear Sir,

Sub: Merger of Reliance Petroleum Limited (RPL) with Reliance Industries Limited (RIL)

We have pleasure in informing you that the High Court of Judicature at Bombay vide its Order dated 7th June, 2002, and High Court of Gujarat at Ahmedabad, vide its order dated 13th September, 2002, have approved the Scheme of Amalgamation of Reliance Petroleum Limited (RPL) with our Company. A copy each of the Orders of the respective High Courts and the Scheme of Amalgamation is enclosed herewith.

Accordingly, in accordance with the Scheme of Amalgamation our Company will issue and allot fully paid up Equity Shares of Rs. 10/- each, **in the ratio of 1 (one) Equity Share of the face value of Rs.10/- (Rupees ten only) of RIL for every 11 (eleven) equity shares of the face value of Rs. 10/- (Rupees ten only) each held by the shareholders in RPL.**

Please note that the Register of Members (equity shareholders) and transfer book of RPL will remain closed from **Saturday, the 19th October 2002 to Monday, the 21st October 2002** (both days inclusive) for the purpose of determining the persons who will be entitled to receive the Equity Shares of our company in the aforesaid ratio. The Equity Shares so allotted, shall be entitled for full dividend, if any, declared for the financial year ended 2001-2002.

Please note that the equity share certificate issued by RPL will not be called back by the company, for exchange with our company's shares and the equity share certificates issued by RPL will not be tradeable or negotiable on and from the commencement of the said book closure or such other earlier date fixed by the Stock Exchange in this regard.

Please further note, that no application for transfer of shares of RPL will be accepted on or after 19th October 2002.

Reliance Petroleum Announces Sponsorship of International Equity Offering - Reliance Industries' Shareholders to Benefit from Unlocking of Value

Reliance Petroleum Ltd. (RPL) today announced the sponsorship of an international GDR Offering, in tranches as may be appropriate, against equity shares held by its existing shareholders.

May 18, 2001, Mumbai : The Offering will be made to strategic and/or financial investors. Pursuant to announcements made by the Finance Minister in his Budget Speech for 2001-02, and in line with the subsequent notifications by the Reserve Bank of India (RBI) and the Ministry of Finance (MoF), RPL is making a public announcement, to enable all categories of shareholders in the Company to participate in the proposed offering, on a pari passu basis.

RPL will benefit from the proposed offering through broadening of its international investor base, an enhanced international profile, and access to new markets in the future for financing growth opportunities in marketing, distribution, pipelines, storage, terminals, etc.

Reliance Industries Ltd. (RIL), the promoter of RPL, controlling approx. 64% of the company's equity share capital, has announced its intention to participate in the Offering, and to bring its shareholding down from 64% to 51%, in appropriate tranches.

The proposed transaction will lead to significant benefits for RIL and its shareholders:
§ Realisation of substantial capital gains
§ Generation of incremental cash resources for RIL, to be reinvested for future growth in oil and gas, infocom, etc., without any cash calls on its own shareholders
§ Lowering of the cost of its balance shareholding in RPL
§ Unlocking of value from the RPL shareholding, without impacting management control

Based on the current market price of RPL equity shares, the unrealised capital gains on Reliance's 64% shareholding in RPL are over Rs. 11,000 crores (over US$ 2.3 billion).

All shareholders of the Company, desirous of participating in the GDR offering, are required to transfer their shares, in dematerialised form, to the designated Escrow Account, between May 19, 2001 and June 2, 2001, and to submit necessary documentation to the

Escrow Agent, Karvy Consultants Ltd. (KCL).

Shareholders will have two options on pricing, as follows:
Option 1: To indicate a minimum price, at which they would be willing to offer their equity share (s), as part of the GDR programme
Option 2: To opt for the cut-off pricing, as determined by the Lead Managers The size, timing and pricing for the GDR Offering, in one or more tranches, as may be appropriate, will be determined by the Lead Managers to the Offering.

Shareholders desirous of participating in the offering, will be required to keep the tendered shares in the Escrow Account, upto March 31, 2002, or completion of all tranches of the proposed Offering, whichever is earlier.

The proceeds of the offering, after meeting necessary expenses, will be paid, on proportionate basis, to shareholders of RPL, who have tendered equity shares, and whose tender has been successful, for the purposes of the offering.

The Public Announcement in this regard is being published in one national, and one regional newspaper, and copies of the same are also being filed with the appropriate authorities.

The full text of the Public Announcement will be available on, and may be downloaded from, the Reliance group's website, www.ril.com, the Escrow Agent's website, www.karvy.com, and will also be available at all offices of the Escrow Agent across the country.

RPL is the largest private sector company in India, in terms of sales, and is second only to Reliance Industries Ltd. (RIL) in terms of net profits, assets and net worth, based on performance in its very first year of operations.

For the year ended March 31, 2001, RPL has reported a net profit of Rs. 1,464 crores (US$ 314 million) on sales of Rs. 30,963 crores (US$ 6,642 million). RPL ranks amongst the top five private sector companies in India, with market capitalisation of over Rs. 27,000 crores (nearly US$ 6 billion).

For the year ended March 31, 2001, RIL has reported a net profit of Rs. 2,646 crores (US$ 567 million) on sales of Rs. 28,008 crores (US$ 6,008 million). RIL ranks amongst the top 2 private sector companies in India, with market capitalisation of over Rs. 40,000 crores (over US$ 8.5 billion).

Reliance's Achievements

There is truth in the idea of an eternal guiding light. There is an idea in the truth of purpose. Dhirubhai H. Ambani embodies the first, and his vision empowers the second.

Last year we mourned the tragic and untimely passage of Reliance's founder-chairman, and the world mourned with us.

We at Reliance vowed to continue on the path that Dhirubhai's unparalleled vision had charted for us.

The path is one of self-belief and destiny. It is a path of constant challenge. It is a path where change brings with it a thirst for knowledge, the fulfillment of achievement and a sense of history.

Many years ago, Dhirubhai had looked into the future and seen a time when natural treasures from beneath the land and the oceans would enrich India, and give his beloved nation a greater sense of pride and security.

He looked ahead, and he saw a time when every Indian would be adequately clothed, fed, and learned, and communicate with the world at will, at virtually the speed of light.

He saw an Indian century.

We at Reliance had in this past year the rare honour to fulfill the wishes of our founder. As a company, we had the great privilege of the care of our well-wishers, and success in grand endeavours that Dhirubhai envisioned.

It was a year when Reliance redefined business.

The Year 2002-03

- The merger of Reliance Petroleum with Reliance Industries was the largest merger in India's corporate history.
- Reliance acquired management control of IPCL, marking India's largest disinvestment transaction.
- The discovery of gas by Reliance in the Krishna-Godavari basin was the world's largest gas find in 2002.
- Reliance Infocomm launched the largest infocomm infrastructure and services initiative by a new entrant anywhere in the world.
- Reliance acquired management control of BSES in the largest acquisition in the Indian power sector.

EXPLANATORY STATEMENT UNDER SECTION 173(2) OF THE COMPANIES ACT, 1956

The Explanatory Statement for Item Nos. 7 to 9 of the accompanying Notice set out hereinabove is as under:

Item Nos.7, 8 and 9

The present terms of office of Shri Mukesh D. Ambani as Chairman and Managing Director, Shri Anil D. Ambani as Vice Chairman and Managing Director and Shri Nikhil R. Meswani as Wholetime Director designated as Executive Director will be expiring on 18th April, 2004, 30th April, 2004 and 30th June, 2003, respectively. Subject to shareholders' approval, the Board of Directors, at their meeting held on 23rd April, 2003, have re-appointed the aforesaid Directors for a further period of 5 years from the expiry date of their respective term, on the remuneration determined by the Remuneration Committee of the Board of Directors.

The Remuneration Committee of the Board of Directors has recommended the same remuneration as was previously approved by the shareholders in respect of each of the above Directors.

The broad particulars of remuneration payable to and the terms of the respective appointments of Shri Mukesh D. Ambani, Shri Anil D. Ambani and Shri Nikhil R. Meswani during the tenure of their respective re-appointments are as under:

Name and designation	Salary (Rs per month)	Perquisites and allowances (Rs per month)
Shri Mukesh D. Ambani Chairman & Managing Director	5,00,000	4,00,000
Shri Anil D. Ambani Vice Chairman & Managing Director	5,00,000	4,00,000
Shri Nikhil R. Meswani Executive Director	1,25,000	2,00,000

The perquisites and allowances payable to the aforesaid Directors shall include accommodation (furnished or otherwise) or house rent allowance in lieu thereof; house maintenance allowance together with reimbursement of expenses and/or allowances for utilisation of gas, electricity, water, furnishing and repairs; medical reimbursement; leave travel concession for self and family including dependents; club fees, medical insurance and such other perquisites and/or allowances, upto the amounts specified above, subject to an overall ceiling of remuneration stipulated in Sections 198 and 309 of the Companies Act, 1956. The said perquisites and allowances shall be evaluated, wherever applicable, as per the Income Tax Act, 1961 or any rules thereunder (including any statutory modification(s) or re-enactment thereof, for the time being in force). However, the Company's contribution to Provident Fund, Superannuation or Annuity Fund, to the extent these singly or together are not taxable under the Income Tax Act, and gratuity payable and encashment of leave at the end of the tenure, as per the rules of the Company, shall not be included in the computation of limits for the remuneration which includes salary, perquisites and commission.

In addition to the salary, perquisites and allowances as above, Shri Mukesh D. Ambani, Chairman & Managing

Director, Shri Anil D. Ambani, Vice-Chairman & Managing Director and Shri Nikhil R. Meswani, Executive Director of the Company, shall also be entitled to receive commission. Commission shall be payable to the two Managing Directors (Shri Mukesh D. Ambani and Shri Anil D. Ambani) and the two Wholetime Directors (Shri Nikhil R. Meswani and Shri Hital R. Meswani) in proportion to their salaries (excluding perquisites and allowances) subject to the condition that at any time the overall yearly remuneration payable collectively to the said two Managing Directors and two Wholetime Directors shall not exceed 0.67% of the net profits of the Company as computed under Section 349 of the Companies Act, 1956 (including any statutory modification(s) or re-enactment thereof for the time being in force) or any amendment made thereto.

The terms and conditions set out for re-appointment and payment of remuneration herein and/or in the respective Agreements may be altered and varied from time to time by the Board of Directors of the Company as it may, at its discretion deem fit. The Board is also entitled to revise the salary, perquisites and allowances and commission payable to the said Managing Directors and Wholetime Directors of the Company or any of them at any time, such that the overall yearly remuneration payable to the said Managing Directors and Wholetime Directors shall not exceed 0.67% of the net profits of the Company as computed under Section 349 of the Companies Act, 1956. (including any statutory modification(s) or re-enactment thereof for the time being in force) or any amendment made thereto.

The respective Agreements may be terminated by either party (the Company or the concerned Managing Director or Wholetime Director) by giving three months' prior notice in writing.

The draft Agreements to be entered into between the Company and each of Shri Mukesh D. Ambani, Shri Anil D. Ambani, and Shri Nikhil R. Meswani respectively incorporating the above particulars of remuneration, are available for inspection at the Registered Office of the Company on all working days excluding Saturdays, upto the date of the ensuing Annual General Meeting between 11.00 a.m. and 1.00 p.m.

The above may also be treated as an abstract of the terms of the contract/agreement between the Company and Shri Mukesh D. Ambani, Shri Anil D. Ambani, and Shri Nikhil R. Meswani respectively pursuant to Section 302 of the Companies Act, 1956.

Shri Mukesh D. Ambani, Shri Anil D. Ambani, and Shri Nikhil R. Meswani are interested in the resolutions which pertain to their respective re-appointments and/or remuneration payable to each of them. Further Shri Mukesh D. Ambani and Shri Anil D. Ambani may also be deemed to be interested in the resolution pertaining to the re-appointment of and/or remuneration payable to the other, as they are related to each other. Further, Shri Hital R. Meswani may also be deemed to be interested in the resolution pertaining to the re-appointment of and/or remuneration payable to Shri Nikhil R. Meswani, as they are related to each other. Save and except the above, none of the other Directors of the Company is, in any way, concerned or interested in the resolutions.

Your Directors commend the resolutions set out at Item Nos.7 to 9 of the Notice for your approval.

By Order of the Board of Directors

Letter to Shareholders

Dear fellow Reliance shareowners,

The year 2002-2003 was an eventful year for our company. It was a year when the economic landscape of India and the global language of business were emphatically redefined. It was a year when fortitude, foresight and flexibility yet again proved to be prime ingredients for an acceptable future. It was a year when Reliance came to embody resilience and renewal.

Dhirubhai H. Ambani, our founder-chairman, left for his heavenly abode on July 6, 2002. The stories of his legendary achievements will enthrall generations after us. In one lifetime, and without the benefits of a formal education, he started out with nothing to his name except extraordinary vision and determination, and within 25 years made Reliance one of the world's 500 largest companies.

Dhirubhai may have left us. Yet, we at Reliance are committed to the future growth of Reliance and India, in line with his vision and inspiration - thinking big, and thinking world-class in every respect.

We are committed to living by the principles, values and philosophies he stood for, and taking forward his abiding philosophy of placing trust in people and nurturing long-term relationships.

It is an extraordinary challenge to live up to his expectations. But it is a challenge we must accept and succeed in - Dhirubhai would expect no less from us.

A Turbulent Environment

The world, as we knew it changed in 2001. The turmoil of 9/11 and its aftermath resonated across the world. Nations were left searching for elusive answers and businesses for difficult profits.

Over the past year, geopolitical tensions in the Middle East, South Asia and East Asia continued to dampen business sentiment. Wars within humankind and against deadly viruses escalated without warning. Markets collided with one another, commodity prices stayed volatile, and fundamental changes overwhelmed corporations.

It would be all too easy to recoil from this turbulent change. Yet, we believe all this only reflects the impact of globalisation - and the promise of an abundant future.

We see immense potential in this churning. We see opportunities that will elevate Reliance and India to a higher level of performance and promise. The potential of Indian markets and of Indian human resources no longer remain a mystery - India has arrived on the world stage, and the momentum is now unstoppable.

It is only fitting that it took a globally turbulent year such as 2002-03 for India to record its highest foreign exchange reserves of over US$ 75 billion. And, for domestic interest rates to drop to historic single digit lows, never witnessed before.

It was in this turbulent year that the process for rationalisation of taxes was initiated in India; the Value Added Tax (VAT) is on its way to be implemented. Telecommunications is no longer a luxury, better roads girdle the nation, and reliable and quality power will soon be freely available with the passage of a landmark Electricity Bill.

And as India redefined its aspirations in a difficult year, your company redefined the landscape of the future.

Reliance enhanced its status as India's largest private sector company. Indeed, according to latest available information, Reliance is now likely to be ranked among the largest 175 companies in the world by net profits, and among the largest 400 companies by sales, in the forthcoming *Fortune* Global 500 listing.

In FY 2002-2003 Reliance recorded a gross turnover of Rs 65,061 crore (US$ 13.7 billion), cash profit of Rs 7,565 crore (US$ 1.6 billion), net profit of Rs 4,104 crore (US$ 864 million), net worth of Rs 30,327 crore (US$ 6.4 billion), total assets of Rs 63,737 crore (US$ 13.4 billion), and market capitalisation of Rs 38,603 crore (US$ 8.1 billion).

A New Chapter of Growth

Strong financial performance in uncertain times is of course only one part of our exciting story, a chapter of success scripted by Dhirubhai's unwavering vision and your unwavering support these past 25 years. Numbers do not always fully reflect the future. That chapter of corporate growth needs more telling.

Scant days after Dhirubhai's passing, Reliance discovered natural gas in the very first well it drilled in the Krishna-Godavari basin, off the coast of Andhra Pradesh. A fitting tribute to a great entrepreneur, the strike at the block designated KG-D6 is acknowledged as among the largest in the world for the year ended March 2003.

Preliminary estimates of in-place reserves are placed at more than 10 trillion cubic feet of gas - adequate to produce 40 million cubic meters of gas per day, which is over 60 per cent of India's total production of gas at present.

With acreage in excess of 280,000 sq km still to explore in 31 more onshore and offshore, deep and shallow water blocks, your company expects to see significant further upside, which will soon propel us into the premier league of global integrated energy conglomerates.

The gas discoveries will also substantially allay India's energy security concerns, and contribute significantly to economic and geopolitical confidence of the nation.

Alongside, Reliance is actively pursuing its plans to establish a countrywide retail network for marketing of transportation fuels such as diesel and gasoline. We have received government approvals for setting up 5,800 retail outlets.

These retail outlets will over time be seamlessly integrated into a value chain that begins with exploration and production of oil and gas - and then travels downstream to Reliance's refinery in Jamnagar - the world's largest grassroots refinery and the 5th largest refinery in the world at a single location - and ultimately reaches the end consumer.

A parallel energy value chain is being implemented even as you read this letter. In January 2003, Reliance acquired BSES Ltd, India's leading private sector utility company, engaged in the distribution of electricity in suburban Mumbai, Delhi, and Orissa, and with generation plants in the states of Maharashtra, Kerala and Andhra Pradesh. This was the largest ever acquisition in the power sector in India.

BSES will spearhead Reliance's foray to emerge as India's leading integrated power sector company in generation, transmission and distribution - taking gas from the well-head, and converting it into power at your wall-socket.

During the year, we also completed the acquisition of IPCL, India's second largest petrochemicals company, and the country's 19th largest company in terms of overall sales. This acquisition, India's largest disinvestment transaction in 2002-03, positions Reliance, together with IPCL, to compete even more effectively in the domestic and global market from a consolidated base that leverages in-house R&D strengths, financial flexibility and customer orientation.

In December 2002, our group company, Reliance Infocomm unveiled India's most extensive information and communication technology project that seeks to offer every Indian affordable options to stay connected in a networked world.

Reliance Infocomm has built a nationwide optic fibre network of 60,000 km covering 90 per cent of India's population. The broadband network is digital state-of-the-art, and in a single move catapults India from megabit to terabit data, voice and image communication capability.

Reliance Infocomm launched nationwide mobile services under the brand name Reliance India*Mobile*. The service attracted stupendous initial response, and within the first ten weeks of the launch Reliance gathered a record subscriber base of over a million. With the success of this commercial launch, Reliance Infocomm will soon move into the second stage of its three stage plan to redefine India's communications paradigm, the largest such launch initiative in the world.

A Better Future

At every step in our journey, we are committed to build complete value propositions for our customers, enhance return on capital employed, and create significant value for our shareholders. We are committed to achieve and extend leadership in all our businesses on a global scale and through global operations.

We will continue to impress the highest quality standards in the world, and untiringly focus on productivity, cost reduction and efficiencies. These will continue to be reflected in our production processes, financial management, energy conservation, human resource development, and health, safety and environment practices.

We believe in empowering colleagues through greater knowledge, opportunity, responsibility, accountability and reward. This is the bedrock of all growth at Reliance, where growth is life. It is the benchmark by which we gauge best practices as ideal employers and enablers in India and globally.

We are also committed to achieve all this as corporate citizens who implicitly believe in partnership with society, respect for the environment and harmony with the world. There must be common cause for a better future.

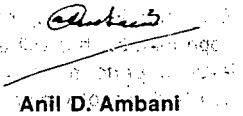

In keeping with this belief system, Reliance encourages, funds and develops numerous education, health and human capital initiatives. While many of these initiatives are now recognised in India and abroad as model approaches, we derive greater inspiration for our mission of partnership with society when graduates of Reliance-funded institutions of higher learning in cities, children in Reliance-sponsored schools in villages, and patients in Reliance-led hospitals emerge to lead lives of aspiration, good health and fulfillment.

This interplay of purpose and performance - and your belief in Reliance - leads us to remain confident in our future. Dhirubhai's vision brought us to the threshold of the next great phase of growth and returns. Now, our collective endeavour will ensure it, for Reliance and for each of you, dear fellow shareholders.

The future belongs to us all.

Overall Review

Landmark Events in FY 2002-03

- Reliance Petroleum Limited merges with Reliance Industries Limited
- Reliance completes the acquisition of IPCL
- Reliance discovers natural gas in the Krishna-Godavari basin
- Reliance Infocomm launches nation-wide mobile services
- Reliance acquires management control of BSES

During the year, the amalgamation of Reliance Petroleum Limited (RPL) with Reliance Industries Limited (RIL) was completed, creating the only company in the world with fully integrated world scale operations in oil and gas exploration & production (E&P), refining & marketing (R&M), petrochemicals, power and textiles with global ranking in all its major businesses.

The merger has enhanced Reliance's status as India's largest private sector company on all financial parameters, including sales, assets, net worth, cash profits and net profits.

The merger places Reliance in the reckoning for a place in the Fortune Global 500 list of the world's largest corporations.

RIL is expected to rank amongst the top 175 companies in the world in terms of net profit, among the top 275 in terms of net worth, among the top 400 in terms of total assets, and among the top 400 in terms of sales, in the forthcoming *Fortune* Global 500 rankings.

During the year, the Company also completed the acquisition of IPCL, India's second largest petrochemicals company, and the country's 19th largest company in terms of overall sales.

This acquisition positions Reliance, together with IPCL, to compete from a stronger base in the global market, where major petrochemical companies typically follow a strategy of market consolidation. Together with IPCL, Reliance will rank as the 11th largest polymer producer in the world.

These mergers and acquisitions are in line with global trends of consolidation to enhance size, scale, integration, global competitiveness and financial flexibility, and will contribute to the achievement of RIL's objectives of attaining peer group leadership in terms of asset base, revenue, production volume, market share, and shareholder returns.

IPCL's performance has improved significantly after the company was acquired by Reliance. The improved results reflect the success of the business integration process between IPCL and Reliance, and demonstrate the inherent potential of IPCL and its people, which Reliance will continue to draw on to enhance overall shareholder value.

The business integration process between IPCL and Reliance is making good progress on all fronts - feedstock integration, production, marketing and distribution, logistics, financial management, personnel, and information technology. Reliance is confident that the full benefits of this exercise will be visible in the near future, and will reflect in improved financial performance for IPCL in the longer term.

Gas Discovery - One of the biggest in 2002

During the year under review, Reliance discovered natural gas in the very first exploration well it drilled in the deep-water exploration block KG-D6 in the Krishna-Godavari basin off Andhra Pradesh coast. This reserve is among the largest strikes in the world in 2002-03. Preliminary estimates of in-place reserves are placed at approximately 10.5 trillion cubic feet of gas. These gas finds will translate to production of over 40 million cubic meters of gas per day, which is over 60% of India's total gas production presently.

This significant success was the result of an aggressive schedule. It took mere 20 months from Reliance receiving the exploration license to the discovery of natural gas, the first ever by an Indian private sector company. The reserves will propel Reliance to the league of integrated global energy conglomerates. Reliance continues to explore this, and other blocks and expects to see further upside.

Reliance Infocomm - Successful launch of nationwide services

Reliance's Founder-Chairman Dhirubhai Ambani had a dream of harnessing the power of information technology and communication to build a new India. Reliance Infocomm is a major initiative to translate this dream into reality.

Reliance Infocomm has built a nationwide optic fibre network of 60,000 km covering 90 per cent of India's population. The network is 100 per cent digital state-of-the-art, capable of carrying terabits of data per second across the country. This is the largest private information and communications network in the country and in one sweeping move, leapfrogs India from megabit to terabit capacities.

Reliance Infocomm has launched nationwide mobile services under the brand name Reliance India*Mobile*. The service attracted stupendous initial response, and within the first ten weeks of the launch, Reliance Infocomm has acquired a subscriber base of over a million. Reliance Infocomm will thereafter launch nationwide fixed line and data services connecting millions of enterprise buildings and homes.

Acquisition of BSES

During the year, BSES Ltd became part of the Reliance Group. This marked the beginning of a new relationship and signalled another step in fulfilling the vision of Reliance's founder and visionary Chairman Dhirubhai Ambani to establish Reliance as India's fully integrated energy company with interests in oil and gas exploration and production, refining and marketing of petroleum products, petrochemicals, and power generation, transmission and distribution.

Following the second open offer to BSES shareholders made by Reliance in a fair and transparent manner under SEBI Takeover Regulations, the equity stake of Reliance in BSES has increased to over 58 per cent, making it the single largest shareholding group in the company.

Reflecting the philosophy of Dhirubhai, BSES aims at a leadership role in creating world-class power infrastructure in the country, in pace with regulatory changes and reforms in the power sector. The proven management skills and established project execution capabilities of Reliance combined with the experience of BSES will create value for millions of consumers by providing reliable and good quality power at competitive prices and achieving best-practice international standards of quality, safety and customer service.

Continued Leadership as India's No. 1 business group

During the year, Reliance consolidated its position as the largest business group in India, on all major financial parameters, including sales, profits, net worth and assets.

Contribution to Indian Economy

Reliance enjoys a pre-eminent position in India's economy with group revenues of nearly 3.5 per cent of India's GDP. The group's leadership position in India is also reflected in its all round contribution to the national economy.

The group contributes:

- 5 per cent of India's total exports
- 10 per cent of the Government of India's indirect tax revenues

RIL alone accounts for:

- 10 per cent of the total profits of the private sector in India
- 30 per cent of the profits of the entire corporate sector in India
- 7 per cent of the total market capitalisation in India
- Weightage of 15 per cent in the BSE Sensex
- Weightage of 12 per cent in the Nifty Index

One out of every four investors in India is a Reliance shareholder.

Export Performance

Reliance maintained its position as India's largest exporter. Reliance exported products worth US$ 2,424 million (Rs 11,510 crore) during the year, accounting for 18 per cent of its gross turnover.

Leadership rankings in all major businesses

Reliance enjoys global leadership rankings in all its major businesses.

- Reliance is India's largest private sector E&P player with nearly 290,000 sq kms of awarded exploration and production acreage, in 35 offshore and onshore, deep and shallow water blocks, including one in Yemen
- Reliance's 27 million tonne refinery at Jamnagar, which accounts for 24 per cent of India's refining capacity, is the world's largest grassroots refinery and the 5th largest refinery at any single location

Reliance is also the world's:

- 2nd largest producer of polyester fibre and yarn
- 3rd largest producer of paraxylene (PX)
- 5th largest producer of purified terepthalic acid (PTA), and
- 7th largest producer of polypropylene (PP)

In India, Reliance enjoys leading market shares for all its major businesses. Reliance has a market share of 51 per cent in polyester, 48 per cent in polymers and 78 per cent in fibre intermediates.

Operating Environment and Performance

FY 2002-03 began with the global economy still reeling in the aftermath of the 9/11 terrorist attacks. Uncertainties caused by geo-political tensions in various regions across the world further impacted the business environment and adversely affected global business confidence.

The interplay of these events resulted in very high volatility in international prices of major feedstock and commodities throughout the year.

Reliance has maintained its strong financial performance in these uncertain times. Reliance's world-scale operations, market leadership position, and continuing focus on productivity, cost reduction and efficiencies contributed to stability in Reliance's operating margins.

During the year, Reliance's major petrochemical plants operated at 111 per cent capacity utilisation and the refinery achieved an utilisation rate of 106 per cent.

Reliance's total production volume of oil & gas and petrochemicals, including toll conversion, touched 11.8 million tonnes, an increase of 3 per cent compared to the previous year.

Reliance's refinery processed 28.56 million tonnes of crude during the year.

Reliance produced 372,100 tonnes of oil and 716,700 MTOE of gas.

Financial Review

Reliance's gross turnover for the year ended March 31, 2003 increased to Rs 65,061 crore (US$ 13,701 million), compared to Rs 57,120 crore in the previous year, registering a growth of 14 per cent.

Gross turnover includes inter-divisional transfers of Rs 14,965 crore (US$ 3,152 million), compared to Rs 11,716 crore last year.

Domestic sales accounted for 82 per cent of gross turnover.

Manufactured exports, including deemed exports, increased to Rs 11,510 crore (US$ 2,424 million), from Rs 11,200 crore the previous year.

Operating profit (PBDIT) increased 8 per cent to Rs 9,366 crore (US$ 1,972 million) during the year, up from Rs 8,658 crore in the previous year.

Despite a volatile environment, the company maintained its operating margin at 13 per cent.

The operating margin factors in gains from higher volumes, higher degree of integration and value addition, greater focus on speciality products, continued focus on costs, productivity and efficiency; partially offset by higher crude prices and rupee appreciation.

Other income for the year stood at Rs 1,001 crore (US$ 211 million), mainly representing interest and dividend income.

Interest expenditure decreased 15 per cent to Rs 1,555 crore (US$ 328 million), caused by repayment / pre-payment / refinancing of higher cost long term debts and ongoing prudent financial and cash flow management.

Depreciation was at Rs 2,837 crore (US$ 597 million) compared to Rs 2,816 crore for the corresponding period in the previous year. The higher charge was on account of change in the method of depreciation of certain assets from straight-line method (SLM) to written down value (WDV) method and adoption of guidance note issued by the Institute of Chartered Accountants of India on Accounting for Oil and Gas Producing Activities. The incremental depreciation on account of the above was Rs 122 crore (US$ 26 million). Excluding the impact of these changes, there has been a reduction in the depreciation, primarily reflecting the impact of depreciation being charged on Written Down Value method on petrochemical plants.

Reliance's corporate tax liability for the year was Rs 246 crore (US$ 52 million), which was limited to the impact of the Minimum Alternative Tax (MAT). There was a deferred tax liability of Rs 624 crore (US$ 131 million) for the year.

Cash profits increased 7 per cent to Rs 7,565 crore (US$ 1,593 million) from Rs 7,055 crore in the previous year.

Net profit for the year recorded an increase of 45 per cent to Rs 4,104 crore (US$ 864 million) compared to net profit (excluding extraordinary gains) of Rs 2,831 crore for the previous year.

The profit for the year would have been higher by Rs 122 crore (US$ 26 million), had there been no change in the method of providing depreciation.

The paid up equity share capital of the company increased to Rs 1,396 crore (US$ 294 million), as a result of the merger of RPL with RIL.

Earnings Per Share (EPS) were Rs 29.3 (US$ 0.6) and Cash Earnings Per Share (CEPS) were Rs 54.0 (US$ 1.1).

A dividend of 50 per cent has been proposed, subject to the approval of shareholders. The dividend payout of Rs 788 crores (US$ 166 million) including dividend tax for the year, is the largest payout in the Indian private sector. The company has for the past 11 years consistently increased dividends.

Capital expenditure during the year was Rs 3,704 crores (US$ 780 million), primarily on account of normal capital expenditure and oil & gas activities.

Total assets increased during the year to Rs 63,737 crore (US$ 13,422 million).

Reliance contributed a total of Rs 13,210 crore (US$ 2,782 million) to the national exchequer in the form of various taxes.

Reliance's operations have helped India save precious foreign exchange amounting to Rs 24,392 crore (US$ 5,137 million).

Resources & Liquidity

Reliance continues to maintain its conservative financial profile, as reflected in both, its domestic and international ratings.

Reliance's long-term debt is rated 'AAA' from CRISIL, the highest rating awarded by the agency. FITCH Ratings India has also awarded 'Ind AAA' debt rating for the company, indicating the highest credit quality.

Reliance's international debt carries ratings of BB from S&P, and Ba2 from Moody's.

Reliance's short-term debt programme is rated P1+ by CRISIL, the highest credit rating that may be assigned to this category of instruments.

Reliance's gross debt equity ratio, including long-term and short-term debt as on March 31, 2003, is a conservative 0.6, despite the increase in total assets to Rs 63,737 crore (US$ 13,422 million).

The company's long-term debt as on March 31, 2003 stood at Rs 18,416 crore (US$ 3,878 million). Of this debt, 43 per cent represented foreign currency denominated debt.

Reliance's exports and foreign exchange denominated oil and gas revenues provide a cover of more than 25 times its annual interest obligations on foreign currency denominated debt.

Reliance funds its long-term and project related financing requirements from a combination of internally generated cash flows and external sources.

Reliance had issued over US$ 1.3 billion (Rs 6,000 crore) of debt securities in international capital markets since 1995, with maturities ranging from 7 years to 100 years.

Reliance bought back a total of US$ 273 million (Rs 1,297 crore) of its offshore bonds during the year. These were refinanced partly through internal accruals and partly through syndicated term loan facilities raised in Japanese Yen and Pound Sterling, leading to substantial savings.

Reliance has so far bought back and cancelled US$ 723 million (Rs 3,434 crore) of its bonds, which represents about 56 per cent of the total issued.

The average final maturity of RIL's total long-term debt is nearly 7 years. The average final maturity of the company's long-term foreign exchange debt is about 10 years.

Reliance continued to demonstrate flexibility and innovation to take advantage of declining interest rates in India. During the year, Reliance successfully refinanced rupee loans by issuing debt paper in the domestic market for Rs 2,690 crore (US$ 566 million).

Reliance meets its working capital requirements through commercial rupee credit lines provided by a consortium of

Indian and foreign banks. The credit lines are fixed annually and renewed on a quarterly basis. In addition, Reliance issues short term debt in the form of fixed and floating rate bonds in Indian Rupees.

During the year, Reliance borrowed foreign currency at low cost by way of buyer's credit, export credit, and FCNR-B loans, which substantially reduced short-term interest cost.

Reliance also undertakes liability management transactions and enters into other structured derivatives arrangements such as interest rate and currency swaps. This is practiced on an ongoing basis to reduce overall cost of debt and diversify liability mix.

RIL's current cash flow levels, for less than two years, are adequate to extinguish its entire net debt, reflecting its inherent financial strength and conservatism.

Business Review

Oil & Gas

India is an energy-starved country that depends on imports for nearly 70 per cent of its annual crude oil requirement. India's annual crude oil production is 32 million tonnes, far short of the annual consumption of 107 million tonnes. The remainder is imported, making crude oil India's single largest import item.

Similarly, India currently produces just 65 million standard cubic meter of gas per day (MMSCMD) while the demand is 151 MMSCMD, leaving a huge deficit of 86 MMSCMD. The demand for natural gas is expected to increase further to 231 MMSCMD by 2006-07.

At present, the public sector companies dominate the oil and gas industry in the country.

Oil and gas interests form a key operating division of RIL. Reliance believes it is in a position to greatly contribute to India's oil and gas needs and emerge as a leading player in the energy sector.

Reliance is the country's largest private sector Exploration and Production (E&P) player, with aggregate exploration and production acreage of nearly 290,000 sq km in 32 exploration blocks in India, and also one block in Yemen. Reliance is the operator in 30 domestic exploration blocks spanning East and West coasts of India.

Of these, 12 exploration blocks were awarded through a process of competitive international bidding under the first round of the New Exploration Licensing Policy (NELP-I), and 4 blocks were awarded in NELP-II. The Production Sharing Contracts with the Government for all these blocks have been signed. Reliance has recently won exploration rights for additional 9 blocks under the latest and third round, designated NELP-III, the Production Sharing Contracts for which have also been signed.

Two exploration blocks were awarded prior to NELP, where Reliance partners include ONGC Ltd. and Oil India Ltd. Reliance has also acquired operatorship in 3 exploration blocks from Tullow of UK and is in advanced stages of acquiring operatorship of 2 more blocks from Tullow.

Reliance also holds a 30 per cent interest in an unincorporated joint venture with British Gas and ONGC to develop proven oil and gas fields viz. Panna-Mukta and Tapti. British Gas has a 30 per cent share and ONGC the balance 40 per cent.

The Panna-Mukta fields currently produce over 26,000 barrels of crude oil and and 2.4 MMSCMD of gas. The Tapti field produces 5.4 MMSCMD of gas, and during the year produced around 72 billion cubic feet of gas.

	2000-01	2001-02	2002-03
Oil (tonnes)	418,000	411,000	372,100
Gas (MTOE)	688,000	666,500	716,700

During the year, Reliance discovered natural gas in the very first exploration well it drilled in the deep-water exploration block KG-D6 in the Krishna-Godavari basin off Andhra Pradesh coast. The discovery has been named "Dhirubhai". This reserve is among the largest strikes in the world in 2002-03. Preliminary estimates of in-place reserves are placed at more than 10 trillion cubic feet of gas. Work has begun for production of gas from this block.

This significant success was the result of an aggressive schedule. It took mere 20 months from Reliance receiving the exploration license to the discovery of natural gas, the first ever by an Indian private sector company. The reserves will escalate Reliance to the league of integrated global energy conglomerates.

Reliance has since successfully drilled eight wells all of which have struck gas. Development, production and marketing plans are being aggressively chalked out. The discovery is a major step towards reducing India's vast demand-supply gap in energy. The discovery will enhance energy security for India and trigger higher levels of economic growth and development. In turn, this will lead to greater national energy security.

Reliance sees considerable promise in the exploration acreage held by it and expects the share of oil and gas revenues to consistently increase in its overall business portfolio. To that end, Reliance is deploying state-of-the-art technology for the project, covering activities such as seismic studies, processing and interpretation of data, and drilling. Reliance has also initiated new exploratory drilling on the West Coast.

Refining & Marketing

Indian petroleum refining and marketing (R&M) industry has been dominated by the public sector companies. India has 17 refineries, predominantly located in the west and south of the country. The aggregate capacity of these refineries is 116 million tonnes a year, according to the latest published industry data.

Reliance's refinery in Jamnagar is the first and the only refinery to be set up in the private sector in India, after oil sector reforms were initiated. The Jamnagar refinery, set up with an annual capacity of 27 million tonnes, is the 5th largest refinery in the world at any single location and accounts for 24 per cent of India's refining capacity.

The FY 2002-03 represented a landmark year in the history of India's petroleum industry. From April 1, 2002, the Administered Price Mechanism (APM) that prevailed for nearly three decades was dismantled. The retail prices of transportation fuels are now market determined. The oil pool account has been dismantled and the deficit in the account settled by issuing oil bonds to public sector oil marketing

companies. Liquified petroleum gas (LPG) for domestic use and Kerosene sold through the public distribution system will continue to be subsidised. It is expected that this subsidy will be phased out over the next 3-5 years.

Through a Gazette Notification, the Government of India has authorised any company investing or proposing to invest Rs 2,000 crore (US$ 400 million) in exploration & production, refining, pipelines or terminals, to market transportation fuels.

The international industry environment continued to be characterised by extreme price volatility throughout the year. This was precipitated by major events such as the general strike in Venezuela leading to "Force Majeure" on crude oil and product exports by the country's State Oil Company, the war in Iraq and ethnic clashes in Nigeria.

Tension in the Middle East kept crude prices high throughout the year, well above US$ 25/bbl. The Marker crude prices fluctuated between US$ 23.3/bbl to US$ 30/bbl for Dubai, US$ 24.1/bbl to US$ 30/bbl for Dated Brent and US$ 25.5/bbl to US$ 35.7/bbl for WTI during the year.

In March 2003, tension in the Middle East was heightened with the launch of an attack on Iraq by Coalition forces. Energy security issues have gained prominence in the wake of these developments. The importance of Reliance's refinery, which accounts for 24 per cent of India's refining capacity, has once again been highlighted in the crucial aspect of the national energy security.

During the year, the relative strength of product prices over crude helped in strengthening refining margins. This was also supported by depletion of product inventories and discretionary throughput cuts in certain regions.

The domestic demand for petroleum products during the year ended March 2003 was provisionally placed at around 102 millon tonnes, showing a growth of about 1.4 per cent. The two-year negative growth trend in demand for high-speed diesel (HSD), which accounts for nearly 40 per cent of the total consumption of petroleum products has been arrested.

During the year, HSD demand registered a marginal growth of 0.6 per cent, against a drop of 3.4 per cent in the previous year. LPG and MS consumption increased as well, and registered near double-digit growth rates of 11.7 per cent and 8.6 per cent respectively during the year. Naphtha consumption declined 9.9 per cent, while kerosene consumption fell by 4.2 per cent.

During the year ended March 2003, Reliance's refinery undertook its first ever planned shutdown of certain units, since it began commercial operations in April 2000. Opportunities were taken to coincide this planned shutdown with the first phase of the Yield and Quality improvement program, which will enable the refinery to gain further flexibility in processing different varieties of crude, capture product quality premiums in international markets, and operate at increased capacity.

All refinery units where planned shutdown was effected are now operating satisfactorily. Moreover, despite the shutdown, the refinery achieved a capacity utilisation of 87 per cent in the third quarter of FY 2002-03. Capacity utilisation increased to 116 per cent in the fourth quarter. For the full year ended March 2003, the refinery operated at 106 per cent capacity utilisation, which compares favourably with the capacity utilisation rates for other refineries both in India and abroad- 89 per cent for North America, 86 per cent for Europe and 86 per cent for the Asia-Pacific region.

	2000-01	2001-02	2002-03
Crude Processed (million tonnes)	25.7	28.96	28.56
Capacity utilisation	95%	107%	106%

Reliance exported 6.57 million tonnes of refining products during the year under review, compared to 8.63 million tonnes during the corresponding year-ago period.

During the year, Reliance sold 59 per cent of its refinery production in the domestic market, of which 76 per cent was sold to public sector oil marketing companies. Reliance's captive consumption accounted for 17 per cent and the remaining 24 per cent of refined products was exported across the world.

During the year, Reliance finalised product off-take arrangements with three public sector oil marketing companies, IOC, HPCL and BPCL for about 13 million tonnes per year of LPG, MS, SKO and HSD for a period of two years beginning April 1, 2002.

Reliance proposes to enter into retail marketing of transportation fuels through developing its own distribution and marketing infrastructure and / or aquisition of marketing and distribution assets. In May 2002, Reliance received approvals for setting up of about 5,800 retail outlets, and work has already begun for setting up these outlets in phased manner.

As part of the ongoing process of disinvestment of Public Sector Companies, the Indian Government has invited Expressions of Interest (EOI) for disinvestment through strategic sale of its stake in HPCL, an integrated R&M company. Reliance has submitted its EOI for the disinvestment of 34 per cent stake in HPCL, which the Government of India proposes to sell to a strategic investor.

This downstream integration combined with world-class retail value and customer experience will enhance long-term shareholder value.

Petrochemicals

Polymers (PP, PE & PVC)

Polymer consumption in India remains one of the lowest in the world at 4 kg per person/year, which is much below consumption levels in developed countries like USA, which has a consumption of 115 kg per person/year. India's consumption is only around 1/5th of China's consumption of 20 kg per person/year. The World per capita consumption is estimated to be 24 kg and that of Asia 13 kg per person per year.

Overall demand of resin in the downstream processing industry decreased by 5 per cent during the year to 2.88 million tonnes, reflecting the impact of general slowdown in the economy and price volatility witnessed by the polymer industry during the year.

(Production in tonnes)

	2000-01	2001-02	2002-03
Polymers	1,541,000	1,702,000	1,769,000

The overall operating rate of Reliance's polymer plants was 114 per cent during the year. Significant increase was achieved in PE, where production grew by 17 per cent during the year. Also, during the year, additional capacity for PP was created through debottlenecking at Jamnagar to effectively take production capability to 1.16 million tonnes per annum.

During the year, IPCL's manufacturing and business activities were fully integrated with Reliance. This involved seamless integration of all functions between the two companies. The process of integration allowed optimal use of manufacturing resources at both the companies employing diverse technologies for different products and optimisation of marketing infrastructures at all locations. This enabled substantial benefits to both Reliance and IPCL.

With the acquisition of IPCL, Reliance has been able to substantially expand its PE product portfolio that now includes conventional low-density polyethylene (LDPE), which has niche application areas. The aggregate production capacity of PE with this acquisition has increased to about 1.0 million tonnes per annum. The full range of PE products are now available from one source. PE is now produced employing 5 different technologies at 4 different sites in various grades covering a wide range of end-use applications. Supplies to customers are carried out directly from these sites, as well as through the vast distribution network ensuring ready availability even at remote locations.

To further strengthen its presence in the export market, Reliance opened new offices in Indonesia and Turkey during the year.

During the year, Reliance set up the Polymer Pipe Business to take advantage of the world-class pipe-manufacturing infrastructure at Hazira and to develop the polyolefin pipe market in the country. In September 2002, Reliance launched the 'Relpipe' brand of high-density polyethylene (HDPE) pipes and joined the select band of polymer pipe manufacturers in the world.

Through speciality product development initiatives, the company also introduced a multi-layer co-extruded HDPE pipe with extra smooth inner surface, under the trademark 'Xflo', which enables substantial energy savings in pumping water to homes and fields.

'Relpipe' is well accepted by the market, and Reliance is helping to set new standards of pipe quality and reliability. This is in keeping with Reliance's best-practice corporate policy of innovation, research and development to benefit the consumer.

Polyester (PFY, PSF & PET)

With the year 2005 approaching, the end of quotas for textile products is in sight. Companies operating various elements of the textile chain are preparing to face the challenges of a new and more dynamic world textile industry in the quota free regime.

Reliance, an integrated polyester manufacturer with global economies of scale, further consolidated its position in the global polyester industry during the year. Reliance remains the world's second largest polyester fibre and yarn manufacturer.

India's textile industry too is preparing to face the post quota regime in 2005. The Government of India has proposed major fiscal changes in the latest Union Budget to boost this effort. These are:

- Rationalisation of duty structure among various fibres used in textiles
- Completion of the CENVAT chain in the textile industry
- Reduction of import duty for important textile manufacturing machines

These measures will increase consumption of textile fibres of all types and consolidate textile-manufacturing processes in the country.

Reliance is also addressing the requirements of a quota-free textile world. During the year, Reliance expanded its filament yarn and staple fibre capacity, and launched many new specialised products to cater to the needs of the textile industry.

In India, the demand for polyester fibre yarn (PFY), polyester staple fibre (PSF) and polyethylene terephthalate (PET) touched nearly 1.5 million tonnes during the period under review, reflecting a 10 per cent growth over the previous year. Reliance continued to be the largest manufacturer of these products and maintained its leadership position with a market share of 51 per cent.

During the year, Reliance's total polyester production volume increased by 5 per cent to 851,000 tonnes. New capacities of 50,000 tonnes per year of filament yarn and 40,000 tonnes per year of staple fibre were commissioned in the last quarter of FY 2002-03. These capacities were commissioned ahead of schedule and within the budget. Being the first full year of operations for these new capacities, the current year will see substantial addition to total production volume.

Last year, Reliance had announced an expansion of PET capacity from 80,000 tonnes a year to 300,000 tonnes a year by building the world's first plant based on DuPont's revolutionary NG-3 technology. This expansion project is going ahead on schedule and is expected to be commissioned in the current financial year.

The domestic market for bottle grade PET resin is growing at more than 25 per cent a year. During the year under review, Reliance launched speciality bottle grade resins that improve productivity of downstream industry through reduction in energy consumption and improvement in product performance.

(Production in tonnes)

	2000-01	2001-02	2002-03
Polyester	725,000	812,000	851,000

The period under review was also the first full year of operation for the Lycra® business. Reliance has made major inroads in developing new Lycra® based products and also introduced Lycra® to traditional textile companies. Lycra® is the most widely used stretch fibre and is a registered trademark of DuPont. It is mostly used in the manufacture of comfort fabric in sports wear, innerwear and other apparels.

Some of the new products launched this year are Recron® Cotluk (provides cotton look and feel to polyester), Recron® Stretch (stretches according to body movement), Recron® Dyefast (reduces dyeing cost for processors) and super speciality products like flame retardant and moisture management products. These products are sold at a premium

and are expected to increase the profitability of the company in future.

Retailing being one of the thrust areas, Reliance provided necessary support to Recron® fibrefill pillow manufacturers to launch certified pillows with the objective of providing comfort at an affordable cost. More customer friendly fibrefill products developed by a new in-house R&D centre will be launched in the near future.

Polyester Intermediates (PX, PTA & MEG)

Reliance is the world's 3rd largest producer of paraxylene (PX), and is the largest producer of purified terepthalic acid (PTA) in India. Reliance is the largest manufacturer of polyester intermediates in India with overall market share of 78 per cent.

Reliance is the only producer of PX, while there are 2 PTA and 4 mono ethylene glycol (MEG) producers in the country.

During the year, production of the domestic polyester intermediates industry grew by 9 per cent. Demand for fibre intermediates grew in line with polyester demand at 10 per cent.

Reliance's production volumes for fibre intermediates (PX, PTA and MEG) crossed the 3 million tonnes mark, registering a growth of 7 per cent. The captive consumption of polyester intermediates was over 50 per cent during the year.

(Production in tonnes)

	2000-01	2001-02	2002-03
Polyester Intermediates	2,833,000	2,882,000	3,075,000

Cracker Products

Reliance operates a grassroots multi-feed cracker at its Hazira petrochemicals complex. The cracker is among the largest in the world. During the year, Reliance's ethylene production grew by 5 per cent and propylene production grew by 6 per cent over the previous year.

(Production in tonnes)

	2000-01	2001-02	2002-03
Ethylene and Propylene	1,094,000	1,127,000	1,185,000

Reliance has announced plans to increase its cracker capacity by 33 per cent to 1 million tonnes a year. This will be achieved through debottlenecking.

With the acquisition of IPCL, synergies across RIL and IPCL in the field of intermediate streams were exploited to increase value in both companies. Reliance's Hazira cracker provided an abundant source of supplementary feedstock to IPCL at Vadodara and facilitated IPCL to optimise the production of high value products, especially in the C4 chain.

Production of Benzene, Toluene and other by-products was consistent with feedstock characteristics. Naphtha feedstock from Reliance's refinery at Jamnagar was optimised to enhance overall cracker productivity.

Reliance registered a collective growth of 23 per cent in Benzene production, mainly on account of process improvements at Jamnagar. Reliance maintained its leadership position in the domestic market with a share of over 50 per cent. During the year, Reliance exported nearly 23 per cent of Benzene to Styrene manufacturers in South East Asia, Europe and the US, which reflects the global quality and acceptability of its product.

Reliance produces premium grade Toluene at Hazira, suitable for producing toluene di-isocyanate, benzoic acid and chloro toluenes. The acquisition of IPCL also provided an opportunity to upgrade low value impure intermediate streams at IPCL into saleable products. This resulted in 13 per cent growth in Toluene production over the previous year.

LPG Business

During the year, Reliance's Hazira cracker produced 171,800 tonnes of LPG that meets Bureau of Industrial Standards (BIS) specifications.

During the year, Reliance increased its LPG production capacity by commissioning a LPG separation unit at its paraxylene plant at Patalganga. This unit with an installed capacity of 58 tonnes per day separates high value products such as propane and butane from the fuel gas stream. This new unit produced 15,000 tonnes of LPG during the year.

Since the launch of 'Reliance Gas' in 1998, an established customer base of over 8.5 lakh for the packed LPG is now a reality in the states of Maharashtra, Gujarat, Madhya Pradesh and Rajasthan. Nearly 65 per cent of these customers are in rural areas, which include enclaves with a population of less than 5,000. The distribution network of 117 well-trained distributors and 5,100 distribution outlets provides unmatched customer support.

(Sales in tonnes)

	2000-01	2001-02	2002-03
LPG	158,600	172,350	190,700

Chemicals

Reliance is the largest producer of linear alkyl benzene (LAB) in the country. The acquisition of IPCL, which has a LAB capacity of 43,500 tonnes during the year, strengthened the leadership position of Reliance in India.

Reliance is the most competitive producer of LAB in the country owing to its economies of scale, backward integration and proximity to markets. The revival witnessed in the domestic detergent industry during the year augurs well for the growth prospects of LAB - the surfactant widely used in all types of detergent formulations.

During the year, Reliance exported about 35 per cent of its LAB production across South-East Asia, the Middle East, Europe and Latin America.

Reliance is also the country's largest producer of Normal Paraffin, accounting for 37 per cent of domestic production during the year. Reliance produces three different grades of paraffin, which are primarily used by the domestic chlorinated paraffin wax (CPW) industry and producers of various industrial oils.

(Production in tonnes)

	2000-01	2001-02	2002-03
LAB and Normal Paraffin	233,000	232,500	233,200

Textiles

Reliance's Textile Complex at Naroda, Gujarat is one of India's largest and most modern textile complexes. Reliance textile products are sold under the brand names of *Vimal, Harmony, Reance, RueRel, Slumberel* and *V2.* Reliance's flagship brand *Vimal* is one of India's largest selling brands of premium textiles.

The Textile Division's R&D cell developed many new products such as polynosic blended high value fabrics; high performance shrink-resist machine washable wool blended fabrics; and light-weight, wash-fast, flame-retardant knitted net fabrics. The R&D also developed new processes such as optimisation of disperse dyeing cycle using rapid disperse dyes, and substitution of transfer printing on knitted velour. R&D efforts of the Textile Division are aimed at continually developing cost-efficient processes and new product lines to remain competitive.

Textile division consolidated its position further in key markets like Europe, USA, Far East, Middle East, etc. Besides continuing the thrust on exports, an attempt was made during the year to sell directly to the final consumer in the form of pre-cut, pre-packed goods. This category of goods was sub-branded as V2. Going by the enthusiastic response, efforts will be made to introduce more such cash & carry products. This activity is aimed at compressing the business cycle and, countering the longer credit regime prevalent in the textile business.

The annual Harmony Show organised by Reliance's textile division serves as a platform to launch young talent, and brings to the art lover a wide representation of contemporary Indian art. The eighth Harmony Show in April 2003 displayed works of 125 artists selected after a now-established deluge of nominations from across the country.

Last year's Show provided a catalytic platform to 'Aseema', a non-governmental organisation engaged in the rehabilitation of street children. With Harmony's active co-operation and considerable contribution in renovating and refurbishing key areas, the children at Aseema can today walk into a school that is bright, cheerful and healthy. The Harmony Show continues its support of Aseema in rehabilitation of street children and in the mission to uphold every child's right to education.

Opportunities

Reliance has a promising portfolio of business assets, requisite financial strengths and project execution capabilities to capture new growth opportunities. In the upstream petroleum sector, the key to success will lie in the ability to identify, access and focus on opportunities that offer material and superior returns. Reliance is confident it has chosen the right path and that its progress in exploration and production underscores sound judgement.

The retail marketing of petroleum products will represent a significant part of Reliance's future overall operations as the sector is being opened up for private competition. Reliance's strategy in this business area is to maximise the commercial value of the company's refined petroleum products by building markets and adding value.

Reforms in the domestic hydrocarbon sector, including the proposed strategic sale of HPCL, present an opportunity for Reliance to consolidate and expand its interests.

Domestic demand in most Reliance products has registered double-digit growth levels for the past several years. This trend of long-term demand growth is expected to continue given low per capita consumption and economic growth that is generally forecast to grow by 5-6 per cent a year over the next few years. This augurs well for the existing business portfolio of Reliance and provides impetus for value-addition.

Reliance's demonstrated global competitiveness and international quality of products and its superior logistic capabilities, provide immense opportunities in global markets. Reliance will continue to pursue these opportunities while maintaining its focus on domestic markets.

Reliance will address new opportunities by leveraging its existing market leadership position and its demonstrated strengths of conceptualising and implementing large, complex projects, flexibility in financing, and a growing pool of in-house intellectual capital resources.

In addition, Reliance is harnessing attractive opportunities for profitable growth in new areas of interest such as power and infocom, through its interests in BSES and Reliance Infocomm.

Reliance's overall strategy is to enhance shareholder value by achieving superior returns from a distinctive set of opportunities through a disciplined approach to long-term investment growth.

Challenges

In the oil & gas E&P business, Reliance faces the challenge of undertaking a comprehensive development programme spanning an area of nearly 290,000 sq km encompassing onshore and offshore, shallow and deep-water blocks. Reliance is working with leading international technology and service providers for accomplishing its objectives in this business. Moreover, the recent from-scratch success achieved in a deep-water block, the first ever by an Indian private sector company, will boost exploration efforts.

Reliance faces the challenge of normal market competition from domestic as well as international companies in its existing businesses of petroleum refining and manufacture of petrochemicals. Even under volatile and difficult global operating conditions, Reliance has consistently recorded superior performance. It is expected that the company's sound business strategies, strong customer franchise, high quality of products and globally competitive cost positions will continue to enable it to consolidate leadership in the domestic market while strengthening its position in the global arena.

Following the deregulation of India's petroleum retail marketing business, Reliance is setting up state-of-the-art retail outlets of its own to reach out to customers across India. While public sector oil companies enjoy an advantage of existing distribution infrastructures for retail marketing of petroleum products, Reliance intends to leverage its organisational strengths to establish an appropriate retail-marketing network. This will provide an opportunity to expand and further integrate the energy value chain.

To remain competitive and enhance overall shareholder value, Reliance has consciously pursued the strategy of moving up the value chain in all its businesses. This strategy is expected to provide a competitive edge in the market and enhance margins.

Outlook

Reliance's overall operating earnings presently depend largely on the profitability of its refining and petrochemicals businesses, the core of its business portfolio. Both these businesses being global in nature, the outlook for margins and profitability depends upon overall global economic outlook, global demand-supply scenario and trends in feedstock and product prices.

Reliance continuously works towards honing its competitive strengths and consolidating customer relationships so that the company outpaces the competition and remains amongst the most profitable companies globally.

Any upturn in the petrochemicals cycle, as and when it occurs, can significantly enhance Reliance's profitability, given its scale of operations and globally competitive cost positions. However, unprecedented volatility and/or firmness in key raw material prices, as a result of geo-political and/or economic events, can have an adverse impact on margins and profitability of the company.

The petrochemical business is expected to grow broadly in line with industry trends over the medium to long term. Various possible routes such as low gestation capacity expansion, cost efficient debottlenecking, and/or attractive acquisitions at competitive costs, will be explored to achieve higher production volumes.

During the year, the Company carried out the first phase of a Yield and Quality improvement program at its refinery, which will offer further flexibility in processing different varieties of crude. This will enable Reliance to capture quality premium in international markets and to operate at increased capacity.

Reliance's proposed entry into retail marketing of transportation fuels through development of its own distribution and marketing infrastructure and acquisition of marketing & distribution assets, if any, combined with a world-class retail customer experience will achieve downstream integration. This process will also add a new revenue stream to Reliance's existing business portfolio and enhance long-term shareholder value in the coming years.

Reliance is making significant E&P investments in a well-balanced and promising portfolio of oil and gas properties in India. A focused exploration effort is being carried out to capture additional growth opportunities. The Company anticipates an increase in oil and gas output over the coming years from ongoing projects. The oil & gas business has the potential to provide a higher contribution to Reliance's overall business profile, in the medium to long term.

Reliance's interests in Reliance Infocomm, and the acquisition of IPCL and BSES have the potential to generate significant value for shareholders, in the medium to long term.

Risks and Concerns

Petroleum and petrochemical products are internationally traded commodities and their prices are subjected to global market forces of demand-supply and other factors that influence price volatility. With these two businesses presently accounting for the major proportion of Reliance's revenues, changes in global price levels have an impact on the Company's performance.

However, Reliance has historically been resilient to the fluctuations of economic and industry cycles/downturns. Reliance's high levels of integration, globally competitive operations and domestic leadership position have helped the company in mitigating the adverse impact of generic industry risk factors. The Company's conscious efforts on maintaining a judicious mix of markets for its sales and thrust on speciality products have also proved to be effective.

The impact of import tariffs on Reliance's major products have significantly reduced over the past decade. According to current expectations, the impact of any further import tariff reduction on Reliance products is unlikely to be material in the future, as import tariffs are already at or close to target levels announced by the Government.

Since the early 1990s, successive Indian governments have pursued policies of economic liberalisation, including significant reduction in restrictions on the private sector. However, the role of government in the economy remains significant. There is a risk that the pace of liberalisation and the reforms process could change, and specific laws and policies affecting companies, including Reliance, could change as well.

Foreign exchange rate volatility has an impact on the business of the Company and on foreign currency debt held by the Company. Reliance undertakes liability management transactions and other structured derivatives such as interest rate swaps and currency swaps on an ongoing basis, to hedge and diversify its foreign exchange liability.

Growing foreign exchange reserves over the past several years have lent stability to India's currency, thus minimising potential for adverse impact caused by any unfavourable foreign exchange rate movements. The company's growing export revenues, and foreign exchange denominated oil and gas revenues, provide more than sufficient cover for its annual external debt service obligations.

As part of its overall risk management strategy, Reliance consistently insures its assets and operations against a wide range of risks. Reliance also adopts appropriate technologies, manufacturing practices, HRD policies, and a suitable HSE framework to manage potential operational risks.

Adequacy of Internal Controls

An extensive system of internal controls is practiced by Reliance to ensure that all its assets are safeguarded and protected against loss from unauthorised use or disposition, and that transactions are authorised, recorded, and reported correctly.

The Company has an internal control system that is geared towards achieving efficiency in operations, optimum utilisation of resources, effective monitoring, and compliance with all applicable laws and regulations.

An extensive programme of internal audits, reviews by management, and documented policies, guidelines and

procedures, supplements the internal control systems that are designed to ensure reliability of financial and all other records to prepare financial statements and other data, and to maintain accountability of assets.

The effectiveness and efficiency of Reliance's internal control systems have improved with the implementation of SAP/ R3 financial and business management systems, which provide a high level of system-based checks and controls.

Reliance has robust and independent internal audit systems to monitor the entire gamut of operations and services spanning all locations, businesses and functions, on a regular basis. Internal audit includes evaluation of all financial, operating and information technology system controls. In addition to the in-house team, several leading national and international professional firms are on Reliance's internal audit panel. Top management and the Audit Committee of the Board review the findings and recommendations of the internal audit panel.

Reliance Telecom

Reliance Telecom Limited (RTL) is promoted by the Reliance Group.

The Company has two divisions - Basic and Cellular telephony services. The company has filed an application with the Ahmedabad High Court for demerger of its Basic Services in Gujarat with effect from March 6, 2003. The approval from the Court on the scheme of demerger is awaited.

RTL provides cellular services, using GSM standard, in 7 telecom circles encompassing 15 states of India. RTL has met its rollout obligation by covering 50 per cent of District Headquarters in 5 applicable circles. The total subscriber base was over 5,40,000 at the end of the year under review, registering a year on year growth of 42 per cent.

RTL's financial performance marked a significant improvement over the previous year, and cash generation of over Rs 100 crore was used to meet its capital expenditure obligations besides repayment of its existing loans.

During the year, the Government permitted cellular operators to expand operations in Assam and North East circles. RTL is planning to expand services in commercially viable areas in this region.

RTL has commenced national roaming facility with all domestic operators and will soon be commencing international roaming facility covering all major countries.

Reliance Infocomm

In December 2002, Reliance Infocomm ushered a digital revolution in India. The company's catchline 'A New Way of Life' reflects the dream of Reliance Founder-chairman Dhirubhai Ambani to place the power of information and communication in the hands of common people at an affordable cost.

Reliance Infocomm has created an overarching digital infrastructure using state-of-the-art technology on the strength of a 60,000 km terabit capacity optic fibre network linking more than 600 cities and towns in India. The goal of Reliance Infocomm is to progressively expand its optic fibre network and eventually cover 116,000 km, with the ability to seamlessly connect every individual, home, and office in all 640,000 villages and 2,500 towns and cities of India.

Reliance Infocomm will offer revolutionary data, video and value-added services in the largest and most complex rollout in the global history of information technology and communication. The services are being launched in three phases.

The first phase will trigger a mobile revolution in the form of Reliance India*Mobile* services through a nationwide wireless network that will reach out to 90 per cent of India's population. Eventually, the communication wave will reach every Indian. This revolution will enable every individual to talk, shop, bank, transact, entertain and be informed, while on the move.

The second phase will usher an enterprise netway revolution by initially providing 100 mbps Ethernet links to every desktop and device in half a million enterprise buildings. This will eventually extend to 10 million buildings. This revolution will empower every enterprise by making transactions efficient, functions seamless and new economic opportunities abundant.

In the third phase, Reliance Infocomm will launch a consumer convergence revolution by providing high speed Ethernet links to 80 million homes initially and eventually to every home. This revolution will provide every home with a range of television channels, high-speed telephony, audio conferencing, video conferencing and video on demand.

The Reliance India*Mobile* service is revolutionalising the mobile experience of Indian consumers by offering a host of applications on the mobile phone such as enhanced messaging in Indian languages, email access, Internet surfing, access to real time political, financial and sports news, games and video streaming. The service enables users to send text messages in Indian languages, access their email and other Internet accounts, surf the net at speeds of up to 144 kbps, be the first to get breaking news, view clips from the latest movies and experience many other exciting applications.

The Reliance India*Mobile* service is available only on CDMA 2000 1X handsets especially imported by Reliance. These are light, sleek, Java enabled, multi-media ready phones with polyphonic sound, and with features like 3-way conferencing, call forwarding, in-built phonebook memory, special lifestyle features such as organizers, calendars, world clock and lithium ion battery for long talk time.

The Reliance India*Mobile* service has created a new benchmark in customer acquisition in the communications industry by signing up over one million subscribers in just ten weeks of opening its offer only from 111 cities.

Further, Reliance India*Mobile* has captured nearly 60 per cent of the incremental post-paid market or 25 per cent of the total postpaid segment, all in a matter of just ten weeks.

Reliance Industries is the lead investor in Reliance Infocomm. The overall capex for Reliance Infocomm has been estimated at Rs 18,000 crore (US$ 3.5 billion) compared to the initially announced Rs 25,000 crore (US$ 5 billion). The revision is attributed mainly to the sharp fall in telecom equipment costs globally. Despite downward revision in capex estimates, the overall scope of the infocom project has increased.

Power Initiatives - BSES

During the year, BSES Ltd became part of the Reliance Group. This marked the beginning of a new relationship and signalled another step in fulfilling the vision of Reliance's founder and visionary Chairman Dhirubhai Ambani to establish Reliance as India's fully integrated energy company with interests in oil and gas exploration and production, refining and marketing of petroleum products, petrochemicals and power generation, transmission and distribution.

Following the second open offer to BSES shareholders made by Reliance in a fair and transparent manner under SEBI Takeover Regulations, the equity stake of Reliance in BSES has increased to over 58 per cent, making it the single largest shareholding group in the company.

Reflecting the philosophy of Dhirubhai, BSES aims at a leadership role in creating world-class power infrastructure in the country in pace with regulatory changes and reforms in the power sector. The proven management skills and established project execution capabilities of Reliance combined with the experience of BSES will create value for millions of consumers by providing reliable and good quality power at competitive prices and achieving best-practice international standards of service, quality, safety and customer service.

BSES, with its corporate lineage going back to 1929 is a utility engaged in the generation, transmission and distribution of power in suburban Mumbai, major part of Orissa and Delhi. BSES presently supplies over 15 billion units of power to over 5 millions customers, and is ranked among India's top 25 listed private sector companies on all major financial parameters.

BSES generating plants include a 500 MW coal-fired power station at Dahanu near Mumbai, a 220 MW gas-fired power station at Samalkot near Visakhapatnam and a 165 MW naphtha-fired power station at Kochi. While the power from Dahanu is entirely consumed in BSES' distribution grid in Mumbai, Samalkot and Kochi plants supply power to State Electricity Boards in Andhra Pradesh and Kerala.

India is a power deficient country with an average energy shortage of about 7 per cent of total energy requirement and peak shortage of 12 per cent of peak capacity requirement. The power sector capacity in the country is dominated by State (60 per cent) and Central utilities (30 per cent) with private sector contribution being very small (10 per cent). The installed generation capacity in the country at present is about 105,000 MW with an adverse thermal: hydel mix.

Apart from capacity shortage, the power sector in the country is plagued by high transmission and distribution losses, lack of grid discipline, excessive workforce, ageing transmission & distribution systems, and lack of commercial orientation. This resulted in aggregate losses of State Electricity Boards in the year 2001-02 touching a worryingly high Rs 24,000 crore. However, the situation is beginning to change with reforms at all levels introduced by State governments and the Central government.

The Central Government has introduced a New Electricity Bill in Parliament, which seeks to consolidate various central and state legislations in the electricity sector, free the sector from controls, and introduce competition in generation, tranmission and distribution of power for the benefit of consumers. The enactment of the Bill will catalyse the reform process and facilitate the emergence of a strong and vibrant power sector in the country.

Energy Conservation

Reliance has a comprehensive policy on energy conservation. During the year under review, innovative energy conservation was practiced at all manufacturing locations. Better operating practices, improved operating efficiencies, optimum utilisation of resources, increased automation, introduction of advanced controls, new techniques, and higher capacity utilisation, among other methods brought about significant reduction in consumption of primary fuels.

The Hazira complex has shown a consistent reduction in energy consumption per ton of product. This is detailed below:

	2000-01	2001-02	2002-03
Fuel MMkcal / MT	2.20	2.19	2.12

Fuel consumption and loss as a percentage of crude processed is a parameter of specific energy consumption in refinery operations. Jamnagar has shown a marginal increase in percentage fuel and loss on crude processed for the current year due to the turnaround in Dec 2002.

	2000-01	2001-02	2002-03
Fuel Loss on crude processed	10.66 %	9.99 %	10.07 %

In the area of renewable energy, a digester unit based on technology supplied by the Sardar Patel Renewable Energy Research Institute was set up in ETP for producing biogas from canteen waste. The biogas is utilised as fuel in the DTA vaporizer of the polyester complex.

During the year, Jamnagar refinery participated in many benchmarking studies to redefine its objectives for energy conservation. Solomon Associates carried out benchmarking study for the Jamnagar refinery in 2002 and the energy intensity index improved from 69.5 per cent to 66.1 per cent. The refinery also participated in the benchmarking study of Shell in 2002 and its energy and loss index improved further from 94.3 per cent to 88.7 per cent.

Reliance's energy conservation efforts yielded many awards to its manufacturing sites during the year:

- "National Energy Conservation" award from the Ministry of Power, Government of India for the year 2001- 02 to both Patalganga and Hazira complexes
- Confederation of Indian Industries (CII) "Energy Efficient Unit" award for the year 2001-02 to Patalganga complex
- Petroleum Conservation Research Association Award (PCRA) to Hazira complex for its "exemplary work in energy conservation" for the third consecutive year in 2001-02
- Third consecutive CII award for "Excellence in Energy Conservation" to Hazira complex in 2001-2002

Research and Development

Research and Development (R&D) activities are an integral part of Reliance's overall operations and are directed towards the corporate objective of growth and excellence.

FY 2002-03 saw a surge in Reliance's R&D efforts across various manufacturing sites and research centres.

The R & D centre at Hazira achieved major breakthroughs in polymers. These initiatives have culminated in five international patents, which are in the process of being filed.

- Catalysts processes and performance improvements for PP
- Process development of inorganic support for polyolefin catalysts
- Development of bifunctional aliphatic donors for polyolefins catalysts
- Low cost antipolymerant for naphtha cracking

Reliance continues to pursue various programmes at National Chemical Laboratory (NCL), Pune under the Research Alliance Agreement (RAA); one of the programmes designed to develop nucleating agents for polypropylene from bio-diversified resources in India has resulted in 3 joint (RIL-NCL/ CSIR) patents.

Reliance has recently entered into an agreement under the New Millennium Indian Technology Leadership Initiative (NMITLI) alongwith the Council of Scientific & Industrial Research (CSIR) for developing breakthrough technology in key areas from laboratory to commercial scale. Reliance will be offered the first right to the IPR for commercial development. The key areas are:

- Functionalisation of alkanes involving acetic acid and ethylene from ethane, vinyl chloride monomer from ethane, detergent alcohol from C11-13 alkanes
- Lactic acid and lactic acid-based polymers to make value added polymeric materials from renewable resources

Reliance continues to sponsor and participate in various R&D efforts at premier institutes in India and abroad including the Indian Institute of Technology, Mumbai; Jawaharlal Nehru Centre for Advanced Scientific Research, Bangalore; MBT, Pune; National Chemical Laboratories; University of Massachusetts, USA; and Polymer Institute Brno, Czech Republic.

For the first time in India, outsourced programme at MBT Pune has resulted in coveted international publication elucidating combinatorial chemistry application in Catalysis.

At the Reliance Technology Centre (RTC) pilot plants are being set up to develop differentiated polyester products. These plants would have facilities to study batch polycondensation, continuous polycondensation and spinning.

At the Patalganga complex, innovative ideas in process development resulted in major achievements. The highlights include:

- In-house development and implementation of LPG recovery scheme from off-gases in the paraxylene plant
- Development and implementation of energy optimization scheme in the Tatoray section of the paraxylene plant using PINCH technology
- Process development for water and catalyst recovery from mother liquor in the PTA plant, in collaboration with UICT, Mumbai
- Development of a model for oxidation reactor and purification crystallisers based on computational fluid dynamics (CFD), in collaboration with UICT, Mumbai
- Development of a mathematical model for paraffin to olefin conversion in the LAB plant in consultation with NCL, Pune

The Jamnagar complex saw development and implementation of many novel schemes. A few of these were:

- Conversion of diesel hydrotreater to heavy naphtha hydrotreater
- In-house design and development activities to enable successful capacity enhancement of the SHP / TAME plant by 125 per cent
- Decoking of the coker plant furnace using 'Pigging' technique resulted in lower downtime and higher capacity utilisation
- In-house development of process know-how for debottlenecking of the gas processing facility in the aromatics complex. This scheme leads to higher hydrogen export and LPG recovery. The scheme is under execution
- Advanced Process Control (APC), successfully implemented in many plants

Major R & D activities at Hazira petrochemical complex included:

- Optimisation of oxidation reactor process conditions to reduce specific consumption of acetic acid in PTA plant
- Process development for treating catalyst plant to produce TiO2 by-product in FCP plant
- Organic stripping column modification for burning volatile organic components from esterification process in dowtherm vaporisers in POY plant
- Installation and commissioning of Gel permeation chromatography techniques for study of polymer products
- State-of-the-art Polypropylene Pilot Plant commissioned at Hazira for enhancing technology envelop. The pilot plant runs have already yielded two new/improved grades of PP for demanding market/customer needs

In addition, as a part of ongoing exercises several development activities were carried out to reduce costs, improve safety, cut energy consumption and optimise processes.

Quality

Reliance is committed to continuous improvement in quality for the entire range of its products. Reliance has full-fledged laboratory services at all its complexes employing around 800 international analytical methods and nearly 1,600 instruments in 25 analytical facilities.

Each analytical laboratory engages and adopts the most modern trends in the analytical field and provides reliable service to meet customer satisfaction. A centralised Quality division facilitates the interaction between various sites and groups, including various units of IPCL, to share and communicate knowledge.

During the year under review, the focus was particularly on activities with specific importance to management systems and process support studies. Six new facilities were created at Hazira to evaluate the quality of PE pipe, PET, and furniture grade PP. Several studies were also conducted to rectify process problems and improve the quality and yield of the final product.

Along with manufacturing facilities, the respective laboratories were also credited with ISO 9000 and 14000 certification. The Polyester testing laboratory at Coimbatore achieved the distinction of NABL certification as an independent testing laboratory. The refinery laboratory at Jamnagar has successfully implemented the ISO 17025 system with final certification audit due in May 2003.

Reliance's efforts in quality received many accolades during the year, which included:

- Golden Certificate from Shell Main Products Correlation Scheme (SMPCS) for best analytical laboratory to Jamnagar refinery laboratory from among more than 100 laboratories in the world
- TQM Merit award for polymer laboratories and Top Trainer award
- IMC Ramakrishna Bajaj National Quality Award - 2002 for the Hazira Complex

Health

Reliance is committed to provide adequate and modern occupational health and medical services to all its employees. Well-equipped occupational health centers have been established at Patalganga, Hazira, Jamnagar and Naroda for catering to preventive and curative health.

The occupational health services, manned by qualified doctors and trained paramedical staff are involved in continuously improving the health standards by providing state-of-the-art preventive and curative services. They are also involved in various health promotion activities as well as continuous improvement in workplace environment.

The occupational health activities of these centers include pre-employment medical examinations, periodic medical check-ups of employees, school health check-ups, preventive immunisations, health audits, biological monitoring and comparative studies of interdepartmental health. Periodic health risk assessment studies for exposure to various chemicals are also carried out in the plants.

Health education and awareness are accorded high priority. Reliance has evolved an effective multi-disciplinary approach for creating health awareness programmes to address issues like hypertension, diabetes, heart disease, and lifestyle management.

The medical centers also participate in various medical camps organised for the benefit of local communities, and are also an integral part of on-site and off-site disaster management teams.

Safety

Commitment to safety is of paramount importance at Reliance. During the year, the Health, Safety and Environment (HSE) policy was revised to reflect company's position on HSE issues and to strive to be a leader in management of HSE.

New work permit procedures, developed last year, have now been fully implemented in Patalganga and Hazira complexes. The Jamnagar complex is in the process of switching over to the new procedures. The new procedures provide for more checks and responsibility according to the hazard potential of each activity. All sites now carry out Risk Assessment / Job Safety Analysis for all major maintenance and first-time activities.

There has been an increased emphasis on safety of contract workers by way of increased training. Training man-hours for contractors showed a quantum jump during the year.

(Safety training man-hours for contractors)

Site	2001-02	2002-03
Patalganga	2,483	6,188
Hazira	15,565	31,585
Jamnagar	24,066	57,278

During the planned shutdown in Jamnagar, more than 11,000 additional contract workers were requisitioned, and all these workers underwent fire and safety training before taking up work.

The British Safety Council conducted a Safety and Health Management audit at Hazira and Patalganga in December 2002 and at Jamnagar in April 2003, and awarded the highest Five Star rating to all the complexes.

Environment

At Reliance, clean environment for sustainable development is of prime concern, and is an important business objective, achieved by every employee's contribution and responsibility towards environmental performance.

A layered system of environmental monitoring and audit is followed in compliance with all environmental protection laws of the land through all project stages - from planning to commissioning and production.

The HSE group at each manufacturing complex regularly monitors and audits specific maintenance systems to ensure regulatory compliance.

The Jamnagar refinery complex is currently in the process of implementing the Environment Management System conforming to ISO 14000.

The refinery complex operates without any burden on local water resources of the region and the integrated desalination plant of the refinery produces desalinated water for use in process and domestic applications. Reliance supplied 3,500 lakh litres of potable drinking water from the desalination plant to Jamnagar city during the summer of 2002. The refinery complex has been getting a rebate from the State Pollution Control Board in the Water Cess consecutively for the past two years.

Reliance places great emphasis in developing greenery and landscaping as an in-built environmental protection measure. Treated effluents are used for enhancing greenery. In addition, various biological sludges and organic solid waste are composted and processed biologically to generate natural fertilizer. A combination of these efforts and recycling of paper have resulted in halving solid waste.

To conserve water and land resources, hay filters have been installed to filter out dust particles and trees have been planted in windward directions to arrest the flow of dust.

The Hazira complex is the first integrated petrochemicals complex in India with ISO 14000 certification for its implementation of the Environmental Management System (EMS).

The complex has adopted 'waste to resource' methods for continual improvement in environmental sustainability. As part of this effort, canteen waste is being treated in a digester unit to produce biogas, which is utilised as fuel in the petrochemical complex.

Several measures have been adapted to conserve precious water resources, including the recycling of treated effluent to the maximum possible extent, and adoption of a drip irrigation and sprinkler system for greenbelt development.

A vermiculture plant set up to convert in-house garden waste into organic fertiliser has operated at full capacity during the year and about 40 MT of vermicast (vermiculture based fertiliser) was produced and utilised within the complex as partial substitute for other fertilisers.

For the second consecutive year, the Hazira complex was awarded the Indo-German Greentech Environment Excellence Award (instituted by Greentech Foundation) in the petrochemical category.

The Patalganga complex has also developed and implemented a number of sustainable environmental schemes, and continued improvement resulted in ISO 14000 certification of the Patalganga complex in May 2002.

The continual improvement at Patalganga has steadily reduced water consumption levels. Recycling and reuse of treated wastewater reduces the requirement of fresh water. In addition, Patalganga clocked a reduction in air emissions, reduction in solid wastes and recycling of biological waste through vermi-composting, among other measures. During the year various initiatives were taken such as installation of Low-NOx burners in process heaters to reduce NOx levels; energy integration improvement in plants; use of clean fuels in boilers and gas turbines; and recovery of metals from solid waste.

Human Resource Development

A five-point scalable approach sums up HR practices at Reliance. The company believes in empowering colleagues through greater knowledge, opportunity, responsibility, accountability and reward. This is the bedrock of all growth at Reliance, where growth is life. It is the benchmark by which it gauges best practices as ideal employers and enablers in India and globally.

Reliance takes immense pride in providing an equal opportunity work environment, and places great emphasis on identifying, nurturing and freeing up talent. This involves a practice of encouraging youth, urging experienced colleagues to mentor people and processes, and inculcating a can-do culture that moulds itself to evolving personal aspirations and corporate goals throughout the career of an individual.

RIL is a young company with an average age of 38 years for its 12,915 employees, as on March 31, 2003.

Break-up of professional workforce

Ph.D.	2%
MBAs	12%
Engineers	80%
CA/ ICWAs	6%

Age Profile

Upto 25 years	4%
26 - 35 years	42%
36 - 45 years	35%
46 - 55 years	17%
56 + years	2%

With steady organic growth and consolidation of businesses in its chosen areas, Reliance offers a wide spectrum of cross-company, cross-discipline and cross-country career opportunities for employees. With increasing globalisation of its businesses, this also extends to international opportunities across major markets and areas of business.

Learning and relevance are key principles at Reliance. And in order to ensure it, the company offers comprehensive world-class training and development resources. Employees are supported by an excellent system of assessment, career mapping, aptitude tests and other training needs. During the year, over 1,636 training programs covered 7,422 employees.

In association with the Indian Institute of Management, Bangalore (IIM-B), Reliance has created a customised management course for its engineers. The eighth and ninth batch comprising 80 engineers have gone to IIM-B. Graduates of previous courses, prepared for accelerated careers in the Company today occupy positions of important sectoral responsibilities. Typically, they are 27-30 years old when they assume major responsibilities. To ensure skill sets are constantly upgraded, Reliance has from this year begun advanced courses in management for the class that graduated from the IIM-B program five years ago.

Reliance has moved to a Key Result Area oriented performance appraisal system and a performance linked incentive scheme. International consultants have designed a scheme for Reliance that matches or betters systems in similar synergistic operations anywhere in the world. Reliance has already implemented the scheme in manufacturing operations and will expand it to other businesses.

The Company in the past year launched SAP-HR to provide an effective interface between HR and employees across India and the world.

Reliance encourages individuals to go beyond the scope of their work, undertake voluntary projects that enable them to learn and contribute innovative ideas in meetings goals of the company.

Social Responsibility and Community Development

Reliance implicitly believes that corporate responsibility extends beyond the ambit of a company's facilities and offices. And that true corporate citizenship must include common cause with society. In keeping with this belief system, Reliance encourages, funds and develops numerous education, health and human capital initiatives. While many of these initiatives are now recognised in India and abroad as model approaches, we derive greater inspiration for our mission of partnership with society when graduates of Reliance-funded institutions of higher learning in cities, children in Reliance-sponsored schools in villages, and patients in Reliance-led hospitals emerge to lead lives of aspiration, good health and fulfillment.

Educational Initiatives

Dhirubhai Ambani Institute of Information and Communication Technology (DA-IICT), Gandhinagar

DA-IICT, an initiative of Reliance Group and the Dhirubhai Ambani Foundation (DAF), was established in 2001 to impart state-of-the-art education in information and communication technology and provide an interface with other disciplines. The Government of Gujarat, through a special enactment in March 2003, has accorded University status to DA-IICT.

DA-IICT offers various educational programs at undergraduate, postgraduate and doctoral levels in the area of information and communication technology, information technology in agriculture, and digital media. Student enrolment at DA-IICT for the 2003-2004 academic year is about 950.

DA-IICT plans to grow to a 1,300-student campus by 2004-05, with 70 full-time faculty, a sizeable number of visiting faculty, and teaching and research assistants. DA-IICT is also preparing to offer a wide range of training and research programs, and to focus on continuing education programs for working executives and practicing professionals.

Dhirubhai Ambani University of Science and Technology, Jamnagar

DAF with the support of Reliance Group has plans to establish a university at Jamnagar. To be named the Dhirubhai Ambani University of Science and Technology (DAUST), it will offer world-class education in emerging areas of science and technology. DAUST will focus on educational and research programs in areas like bio-science and engineering, computer science and engineering, energy engineering, food science and engineering, infrastructure engineering, materials science and engineering, and ocean engineering.

Dhirubhai Ambani International School, Mumbai

Situated in the Bandra-Kurla Complex, Mumbai, the Dhirubhai Ambani International School is funded by the J.H.Ambani Foundation. Dhirubhai Ambani International School was established with the principal objective to provide the highest quality of education to about 1,000 students.

The school, under one roof, caters to the education needs of children aged 4 to 17, and provides education compatible with leading schools in India and abroad. Fully equipped laboratories and a learning centre complete with internet capability provide every facility needed for modern, enriching education.

In their early years, students follow a pre-primary, primary and middle school curriculum devised by the school. A choice between ICSE and the University of Cambridge's International General Certificate of Secondary Education (IGCSE) is available to standards 8, 9 and 10. For standards 11 and 12, the school, now an accredited International Baccalaureate World School, offers the exciting and challenging Diploma Programme.

Scholarships

During the year, Reliance marked 25 momentous years of relationship and trust with its shareholders' family that numbers in excess of 3 million. To commemorate this special relationship, Reliance instituted the 'Dhirubhai Ambani Scholars Scheme' for undergraduate study. Under the scheme, 1,000 scholarships ranging from Rs. 7,000 to Rs. 15,000 will be awarded to meritorious children of the shareholders of Reliance Group companies.

The Dhirubhai Ambani Foundation has for the past seven years presented merit awards and scholarships to district level meritorious students for SSC and HSC examinations. During the year under review, 558 meritorious students - 63 of them physically challenged - from a total of 62 districts of Maharashtra, Guajrat, Goa and the Union Territories of Daman, Diu, and Dadra Nagar Haveli were presented with scholarships.

Under the Reliance Kargil Scholarship Scheme', education of 111 children of martyrs of the Kargil war as well as disabled soldiers were supported for the second consecutive year.

Healthcare Initiatives

Sir Hurkisondas Nurrotumdas Hospital and Research Centre (HNHRC), Mumbai

DAF has joined the management of Sir Hurkisondas Nurrotumdas Hospital and Research Centre (HNHRC), established in 1925, and Sir Hurkisondas Nurrotumdas Medical Research Society (HNMRS) a 29-year-old institution involved in clinical research with a social bearing.

At present HNHRC offers tertiary level healthcare facilities including cardiology, cardio-thoracic surgery, neurology and neuro-surgery, oncology, urology, nephrology, and gastroenterology, with over 150 consultants in various areas of specialisation and super-specialisation. The staff of about 1,000, including paramedical and other support staff at HNHRC also provides free and subsidised out-patient and in-patient treatment for the poor.

HNHRC offers postgraduate diplomas in various specialties awarded by the College of Physicians and Surgeons (CPS) and Diplomate of National Board (DNB). HNHRC also offers M.Sc. and Ph.D programs. In addition, HNHRC runs a Nursing School.

HNHRC has been instrumental in executing many community-oriented programs. These include free camps such as Senior Citizens Screening Camp, Vascular Surgery Camp, Cancer Awareness & Detection Camp, Diabetic & Hypertensive Retinopathy Camp and an Immunisation Programme. In all, nearly 1,400 persons benefited from these camps.

Sir Hurkisondas Nurrotumdas Medical Research Society (HNMRS), Mumbai

Reliance also supports the scientific research activities of Sir Hurkisondas Nurrotumdas Medical Research Society (HNMRS). At HNMRS, researchers are motivated to move out of the four walls of hospitals to carry out community-based studies. Recent projects include a study on the prevalence of respiratory disorders among taxi drivers, Type-2 diabetes in a neighbouring municipal ward, and repeated surveys of a population to monitor cardiovascular health status. Over 100 research projects have been completed, many of them multidisciplinary. In all, 110 papers have so far been published in established scientific journals, about half of them in international journals. The work of HNMRS has received wide appreciation from the scientific community.

Dhirubhai Ambani Hospital, Lodhivali, Raigad

This state-of-the-art general hospital was established five years ago and has since served the population in the industrial and rural areas of Raigad district, Maharashtra. Besides taking care of hospitalisation requirements, the hospital provides poor patients and senior citizens free outpatient and subsidised in-patient treatment.

The Dhirubhai Ambani hospital, a comprehensive health care center, has also saved lives of numerous highway accident victims by providing prompt, specialised and free life saving treatment.

Community Development

At its manufacturing locations, Reliance runs schools that provide quality education to the children of employees, and also to children living in nearby areas. Free transport is provided to all, enabling students living in nearby villages to attend school everyday.

During the year under review, community services carried out at Jamnagar include construction of tar road in 11 nearby villages; construction of community halls, panchayat buildings and aanganwadi in several villages; supply of fodder to nearby villages; organisation of blood donation camps and health diagnostic camps; and supply of drinking water.

At Hazira, community services include donation of computers to all primary schools and three high schools of the area; organising inter-school and inter-village sports and cultural competitions; awards to motivate meritorious students; mobile health van services and several medical camps; and initiatives to provide self-employment opportunities to women and physically handicapped persons.

The Hazira complex was awarded a trophy for highest number of blood donations in Surat district for the fourth consecutive year.

To improve the quality of life of the community, Reliance's Patalganga complex during the year undertook several initiatives in nearby areas such as construction of school rooms and community hall; providing drinking water to villages; women's development schemes; vocational education programs and trade familiarisation schemes; health and hygiene awareness programs; child education programs and managing crèches; free medical camps; and planting trees.

Foreign Exchange Savings, Taxes Paid and Exports

Foreign Exchange Savings

Reliance contributes to savings of precious foreign exchange for the country by manufacturing products that are import substitutes.

During the year, the company's operations have helped the nation save valuable foreign exchange to the tune of Rs 24,392 crore (US$ 5,137 million), an increase of 21 per cent over the previous year's figure of Rs 20,169 crore.

Taxes Paid

Reliance is one of India's largest contributors to the national exchequer, primarily by way of payment of customs and excise duties to various government agencies.

During the year, Reliance paid a total of Rs 13,210 crore (US$ 2,782 million) in the form of various taxes and duties against Rs 10,470 crore paid during the last year.

In line with the continued growth in production and sales volumes, Reliance's payment of duties and taxes has risen consistently over the years, despite the decline in the rates of custom and excise duties.

Exports

During the year, Reliance's exports, including deemed exports, increased to Rs 11,510 crore (US$ 2,424 million), from Rs 11,200 crore in the previous year, recording an annual growth of 3 per cent. Reliance continued to maintain its leadership position as the largest exporter in the country.

Reliance exports its products to over 100 countries, including the most quality conscious customers in the US and Europe. This demonstrates Reliance's global competitiveness, the world-class quality of its products, and superior logistics capabilities.

The strong growth in exports has been achieved while retaining the thrust on the domestic markets, with exports still representing only 18 per cent of Reliance's gross turnover.

Reliance has set up new export offices in China, UAE, Vietnam, Turkey and Indonesia.

Awards and Accolades

Reliance's commitment to excellence won several national and international awards and rankings for the company. Reliance also received many accolades for the management's outstanding performance.

Corporate Ranking

RIL was the only Indian company to feature among Asia's ten most creditworthy companies in *The Asset* Annual Benchmark Survey of Asia's Best Credits in 2002.

Reliance Group emerged as India's 'Most Admired Business House' for the second consecutive year in the *Business Barons* - TNS Mode Opinion Poll for 2002.

RIL was ranked number one for 'Financial Soundness' and 'Long Term Vision', and number two in 'Overall Leadership', in a *Far Eastern Economic Review (FEER)* survey, Review 200: Asia's Leading Companies, in December 2002.

An *Asiamoney* survey in December 2002 - January 2003 ranked RIL among the top five companies in the 'Overall Best Managed Company' category.

RIL featured in the 'World's Most Respected Companies' list published by *Financial Times* based on a global survey and research done by PricewaterhouseCoopers. In the same survey Reliance was ranked among the world's 10 most respected energy and chemical companies, and also topped the list of 'Most respected Indian companies'.

RIL was ranked at number three in 'India's Most Respected Companies' list published by *Businessworld* in January 2003.

The 2001-02 annual report of RIL was judged the Best Annual Report among Indian companies and among the best 25 in Asia in a *CFO Asia* Best Annual Reports Survey in March 2003.

In a *FinanceAsia* poll in March 2003, RIL was ranked number one in India in the 'Best Financial Management' category.

RIL received the inaugural best export performance award for FY 2000-01 from the Government of Maharashtra in March 2003.

Recognition for Management

Reliance Founder-chairman Dhirubhai H. Ambani (1932-2002) was posthumously conferred the 'Lifetime Achievement Award' by Petrotech for his outstanding contribution to Downstream Petroleum Industry in India, in January 2003.

RIL Chairman & Managing Director Mukesh D. Ambani and Vice-Chairman & Managing Director Anil D. Ambani were conferred 'The Entrepreneur of the Decade Award' by the Bombay Management Association in October 2002.

Dhirubhai H. Ambani, Mukesh D. Ambani and Anil D. Ambani were rated as 'India's Most Admired CEOs' for the fourth consecutive year in the *Business Barons* - TNS Mode Survey, in July 2002.

Mukesh D. Ambani was ranked 33rd among the 'Top 50 Most Respected Business Leaders of the World' in a survey conducted by Pricewaterhouse Coopers and published in *Financial Times,* London, January 2003.

Mukesh D. Ambani was conferred the 'Membership Award' by The Textile Association of India in December 2002.

Corporate Governance

Reliance's Corporate Governance Principles uphold its global standing at the forefront of corporate governance best practices. Reliance continues to review its corporate governance practices to ensure that they continue to reflect domestic and international developments to position itself to conform to the best corporate governance practices. It takes feedback into account in its periodic reviews of the guidelines to ensure their continuing relevance, effectiveness and responsiveness to the needs of local and international investors and all other stakeholders.

Principles

Reliance's corporate governance practices focus on the following main principles.

Recognising the respective roles and responsibilities of Board and management

To establish an effective mechanism for overseeing the affairs, keeping in view the Company's size, complexity, geographical operations and corporate tradition & culture, the Reliance's framework is designed to:

- enable the Board to provide strategic guidance for the Company and effective overseeing of the management;
- define the respective roles and responsibilities of senior executives and officers to ensure accountability; and
- ensure a balance of authority such that no single individual has unfettered powers.

Having a Board of appropriate composition, size and commitment to adequately discharge its responsibilities and duties

To ensure effectiveness of the Board, facilitating efficient discharge of duties and adding value in the context of the Company's circumstances, the Board periodically reviews its composition and size for ensuring a strong element of independence and commitment. Accordingly the Board is structured in such a way that :

- it has a proper understanding of, and competence to deal with, the current and emerging issues of the business and the benefit of a variety of perspectives and skills.
- it has the appropriate mix of executive and non-executive directors ensuring Directors' commitment and time to participate in the affairs fully.
- it can effectively review and challenge the performance of management and exercise independent judgement.

The Directors are elected by the shareholders. However the Board plays an important role in the selection of candidates for shareholders' approval. Reliance's policy does not prescribe any term limit for Directors, as the term limits, while could help fresh ideas and view points of new entrants, they have the disadvantage of losing the valuable contribution of directors who over the time have developed insight in to the Company and its affairs.

Independent verification and safeguarding integrity of the Company's financial reporting

To ensure the truthful and factual presentation of the Company's financial position, the Company has put in place a structure of review and authorisation apart from strong internal audit process. For this purpose, the Board has also constituted an Audit Committee, which is charged with paying particular attention to the management processes supporting external reporting, the performance and objectivity of the internal audit function, and the performance and independence of the external auditors.

Timely and balanced disclosure of all material information concerning the Company

To give investors an equal and timely access to material information, and to ensure that Company announcements are factual, balanced and in compliance with the applicable provisions of law, the Company has put in place a mechanism to ensure that:

- all investors have equal and timely access to material information concerning the Company – including its financial position, performance and governance.
- Company announcements are factual and presented in a clear and balanced way, disclosing both positive and negative information.

Highest importance to Investor Relations

To ensure long term shareholder value creation and to promote shareholder participation in corporate affairs, Reliance has established and maintained communication strategies, including a policy for clarity in notices of meetings. Reliance also maintains its corporate website www.ril.com for convenient access by the shareholders to all the material information about the Company. Reliance's endeavours are to empower its shareholders by:

- communicating effectively with them.
- giving them appropriate information about the Company.
- making it easy for them to participate in general meetings.

Sound system of risk management and internal control

To establish and maintain a system of risk management and internal control, the Company has set up a policy which includes a review of the risk management system, and maintenance of a risk profile (both financial and non-financial risks). Reliance has set up an effective internal audit function, independent of the external auditors, to review the effectiveness of the risk management system. Audit Committee of the Board oversees the risk management and internal control systems. This system is designed to:

- identify, assess, monitor and manage risks.
- inform investors of material changes to the Company's risk profile.

Fair review, active encouragement and management effectiveness

To ensure consistent effectiveness of the overall management, the performance of the senior executives and officers is subject to review. This includes equipping individuals with the knowledge and information they need to discharge their responsibilities effectively, and reviewing individual and collective performance regularly. Performance evaluation process is fair and transparent and uses both measurable and qualitative indicators.

Efficient Executive Remuneration Policy

The Company has adopted a remuneration policy that attracts and maintains talented and motivated executives so as to encourage enhanced performance of the Company. The remuneration policy envisages a clear relationship between performance and remuneration, including the link between remuneration paid and the overall corporate performance.

Remuneration of managing directors and whole time directors is determined by the Remuneration Committee of Directors within the permissible limits under the applicable provisions of law and is approved by Shareholders. Non Executive Directors are paid sitting fees within the limits prescribed under law.

Corporate Ethics

Reliance has a defined policy framework for ethical business conduct by its personnel.

The Ethics Policy sets forth, inter alia:

- Our Values and Commitments
- Our Code of Ethics
- Our Business Policies
- Our Code of Conduct for Prevention of Insider Trading
- A detailed programme for Ethics Management at Reliance.

These policies support the consistent endeavour to enhance the reputation of the Company.

The "Values and Commitments" policy document states that Reliance believes that any business conduct can be ethical only when it rests on the nine core values of Honesty, Integrity, Respect, Fairness, Purposefulness, Trust, Responsibility, Citizenship and Caring.

These values are not to be lost sight of by anyone at Reliance under any circumstances irrespective of the goals that are intended to be achieved. To us, the means are as important as the ends.

In pursuit of these values outlined in the "Values and Commitments" policy document, we are committed to an ethical treatment of all our stakeholders - our employees, our customers, our environment, our shareholders, our lenders and other investors, our suppliers and the Government. A firm belief that every Reliance team member holds is that the other persons' interests count as much as their own.

The "Code of Ethics" and the "Business Policies" are in alignment with Reliance's Values and Commitments. The essence of these documents is that each employee should conduct the Company's business with integrity, in compliance with applicable laws, and in a manner that excludes considerations of personal advantage.

The "Code of Ethics" policy document contains policy on the following:

- Conflict of Interest
- Payments and Gifting
- Receipt of Gifts
- Purchases through suppliers
- Appointment of full-time agents, consultants and representatives
- Political Contributions
- External Communication
- Work Ethics
- Personal Conduct
- Health, Safety and Environment
- Quality

The "Code of Conduct for Prevention of Insider Trading" contains policies prohibiting insider trading.

The Company's shares are listed on ten Stock Exchanges in India and GDRs are listed on Luxembourg Stock Exchange. 10.10. Share Transfer System

Presently, the share transfers which are received in physical form are processed and the share certificates returned within a period of 10 to 15 days from the date of receipt, subject to the documents being valid and complete in all respects. The Company has, as per SEBI guidelines with effect from 24th March, 2000, offered the facility of transfer cum demat. Under the said system, after the share transfer is effected, an option letter is sent to the transferee indicating the details of the transferred shares and requesting him in case he wishes to demat the shares, to approach a Depository Participant (DP) with the option letter. The DP, based on the option letter, generates a demat request and sends the same to the Company along with the option letter issued by the Company. On receipt of the same, the Company dematerialise the shares. In case the transferee does not wish to dematerialise the shares, he need not exercise the option and the Company will despatch the share certificates after 30 days from the date of such option letter.

10.11. Distribution of Shareholding as on 31st March, 2003

Dividends

The Directors have recommended a dividend of Rs 5 per Equity Share on 139,63,77,536 Equity Shares of Rs 10 each for the financial year ended 31st March, 2003, which if approved at the forthcoming Annual General Meeting, will be paid to (i) all those Equity Shareholders whose names appear in the Register of Members as on 31st May, 2003 and (ii) to those whose names as beneficial owners are furnished by National Securities Depository Limited and Central Depository Services (India) Limited.

The dividend pay out for the year under review has been formulated in accordance with the Company's policy of striving to pay stable dividend linked to long term performance, keeping in view the Company's need for capital, its growth plans and the intent to finance such plans through internal accruals to the maximum. Your Directors believe that this would increase shareholder value and eventually lead to a higher return threshold.

The Directors have declared interim dividend at the stipulated rates on 2,00,00,000 - 6.90% Redeemable Cumulative Non-Convertible Preference Shares (Series 1) of Rs 100/- each, 1,00,00,000-6.80% Redeemable Cumulative Non Convertible Preference Shares (Series 2) of Rs 100/- each and 1,00,00,000-6.80% Redeemable Cumulative Non-Convertible Preference Shares (Series 3) of Rs 100/- each, which has been paid to the registered holders of Preference Shares. The above dividend shall be considered as final dividend.

Equity Share Capital

The Company, during the year, has issued 34,26,20,509 Equity Shares of Rs 10 each to the Shareholders of the erstwhile Reliance Petroleum Limited (RPL) consequent upon the amalgamation of RPL with the Company.

Preference Share Capital

The Company, during the year issued 2,00,00,000 - 6.90% Redeemable Cumulative Non-Convertible Preference Shares (Series 1) of Rs 100/- each, 1,00,00,000 - 6.80% Redeemable Cumulative Non-Convertible Preference Shares (Series 2) of Rs 100/- each and 1,00,00,000 - 6.80% Redeemable Cumulative Non-Convertible Preference Shares (Series 3) of Rs 100/- each. The entire Preference Share Capital of Rs 400 crore was redeemed during the year.

Financial Condition and Results of Operation

Management Discussion and Analysis of Financial Condition and Results of Operation of the Company for the year under review, as stipulated in Clause 49 of the Listing Agreement with the Stock Exchanges, is given as a separate statement in the Annual Report.

The Company has entered into various contracts in the areas of oil & gas, refining, petrochemicals and telecommunication businesses. While benefits from such contracts will accrue in the future years, the Board of Directors shall periodically review their progress.

Subsidiary Companies

During the year, Vimal Fabrics Limited and Reliance Petroinvestments Limited have ceased to be subsidiaries of the Company and Reliance Communications Inc., Reliance Communications UK Limited (Subsidiaries of Reliance Infocom Inc.) and Gas Transportation & Infrastructure Company Limited became subsidiaries of the Company.

In terms of approval granted by the Central Government under Section 212(8) of the Companies Act, 1956, a copy of the Balance Sheet, Profit and Loss Account, Report of the Board of Directors and the Report of the Auditors of the Subsidiary Companies have not been attached with the Balance Sheet of the Company. The Company will make available these documents/details upon request by any member of the Company interested in obtaining the same. However, pursuant to Accounting Standard AS-21 issued by the Institute of Chartered Accountants of India, Consolidated Financial Statements presented by the Company includes the financial information of its subsidiaries.

Acquisition of Control in BSES Limited

In January, 2003, the Company and Reliance Power Ventures Limited (RPVL) a wholly owned subsidiary of the Company along with persons acting in concert, made an Open Offer to the shareholders of BSES Limited (BSES), inter alia, to acquire up to 32,281,460 equity shares of BSES representing 20% of the its fully diluted equity share capital, at a price of Rs. 230.10 per share, in terms of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 1997 (the "Regulations"). The Offer opened on January 17, 2003 and closed on February 15, 2003.

Upon successful completion of the Offer the aggregate shareholding of the Company along with all persons acting in concert in the paid up equity share capital of BSES increased to 58.22%. The shareholding of the Company and its Subsidiaries in BSES was at 55.20%. BSES accordingly became subsidiary of the Company effective March 17, 2003. However, consequent upon transfer of 78,00,000 equity shares representing 5.66% of the paid up equity capital of BSES, by RPVL to Reliance Capital Limited (RCL) a Reliance Group Company, the shareholding of the Company and its subsidiaries in BSES reduced to 49.53% and consequently BSES ceased to be subsidiary of the Company with effect from 29th March, 2003. The aggregate shareholding of the Company along with all persons acting in concert in BSES remains unchanged at 58.22%. Thus your Company has, during the year under review, acquired control and management of BSES.

Fixed Deposits

The Company has not accepted any fixed deposits during the year.

Directors

Shri Nikhil R. Meswani, Shri H.S. Kohli and Shri Y.P. Trivedi, retire by rotation and being eligible, offer themselves for reappointment at the ensuing Annual General Meeting.

Brief resume of the above Directors, nature of their expertise in specific functional areas and names of companies in which they hold the directorship and the membership/chairmanship of committees of the Board, as stipulated under Clause 49 of the Listing Agreement with the Stock Exchanges, are given in the section on Corporate Governance elsewhere in the Annual Report.

Directors' Responsibility Statement

Pursuant to the requirement under Section 217(2AA) of the Companies Act, 1956, with respect to Directors' Responsibility Statement, it is hereby confirmed that:

(i) in the preparation of the annual accounts the applicable accounting standards have been followed along with proper explanations relating to material departures;

(ii) the Directors have selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March 2003 and of the profit of the Company for the year ended on that date.

(iii) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; and

(iv) the Directors have prepared the annual accounts of the Company on a 'going concern' basis.

Consolidated Financial Statements

In accordance with the Accounting Standard AS-21 on Consolidated Financial Statements read with Accounting Standard AS-23 on Accounting for Investments in Associates, your Directors have pleasure in attaching the Consolidated Financial Statements which form part of the Annual Report and Accounts.

Auditors

Messrs. Chaturvedi & Shah and Messrs. Rajendra & Co., Chartered Accountants, Statutory Auditors of the Company, hold office until the conclusion of the forthcoming Annual General Meeting and are eligible for re-appointment. The Company has received letters from them to the effect that their appointments, if made, would be within the prescribed limits under Section 224(1-B) of the Companies Act, 1956.

Cost Auditors

The Central Government had directed an audit of the cost accounts maintained by the Company in respect of its Textiles, Polyester and Chemicals businesses. The Central Government has approved the appointment of Shri S.N. Bavadekar and Messrs V.J. Talati & Co., Cost Accountants, for conducting the cost audit of the above businesses for the financial year ended on 31st March, 2003.

International Accountants

The report submitted by Messrs Deloitte Haskins and Sells, member firm of Deloitte Touche Tohmatsu International (DTTI), appointed as International Accountants of the Company, for the year under review to the Board of Directors, is circulated with this report for the information of members.

Personnel

As required by the provisions of Section 217(2A) of the Companies Act, 1956, read with the Companies (Particulars of Employees) Rules, 1975 as amended, the names and other particulars of the employees are set out in the Annexure to the Directors' Report. However, as per the provisions of Section 219(1)(b)(iv) of the Companies Act, 1956, the Report and Accounts is being sent to all the shareholders of the Company excluding the aforesaid information. Any shareholder interested in obtaining such particulars may write to the Company Secretary at the Registered Office of the Company.

Energy Conservation, Technology Absorption and Foreign Exchange earnings and outgo

The information relating to energy conservation, technology absorption, foreign exchange earnings and outgo required to be disclosed under The Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 is given in Annexure forming part of this report.

Corporate Governance

Your Company is one of the pioneers in the country in implementing the best international practices of Corporate Governance. A separate section on Corporate Governance and a Certificate from the Auditors of the Company regarding compliance of conditions of Corporate Governance as stipulated under Clause 49 of the Listing Agreement with the Stock Exchanges, form part of the Annual Report.

Acknowledgment

Your Directors would like to express their grateful appreciation for the assistance and co-operation received from the Financial Institutions, Banks, Government Authorities, Customers, Vendors and Shareholders during the year under review. Your Directors also wish to place on record their deep sense of appreciation for the committed services of the Executives, Staff and Workers of the Company.

For and on behalf of the Board of the Directors

33. Stopping all FG purges to flare & reduction of MP Steam to flare.
34. Offline & online water washing of Gas Turbine compressor blades.
35. Steam trap audit conducted in 2002 and about 1500 traps rectified which resulted in savings in LP, MP & HP Steam.
36. Successfully completed Trial run for replacing Steam traps in LP Steam tracers from TD type to BPT type leading to savings in increased heat recoveries.
37. Successfully replaced 26 fans in FCC from Aluminum blades to FRP blades leading to power savings.
38. Usage of Insulating Heat paint on bare Exchanger End covers has been done leading to reduced convection heat losses.

(b) Additional Investment/proposals being implemented for reduction of consumption of Energy

1. Replacement of DH column fan blades by FRP.
2. Suction chilling of Process Air Compressor in PTA-1.
3. Avoid Double pumping in DM Water pump in PTA plant.
4. Avoid double pumping in acetic acid service in PTA plant.
5. Use of 17 barg Steam in place of SHP steam in crystalliser in PTA plant.
6. De-superheater water preheating with process condensate in PTA plant for SHP steam saving.
7. Process Air Compressor Expander inlet pressure drop reduction for electrical energy reduction.
8. Use of PTA process steam in Polyester Stripping column.
9. Gas Turbine 1 & 2 by pass stack damper double sealing arrangement to minimise stack losses.
10. Ethylene tower vapor feed directly to VCM plant.
11. Process Fans replacement from solid metallic/GRP to hollow FRP.
12. Increasing supplementary firing efficiency by HRSG modification.
13. Use of Hot recycle solvent to preheat reactor feed in PE-II plant.
14. Optimization of feed tray location in Hiboil column of VCM plant.
15. Use of flash steam in stripper in PE-I &II.
16. Replacement of dryer MP steam with LP Steam in PVC plant.
17. Use of LP Steam instead of MP steam in Glycol bleed flasher-II Reboiler in MEG plant.
18. Installation of condensate pot for E-607 of MEG column Reboiler.
19. Use of process steam for new 500 TR VAR machine in MEG-II.
20. Preheating of heads column feed using VCM column bottom steam.
21. Provision of Isolation valves and bypass facilities in Crude Preheat train will save 5,655 T/year of Fuel Oil in CDU heaters due to increase in Preheat temperature.
22. Stripper gases to bypass HP receiver and route to Primary Absorber will save 40 KT /year of MP Steam.
23. Recovery of heat from hot HK stream going to tankage to heat crude upstream of Desalter before routing to storage.
24. Reduction of CDU feed pump power consumption by changing the pump impellers for 6 feed pumps will result in power reduction equivalent to 909 tons/annum of Fuel Oil.
25. Installation of second Feed Water/Effluent Desalter Exchanger in order to recover more heat hence reduces Heater duty equivalent to 3030 tons/annum of Fuel Oil.
26. Savings in fuel due to new improved design of Air Preheater in HMU-result in savings equivalent to 380 tons/annum of Fuel Oil.
27. Maximizing heat recovery from HCGO & LCGO pump around will result in heat recovery equivalent to 181182 tons/annum of Fuel Oil.
28. Provision of Intercooler in Primary Absorber will lead to savings equivalent to 2,468 tons/annum of Fuel Oil.
29. Changing of the existing Lean /Rich Amine Exchanger in ATU which has a high warm approach to new plate type exchanger to recover more heat will result in savings of upto 12727 tons/annum of equivalent Fuel Oil.
30. Using process condensate to heat deaerator makeup will result in Heat recovery equivalent to 13333 tons/annum of equivalent Fuel Oil.
31. Development of Simulator & Optimizer for Fuel & Steam/Power will result in savings to the tune of 3,571 tons/annum of equivalent Fuel Oil.
32. Inlet Air fogging in Gas Turbines in CPP (8 Gas Turbines) will lead to savings equivalent to 28,118 tons/annum of Fuel Oil.
33. Online water wash of GT compressors will lead to savings equivalent to 4,583 tons/annum of Fuel Oil.
34. Main Flare gas and LLP flare gases recovery and rerouting them back to Fuel Gas header will lead to savings of equivalent to 21,429 tons/annum of Fuel Oil.
35. Acid Flare gas Recovery by rerouting the gases to SRU will lead to benefits equivalent to 2,917 tons/annum of Fuel Oil.

(c) Impact of measures at (a) & (b) above for reduction in consumption of energy and on the cost of production of goods.

1. As a result of various energy conservation measures taken, the company saved energy equivalent to Rs 24 crore/annum.
2. The additional investment / proposals being implemented for reduction in energy consumption

have potential to reduce energy consumption equivalent to Rs 179 crore/annum.

(d) Total Energy Consumption and Energy Consumption per unit of production as per Form 'A' attached hereto

B. TECHNOLOGY ABSORPTION

Efforts made in technology absorption – as per Form B given below:

Form B

1. Research and Development (R & D)

a. Specific Areas in which Research and Development (R&D) is being carried out by the Company

(i) Improved Chemical formulation for caustic tower anti-polymerant trials in Cracker plant.

(ii) Optimization of Oxidation Reactor Process Conditions to reduce specific consumption of acetic acid in PTA plant.

(iii) Proposal to provide off gas foil agitator in 3rd and 4th Crystallizers of Purification Section to avoid solid deposition on wall of vessel and thereby reduce frequency of flush in PTA plant.

(iv) Commercial catalyst production based on in-house R & D efforts and substitute the import of catalyst.

(v) Process development for treating catalyst plant waste to produce by-product.

(vi) Organic Stripping Column modification for burning volatile organic components from Esterification process in Dowtherm vaporizers in POY plant.

(vii) Installation and commissioning of Gel permeation chromatography techniques for study of polymer products.

(viii) Installation of PET applications lab for product characterization in PET plant.

(ix) Production of Re-Heat grade PET resin for reduction of processing time at the end user for PET applications.

b. Benefits derived as a result of the above efforts

(i) Chemical formulation for caustic tower anti-polymerant trials in cracker plant can result in benefit of Rs 60 lakh/annum.

(ii) Reduced specific consumption of acetic acid in PTA plant is equivalent to Rs 285 lakh/annum.

(iii) Indigenous catalyst has resulted in improved productivity, product quality and import substitution.

(iv) Reduced effluent load in catalyst plant due to byproduct recovery.

(v) Organic Stripping Column modification results in improved environmental performance.

(vi) GPC installation will help in characterisation study of the polymer grades to improve in quality to reduce customer complaints.

(vii) Installation of PET applications lab for product characterization in PET plant resulted in effective and immediate control over the production process to suit the requirements of PET customers.

(viii) Production of Re-Heat grade PET resin increased the market share in western countries.

c. Future plan of action

(i) Development of terpolymer PP with improved properties, which will be only source manufactured in India for soft film sector.

(ii) VOC burning in Dowtherm vaporizers of POY plant by replacement of burners in two vaporizers.

(iii) Biolene trial for ETP performance improvement.

(iv) Identification of suitable sulphur guard bed for ethylene feed to EO reactor.

d. Expenditure on R & D **Rs Crore**

a)	Capital	31.74
b)	Recurring	9.32
	Total	41.06
c)	Total R&D Expenditure as a Percentage of Total Turnover	0.08%

2. Technology absorption, adaptation and innovation

a. Efforts made towards technology absorption, adaptation and innovation

(i) Installation of 80 U coils in Naphtha cracking furnaces of cracker plant for increasing the yield and run length.

(ii) Installation of 3rd Charge gas drier in cracker plant for reducing overall pressure drop and SHP steam consumption in CGC turbine by 0.5 TPH.

(iii) Integration of Aromatics & Cracker cooling tower to utilize the capacity and to bring down the supply temperature of Cracker cooling tower by about 1.5°C.

(iv) Utilization C5 cut as fuel in CPP instead of recycling in Cracker, thus increasing productivity of Cracker by increasing the fresh naphtha feed rate.

(v) Provision and Commissioning of Oxygen Enrichment in PTA2 resulting in higher productivity.

(vi) EO reactor/ coolant loop modification to increase the circulation flow and reduce vapor fraction in the reactor in MEG plant.

(vii) Scheme for recovery of MEG from Glycol residue to the tune of 650-900 tons/annum.

(viii) Development of alternative chemicals to improve product quality, and reduce operating cost in PVC, PE and PP plant.

(ix) Optimization of water to monomer ratio in K-67, K 57, K 60 grades to improve productivity in PVC plant.

(x) Trials of usage of Iron chelating agent along with primary & secondary suspending agents conducted in PVC plant, K6711 to improve product quality and reduce lump formation in reactors.

(xi) PVC line-II dryer ID fan upgradation done to improve product quality and dryer area reliability.

(xii) Fogging system commissioned in air stream from primary cyclone separator to wet scrubber to improve scrubbing efficiency. Suspended particulate matter (SPM) level reduced in PVC Dryer vent gases.

(xiii) Capacity increase in VCM plant.

(xiv) Capacity enhancement by revamping of the polyethylene plant.

(xv) Scheme for improving the solvent recovery by addition of the third component as a part of extractive distillation in PE plant.

(xvi) Grade improvement in polyethylene products.

(xvii) New grade developed for fishing net applications.

(xviii) Cast film grade improvement done by improving the additives packages.

(xix) Octene grade odor reduced and dart improved by enhancing the stripping efficiency.

(xx) New grade developed for the application of sink and table top with low blush properties, cast & TQ film for high speed machines, 11 MFI fibre grade for making multifilament FDY yarns and staple fibres.

(xxi) Increase in rate of production in PP plant controlling catalyst particle size at Catalyst plant.

(xxii) Installation of Nucleonic Level Measurement in Esterification in Esterification-I (POY CP-1 & CP-2).

(xxiii) Change-over of chilled water treatment from Phosphate based to NaMo (Sodium Molybdate) based for effective corrosion & deposition control.

(xxiv) Installation of new Instrument Air Dryer to increase the Instrument Air header pressure for catering to CP-9 and NG-3 operations

(xxv) Installation of lump breaker in PET process reactor.

(xxvi) Start up of CP-9 plant producing POY and PSF using DuPont technology for POY and Zimmer technology for PSF Spinning.

(xxvii) Online compressor washing facility incorporated in all Gas Turbines to reduce degradation due to compressor fouling and sustain the Base load capability.

(xxviii) Manually operated Guillotine Damper in one GT has been replaced by most sophisticated auto operated Guillotine Damper.

(xxix) GT inlet air cooling by applying Fogging Technology implemented in 6 Gas Turbines.

(xxx) Modification done in 3 HRSGs for capacity improvement and efficiency resulted into additional steam generation.

(xxxi) Insulation of Return condensate header has resulted into LP steam saving.

(xxxii) Recovery of Boiler sample cooler water and used as Cooling Tower make up.

(xxxiii) Recovery and recycling of CBD from BHEL HRSGs to Cooling Towers and used as Cooling Tower make-up resulted in water saving.

(xxxiv) DM-3 Activated Carbon Filters back wash water recovered through Dyna-sand filter and used as Cooling Tower make-up.

(xxxv) Scheme developed for treated effluent recycle from Effluent Treatment plant to POY CP Jet Cooling Tower.

(xxxvi) System installed for separating dow from Reflux Water of CP 6 for dow recovery.

b. Benefits Derived as a result of the above efforts

(i) Product development / Improvement and Cost reduction

- Installation of 80 U coils in Naphtha cracking furnaces for increasing the yield and run length will result in Rs 14 crore/annum.
- Installation of 3rd Charge gas drier in cracker plant has resulted in 0.5 T/hr of steam equivalent to Rs 45 lakh/annum.
- Integration of Cooling Tower of aromatics and cracker resulted in saving of Rs 141 lakh.
- Provision and Commissioning of Oxygen Enrichment in PTA2 resulted in higher productivity to the tune of Rs 12 crore/annum.
- EO reactor coolant loop modification resulted in the higher productivity of 10-15 TPD in MEG plants.
- Recovery of MEG from Glycol residue will result in savings equivalent to Rs 110-150 lakh.
- Development of alternate source cost effective catalyst, chemical and additives for polyethylene plant gave benefits of Rs 100 lakh/annum.
- Optimization of water to monomer ratio in PVC plant resulted in 0.35 MT per batch in PVC plant.
- Usage of Iron chelating agent in PVC plant resulted in improvement in product quality and reduced lump formation in reactors.
- PVC line-II dryer ID fan upgradation resulted in dryer area reliability.
- Fogging system commissioned in air stream and suspended particulate matter (SPM) level reduced by almost 15% in PVC Dryer vent gases.
- VCM plant capacity increase had resulted in benefit of Rs 17 crore/annum.
- Capacity enhancement of the polyethylene plant resulted in additional contribution of Rs 33 crore.
- Scheme for the recovery of the solvent by the addition of the third component has a potential and import substitution equivalent of Rs 130 lakh/annum.
- New grade developed in PP plant helped in better market penetration and customer satisfaction.
- Successful trials with new additives and additives/chemicals from different vendors helped in cost reduction as well as improvement in product quality.
- Rise in production in PP plant to the tune of 15-25 TPD due to change in catalyst particle size from catalyst plant.

- Installation of Nucleonic Level Measurement in POY plant resulted in better control over esterification reaction rates with proper residence time and eliminating level variations.
- Chilled water treatment from Phosphate based to NaMo resulted in corrosion control on chiller units.

  New Instrument Air Dryer Increased reliability of Instrument air quality in terms of air pressure and improved reliability.
- Installation of lump breaker in PET process reactor increased productivity in PET plant by elimination of lump formation, which was limiting the reactor capacity.
- Reliability of LP Air availability at constant pressure conditions and at variation of power frequency with synchronized power grid operation.
- Online compressor washing facility in all Gas Turbines resulted in power output enhancement equivalent to Rs 4 crore/annum.
- Air fogging in GT has resulted into increased power generation capability resulting in Rs 4 crore/annum from the investment of Rs 6 crore.
- Auto operated Guillotine Damper in GT's has resulted into steam saving during start-up & shutdown equivalent to the benefit of Rs 34.7 lakh/annum.
- Alternative cost effective fuel firing in GT's resulted in saving of Rs 22 crore/annum.
- Capacity and efficiency improvement in HRSG's resulted into additional steam generation of 3 MT/hr per HRSG and net saving is Rs 5.91 crore/annum.
- Water conservation and condensate recovery schemes had resulted in total savings of Rs 97.7 lakh/annum.
- Treated effluent recycle from Effluent Treatment plant to POY CP Jet Cooling Tower resulted in Saving of 10 m3/hr of filter water equivalent to Rs 7 lakh/annum.
- With installation of separation system, the Dowtherm is recovered from process waste water lead to the saving of Rs 1.5 crore/annum.

(ii) Import substitution

- Reduced imported catalyst to the tune of Rs 35 crore/annum by substitution with indigenous catalyst.
- Approximately Rs. 125 lakh worth import substitution done by in house manufacturing and refurbishing of spare parts.

Auditors' Report on Corporate Governance

To the Members,

RELIANCE INDUSTRIES LIMITED

We have examined the compliance of conditions of Corporate Governance by Reliance Industries Limited, for the year ended on 31st March, 2003, as stipulated in Clause 49 of the Listing Agreement of the said Company with stock exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementations thereof adopted by the Company for ensuring compliance with the conditions of the Corporate Governance as stipulated in the said Clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and based on the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Clause 49 of the above mentioned Listing Agreement.

As required by the Guidance Note issued by the Institute of Chartered Accountants of India we have to state that no investor grievances were pending for a period of one month against the Company as per the records maintained by the Shareholders / Investor's Grievance Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Auditors' Report

To the Members,

RELIANCE INDUSTRIES LIMITED

We have audited the attached Balance Sheet of RELIANCE INDUSTRIES LIMITED as at 31st March, 2003 and the Profit and Loss Account for the year ended on that date annexed thereto and Cash Flow Statement for the period ended on that date. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

1. We conducted our audit in accordance with the Auditing Standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

2. As required by the Manufacturing and Other Companies (Auditors' Report) Order, 1988 issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Companies Act, 1956, we enclose in the Annexure hereto a statement on the matters specified in paragraphs 4 and 5 of the said Order.

3. Further to our comments in the Annexure referred to in paragraph 2 above, we report that:

   a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b) In our opinion, proper books of account, as required by law, have been kept by the Company, so far as appears from our examination of those books;

   c) The Balance Sheet and Profit and Loss Account dealt with by this report are in agreement with the books of account;

   d) In our opinion the Balance Sheet and Profit and Loss Account dealt with by this report comply with the mandatory Accounting Standards referred in sub-section (3C) of section 211 of the Companies Act, 1956;

   e) In our opinion, and based on information and explanations given to us, none of the directors are disqualified as on 31st March, 2003 from being appointed as directors in terms of clause (g) of sub-section (1) of section 274 of the Companies Act 1956;

   f) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Significant Accounting Policies and other notes thereon give the information required by the Companies Act, 1956, in the manner so required, and present a true and fair view in conformity with the accounting principles generally accepted in India:

      (i) in so far as it relates to Balance Sheet, of the state of affairs of the Company as at 31st March, 2003;

      (ii) in so far as it relates to the Profit and Loss Account, of the profit of the Company for the year ended on that date; and

      (iii) In so far as it relates to the Cash Flow Statement, of the cash flows of the company for the year ended on that date.

Annexure to Auditors' Report

1. The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets on the basis of information available. According to the information and explanations given to us, the fixed assets have been physically verified by the management during the year in a phased periodical manner which in our opinion is reasonable, having regard to the size of the Company and nature of the assets. No material discrepancies were noticed on such verification.

2. None of the fixed assets have been revalued during the year.

3. As explained to us, the stock of stores, spare parts, raw materials and finished goods have been physically verified by the management at regular intervals during the year. In our opinion, the frequency of such verification is reasonable having regard to the size of the Company and the nature of its business.

4. In our opinion and according to the information and explanations given to us, the procedures of physical verification of stocks followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.

5. As explained to us, there were no material discrepancies noticed on physical verification of the stocks of raw materials, stores and spares and finished goods, having regard to the size of the operations of the Company.

6. The valuation of stocks is fair and proper and is in accordance with the normally accepted accounting principles and is on the same basis as in the preceding year.

7. The company has not taken any loans, secured or unsecured, from companies, firms or other parties as listed in the register maintained under Section 301 of the Companies Act, 1956, or from Companies under the same management as defined under sub-section (1B) of Section 370 of the Companies Act. 1956.

8. The company has not given any loans, secured or unsecured, to companies, firms or other parties as listed in the register maintained under Section 301 of the Companies Act, 1956, or to the companies under the same management as defined under sub-section (1B) of Section 370 of the Companies Act, 1956, except for debentures held where the rate of interest and other terms and conditions are not prima facie prejudicial to the interests of the company. In respect of interest free loans given to subsidiaries where there are no stipulations regarding repayment, in our opinion, having regard to the long term involvement with these companies and considering the explanations given to us in this regard, the terms and conditions of the above are not, prima facie, prejudicial to the interests of the company.

9. In respect of outstanding loans and advances in the nature of loans given by the Company to parties other than to subsidiaries as referred to in Paragraph 8 above, where stipulated, they are generally repaying the principal amounts as stipulated and are also generally regular in the payment of interest, where applicable.

10. In our opinion and according to the information and explanations given to us, there are adequate internal control procedures commensurate with the size of the Company and the nature of its business for the purchase of stores, raw materials including components, plant and machinery, equipment and other assets and for the sale of goods.

11. In our opinion and according to the information and explanations given to us there are no transactions of purchase of goods and materials and of sale of goods, materials and services made in pursuance of contracts or arrangements entered in the register maintained under Section 301 of the Companies Act, 1956 and aggregating during the year to Rs.50,000 (Rupees Fifty Thousand only) or more in respect of any party.

12. According to the information and explanations given to us, the company has a regular procedure for the determination of unserviceable or damaged stores, raw materials and finished goods. Adequate provision has been made in the accounts for the loss arising on the items so determined.

13. The Company has not accepted any deposits from the public.

14. In our opinion, reasonable records have been maintained by the Company for the sale and disposal of realizable by-products and scrap, wherever significant.

15. In our opinion the internal audit system of the Company is commensurate with its size and nature of its business.

16. The Central Government has prescribed maintenance of Cost Records under Section 209 (1)(d) of the Companies Act, 1956 in respect of certain manufacturing activities of the Company. We have broadly reviewed the accounts and records of the Company in this connection and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.

17. According to the records of the Company, Provident Fund and Employees State Insurance dues have been regularly deposited with the appropriate authorities.

18. According to the information and explanation given to us, no undisputed amounts payable in respect of Income Tax, Wealth Tax, Sales Tax, Customs Duty and Excise Duty were outstanding as on 31st March, 2003 for a period of more than six months from the date of becoming payable.

19. According to the information and explanations given to us and on the basis of records examined by us, no personal expenses of employees or directors have been charged to Revenue Account other than those payable under contractual obligations or in accordance with generally accepted business practice.

20. The Company is not a sick industrial company within the meaning of clause (o) of sub-section (1) of Section 3 of the Sick Industrial Companies (Special Provisions) Act, 1985.

21. In relation to trading activities of the company, we are informed that there are no damaged goods.

International Accountants' Report

To the Board of Directors of

RELIANCE INDUSTRIES LIMITED

We have audited the Balance Sheet of Reliance Industries Limited as on 31st March, 2003, the Profit and Loss Account and the Cash Flow Statement of the Company for the year ended on that date (the financial statements) attached hereto, which have been prepared in accordance with the Generally Accepted Accounting Principles in India and Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956.

Respective Responsibilities of the Management and Auditors

The Management of the Company is responsible for the preparation of these financial statements. The financial statements have also been audited by firms of Chartered Accountants appointed as Auditors under the statute (The Companies Act, 1956) who submit separately their report in accordance with the provisions of the Companies Act. It is our responsibility to form an independent opinion, based on our audit of the statements and to report our opinion to you as a concurrent special assignment.

Basis of Opinion

We conducted our audit in accordance with the auditing standards issued by the Institute of Chartered Accountants of India. An audit includes examination, on a test basis of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the management in the preparation of the financial statements and whether the accounting policies are appropriate to the circumstances to the company, consistently applied and adequately disclosed. We planned and performed audit so as to obtain all information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.

The financial statements dealt with by this report are in agreement with books of account of the Company.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements read with the accounting policies and notes thereon give a true and fair view:

(i) In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2003;

(ii) In the case of the Profit and Loss Account, of the profit for the year ended on that date; and

(iii) In the case of Cash Flow Statement, of the cash flows for the year ended on that date.

Significant Accounting Policies

SCHEDULE 'N'

SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention in accordance with the generally accepted accounting principles in India and the provisions of the Companies Act, 1956, except for certain fixed assets which have been revalued.

B. Use of Estimates

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognised in the period in which the results are known/materialised.

C. Own Fixed Assets

Fixed Assets are stated at cost net of modvat / cenvat and includes amounts added on revaluation, less accumulated depreciation. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the fixed assets are capitalised.

D. Leased Assets

a) Operating Leases: Rentals are expensed with reference to lease terms and other considerations

b) (i) Finance leases prior to 1st April 2001: Rentals are expensed with reference to lease terms and other considerations.

(ii) Finance leases on or after 1st April, 2001: The lower of the fair value of the assets and present value of the minimum lease rentals is capitalised as fixed assets with corresponding amount shown as lease liability. The principal component in the lease rental is adjusted against the lease liability and the interest component is charged to profit and loss account.

c) However, rentals referred to in (a) or (b) (i) above and the interest component referred to in (b) (ii) above pertaining to the period upto the date of commissioning of the assets are capitalised.

d) All assets given on finance lease are shown as receivables at an amount equal to net investment in the lease. Initial direct costs in respect of lease are expensed in the year in which such costs are incurred. Income from lease assets is accounted by applying the interest rate implicit in the lease to the net investment.

E. Depreciation

Depreciation on fixed assets has been provided on written down value method at the rates and in the manner prescribed in Schedule XIV to the Companies Act, 1956 except: on fixed assets pertaining to crude oil refining and marketing infrastructure for petroleum products, depreciation has been charged on straight line method (SLM); on fixed bed catalyst depreciation has been provided over its useful life ranging from 2 to 9 years; on additions or extensions forming an integral part of existing plants, including incremental cost arising on account of translation of foreign currency liabilities for acquisition of fixed assets and insurance spares, depreciation has been provided as aforesaid over the residual life of the respective plants; on development rights and producing properties depreciation has been provided in proportion of oil and gas production achieved vis a vis the proved reserves (net of reserves to be retained to cover abandonment costs as per the production sharing contract) considering the estimated future expenditure on developing the reserves; premium on leasehold land is amortised over the period of lease; cost of jetty has been amortised over the period of agreement of right to use, provided however that the aggregate amount amortised to date is not less than the aggregate rebate availed by the company; on revalued assets depreciation has been charged over the residual life of the assets; on assets acquired under finance lease from 1st April 2001 depreciation is spread over the lease term.

F. Foreign Currency Transactions

(a) Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

(b) Monetary items denominated in foreign currencies at the year end and not covered by forward exchange contracts are translated at year end rates and those covered by forward exchange contracts are translated at the rate ruling at the date of transaction as increased or decreased by the proportionate difference between the forward rate and exchange rate on the date of transaction, such difference having been recognised over the life of the contract.

(c) Non monetary foreign currency items are carried at cost.

(d) Branch income and expenses are translated at average rate. Branch monetary assets and liabilities are translated at year-end rates. Non monetary items are translated at the rates on the date of transaction.

(e) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the profit and loss account except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

G. Investments

Current investments are carried at the lower of cost and quoted/fair value, computed category wise. Long Term Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

Significant Accounting Policies

SCHEDULE 'N' (Contd.)

H. Inventories

Items of inventories are measured at lower of cost or net realisable value. Cost of inventories comprise of all cost of purchase, cost of conversion and other cost incurred in bringing them to their respective present location and condition. Cost of raw materials, process chemicals, stores and spares, packing materials, trading and other products is determined on weighted average basis. By-products are valued at net realisable value. Cost of work-in-progress and finished stock is determined on absorption costing method.

I. Turnover

Turnover includes sale of goods, services, sales tax and excise duty and sales during trial run period, adjusted for discounts (net) and gain / loss on corresponding hedge contracts.

Income from services includes fees accrued on rendering of services, the cost of which is charged to revenue in the year of delivery.

J. Excise Duty and Sales Tax

Excise duty has been accounted on the basis of, both, payments made in respect of goods cleared as also provision made for goods lying in bonded warehouses. Sales tax charged to Profit and Loss Account includes payments made for assignment of deferred sales tax liabilities.

K. Employee Retirement Benefits

Company's contributions to Provident Fund and Superannuation Fund are charged to Profit and Loss Account. Gratuity and Leave Encashment Benefit are charged to Profit and Loss Account on the basis of actuarial valuation.

L. Research and Development Expenses

Expenditure relating to capital items is debited to fixed assets and depreciated at applicable rates. Revenue expenditure is charged to Profit and Loss Account of the year in which they are incurred.

M. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

N. Commodity Hedging Transactions

The commodity hedging contracts are accounted on the date of their settlement and realised gain/ loss in respect of settled contracts are recognised in the profit and loss account, along with the underlying transactions.

O. Accounting for Oil and Gas Joint Ventures

All Oil and Gas Joint Ventures are in the nature of Jointly Controlled Assets. Accordingly assets and liabilities as well as income and expenditure are accounted on the basis of available information on line by line basis with similar items in the company's financial statements, according to the participating interest of the company.

The Company has adopted, with effect from 1-4-2002, the Full Cost Method for accounting for acquisition, exploration and development costs.

P. Provision for Current and Deferred Tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961.

Deferred tax resulting from "timing difference" between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a reasonable certainty that the assets will be realised in future.

Q. Employee Separation Costs

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company is amortised over 60 months

R. Issue Expenses

Issue expenses pertaining to the projects are capitalised.

S. Premium on Redemption of Bonds / Debentures:

Premium on redemption on Bonds / Debentures are adjusted against the Securities Premium Account.

T. Contingent Liabilities:

These are disclosed by way of notes on the Balance Sheet. Provision is made in the accounts in respect of those contingencies which are likely to materialise into liabilities after the year end, till the finalisation of accounts and have material effect on the position stated in the Balance Sheet.

Notes on Accounts

SCHEDULE 'O'

1. The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary.

2. Turnover includes Income from Services of Rs.352.27 crore (Previous Year Rs. 330.00 crore)

3 (a) The company has changed the method of depreciation from straight line method to written down value method, with effect from 1-4-2002 for Polypropylene and Petrochemical support services situated at Jamnagar, to provide for timely replacement.

In compliance with the Accounting Standards (AS-6), issued by the Institute of Chartered Accountants of India, depreciation has been recomputed from the date of commissioning of these assets at WDV rates applicable to those years. Consequent to this there has been an additional charge for depreciation during the year of Rs.384.93 crore which relates to the previous year and an equivalent amount has been withdrawn from the General Reserve and credited to Profit and Loss Account.

Had there been no change in the method of depreciation, the charge for the year would have been lower by Rs. 96.72 crore excluding the charge relating to the previous years.

Consequently, the Net Block of fixed assets and Reserves and Surplus are lower by Rs. 481.65 crore.

(b) The Gross Block of Fixed Assets include Rs. 2735.81 crore (Previous Year Rs 2738.50 crore) on account of revaluation of Fixed Assets carried out in the past. Consequent to the said revaluation there is an additional charge of depreciation of Rs. Rs.116.61 crore (Previous Year Rs. 169.52 crore) and an equivalent amount has been withdrawn from General Reserve and credited to the Profit and Loss Account.

(c) The company has changed the method of depreciation on development rights and producing properties with effect from 1-4-2002 by adoption of Full Cost Method given in the Guidance Note on Accounting for Oil and Gas Producing Activities issued by the Institute of Chartered Accountants of India. In the past, depreciation was provided without considering undeveloped proved reserves and its estimated future development costs.

In compliance with the Guidance Note, depreciation has been recomputed with retrospective effect.

Consequently, there has been an additional charge of depreciation during the year of Rs.114.16 crore, which relates to the period upto 31st March, 2002 and an equivalent amount has been withdrawn from General Reserve and credited to the Profit and Loss Account.

The depreciation charge for the current year is higher by Rs.24.52 crore and the Net Block and Reserves and Surplus are lower by Rs.138.68 crore.

CONSOLIDATED FINANCIAL STATEMENTS AND NOTES

Auditors' Report on Consolidated Financial Statements

TO THE BOARD OF DIRECTORS

RELIANCE INDUSTRIES LIMITED

We have examined the attached Consolidated Balance Sheet of Reliance Industries Limited ("the Company") and its subsidiaries as at 31st March, 2003, and the Consolidated Profit and Loss Account for the year then ended annexed thereto and the Consolidated Cash Flow Statement for the period ended on that date. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards in India. These Standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are prepared, in all material respects, in accordance with an identified financial reporting framework and are free of material misstatements. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements of certain subsidiaries, whose financial statements reflect total assets (net) of Rs.16.99 crores as at 31st March, 2003 and total revenues of Rs.12.58 crores for the year then ended. These financial statements have been audited by other auditors whose reports have been furnished to us, and our opinion , in so far as it relates to the amounts included in respect of these subsidiaries, is based solely on the report of the other auditors.

We report that the consolidated financial statements have been prepared by the Company in accordance with the requirements of Accounting Standard (AS) 21, Consolidated Financial Statements, issued by the Institute of Chartered Accountants of India and on the basis of the separate audited financial statements of the Company and its subsidiaries included in the consolidated financial statements.

On the basis of the information and explanations given to us and on the consideration of the separate audit reports on individual audited financial statements of the Company and its subsidiaries, we are of the opinion that the said consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India :

(a) in the case of the Consolidated Balance Sheet, of the consolidated state of affairs of the Company and its subsidiaries as at 31st March, 2003;

(b) in the case of the Consolidated Profit and Loss Account, of the consolidated results of operations of the Company and its subsidiaries for the year then ended and

(c) in the case of the Consolidated Cash Flow Statement, of the consolidated cash flows of the company and its subsidiaries for the year then ended.

SIGNIFICANT ACCOUNTING POLICIES TO THE CONSOLIDATED BALANCE SHEET AND PROFIT AND LOSS ACCOUNT

1. **Principles of consolidation**

The consolidated financial statements relate to Reliance Industries Limited ('the Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

(i) The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealised profits or losses in accordance with Accounting Standard (AS) 21 - "Consolidated Financial Statements" issued by the Institute of Chartered Accountants of India.

(ii) In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the profit and loss account except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

(iii) The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognised in the financial statements as Goodwill or Capital Reserve as the case may be.

(iv) The difference between the proceeds from disposal of investment in a subsidiary and the carrying amount of its assets less liabilities as of the date of disposal is recognised in the consolidated statement of Profit and Loss account as the profit or loss on disposal of investment in subsidiary.

(v) Minority Interest's share of net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the company.

(vi) Minority Interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the company's shareholders.

(vii) In case of associates where the company directly or indirectly through subsidiaries holds more than 20% of equity, Investments in associates are accounted for using equity method in accordance with Accounting Standard (AS) 23 - "Accounting for investments in associates in consolidated financial statements" issued by the Institute of Chartered Accountants of India.

(viii) The Company accounts for its share in the change in the net assets of the associates, post acquisition, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its profit and loss account to the extent such change is attributable to the associates' profit and loss account and through its reserves for the balance, based on available information.

(ix) The difference between the cost of investment in the associates and the share of net assets at the time of acquisition of shares in the associates is identified in the financial statements as Goodwill or Capital Reserve as the case may be.

(x) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.

2. Investments other than in subsidiaries and associates have been accounted as per Accounting Standard 13 on Accounting for Investments.

3. Other significant accounting policies

These are set out under "Significant Accounting Policies" as given in the Unconsolidated Financial Statements of Reliance Industries Limited and its subsidiaries.

* Accounted for based on unaudited financial results.

3. The carrying amount of investments includes goodwill (net of Capital Reserve) arising on acquisition of the associates of Rs. 456.53 crore.

Notes on Consolidated Accounts

SCHEDULE 'N' (Contd.)

4. Investments in subsidiaries disposed off during the year namely Vimal Fabrics Limited and Reliance Petroinvestments Limited have not been included in preparation of the consolidated financial statements.

5. The financial statements of Reliance Infocom Inc., and Reliance Technologies LLC, Reliance Communications Inc have been prepared under US GAAP and Reliance Communications (UK) Ltd has been prepared under UK GAAP and Reliance Infocom BV has been prepared under Netherlands GAAP. The differences in accounting policies between the company and its subsidiaries are not material.

6. As required by Accounting Standard (AS-23) on Accounting for Investments in Associates in Consolidated Financial Statements issued by the Institute of Chartered Accountants of India, the carrying amount of investments in Associates at the beginning of the year have been restated by applying "Equity Method" of accounting from the date of acquisition of the associates and corresponding adjustment has been made to the retained earnings at the beginning of the year after eliminating unrealised profits, if any.

7. As this is the first year of adoption of Accounting Standard (AS 23) on Accounting for Investments in Associates in Consolidated Financial Statements issued by the Institute of Chartered Accountants of India, figures for the previous year are therefore not comparable to that extent.

8. Turnover includes Income from Services of Rs 364.56 crore (Previous Year Rs. 336.91 crore).

9 (a) The company has changed the method of depreciation from straight line method to written down value method, with effect from 1-4-2002 for Polypropylene and Petrochemicals Support services situated at Jamnagar, to provide for timely replacement.

In compliance with the Accounting Standards (AS-6), issued by the Institute of Chartered Accountants of India, depreciation has been recomputed from the date of commissioning of these assets at WDV rates applicable to those years. Consequent to this there has been an additional charge for depreciation during the year of Rs. 384.93 crore due to the said change which relates to the previous year and an equivalent amount has been withdrawn from the General Reserve and credited to Profit and Loss Account.

Had there been no change in the method of depreciation, the charge for the year would have been lower by Rs. 96.72 crore excluding the charge relating to the previous years.

Consequently, the Net Block of Fixed Assets and Reserves and Surplus are lower by Rs. 481.65 crore.

(b) The Gross Block of Fixed Assets include Rs. 2735.81 crore (Previous Year Rs 2738.50 crore) on account of revaluation of Fixed Assets carried out in the past. Consequent to the said revaluation there is an additional charge of depreciation of Rs. 116.61 crore (Previous Year Rs. 169.52 crore) and an equivalent amount has been withdrawn from General Reserve and credited to the Profit and Loss Account.

(c) The company has changed the method of depreciation on development rights and producing properties with effect from 1-4-2002 by adoption of Full Cost Method given in the Guidance Note on Accounting for Oil and Gas producing activities issued by the Institute of Chartered Accountants of India. In the past, depreciation was provided without considering undeveloped proved reserves and the estimated future expenditure on its development.

In compliance with the Guidance Note, depreciation has been recomputed with retrospective effect.

Consequently, there has been an additional charge of depreciation during the year of Rs.114.16 crore, which relates to the period upto 31st March, 2002 and an equivalent amount has been withdrawn from General Reserve and credited to the Profit and Loss Account.

The depreciation charge for the current year is higher by Rs.24.52 crore and the Net Block and Reserves and Surplus are lower by Rs.138.68 crore.

10. The expenditure on account of exchange difference on outstanding forward exchange contracts to be recognised in the Profit and Loss account of subsequent accounting period aggregate to Rs. Nil. (Previous year Rs 133.61 crore).

Reconciliation of Net Profit determined under Indian GAAP to Consolidated Net Income in accordance with US GAAP

The following reconciliation between Net Profit determined under generally accepted accounting principles in India ("Indian GAAP") to Consolidated Net Income in accordance with accounting principles generally accepted in the United States of America ("US GAAP") has been provided as additional disclosure on a voluntary basis to assist readers who may be unfamiliar with Indian GAAP. However, as the company is not subject to US SEC reporting & disclosure requirements and major part of the revenue of the Company is earned in India, the accounts should be read as per Indian GAAP.

Notes to Reconciliation of Net profit determined under Indian GAAP with Consolidated Net Income according to US GAAP.

The following notes show the difference between Indian and US GAAP and necessary adjustments to arrive at consolidated net income under the US GAAP.

1. Share in income of Affiliates and Subsidiaries

a. Amalgamation of Reliance Petroleum Ltd. (RPL) with the Company

On 8th April, 2002 and 15th April, 2002 respectively, shareholders of the Company and RPL approved a scheme of amalgamation, which was subsequently sanctioned by order dated 7th June, 2002 of the Honourable High Court of Bombay and order dated 13th September, 2002 of the Honourable High Court of Gujarat. This transaction was consummated in September, 2002.

Under Indian GAAP, the consolidated net profit after tax includes the accounts of RPL from the legal date of merger. Under US GAAP, as the transaction was consummated on 13th September, 2002, RPL has been included on the equity basis of accounting upto that date.

b. Affiliates and Subsidiaries

Under Indian GAAP and US GAAP the company's consolidated financial statements include its share of earnings of affiliates and subsidiaries which is consistent with US GAAP. However, the net income under US GAAP includes the earnings of subsidiaries and affiliates determined in accordance with US GAAP.

2. Leases

Under Indian GAAP in respect of leases entered into before 31st March, 2001, no distinction is made between an operating and a capital lease. Under US GAAP, leases are classified into operating or capital, based on the underlying characteristics of the lease. Capital leases are accounted for as though the company had entered into an obligation and invested in an asset, resulting in the charge to operations being the aggregate of depreciation on the asset and interest on the outstanding obligation. Under Indian GAAP, for leases entered prior to 31st March, 2001 the charge to operations consists of the lease rental. Adjustment has been made for reversal of lease rental and the revenue charge of depreciation and interest for capital leases. For leases entered into after 31st March, 2001 the treatment under US GAAP and Indian GAAP is the same.

3. Indirect Preoperative Expenses

Under Indian GAAP certain indirect expenses incurred during construction are capitalised. Under US GAAP, such indirect costs are expensed as incurred.

4. Foreign Currency and Hedging

Under Indian GAAP foreign exchange difference relating to acquisition of fixed assets is adjusted to the carrying cost of such assets. Other foreign exchange differences are recognized in the profit and loss account. Under US GAAP, all gains or losses arising out of foreign exchange differences are required to be included in the determination of net income.

The Company also enters into derivative contracts to manage its exposures to fluctuations in interest rates, foreign currencies and commodity prices. Substantially all such contracts are regulated by agencies of the Government and may be entered into only for the purposes of hedging. In order to comply with regulations, the company maintains extensive documentation to

demonstrate that each such contract qualifies for, and is effective as, a hedge of cash flows or foreign currency exposures.

Under Indian GAAP, the gain or loss on such derivative contracts are generally recognised when the underlying hedge transaction settles, or upon earlier termination of the hedge.

Under US GAAP, the accounting for hedge contracts depends upon the nature of the hedge. For a derivative designated as hedging an exposure to variable cash flow of a forecasted transaction, the effective portion of the derivative's gain or loss is recognised in income when the forecasted transaction affects earnings, or upon earlier termination of the hedge.

5. Depreciation

Under Indian GAAP, indirect preoperative expenses incurred during construction are capitalised. Under US GAAP, such indirect costs must be expensed as incurred. Depreciation has been adjusted to take account of the US GAAP adjustments to fixed assets for indirect preoperative expenses and foreign currencies.

6. Deferred Income Tax

The provision for taxation under Indian GAAP consists of the estimated tax currently payable and deferred income taxes for timing differences between accounting income and taxable income at the substantively enacted income tax rates.

US GAAP requires that a provision for such deferred income taxes be made for the future tax effects of temporary differences between book and tax basis of assets at the enacted tax rates.

Accordingly, the reconciliation provides for an adjustment to reflect the differences due to tax rates and the tax effect of US GAAP adjustments.

7. Issue Expenses

Under Indian GAAP, debt issue expenses may be capitalized or charged to share premium. Under US GAAP, debt issue cost are amortized over the life of the debt.

8. Employee benefits

Under Indian GAAP, provision for leave encashment is accounted for on actuarial valuation basis. Compensation to employees who have opted for voluntary retirement scheme of the company is amortized over 60 months. Under US GAAP provision for leave encashment is accounted on actual basis. Compensation towards voluntary retirement scheme was charged in the year in which the employees accept the offer.

9. Cumulative effect of change in accounting principle

In order to provide for the timely replacement of assets, the Company has changed the method of depreciation for polypropylene and Petrochemical support services situated at Jamnagar from Straight Line to Written Down value method with effect from 1st April, 2002. The new method has been applied retrospectively to fixed asset acquisitions of prior years.

Under Indian GAAP, consequent to this, there is an additional charge for depreciation during the year relating to previous years and an equivalent amount has been withdrawn from General Reserve and credited to Profit & Loss Account.

Under US GAAP, the cumulative effect of the change in depreciation method for previous years has reduced the consolidated net income by Rs. 217 crores (net of Rs. 120 crores in deferred income taxes) after taking into account the adjustments to fixed assets for indirect preoperative expenses and foreign currencies. Had there been no change in the method of depreciation, the charge for the year would have been lower by Rs. 314 crores.

10. Loss on extinguishment of debt

Under Indian GAAP, debt extinguishment premiums are adjusted against Securities Premium Account. Under US GAAP such premiums for early extinguishment of debt are expensed as incurred, and generally reported as extraordinary items.

To the Board of Directors of
RELIANCE INDUSTRIES LIMITED

We have audited the balance sheet of Reliance Industries Limited as of 31st March, 2003 and the Profit and Loss account for the year then ended and have issued our report thereon dated 23rd April, 2003. Our audit also included the accompanying Reconciliation of Net Profit under Indian GAAP to Consolidated Net Income in accordance with US GAAP ("the Reconciliation"). This Reconciliation is the responsibility of the Company's management. Our responsibility is to express an opinion based on our audit. In our opinion, such Reconciliation, when considered in relation to the basic financial statements taken as a whole, presents fairly in all material respects, the information set forth therein.

Circular to the Shareholders

Dear Shareholder(s)

We are happy to inform you that over 91% of the equity share capital of our Company is held in dematerialised form. We request those Investors still holding shares in physical form to convert their shares in dematerialised form.

Why dematerialise Shares?

1. Compulsory Demat

As you may be aware, trading in the shares of Reliance Industries Limited is under compulsory demat segment.

2. Elimination of Odd Lot

The concept of an "Odd Lot" in respect of dematerialised shares stands abolished i.e. in the DEMAT MODE market lot becomes ONE share.

3. Demat – Most Preferred

Dematerialised securities are most preferred by the Banks and other financiers for providing credit facility against securities. Generally, demat securities attract lower margin and lower interest rate compared to physical securities. Registered Brokers at the Stock Exchange prefer demated Stock for dealing.

4. Safety

Securities in dematerialised form reduce all risk of loss of certificates. Under your specific instructions the same can be kept in "Frozen Mode" by your Depository Participant (DP).

How to dematerialise Shares?

Please follow the following procedure for dematerialising your shares:

- Open a Demat Account with any of the Depository Participants (DPs).
- Submit Demat Request Form (DRF) duly signed by all the holders alongwith the share certificates only to the DPs.
- Obtain acknowledgement from the DP for having accepted the share certificates.
- Receive a confirmation statement of holding from your DP within 15 days from the lodgement of securities with DPs.

PLEASE DO NOT SEND THE SHARE CERTIFICATES/DOCUMENTS TO THE COMPANY OR OUR REGISTRAR & TRANSFER AGENT, M/s KARVY CONSULTANTS LIMITED.

In case you need any additional information on this matter please feel free to contact our special advisory cell.

EXPLANATORY STATEMENT UNDER SECTION 393 OF THE COMPANIES ACT, 1956

1. Pursuant to the Order dated the 8th day of March, 2002 passed by the High Court of Judicature at Bombay in the Company Application referred to hereinabove, a meeting of the equity shareholders of the Applicant Company to be held on Monday the 8th day of April, 2002 at 10:15 a.m. (1015 hours) at Birla Matushri Sabhagar, 19, Marine Lines, Mumbai - 400 020, is being convened for the purpose of considering, and if thought fit, approving with or without modification(s), the arrangement embodied in the Scheme of Amalgamation of Reliance Petroleum Limited with the Applicant Company (the "**Scheme**").

2. In this statement, the Applicant Company is also referred to as the "**Transferee Company**" or "**RIL**", Reliance Petroleum Limited is referred to as "**RPL**" or the "**Transferor Company**". Where the context so requires, the Transferor Company and the Transferee Company are together referred to as the "**Companies**".

3. A copy of the Scheme, setting out the terms and conditions of the amalgamation of the Transferor Company with the Transferee Company, which has been approved by the Board of Directors of each of RPL and RIL at their respective meetings held on March 3, 2002 is enclosed.

4. The Registered Office of RIL is situated at 3rd Floor, Maker Chambers IV, 222, Nariman Point, Mumbai 400 021, India.

5. The Registered Office of RPL is situated at Village Motikhavdi, P.O. Digvijay Gram, Dist. Jamnagar, Gujarat 361 140.

6. The share capital of RIL and RPL are set out in Clauses 3(b) and 3(a) of the Scheme respectively.

7. The objects for which RIL has been incorporated are set out in its Memorandum of Association. The primary objects are, inter alia, to establish and carry on the business of manufacturing, dealing, importing and exporting of fibres, fibrous materials and allied products, yarns, and textiles; manufacturing, dealing in petrochemicals and petrochemical products, and to achieve the desired objectives.

8. The objects for which RPL has been incorporated are set out in its Memorandum of Association. The primary objects are, inter alia, to carry on the business of refining of petroleum crude oil, manufacture of refined oil, perfumed and all other types of oil and extracting their by-products.

BACKGROUND TO THE AMALGAMATION

9. The Reliance group which comprises of RIL, RPL, its subsidiaries and other affiliate companies is the largest business group in India on all major financial parameters, including sales, profits, net worth and assets. RIL, the flagship company of the group is India's largest private sector industrial enterprise in terms of total assets, net worth and net profit, and is second only to RPL in terms of sales. RIL ranks amongst the world's top 10 producers for almost all its major products. RIL's strategy has been to build leading market shares in the domestic market, pursue selective export opportunities, implement vertical / backward integration, access leading technologies, achieve economies of scale, focus on financial management and invest in infrastructure projects.

10. RIL's operations capture value addition at every stage, from the production of crude oil and gas to polyester, polymers and chemical products, all of which are vertically integrated to the production of textiles. RIL has one of the largest marketing networks in the Indian industry. All its products including paraxylene, PTA, MEG, ethylene, PVC, PP, HDPE / LLDPE, PET, polyester chips, LAB, PFY, PSF and fabrics are market leaders, and Recron, Relpet, Relene, Reclair, Repol, Reon, Relab, Vimal, Slumberel, etc are amongst India's largest selling brands. RIL is now targeting leading market positions in two new sectors - oil and gas exploration and production, and infocom, the convergence of information and communication. RIL, also plans to actively participate in the ongoing process of consolidation in the energy and petrochemicals sector in the country, to maximise overall shareholder value.

11. RIL's principal facilities in India are located at Naroda, Hazira and Jamnagar in Gujarat, and Patalganga in Maharashtra. RIL also has offshore oil and gas production facilities. The plant at Naroda produces synthetic textiles and fabrics. The plants at Hazira produce polymers, polymer intermediates, polyester intermediates, polyester fibres and yarns. The plants at Patalganga produce polyester fibres and yarn, polyester intermediates and certain chemicals. The plants at Jamnagar produce polyester intermediates and polymers.

12. RIL has made substantial investments in the telecom sector, through Reliance Telecom Limited, Reliance Infocom Limited and Reliance Communications Limited. Reliance has also made investments in Reliance Power Limited, and is the single largest private sector shareholder in BSES Limited, one of the leading power companies in the country. Besides, RIL has promoted Reliance Capital Ltd., a financial services company.

13. RPL is a Reliance group company and has been promoted by RIL, which directly, and through its subsidiary (Reliance Industrial Investments and Holdings Limited) and associate companies, controls approximately 64% shareholding in RPL. RPL is India's largest private sector company in terms of sales, and is second only to RIL in terms of net worth, assets and net profits.

14. Incorporated on September 3, 1991, RPL is the first refinery to be set up by the private sector in India, pursuant to hydrocarbon sector reforms. RPL is the world's largest grassroots refinery, and the fifth largest refinery in the world at any single location, with a capacity of 27 million metric tonnes per annum in Jamnagar, in the state of Gujarat, India. RPL is amongst the most complex refineries globally with a Nelson's complexity index of 9.93. The high degree of complexity indicates large secondary processing capacity, leading to higher value addition and higher refining margins, as compared to less complex refineries. The refinery has been built adhering to the highest international standards of safety and environment protection, and has the technical capability to deliver products of international specifications, even beyond Euro II norms. RPL is the only refinery in India, which is capable of producing gasoline with less than 1% benzene content, and diesel with less than 0.05% sulphur content, right from the first day of operations.

15. In line with the Government's hydrocarbon sector policies, RPL is currently selling the four controlled products, namely, LPG, gasoline, kerosene and diesel to the public sector oil companies. The Government's Oil Coordination Committee determines the price realisation for the sale of RPL's controlled products, based on the principle of import parity. The marketing of controlled products is to be deregulated with effect from April 1, 2002, as per the schedule announced by the Government. RPL has already applied for marketing rights for the controlled products as it meets all the criteria specified by the Government, and the Government has announced that marketing rights will be granted to RPL, along with other private sector companies.

16. RPL is also making investments in pipeline projects to facilitate distribution of petroleum products across the country in a seamless and cost effective manner. RPL has a 10% stake in Petronet India Limited, a holding company set up for creation of pipeline infrastructure for evacuation of petroleum products all over India. RPL also holds a 13% stake in Petronet VK Limited, which owns the 113 km long Vadinar Kandla Pipleine. This pipeline links RPL's refinery to the Kandla Bhatinda pipeline, providing access to the high growth north and north-west markets. The Central India Pipeline Project, which envisages setting up of 1,615 km pipeline serving landlocked markets in Central India has been approved by the Government. RPL will hold a 26% stake in the joint venture implementing this project.

17. RIL and RPL jointly appointed external experts viz. M/s S.B.Billimoria & Co. and Price Waterhouse on 11th February, 2002 to advise them on the fair share exchange ratio.

RATIONALE FOR THE AMALGAMATION

18. The key determinants for success in the global energy/chemicals sector are size, scale and integration. The proposed amalgamation of RPL with RIL is in line with these global trends, to achieve size, scale, integration and greater financial strength and flexibility, in the interests of maximising overall shareholder value.

19. The amalgamation of RPL with RIL has also been proposed in the context of factors such as the further progress in hydrocarbon sector reforms and deregulation in the country, dismantling of the administered price mechanism in the refining industry, the government's decision to grant marketing rights for transportation fuels to private sector companies, and the proposed disinvestment of domestic public sector oil companies, all of which have opened up new growth opportunities of substantial scale.

20. As separate entities, RIL and RPL are India's leading private sector companies with good future prospects. However, the Board of Directors of RIL and RPL believe that the amalgamated entity will create even greater value for their respective shareholders, than could be delivered as separate companies. The amalgamation will create India's only world scale, fully integrated, globally competitive energy company, with operations in oil and gas exploration and production (E&P), refining and marketing (R&M), petrochemicals, power, and textiles. The amalgamated entity, RIL, will enjoy global ranking in all its major businesses, and leading domestic market shares.

21. The amalgamated entity is likely to achieve higher long term financial returns than could be achieved by RIL and RPL on their own. The Board of Directors of RIL and RPL believe that making the manufacturing and other assets, financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of RPL and RIL available to each other in the amalgamated entity, will lead to synergistic benefits, increased global competitiveness, cost reduction and efficiencies, productivity gains, and logistics advantages, thereby contributing to significant future growth.

22. The amalgamation, and the consequent benefits as outlined herein, will contribute to achievement of RPL and RIL's objectives of attaining leadership in the industry peer group, not only in terms of the assets base, revenues, production volumes and market share, but also in terms of total shareholder return.

23. The amalgamated entity's assets will include:
    - offshore and onshore, deep and shallow water blocks of oil and gas exploration and production (E&P) acreage covering an area of approximately 175,000 square kms – India's largest private sector E&P player.
    - 30% interest in the producing oil and gas fields at Panna, Mukta and Tapti.

- the largest grassroots refinery in the world, and the fifth largest refinery in the world, with capacity of 27 million tonnes per annum of petroleum products.
- retail marketing assets that may be set up for transportation fuels in the fast growing domestic Indian market, in accordance with approvals to be granted by the government.
- the world's 2nd largest capacities of partially oriented yarn (POY)/polyester staple fibre (PSF).
- the world's largest paraxylene plant with capacity of 1.4 million tonnes per annum (tpa), making RIL the world's 3rd largest producer.
- the world's 4th largest PTA capacity of over 1 million tpa.
- the world's 6th largest polypropylene capacity of 1 million tpa.

24. The combination of all these assets in the amalgamated entity will contribute to leadership in the energy and petrochemicals business, and increased business opportunities, thereby leading to maximisation of overall shareholder value.

25. RPL is the first and the only refinery to be setup in the private sector in India, pursuant to hydrocarbon sector reforms. RPL has achieved several corporate records in the initial nearly two years of its operations:
- RPL, on a standalone basis, is India's largest private sector company in terms of sales, and second only to RIL in terms of profit, net worth and assets.
- RPL has reported net profit of Rs. 1,269 crores and cash profit of Rs. 1,877 crores for the April-December 2001 period.
- RPL enjoys credit ratings of AA+ from CRISIL. Its rating was upgraded from BBB+ to AA+ within just about a year.
- Recently, RPL raised US$ 750 million in India's largest ever syndicated loan deal, reflecting the confidence of the international banking community in future prospects of the company.
- RPL is amongst the most complex refineries globally generating higher value addition and superior refining margins as compared to its peer group.
- The state-of-the-art, globally competitive RPL refinery has operated at 107% capacity utilisation rate during the first nine months of the current financial year.
- The dismantling of the administered price mechanism (APM) will provide growth opportunities for RPL.

26. RPL's inherent operational strengths, and the opportunities offered by proposed deregulation, will contribute to profits of the amalgamated entity, thereby further enhancing overall shareholder value.

27. The Board of Directors of RPL and RIL considered a number of factors in deciding to approve the amalgamation. The material factors they considered are those set out below:

A. Size, Scale, Integration and Financial Strength

The amalgamation will create India's largest private sector company, in terms of assets, net worth, sales and profits, and one of the world's largest and most integrated energy and petrochemicals companies. The amalgamated entity will have the ability to leverage on its large asset base, diverse range of products and services, and vast pool of intellectual capital, to enhance shareholder value. The amalgamation will result in increased financial strength and flexibility, and enhance the ability of the amalgamated entity to undertake large projects, thereby contributing to enhancement of future business potential of the companies. The Board of Directors of RIL and RPL believe that the integrated facilities of the amalgamated entity, leading market shares, and proprietary skill sets and capabilities, will provide a unique competitive advantage for future growth opportunities.

The Board of Directors of RIL and RPL believe that, in the context of the ongoing reforms in the hydrocarbon sector in the country, this combination of assets and resources, together with the amalgamated entity's financial strength and flexibility, will enable the pursuit of opportunities including setting up of marketing infrastructure for petroleum products in a short period, of substantial scale, which are available only to the most competitive international energy companies.

B. Global competitiveness

The integration of the manufacturing and other facilities of RPL and RIL will contribute to enhanced global competitiveness for the amalgamated entity, thereby increasing its ability to compete with its peer group in domestic and international markets.

C. Market leadership

The amalgamation will contribute towards strengthening Reliance's existing market leadership in all its major products. The amalgamated entity will be a major player in the energy and petrochemical sector, bringing together Reliance's leading positions in different product categories.

D. Industry consolidation

The Indian energy and petrochemicals industry is undergoing a consolidation phase, particularly in view of the government's approach towards hydrocarbon sector reforms and disinvestment of public sector enterprises. The amalgamated entity will have greater potential to effectively participate in this process of consolidation, through its enhanced financial strength and the increased ability to meet competition.

E. Strategic fit and site integration

The Board of Directors of RIL and RPL considered the complementary nature of the businesses of RIL and RPL, in terms of their commercial strengths, geographic profiles and site integration. The major part of the total asset base of the amalgamated entity will be located in the state of Gujarat, at Hazira and Jamnagar. This will enable the amalgamated entity to conduct operations in the most cost effective and efficient manner. The amalgamation will also enable optimal utilisation of various infrastructure and manufacturing assets, including utilities and other site facilities.

F. Synergies

The combination of upstream and downstream operations of RIL and RPL will create a unique level of integration for the amalgamated entity, spanning the entire value chain in the energy business. This will enable the amalgamated entity to achieve substantial savings in costs, significantly enhancing its earnings potential. The estimated cost savings are expected to flow from more focused operational efforts, rationalization, standardisation and simplification of business processes, productivity improvements, improved procurement, and the elimination of duplication.

G. Enhanced organizational capabilties

The amalgamated entity will benefit from improved organizational capability, arising from the combination of people from RIL and RPL who have the diverse skills, talent and vast experience to compete successfully in an increasingly competitive industry. The amalgamated entity will also benefit from the proven leadership and management ability of both companies in all facets of the energy and petrochemicals business, and a consistent track record of success in executing key strategies.

H. Complimentary management strategies

RIL and RPL share common fundamental management philosophies. Both companies pursue sustainable growth within a conservative financial framework. In addition, it is expected that the amalgamated entity will adopt a dividend distribution policy in line with the existing policies of RPL and RIL. The two companies also share common corporate values. These values include protection of the environment, active support for the communities where they operate, promoting diversity and opportunity in the workforce and among business partners, and providing sustained returns to shareholders. The companies have a long and highly rewarding experience of working together, and the Board of Directors of RIL and RPL believe this will contribute to a smooth integration of the companies.

I. Other factors

(a) The amalgamation is expected to be beneficial to the shareholders of both, RIL and RPL. The amalgamation will enhance value for shareholders of both companies through the amalgamated entity's access to greater market resources. The amalgamation will enhance value for shareholders of RPL through the resulting large asset base and scale of operations, particularly RIL's upstream operations in oil and gas which will reduce exposure to imports of feedstock, access to RIL's strong corporate relationships built up over three decades, entry into new sectors, and access to the vast talent pool of RIL and its subsidiaries. RIL shareholders will benefit from the business of refining and marketing of petroleum products presently carried out by RPL, and the access to RPL's strong cash flows.

(b) Investments in oil and gas exploration and production, entry into retail marketing of transportation fuels in accordance with approvals that may be granted by the government, and participation in the disinvestment programme for public sector oil companies, will require additional resources on a substantial scale. The amalgamated entity will be better positioned to meet these increased resource requirements.

(c) The proposed deregulation of the marketing of 'controlled' petroleum products may entail setting up marketing infrastructure across various parts of the country, to meet the high demand of the Indian consumer base. The amalgamated entity will have the ability to successfully achieve this objective, particularly in view of the complementary track record of project management and implementation enjoyed by both companies.

(d) An integrated and synergistic approach will be essential to function more effectively in an increasingly competitive environment. Therefore, the Board of Directors of RPL and RIL believed that amalgamation of the two companies was desirable.

(e) The process of integration of operations of RPL with RIL is expected to be smooth in view of the existing strong relationships between the two companies.

28. The benefits that the Board of Directors of RIL and RPL expect to realize through amalgamation depend, in part, on the ability to successfully integrate the operations of both the companies. It is possible that the expected benefits may not be fully realized or that these expected benefits may not be realized in a timely or cost-effective manner.

29. The Scheme of amalgamation was placed before the Board of Directors of both RIL and RPL on March 3, 2002, at which time S.B.Billimoria & Co. and Price Waterhouse jointly recommended the share exchange ratio for the issue of shares by RIL to the shareholders of RPL upon the coming into effect of the scheme of amalgamation. Based on all of the aforesaid, the Board of Directors of both RIL and RPL approved the scheme on March 3, 2002.

30. The salient features of the Scheme of Amalgamation of the Transferor Company with the Transferee Company (the "Scheme") are as follows:

a) The "**Appointed Date**" for the Scheme shall be April 1, 2001.

b) **"Effective Date"** or **"coming into effect of the Scheme"** or **"effectiveness of the Scheme"** means the last of the dates on which all the orders, approvals, consents, conditions, matters or filings referred to in Clause 27 of the Scheme have been obtained or fulfilled ;

c) The **"Assets or Undertaking"** (as defined in the Scheme) of the Transferor Company comprises all the undertakings, the entire business, all the properties (whether movable or immovable, tangible or intangible), plant and machinery, buildings and structures, offices, residential and other premises, capital work in progress, furniture, fixtures, office equipment, appliances, accessories, power lines, railway sidings depots, deposits, all stocks, assets, investments of all kinds (including shares, scrips, stocks, bonds, debenture stock, units or pass through certificates), cash balances with banks, loans, advances, contingent rights or benefits, receivables, benefit of any deposits, financial assets, leases (including lease rights, prospecting leases and mining leases, if any), and hire purchase contracts and assets, lending contracts, benefit of any security arrangements, reversions, powers, authorities, allotments, approvals, permits and consents, quotas, rights, entitlements, contracts, licenses (industrial and otherwise), municipal permissions, tenancies in relation to the office and/or residential properties for the employees or other persons, guest houses, godowns, warehouses, leases, licenses, fixed and other assets, benefits of assets or properties or other interest held in trust, registrations, contracts, engagements, arrangements of all kind, privileges and all other rights including sales tax benefits, loans or deferrals, title, interests, benefits and advantages of whatsoever nature and wheresoever situate belonging to or in the ownership, power or possession and in the control of or vested in or granted in favour of or enjoyed by the Transferor Company, including but without being limited to trade and service names, and marks, patents, copyrights, and other intellectual property rights of any nature whatsoever, authorisations, permits, approvals, authorisations, rights to use and avail of telephones, telexes, facsimile, email, internet,

d) The Scheme envisages that upon the coming into effect of the Scheme and with effect from the Appointed Date and subject to the provisions of the Scheme:

(i) The Undertaking of the Transferor Company shall, pursuant to the provisions of Section 394(2) of the Companies Act, 1956 (the "Act") without any further act, instrument or deed, be and stand transferred to and vested in or be deemed to have been transferred to and vested in the Transferee Company as a going concern so as to become as and from the Appointed Date, the estate, assets, rights, title, interest and authorities of the Transferee Company.

(ii) Without prejudice to sub-clause (i) above, in respect of such of the assets of the Undertaking as are moveable in nature or are otherwise capable of transfer by manual delivery or by endorsement and/or delivery, the same may be so transferred by the Transferor Company, and shall, upon such transfer, become the property, estate, assets, rights, title, interest and authorities of the Transferee Company.

(iii) All the licenses, permits, quotas, approvals, permissions, incentives, sales tax deferrals, loans and benefits, subsidies, concessions, grants, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status and other benefits or privileges enjoyed or conferred upon or held or availed of by and all rights and benefits that have accrued or which may accrue to the Transferor Companies shall, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed, be and stand transferred to and vest in or be deemed to be transferred to and vested in and be available to the Transferee Company so as to become as and from the Appointed Date licenses, permits, quotas, approvals, permissions, incentives, sales tax deferrals, loans and benefits, subsidies, concessions, grants, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status and other benefits or privileges of the Transferee Company and shall remain valid, effective and enforceable on the same terms and conditions to the extent permissible under law.

(iv) All Assets, estate, rights, title, interest, licenses and authorities acquired by or permits quotas, approvals, permissions, incentives, sales tax deferrals, loans or benefits, subsidies, concessions, grants, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status and other benefits or privileges enjoyed or conferred upon or held or availed of by and/ or all rights and benefits that have accrued or which may accrue to the Transferor Companies after the Appointed Date and prior to the Effective Date in connection or in relation to the operation of the Undertaking shall, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed, be and stand transferred to and vested or deemed to be transferred to and vested in the Transferee Company.

e) The Scheme provides that upon the coming into effect of the Scheme and with effect from the Appointed Date:

(i) All secured and unsecured debts, (whether in rupees or in foreign currency), all liabilities, duties and obligations of the Transferor Company along with any charge, encumbrance, lien or security thereon (hereinafter referred to as the "**said Liabilities**") shall, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed, be and stand transferred to and vested in or deemed to have been transferred to and vested in, so as to become the debts, liabilities, duties and obligations of the Transferee Company, and further that it shall not be necessary to obtain the consent of any third party or other person who is a party to any contract or arrangement by virtue of which such debts, liabilities, duties and obligations have arisen in order to give effect to the provisions of this Clause. In so far as the Assets of the Transferor Company are concerned, the security or charge over such Assets or any part thereof, relating to any loans, debentures or borrowing of the Transferor Company, shall, without any further act or deed continue to relate to such Assets or any part thereof, after the Effective Date and shall not relate to or be available as security in relation to any or any part of the assets of the Transferee Company, save to the extent warranted by the terms of the existing security arrangements to which the Transferor Company and the Transferee Company are party, and consistent with the joint obligations assumed by them under such arrangement.

(ii) All debentures, bonds, notes or other debt securities of the Transferor Company, whether convertible into equity or otherwise, (the "**Transferor Company's Securities**"), shall, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed become securities of the Transferee Company and all rights, powers, duties and obligations in relation thereto shall be and stand transferred to and vested in or deemed to have been transferred to and vested in and shall be exercised by or against the Transferee Company as if it were the Transferor Company in respect of the Transferor Company's Securities so transferred. If the Transferor Company's Securities are listed on any stock exchange, the same shall, subject to applicable regulations, be listed on the relevant stock exchange/s whether in India or abroad, where the Transferor Company's Securities were listed on the same terms and conditions unless otherwise modified in accordance with the provisions of the Scheme.

(iii) Loans, advances and other obligations (including any guarantees, letters of credit, letters of comfort or any other instrument or arrangement which may give rise to a contingent liability in whatever form), if any, due or which may at any time in future become due between the Transferor Company and the Transferee Company shall stand discharged and there shall be no liability in that behalf on either party.

(iv) Any debentures or notes, or other debt securities, if any, issued by the Transferor Company and held by the Transferee Company, and vice versa, shall, unless sold or transferred by the Transferor Company or the Transferee Company, as the case may be, at any time prior to the Effective Date, stand cancelled as on the Effective Date, and shall be of no effect and the Transferor Company or the Transferee Company, as the case may be, shall have no further obligation in that behalf.

f) The Scheme provides that :-

(i) Where any of the liabilities and obligations of the Transferor Company as on the Appointed Date transferred to the Transferee

Company have been discharged by the Transferor Company after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on account of the Transferee Company.

(ii) All loans raised and utilized and all debts, duties, undertakings, liabilities and obligations incurred or undertaken by the Transferor Company in relation to or in connection with the Undertaking after the Appointed Date and prior to the Effective Date shall be deemed to have been raised, used, incurred or undertaken for and on behalf of the Transferee Company and to the extent they are outstanding on the Effective Date, shall, upon the coming into effect of this Scheme, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed be and stand transferred to or vested in or be deemed to have been transferred to and vested in the Transferee Company and shall become the debt, duties, undertakings, liabilities and obligations of the Transferee Company which shall meet, discharge and satisfy the same.

(iii) All estates, assets, rights, title, interests and authorities accrued to and/or acquired by the Transferor Company in relation to or in connection with the Undertaking after the Appointed Date and prior to the Effective Date shall have been deemed to have been accrued to and/or acquired for and on behalf of the Transferee Company and shall, upon the coming into effect of this Scheme, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed be and stand transferred to or vested in or be deemed to have been transferred to or vested in the Transferee Company to that extent and shall become the estates, assets, right, title, interests and authorities of the Transferee Company.

g) The Scheme provides that with effect from Appointed Date and up to the Effective Date:-

(i) The Transferor Company shall carry on and shall be deemed to have carried on all its business and activities as hitherto and shall hold and stand possessed of and shall be deemed to have held and stood possessed of the Undertaking on account of, and for the benefit of and in trust for, the Transferee Company;

(ii) All the profits or incomes accruing or arising to the Transferor Company, or expenditure or losses arising or incurred (including the effect of taxes, if any, thereon) by the Transferor Company shall, for all purposes, be treated and be deemed to be and accrue as the profits or incomes or expenditure or losses or taxes of the Transferee Company, as the case may be.

h) The scheme provides that with effect from the date of filing of this Scheme with the High Court of Judicature at Bombay and the High Court of Gujarat at Ahmedabad (whichever is earlier) and upto and including the Effective Date:

(i) The Transferor Company shall carry on its business and activities with reasonable diligence and business prudence and shall not, undertake any additional financial commitments of any nature whatsoever, borrow any amounts nor incur any other liabilities or expenditure, issue any additional guarantees, indemnities, letters of comfort or commitments either for itself or on behalf of its subsidiaries or group companies or any third party, or sell, transfer, alienate, charge, mortgage or encumber or deal with the Undertaking save and except in each case in the following circumstances:

(ia) if the same is in its ordinary course of business as carried on by it as on the date of filing this Scheme with the High Court of Judicature at Bombay and the High Court of Gujarat at Ahmedabad; or

(ib) if the same is expressly permitted by this Scheme; or

(ic) if written consent on the Transferee Company has been obtained.

(ii) The Transferee Company shall carry on its business and activities with reasonable diligence and business prudence and shall not, undertake any additional financial commitments of any nature whatsoever, borrow any amounts nor incur any other liabilities or expenditure, issue any additional guarantees, indemnities, letters of comfort or commitments either for itself or on behalf of its subsidiaries or group companies or any third party, or sell, transfer, alienate, charge, mortgage or encumber or deal with the Undertaking save and except in each case in the following circumstances:

(iia) if the same is in its ordinary course of business as carried on by it as on the date of filing this Scheme with the High Court of Judicature at Bombay and the High Court of Gujarat at Ahmedabad; or

(iib) if the same is expressly permitted by this Scheme; or

(iic) if written consent on the Transferor Company has been obtained.

(iii) The Transferor Company and the Transferee Company shall not make any change in their respective capital structure either by any increase, (by issue of equity or shares on a rights basis, bonus shares, convertible debentures or otherwise) decrease, reduction, reclassification, sub-division or consolidation, re-organisation, or in any other manner which may, in any way, affect the Share Exchange Ratio (as defined below), except by mutual consent of the respective Boards of Directors of the Transferor Company and the Transferee Company or except as may be expressly permitted under the Scheme.

i) Upon the coming into effect of this Scheme, all suits, actions and proceedings by or against the Transferor Company pending and/or arising on or before the Effective Date shall be continued and be enforced by or against the Transferee Company as effectually and in the same manner and to the same extent as if the same had been pending and/or arising by or against the Transferee Company.

j) Upon the coming into effect of this Scheme, and subject to the provisions of this Scheme, all contracts, deeds, bonds, agreements, arrangements and other instruments (including all tenancies, leases, licenses and other assurances in favour of the Transferor Company or powers or authorities granted by or to it) of whatsoever nature to which the Transferor Company is a party or to the benefit of which the Transferor Company may be eligible, and which are subsisting or having effect immediately before the Effective Date, shall, without any further act, instrument or deed, be in full force and effect against or in favour of the Transferee Company, as the case may be, and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary or obligee thereto. The Transferee Company shall, at any time prior to the Effective Date, wherever necessary, enter into, and/or issue and/or execute deeds, writings, confirmations, any tripartite arrangements or novations to which the Transferor Company will, if necessary, also be a party in order to give formal effect to the provisions of this Clause.

k) Upon the coming into effect of this Scheme:

(i) All the employees of the Transferor Company in service on the Effective Date, shall become the employees of the Transferee Company on such date without any break or interruption in service and on terms and conditions as to remuneration not less favourable than those subsisting with reference to the Transferor Company as on the said date. It is clarified that the employees of the Transferor Company who become employees of the Transferee Company by virtue of this Scheme, shall not be entitled to the employment policies, and shall not be entitled to avail of any schemes and benefits that are applicable and available to any of the employees of the Transferee Company, unless otherwise determined by the Transferee Company. The Transferee Company undertakes to continue to abide by any agreement/settlement, if any, entered into by the Transferor Company with any union/employee of the Transferor Company.

(ii) The existing provident fund, gratuity fund, and pension and/or superannuation fund or trusts created by the Transferor Company or any other special funds created or existing for the benefit of the employees of the Transferor Company shall at an appropriate stage be transferred to the relevant funds of the Transferee Company and till such time shall be maintained separately. In the event that the Transferee Company does not have its own fund with respect to any such matters, the Transferee Company shall create its own funds to which the contributions pertaining to the employees of Transferor Company shall be transferred.

l) (i) Upon the coming into effect of this Scheme; and in consideration of the transfer of and vesting of the Undertaking and the Liabilities of the Transferor Company in the Transferee Company in terms of this Scheme, the Transferee Company shall without any further application, act, instrument or deed, issue and allot to the equity shareholders of the Transferor Company whose names are recorded in the Register of Members (the "**Members**"), on a date (hereinafter referred to as the "**Record Date**") to be fixed by the Board of Directors of the Transferee Company or a committee of such Board of Directors, equity shares of Rs. 10/- (Rupees ten only) each, credited as fully paid up, in the ratio of 1 (one) equity share of the face value of Rs. 10/- (Rupees ten only) in the Transferee Company for every 11 (eleven) equity shares of the face value of Rs. 10/- (Rupees ten only) each held in Transferor Company.

(the above ratio in which the shares of the Transferee Company are to be allotted to the shareholders of the Transferor Company by the Transferee Company is hereinafter referred to as the "**Share Exchange Ratio**").

The Share Exchange Ratio was arrived at based on the opinions of external experts viz. M/s. S.B. Billimoria & Co and Price Waterhouse, jointly appointed by RIL and RPL.

(ii) The shares or the share certificates of the Transferor Company in relation to the shares held by its Members (and the GDRs that have been issued representing the underlying shares in the Transferor Company) shall, without any further application, act, instrument or deed, be deemed to have been automatically cancelled and be of no effect on and from the Record Date. In so far as the issue of shares pursuant to sub-clause above is concerned, each of the Members holding shares in physical form shall have the option, exercisable by notice in writing by them to the Transferee Company on or before such date as may be determined by the Board of Directors of the Transferee Company or a committee of such Board of Directors, to receive, either in certificate form or in dematerialised form, the shares of the Transferee Company in lieu thereof in accordance with the terms hereof. In the event that such notice has not been received by the Transferee Company in respect of any of the Members, the shares of the Transferee Company shall be issued to such members in certificate form. Those of the Members exercising the option to receive the shares in dematerialised form shall be required to have an account with a depository participant and shall provide details thereof and such other confirmations as may be required. It is only thereupon that the Transferee Company shall issue and directly credit the demat/dematerialised securities account of such member with the shares of the Transferee Company. It is clarified that each of the Members holding shares in dematerialised form shall be issued the shares of the Transferee Company in dematerialised form as per the records maintained by the National Securities Depository Limited and/or Central Depository Services Limited on the Record Date.

m) (i) Equity shares of the Transferor Company, if any, held by the Transferee Company on the Record Date shall be cancelled and shall be deemed to have been cancelled without any further act or deed, and no shares of the Transferee Company are required to be issued in lieu thereof.

(ii) Equity shares of the Transferee Company, if any, held by the Transferor Company on the Record Date shall be cancelled without any further act or deed, and no shares of the Transferee Company are required to be issued in lieu thereof.

(iii) In respect of equity shares of the Transferor Company where calls are in arrears, without prejudice to any remedies that the Transferor Company or the Transferee Company, as the case may be, shall have in this behalf, the Transferee Company shall not be bound to issue any shares of the Transferee Company (whether partly paid or otherwise) nor to confirm any entitlement to such holder until such time as the calls-in-arrears are paid.

(iv) In so far as the forfeited shares of the Transferor Company is concerned, no shares shall be issued by the Transferee Company in lieu thereof.

(v) Shares of the Transferee Company to be issued in accordance with the Share Exchange Ratio, in relation to the shares of the Transferor Company held by Reliance Industrial Investments and Holdings Limited (RIIHL) shall, without any further application, act, instrument or deed, be issued and allotted directly to individual trustee or a board of trustees (including the survivors or survivor of any of the trustees comprising such board of trustees) or a corporate trustee (the "**Trustee**") who shall hold such shares with all additions or accretions thereto in trust for the benefit of RIIHL and its successor or successors subject to the powers, provisions, discretions, rights and agreements contained in the instrument (the "**Trust Deed**") establishing the aforesaid trust (the "**Trust**") for a period of 5(five) years (the "**Term**"). The Trustees shall have the sole discretion, if it is deemed so necessary, to vary the Term in accordance with the provisions of the Trust Deed. During the Term or such varied Term as may be determined by the Trustee, the Trustee may realise value in relation to such shares and in such manner as is appropriate in accordance with the provisions of the Trust Deed and act in the best interest of the beneficiary(ies). The constitution of the Trust, and the functions and powers of the Trustee shall be set forth in the Trust Deed. The obligations of the Trustee shall stand discharged and the Trust shall stand terminated in accordance with the provisions of the Trust Deed.

n) No certificate(s) shall be issued in respect of fractional entitlements, if any, by the Transferee Company, to which the Members may be entitled on issue and allotment of shares of the Transferee Company as per the Share Exchange Ratio. The Board of Directors of the Transferee Company shall, instead consolidate all such fractional entitlements and thereupon issue and allot equity shares in lieu thereof to a director or an officer of the Transferee Company or such other person as the Board of Directors of the Transferee Company shall appoint in this behalf who shall hold the shares in trust on behalf of the Members entitled to fractional entitlements with the express understanding that such director(s) or officer(s) or person(s) shall sell the same in the market at such time or times and at such price or prices in the market and to such person or persons, as it/he/they deem fit, and pay to the Transferee Company, the net sale proceeds thereof, whereupon the Transferee Company shall distribute such net sale proceeds to the Members in proportion to their respective fractional entitlements.

o) Equity shares issued and allotted by the Transferee Company in accordance with the Share Exchange Ratio shall be subject to the provisions of the Memorandum and Articles of Association of the Transferee Company and shall rank pari passu in all respects with the then existing equity shares of the Transferee Company, including in respect of dividends, if any, that may be declared by the Transferee Company, on or after the Effective Date.

p) Equity shares of the Transferee Company issued in accordance with the Share Exchange Ratio shall be listed on the relevant stock exchange/s in India, only where the existing equity shares of the Transferee Company are presently listed.

q) (i) Upon the coming into effect of this Scheme, and the issue of shares in the Share Exchange Ratio by the Transferee Company, the Transferee Company shall instruct its depository (the "**Depository**") in respect of the existing global depository receipts (the "**GDRs**") of the Transferee Company to issue GDRs of the Transferee Company to the existing GDR holders of the Transferor Company in an appropriate manner, in accordance with the terms of the deposit agreement entered into amongst the Transferee Company, the Bank of New York and all registered holders of and beneficial owners from time to time of the GDRs of the Transferee Company (the "**Deposit Agreement**"). The Transferee Company and the Depository shall enter into such further documents as may be necessary and appropriate in this behalf, which shall contain all detailed terms and conditions of such issue.

(ii) The Transferee Company shall take all such steps and do all such acts, deeds and things as may be necessary for the issue of GDRs, for listing the GDRs on the Luxembourg Stock Exchange and, if deemed, necessary, for the registration of the GDRs under the Securities Act of 1933, as amended, of the United States of America (the "**Securities Act**") on Form F-6.

(iii) The GDRs issued to the existing GDR holders of the Transferor Company shall be similar in all material respects with the existing GDRs of the Transferee Company.

(iv) The equity shares underlying the GDRs issued to the existing GDR holders of the Transferor Company will not be registered under the Securities Act in reliance upon the exemption from registration contained in Section 3(a)(10) of the Securities Act. To obtain this exemption, the Transferee Company will rely on the approval of the Scheme by the High Court of Gujarat at Ahmedabad and the High Court of Maharashtra at Mumbai following the hearing by each court. However the GDRs to be issued will be, if deemed necessary, registered on Form F-6, as required by the Securities Act.

(v) If, on account of the Share Exchange Ratio, fractional GDRs of the Transferee Company have to be issued, then, in accordance with Section 4.03 of the Deposit Agreement, in lieu of delivering receipts for fractional GDRs the Depository may, in its discretion, sell the shares represented by the aggregate of such fractions, at public or private sale, at such place or places and at such price or prices as it may deem proper, and distribute the net proceeds of any such sale in accordance with the terms of the Deposit Agreement.

r) This Scheme is conditional upon and subject to:

(i) The Scheme being agreed to by the requisite majority of the members of the Transferor Company and the Transferee Company as required under the Act and the requisite orders of the High Court of Judicature at Bombay and the High Court of Gujarat at Ahmedabad above being obtained;

(ii) Such other sanctions and approvals including sanctions of any governmental or regulatory authority, creditor, lessor, or contracting party as may be required by law or contract in respect of the Scheme being obtained; and

(iii) The certified copies of the court orders referred to in this Scheme being filed with the Registrar of Companies, Maharashtra and the Registrar of Companies, Gujarat.

The Members are requested to read the entire text of the Scheme to get better acquainted with the provisions thereof as stated above. The aforesaid are only the main clauses thereof.

31. The Transferor Company is not a subsidiary of the Transferee Company in any manner whatsoever as provided in section 4 of the Companies Act, 1956.

32. There is no likelihood that any creditor of the Applicant Company would lose or be prejudiced as a result of the Scheme being passed. The latest audited accounts of the Transferor Company and the Transferee Company indicates that the Transferor Company and the Transferee Company are in a solvent position and the amalgamated company would emerge stronger and thus be able to meet the liabilities as they arise in the course of business. Hence, the Scheme will not adversely affect the interests of any of the creditors.

33. The Scheme provides that in the event the Scheme fails to take effect by December 31, 2002 or by such later date as may be agreed to by the respective Boards of Directors of each of the Transferor Company and the Transferee Company, the Scheme would become null and void and in that event no rights and liabilities whatsoever would accrue to or be incurred inter se by the parties or their shareholders or creditors or employees or any other person. In such case each of the Companies shall bear its own costs or as may be mutually agreed amongst themselves.

34. The Directors of each of the Transferor Company and the Transferee Company may be deemed to be concerned and/or interested in the Scheme to the extent of their shareholding in the Companies, or to the extent the said Directors are common Directors in both the Companies,

or to the extent the said Directors are the partners, directors, members of the companies, firms, association of persons, bodies corporate and/or beneficiary of trust, that hold shares in any of the Companies.

35. The present details of Directors of RIL and their shareholding in RPL and RIL are follows:

37. This Scheme will have no effect on the interests of each of the Directors of the Companies except in their capacity as shareholders of the Companies. Particulars of the interests of such Directors are available for inspection at the respective Registered Offices of the Transferee Company and the Transferor Company.

38. No investigation proceedings have been instituted or are pending under Sections 235 and 250A of the Companies Act, 1956 against the Applicant Company. However, the Central Government has issued an order for inspection of the books of account of the Applicant Company under Section 209A of the Act, which is in progress.

39. Inspection of the following documents may be had at the Registered Office of the Applicant Company on any working day (except Saturday) prior to the date of the meeting, during office hours.

(i) the Order dated the 8th day of March, 2002, of the High Court of Judicature at Bombay passed in Company Application No. 133 of 2002 directing the convening of the meeting of the equity shareholders of the Applicant Company.

(ii) the Scheme of amalgamation.

(iii) the Memorandum and Articles of Association of the Transferor Company and the Transferee Company.

(iv) the Annual Report of the Transferor Company and the Transferee Company for the year ended March 31, 2001.

(v) the Report of S.B.Billimoria & Co. and Price Waterhouse on the fair Share Exchange Ratio.

This statement may be treated as the statement under Section 173 and also Section 393 of the Companies Act, 1956. A copy of the Scheme and this statement may be obtained from the Registered Office of the Applicant Company.

Dated this 9th day of March, 2002.

PART III - TRANSFER AND VESTING

4. (a) Upon the coming into effect of this Scheme and with effect from the Appointed Date and subject to the provisions of this Scheme, the Undertaking shall, pursuant to Section 394(2) of the Act, without any further act, instrument or deed, be and stand transferred to and vested in and/or be deemed to have been and stand transferred to and vested in the Transferee Company as a going concern so as to become as and from the Appointed Date, the estate, assets, rights, title and interests and authorities of the Transferee Company.

   (b) Without prejudice to sub-clause (a) above, in respect of such of the assets of the Undertaking as are movable in nature or are otherwise capable of transfer by manual delivery or by endorsement and/or delivery, the same may be so transferred by the Transferor Company, and shall, upon such transfer, become the property, estate, assets, rights, title, interest and authorities of the Transferee Company.

   (c) All the licenses, permits, quotas, approvals, permissions, incentives, sales tax deferrals, loans, subsidies, concessions, grants, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status and other benefits or privileges enjoyed or conferred upon or held or availed of by and all rights and benefits that have accrued, which may accrue to the Transferor Company shall, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed, be and stand transferred to and vested in and or be deemed to have been transferred to and vested in and be available to the Transferee Company so as to become as and from the Appointed Date the licenses, permits, quotas, approvals, permissions, incentives, sales tax deferrals, loans , subsidies, concessions, grants, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes, special status and other benefits or

privileges of the Transferee Company and shall remain valid, effective and enforceable on the same terms and conditions to the extent permissible under law. It is hereby clarified that all inter party transactions between the Transferor Company and the Transferee Company shall be considered as intra party transactions for all purposes from the Appointed Date.

(d) All Assets, estate, rights, title, interest, licenses and authorities acquired by or permits, quotas, approvals, permissions, incentives, sales tax deferrals, loans or benefits, subsidies, concessions, grants, rights, claims, leases, tenancy rights, liberties, rehabilitation schemes and other assets, special status and other benefits or privileges enjoyed or conferred upon or held or availed of by and/or all rights and benefits that have accrued or which may accrue to the Transferor Company after the Appointed Date and prior to the Effective Date in connection or in relation to the operation of the Undertaking shall, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed, be and stand transferred to and vested or deemed to have been transferred to and vested in the Transferee Company.

5. Upon the coming into effect of this Scheme and with effect from the Appointed Date:

(a) All secured and unsecured debts, (whether in rupees or in foreign currency), all liabilities, duties and obligations of the Transferor Company along with any charge, encumbrance, lien or security thereon (hereinafter referred to as the "**said Liabilities**") shall, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed, be and stand transferred to and vested in or deemed to have been transferred to and vested in, so as to become the debts, liabilities, duties and obligations of the Transferee Company, and further that it shall not be necessary to obtain the consent of any third party or other person who is a party to any contract or arrangement by virtue of which such debts, liabilities, duties and obligations have arisen in order to give effect to the provisions of this Clause. It is clarified that in so far as the Assets of the Transferor Company are concerned, the security or charge over such Assets or any part thereof, relating to any loans, debentures or borrowing of the Transferor Company, shall, without any further act or deed continue to relate to such Assets or any part thereof, after the Effective Date and shall not relate to or be available as security in relation to any or any part of the assets of the Transferee Company, save to the extent warranted by the terms of the existing security arrangements to which the Transferor Company and the Transferee Company are party, and consistent with the joint obligations assumed by them under such arrangement.

(b) (i) All debentures, bonds, notes or other debt securities of the Transferor Company, whether convertible into equity or otherwise, (the "**Transferor Company's Securities**"), shall, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed become securities of the Transferee Company and all rights, powers, duties and obligations in relation thereto shall be and stand transferred to and vested in or deemed to have been transferred to and vested in and shall be exercised by or against the Transferee Company as if it were the Transferor Company in respect of the Transferor Company's Securities so transferred. If the Transferor Company's Securities are listed on any stock exchange, the same shall, subject to applicable regulations, be listed on the relevant stock exchange/s whether in India or abroad, where the Transferor Company's Securities were listed on the same terms and conditions unless otherwise modified in accordance with the provisions hereof.

(ii) Loans, advances and other obligations (including any guarantees, letters of credit, letters of comfor or any other instrument or arrangement which may give rise to a contingent liability in whatever form), if any, due or which may at any time in future become due between the Transferor Company and the Transferee Company shall stand discharged and there shall be no liability in that behalf on either party.

(iii) Any debentures or notes, or other debt securities, if any, issued by the Transferor Company and held by the Transferee Company, and vice versa, shall, unless sold or transferred by the Transferor Company or the Transferee Company, as the case may be, at any time prior to the Effective Date, stand cancelled as on the Effective Date, and shall be of no effect and the Transferor Company or the Transferee Company, as the case may be, shall have no further obligation in that behalf.

(c) (i) Where any of the liabilities and obligations of the Transferor Company as on the Appointed Date transferred to the Transferee Company have bee discharged by the Transferor Company after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on account of the Transferee Company.

(ii) All loans raised and utilized and all debts, duties, undertakings, liabilities and obligations incurred or undertaken by the Transferor Company in relation to or in connection with the Undertaking after the Appointed Date and prior to the Effective Date shall be deemed to have been raised, used, incurred or undertaken for and on behalf of the Transferee Company and to the extent they are outstanding on the Effective Date, shall, upon the coming into effect of this Scheme, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed be and stand transferred to or vested in or be deemed to have been transferred to and vested in the Transferee

Company and shall become the debt, duties, undertakings, liabilities and obligations of the Transferee Company which shall meet, discharge and satisfy the same.

(iii) All estates, assets, rights, title, interests and authorities accrued to and/or acquired by the Transferor Company in relation to or in connection with the Undertaking after the Appointed Date and prior to the Effective Date shall have been deemed to have been accrued to and/or acquired for and on behalf of the Transferee Company and shall, upon the coming into effect of this Scheme, pursuant to the provisions of Section 394(2) of the Act, without any further act, instrument or deed be and stand transferred to or vested in or be deemed to have been transferred to or vested in the Transferee Company to that extent and shall become the estates, assets, right, title, interests and authorities of the Transferee Company.

(a) With effect from Appointed Date and up to the Effective Date:

(i) The Transferor Company shall carry on and shall be deemed to have carried on all its business and activities as hitherto and shall hold and stand possessed of and shall be deemed to have held and stood possessed of the Undertaking on account of, and for the benefit of and in trust for, the Transferee Company;

(ii) All the profits or incomes accruing or arising to the Transferor Company, or expenditure or losses arising or incurred (including the effect of taxes, if any, thereon) by the Transferor Company shall, for all purposes, be treated and be deemed to be and accrue as the profits or incomes or expenditure or losses or taxes of the Transferee Company, as the case may be.

(b) With effect from the date of filing of this Scheme with the High Court of Judicature at Bombay and the High Court of Gujarat at Ahmedabad (whichever is earlier) and upto and including the Effective Date:

(i) The Transferor Company shall carry on its business and activities with reasonable diligence and business prudence and shall not, undertake any additional financial commitments of any nature whatsoever, borrow any amounts nor incur any other liabilities or expenditure, issue any additional guarantees, indemnities, letters of comfort or commitments either for itself or on behalf of its subsidiaries or group companies or any third party, or sell, transfer, alienate, charge, mortgage or encumber or deal with the Undertaking save and except in each case in the following circumstances:

(ia) if the same is in its ordinary course of business as carried on by it as on the date of filing this Scheme with the the High Court of Judicature at Bombay and the High Court of Gujarat at Ahmedabad; or

(ib) if the same is expressly permitted by this Scheme; or

(ic) if written consent on the Transferee Company has been obtained.

(ii) The Transferee Company shall carry on its business and activities with reasonable diligence and business prudence and shall not, undertake any additional financial commitments of any nature whatsoever, borrow any amounts nor incur any other liabilities or expenditure, issue any additional guarantees, indemnities, letters of comfort or commitments either for itself or on behalf of its subsidiaries or group companies or any third party, or sell, transfer, alienate, charge, mortgage or encumber or deal with the Undertaking save and except in each case in the following circumstances:

(iia) if the same is in its ordinary course of business as carried on by it as on the date of filing this Scheme with the the High Court of Judicature at Bombay and the High Court of Gujarat at Ahmedabad; or

(iib) if the same is expressly permitted by this Scheme; or

(iic) if written consent on the Transferor Company has been obtained.

(iii) The Transferor Company and the Transferee Company shall not make any change in their respective capital structure either by any increase, (by issue of equity or shares on a rights basis, bonus shares, convertible debentures or otherwise) decrease, reduction, reclassification, sub-division or consolidation, re-organisation, or in any other manner which may, in any way, affect the Share Exchange Ratio (as defined in Clause 10(a) below), except by mutual consent of the respective Boards of Directors of the Transferor Company and the Transferee Company or except as may be expressly permitted under this Scheme.

7. (a) Upon the coming into effect of this Scheme, all suits, actions and proceedings by or against the Transferor Company pending and/or arising on or before the Effective Date shall be continued and be enforced by or against the Transferee Company as effectually and in the same manner and to the same extent as if the same had been pending and/or arising by or against the Transferee Company.

(b) The Transferee Company undertakes to have all legal or other proceedings initiated by or against the Transferor Company referred to in sub-clause (a) above transferred to its name and to have the same continued, prosecuted and enforced by or against the Transferee Company.

8. (a) Upon the coming into effect of this Scheme, and subject to the provisions of this Scheme, all contracts, deeds, bonds, agreements, arrangements and other instruments (including all tenancies, leases, licenses

and other assurances in favour of the Transferor Company or powers or authorities granted by or to it) of whatsoever nature to which the Transferor Company is a party or to the benefit of which the Transferor Company may be eligible, and which are subsisting or having effect immediately before the Effective Date, shall, without any further act, instrument or deed, be in full force and effect against or in favour of the Transferee Company, as the case may be, and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary or obligee thereto. The Transferee Company shall, at any time prior to the Effective Date, wherever necessary, enter into, and/or issue and/or execute deeds, writings, confirmations, any tripartite arrangements or novations to which the Transferor Company will, if necessary, also be a party in order to give formal effect to the provisions of this Clause.

(b) The Transferee Company may, at any time after the coming into effect of this Scheme in accordance with the provisions hereof, if so required, under any law or otherwise, enter into, or issue or execute deeds, writings, confirmations, novations, declarations, or other documents with, or in favour of any party to any contract or arrangement to which the Transferor Company is a party or any writings as may be necessary to be executed in order to give formal effect to the above provisions. The Transferee Company shall be deemed to be authorised to execute any such writings on behalf of the Transferor Company to carry out or perform all such formalities or compliances required for the purposes referred to above on the part of the Transferor Company .

9. Upon the coming into effect of this Scheme:

(a) All the employees of the Transferor Company in service on the Effective Date, shall become the employees of the Transferee Company on such date without any break or interruption in service and on terms and conditions as to remuneration not less favourable than those subsisting with reference to the Transferor Company as on the said date. It is clarified that the employees of the Transferor Company who become employees of the Transferee Company by virtue of this Scheme, shall not be entitled to the employment policies, and shall not be entitled to avail of any schemes and benefits that are applicable and available to any of the employees of the Transferee Company, unless otherwise determined by the Transferee Company. The Transferee Company undertakes to continue to abide by any agreement/ settlement, if any, entered into by the Transferor Company with any union/employee of the Transferor Company.

(b) The existing provident fund, gratuity fund, and pension and/or superannuation fund or trusts created by the Transferor Company or any other special funds created or existing for the benefit of the employees of the Transferor Company shall at an appropriate stage be transferred to the relevant funds of the Transferee Company and till such time shall be maintained separately. In the event that the Transferee Company does not have its own fund with respect to any such matters, the Transferee Company shall create its own funds to which the contributions pertaining to the employees of Transferor Company shall be transferred.

PART IV - REORGANISATION OF CAPITAL

10. (a) Upon the coming into effect of this Scheme, and in consideration of the transfer of and vesting of the Undertaking and the Liabilities of the Transferor Company in the Transferee Company in terms of this Scheme, the Transferee Company shall without any further application, act, instrument or deed, issue and allot to the equity shareholders of the Transferor Company whose names are recorded in the Register of Members (the " **Members**"), on a date (hereinafter referred to as the "**Record Date**") to be fixed by the Board of Directors of the Transferee Company or a committee of such Board of Directors, equity shares of Rs. 10/- (Rupees ten only) each, credited as fully paid up, in the ratio of 1 (one) equity share of the face value of Rs. 10/- (Rupees ten only) in the Transferee Company for every 11 (eleven) equity shares of the face value of Rs. 10/- (Rupees ten only) each held in Transferor Company.

(the above ratio in which the shares of the Transferee Company are to be allotted to the shareholders of the Transferor Company by the Transferee Company is hereinafter referred to as the "**Share Exchange Ratio**").

(b) The shares or the share certificates of the Transferor Company in relation to the shares held by its Members (and the GDRs that have been issued representing the underlying shares in the Transferor Company) shall, without any further application, act, instrument or deed, be deemed to have been automatically cancelled and be of no effect on and from the Record Date. In so far as the issue of shares pursuant to sub-clause (a) above is concerned, each of the Members holding shares in physical form shall have the option, exercisable by notice in writing by them to the Transferee Company on or before such date as may be determined by the Board of Directors of the Transferee Company or a committee of such Board of Directors, to receive, either in certificate form or in dematerialised form, the shares of the Transferee Company in lieu thereof in accordance with the terms hereof. In the event that such notice has not been received by the Transferee Company in respect of any of the Members, the shares of the Transferee Company shall be issued to such members in certificate form. Those of the Members exercising the option to receive the shares in dematerialised form shall be required to have an account with a depository participant and shall provide details thereof and such other confirmations as may be required. It is only thereupon that the Transferee Company shall issue and directly credit the demat/

dematerialised securities account of such member with the shares of the Transferee Company. It is clarified that each of the Members holding shares in dematerialised form shall be issued the shares of the Transferee Company in dematerialised form as per the records maintained by the National Securities Depository Limited and/or Central Depository Services Limited on the Record Date.

11. (a) Equity shares of the Transferor Company, if any, held by the Transferee Company on the Record Date shall be cancelled and shall be deemed to have been cancelled without any further act or deed, and no shares of the Transferee Company are required to be issued in lieu thereof.

(b) Equity shares of the Transferee Company, if any, held by the Transferor Company on the Record Date shall be cancelled without any further act or deed, and no shares of the Transferee Company are required to be issued in lieu thereof.

(c) In respect of equity shares of the Transferor Company where calls are in arrears, without prejudice to any remedies that the Transferor Company or the Transferee Company, as the case may be, shall have in this behalf, the Transferee Company shall not be bound to issue any shares of the Transferee Company (whether partly paid or otherwise) nor to confirm any entitlement to such holder until such time as the calls-in-arrears are paid.

(d) In so far as the forfeited shares of the Transferor Company is concerned, no shares shall be issued by the Transferee Company in lieu thereof.

(e) Shares of the Transferee Company to be issued in accordance with this Scheme, in relation to the shares of the Transferor Company held by RIIHL shall, without any further application, act, instrument or deed be issued and allotted directly to individual trustee or a board of trustees (including the survivors or survivor of any of the trustees comprising such board of trustees) or a corporate trustee (the "**Trustee**"), who shall hold such shares with all additions or accretions thereto in trust for the benefit of RIIHL and its successor or successors subject to the powers, provisions, discretions, rights and agreements contained in the instrument (the "**Trust Deed**") establishing the aforesaid trust (the "**Trust**") for a period of 5(five) years (the "**Term**"). The Trustees shall have the sole discretion, if it is deemed necessary, to vary the Term in accordance with the provisions of the Trust Deed. During the Term or such varied Term as may be determined by the Trustee, the Trustee may realise value in relation to such shares and in such manner as is appropriate in accordance with the provisions of the Trust Deed and act in the best interest of the beneficiary(ies). The constitution of the Trust, and the functions and powers of the Trustee shall be set forth in the Trust Deed. The obligations of the Trustee shall stand discharged and the Trust shall stand terminated in accordance with the provisions of the Trust Deed.

12. No certificate(s) shall be issued in respect of fractional entitlements, if any, by the Transferee Company, to which the Members may be entitled on issue and allotment of shares of the Transferee Company as aforesaid in Clause 10(a). The Board of Directors of the Transferee Company shall, instead consolidate all such fractional entitlements and thereupon issue and allot equity shares in lieu thereof to a director or an officer of the Transferee Company or such other person as the Board of Directors of the Transferee Company shall appoint in this behalf who shall hold the shares in trust on behalf of the Members entitled to fractional entitlements with the express understanding that such director(s) or officer(s) or person(s) shall sell the same in the market at such time or times and at such price or prices in the market and to such person or persons, as it/he/they deem fit, and pay to the Transferee Company, the net sale proceeds thereof, whereupon the Transferee Company shall distribute such net sale proceeds to the Members in proportion to their respective fractional entitlements.

13. Equity shares issued and allotted by the Transferee Company in terms of this Scheme shall be subject to the provisions of the Memorandum and Articles of Association of the Transferee Company and shall rank pari passu in all respects with the then existing equity shares of the Transferee Company, including in respect of dividends, if any, that may be declared by the Transferee Company, on or after the Effective Date.

14. Equity shares of the Transferee Company issued in terms of this Scheme shall be listed on the relevant stock exchange/s in India, only where the existing equity shares of the Transferee Company are presently listed.

15. Upon the coming into effect of this Scheme, and the issue of shares in the Share Exchange Ratio by the Transferee Company pursuant to the provisions of this Scheme, the Transferee Company shall instruct its depository (the "**Depository**") in respect of the existing global depository receipts (the "**GDRs**") of the Transferee Company to issue GDRs of the Transferee Company to the existing GDR holders of the Transferor Company in an appropriate manner, in accordance with the terms of the deposit agreement entered into amongst the Transferee Company, the Bank of New York and all registered holders of and beneficial owners from time to time of the GDRs of the Transferee Company (the "**Deposit Agreement**"). The Transferee Company and the Depository shall enter into such further documents as may be necessary and appropriate in this behalf, which shall contain all detailed terms and conditions of such issue.

16. The Transferee Company shall take all such steps and do all such acts, deeds and things as may be necessary for the issue of GDRs pursuant to Clause 15, for listing the GDRs on the Luxembourg Stock Exchange and, if deemed necessary, for the registration of the GDRs under the Securities Act of 1933, as amended, of the United States of America (the "**Securities Act**") on Form F-6.

17. The GDRs issued to the existing GDR holders of the Transferor Company pursuant to Clause 15 shall be similar in all material respects with the existing GDRs of the Transferee Company.

18. The equity shares underlying the GDRs issued to the existing GDR holders of the Transferor Company will not be registered under the Securities Act in reliance upon the

exemption from registration contained in Section 3(a)(10) of the Securities Act. To obtain this exemption, the Transferee Company will rely on the approval of the Scheme by the High Court of Gujarat at Ahmedabad and the High Court of Maharashtra at Mumbai following the hearing by each court. However the GDRs to be issued will be, if deemed necessary, registered on Form F-6, as required by the Securities Act.

19. If, on account of the Share Exchange Ratio, fractional GDRs of the Transferee Company have to be issued, then, in accordance with Section 4.03 of the Deposit Agreement, in lieu of delivering receipts for fractional GDRs the Depository may, in its discretion, sell the shares represented by the aggregate of such fractions, at public or private sale, at such place or places and at such price or prices as it may deem proper, and distribute the net proceeds of any such sale in accordance with the terms of the Deposit Agreement.

PART V - GENERAL TERMS AND CONDITIONS

20. (a) With effect from the date of filing of this Scheme with the High Court of Judicature at Bombay and the High Court of Gujarat at Ahmedabad (whichever is earlier) and upto and including the Effective Date, the Transferor Company and the Transferee Company shall be entitled to declare and pay dividends, whether interim or final, to their respective equity shareholders in respect of the accounting period after the Appointed Date and prior to the Effective Date, provided that the Transferor Company shall not make any such declaration, except with the prior approval of the Board of Directors of the Transferee Company.

(b) Until the coming into effect of this Scheme, the holder of equity shares of the Transferor Company and the Transferee Company shall, save as expressly provided otherwise in this Scheme, continue to enjoy their existing rights under their respective articles of association including the right to receive dividends.

(c) It is clarified that the aforesaid provisions in respect of declaration of dividends, whether interim or final, are enabling provisions only and shall not be deemed to confer any right on any member of any of the Transferor Company and/or the Transferee Company to demand or claim any dividends which, subject to the provisions of the Act, shall be entirely at the discretion of the respective boards of directors of the Transferor Company and the Transferee Company and subject, wherever necessary, to the approval of the shareholders of the Transferor Company and the Transferee Company, respectively.

21. (a) Upon the coming into effect of this Scheme and with effect from the Appointed Date, for the purpose of accounting for and dealing with the value of the assets and liabilities of the Transferor Company in the books of the Transferee Company, the fair value of the assets and liabilities of the Transferor Company shall be determined as of the Appointed Date, and accounted appropriately.

(b) Any excess of the fair value of the net assets (determined as per sub-clause (a) above) of the Transferor Company over the paid-up value of the shares to be issued and allotted pursuant to this Scheme (including in terms of Clauses 10 and 11 hereof), shall be accounted for and dealt with in the books of the Transferee Company as follows:

(i) The balances in "Debenture Redemption Reserve", "Capital Reserve" and the "Profit and Loss Account" of the Transferor Company shall be transferred and aggregated to the corresponding Debenture Redemption Reserve, Capital Reserve and the Profit and Loss Account, as the case may be, in the books of the Transferee Company;

(ii) The net balance thereof shall be credited by the Transferee Company to its "Securities Premium Account".

(c) If considered appropriate for the purpose of application of uniform accounting methods and policies between the Transferor Company and the Transferee Company, the Transferee Company may make suitable adjustments and reflect the effect thereof in the General Reserve of the Transferee Company.

22. Upon the coming into effect of this Scheme:

(a) the resolutions, if any, of the Transferor Company, which are valid and subsisting on the Effective Date, shall be continue to be valid and subsisting and be considered as resolutions of the Transferee Company and if any such resolutions have upper monetary or other limits being imposed under the provisions of the Act, or any other applicable provisions, then the said limits shall be added and shall constitute the aggregate of the said limits in the Transferee Company.

(b) the borrowing limits of the Transferee Company in terms of Section 293(1)(d) of the Act shall, without any further act, instrument or deed, stand enhanced by an amount equivalent to 50% of the aggregate value of the paid up share capital and free reserves of the Transferee Company (apart from temporary loans obtained from the bankers in the ordinary course of business) over and above the value of the paid up share capital and free reserves of the Transferee Company.

23. The Transferor Company shall with all reasonable despatch make all applications/petitions under Sections 391 and 394 and other applicable provisions of the Act to the High Court of Gujarat at Ahmedabad for sanctioning of this Scheme and for its dissolution without winding up under the provisions of law, and obtain all approvals as may be required under law.

24. The Transferee Company shall also with all reasonable despatch, make all applications/petitions under Sections 391 and 394 and other applicable provisions of the Act to the High Court of Judicature at Bombay for sanctioning of this Scheme under the provisions of law, and obtain all approvals as may be required under law.

25. Upon the coming in to effect of this Scheme:

(a) Clause V of the Memorandum of Association and Article 5(a) of the Articles of Association of the Transferee Company (relating to the authorised share capital) shall, without any further act, instrument or deed, be and stand altered, modified and amended pursuant to Sections 16, 31, 94 and 394 and other applicable provisions of the Act, as the case may be, in the manner set out below and be replaced by the following clause:

"The authorised share capital of the Company is Rs. 3000,00,00,000 (Rupees Three Thousand Crores only) consisting of 250,00,00,000 (Two Hundred and Fifty Crore) equity shares of Rs. 10/- (Rupees Ten Only) each and 50,00,00,000 (Fifty Crore) preference shares of Rs. 10/- (Rupees Ten Only) each, with power to increase or reduce the capital of the Company and to divide the shares in the capital for the time being into several classes and to attach thereto respectively such preferential, deferred, qualified or special rights, privileges or conditions as may be determined by or in accordance with the Articles of Association of the Company and to vary, modify, amalgamate or abrogate any such rights, privileges or conditions in such manner as may be for the time being be provided by the Articles of Association of the Company."

(b) The Board of Directors, (or any committee thereof) of the Transferor Company shall without any further, act, instrument or deed be and stand dissolved.

26. (a) The Transferor Company and the Transferee Company may assent from time to time on behalf of all persons concerned to any modifications or amendments or additions to this Scheme or to any conditions or limitations which either the Boards of Directors or a committee or committees of the concerned Board or any Director authorised in that behalf by the concerned Board of Directors (hereinafter referred to as the "**Delegates**") of the Transferor Company and the Transferee Company deem fit, or which the High Court of Judicature at Bombay and/ or the High Court of Gujarat at Ahmedabad or any other authorities under law may deem fit to approve of or impose and which the Transferor Company and the Transferee Company may in their discretion deem fit and to resolve all doubts or difficulties that may arise for carrying out this Scheme and to do and execute all acts, deeds, matters and things necessary for bringing this Scheme into effect, or to review the position relating to the satisfaction of the conditions to this Scheme and if necessary, to waive any of those (to the extent permissible under law) for bringing this Scheme into effect. In the event that any of the conditions may be imposed by the Courts or other authorities which the Transferor Company or the Transferee Company may find unacceptable for any reason, then the Transferor Company and the Transferee Company are at liberty to withdraw the Scheme. The aforesaid powers of the Transferor Company and the Transferee Company may be exercised by the Delegates of the respective Companies.

(b) For the purpose of giving effect to this Scheme or to any modifications or amendments thereof or additions thereto, the Delegate of the Transferor Company and Transferee Company may give and are authorised to determine and give all such directions as are necessary including directions for settling or removing any question of doubt or difficulty that may arise and such determination or directions, as the case may be, shall be binding on all parties, in the same manner as if the same were specifically incorporated in this Scheme.

(c) In the event of there being any pending share transfers with respect to any application lodged for transfer by any shareholder of the Transferor Company, the Board of Directors or any committee thereof of the Transferor Company if in existence, or failing which the Board of Directors or any committee thereof of the Transferee Company shall be empowered in appropriate cases, even subsequent to the Record Date to effectuate such a transfer in the Transferor Company as if such changes in registered holder were operative as on the Record Date, in order to remove any difficulties arising to the transferor or the transferee of the share(s) in the Transferee Company and in relation to the new shares after the Scheme becomes effective.

27. This Scheme is conditional upon and subject to:

(a) The Scheme being agreed to by the requisite majority of the members of the Transferor Company and the Transferee Company as required under the Act and the requisite orders of the High Court of Judicature at Bombay and the High Court of Gujarat at Ahmedabad referred to in Clauses 23 and 24 above being obtained;

(b) Such other sanctions and approvals including sanctions of any governmental or regulatory authority, creditor, lessor, or contracting party as may be required by law or contract in respect of the Scheme being obtained; and

(c) The certified copies of the court orders referred to in this Scheme being filed with the Registrar of Companies, Maharashtra and the Registrar of Companies, Gujarat.

28. In the event of this Scheme failing to take effect finally by December 31, 2002 or by such later date as may be agreed by the respective Boards of Directors of the Transferor Company and the Transferee Company, this Scheme shall become null and void and in that event no rights and liabilities whatsoever shall accrue to or be incurred inter se by the parties or their shareholders or creditors or employees or any other person. In such case each Company shall bear its own costs or as may be mutually agreed.

29. All costs, charges and expenses, including any taxes and duties of the Transferor Company and Transferee Company respectively in relation to or in connection with this Scheme and incidental to the completion of the amalgamation of the Transferor Company in pursuance of this Scheme shall be borne and paid by the Transferee Company.

Dear Sir,

Re: Board Meeting to consider payment of interim dividend

We have received requests from several shareholders to consider declaration of interim dividend for the financial year 2001-02, in view of the recent budget proposals.

Accordingly we wish to inform you that a meeting of the Board of Directors of Reliance Industries Limited (RIL) will be held on Sunday, the 3rd March, 2002, inter alia, to declare interim dividend for the financial year 2001-02, considering larger interests of our shareholders,

We have, therefore, fixed Closure of Register of Members (Equity Shareholders) from Saturday the 23rd March 2002 to Tuesday the 26th March 2002 (both days inclusive) to determine the shareholders who shall be eligible to receive the interim dividend.

We are grateful to you for agreeing to our request for the shorter notice in holding the Board Meeting for declaration of interim dividend as also for closure of Register of Members.

Please inform your members accordingly.

Notes:

1) During the year there has been a change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets. **The profit for the year would have been higher by Rs 163 crores (US $ 35 million)**, had there been no such change in the method of providing depreciation.

2) Consequent to the change in the method of providing depreciation from SLM to WDV, there is an **additional charge for depreciation of Rs 835 crores (US $ 179 million)** in respect of previous years, which has been adjusted against the amount withdrawn from General Reserve. **This has no impact on profit for the year.**

3) The Company had revalued its plant and machinery located at Patalganga and Naroda manufacturing complexes during the financial year 1997-98. Consequent to the revaluation, there **is an additional charge for depreciation of Rs 237 Crores (US $ 51 million)** for the year and an equivalent amount has been withdrawn from General Reserve. **This has no impact on profit for the year.**

4) During the year the Company has repatriated Rs 3,858 crores (US $ 844 million) out of its foreign currency monetary assets lying abroad. **The profit for the year includes Rs 547 crores (US $ 117 million)**, as against Rs 328 crores for the previous year, **on account of exchange difference arising on repatriation.** This has been accounted for under total expenditure.

5) There was a shutdown and the consequent business loss, due to the Gujarat earthquake on 26th January 2001. The company has made insurance claims for loss of revenue, increased cost of working and other like losses. Pending settlement of claims, the additional operating and shutdown related costs amounting to **Rs. 14 crores (US $ 3 million)** has been charged under respective heads of expense in the Profit & Loss Account. Further necessary adjustment will be made in the year in which the claim is settled.

6) During the year the company together with its wholly owned subsidiary, Reliance Power Ventures Ltd, made an open offer for acquiring shares of BSES Ltd at Rs 255 per share (US $ 5.47 per share). The Company received application for 1.63 crores shares through open offer comprising 11.86% of the equity share capital. Consequent upon this the Company's equity stake in BSES Ltd increased to 26.68%.

7) Other income includes Rs 98 crores (US$ 21 million) being Discount received on Redemption of Debentures.

8) During the year, Reliance Power Ventures Limited, Reliance General Insurance Co Limited, Reliance Life Insurance Co Limited, Reliance Infocom BV, Reliance Infocom Inc., Reliance Technologies LLC have become subsidiaries of the Company

9) During the year Sh D V Kapur and Sh M P Modi have been inducted as Additional Directors on the Board of the Company.

10) In April, 2001 the textile division of the Company at Naroda, Ahmedabad had announced a voluntary retirement scheme (VRS) for its staff and all categories of workers. The Company had received application from over 4900 people of which the Company has accepted application of over 4600 people resulting in total outlay of about Rs 90 crores (US $ 19 million).

11) This statement has been placed before the Board at its meeting held on April 30, 2001 and approved by it for release.

lotes :

1. The figures for the corresponding quarter have been restated, wherever necessary, to make them comparable.

2. The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge for depreciation of Rs 42 crores (US $ 9 million) for the period ended 30th June 2001 and an equivalent amount has been withdrawn from General Reserve. This has no impact on profit for the period.

3. The Company had changed the method of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets during the financial year 2000-01. This has been disclosed in the audited annual accounts of the Company for the year ended 31st March 2001. The impact of this change for that year was Rs 163 crores. To make the figures comparable, depreciation for the corresponding quarter ended 30th June 2000 has been restated at Rs 366 crores, an increase of Rs 41 crores.

4. During the quarter under review, there has been a change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets at Jamnagar. The profit for the quarter would have been higher by Rs 58 crores (US $ 12 million), had there been no such change in the method of providing depreciation.

5. Consequent to the change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method during the quarter under review, there is an additional charge of depreciation of Rs 442 crores (US $ 94 million) in respect of earlier years which has been adjusted against the amount withdrawn from General Reserve.

6. Hitherto, the Company had been providing for tax at the end of the financial year. During the year under review, the provision for current tax is being made on quarterly basis. To make figures comparable, previous year's annual provision for tax of Rs 135 crores has been restated on quarterly basis.

7. As a part of restructuring of its textiles business the Company had announced a Voluntary Retirement Scheme (VRS) for its workers and staff at Naroda. About 4900 people were offered the benefits of the scheme out of which over 4600 people have accepted and an amount of Rs.77 crores (US $ 16 million) has been disbursed during this quarter. This expenditure is being amortised over a period of five years.

8. The provision for deferred tax liability for the quarter has been made in accordance with Accounting Standard (AS) 22 – "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India. The provision for deferred tax liability that has accumulated prior to 1st April 2001, estimated at Rs 1,486 crores has been charged against the opening balance of the Profit and Loss Account as on 1st April 2001, in accordance with the said Accounting Standard.

9. This statement has been placed before the Board at its meeting held on 31st July 2001 and approved.

5. During the period under review, there has been a change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets at Jamnagar. **The profit for the half year would have been higher by Rs 115 crores (US $ 24 million), had there been no such change in the method of providing depreciation.**

6. Consequent to the change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method during the half year under review, there is an additional charge of depreciation of Rs 442 crores (US $ 92 million) in respect of earlier years which has been adjusted against the amount withdrawn from General Reserve.

7. Hitherto, the Company had been providing for tax at the end of the financial year. During the year under review, the provision for current tax is being made on quarterly basis. To make figures comparable, previous year's annual provision for tax of Rs 135 crores has been restated on quarterly basis.

8. The provision for deferred tax liability for the quarter has been made in accordance with Accounting Standard (AS) 22 – "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India. The provision for deferred tax liability that has accumulated prior to 1st April 2001, estimated at Rs 1,486 crores has been charged against the opening balance of the Profit and Loss Account as on 1st April 2001, in accordance with the said Accounting Standard.

9. This statement along with the consolidated financial results and segment information has been placed before the Board at its meeting held on 31st October 2001 and approved.

Notes to Segment Information:

As per Accounting Standard 17 on Segment Reporting (AS 17), the Company has reported segments information on consolidated basis including businesses conducted through its subsidiaries and associates. The company has reported segment information in three segments namely Petrochemicals, Refining and Others.

The standard requires disclosure of segment information to facilitate better understanding of the performances of an enterprise's business operations. In order to present a complete picture of business segments conducted through its significant associate, Reliance Petroleum Limited (RPL), the segment information presented includes revenues, results, capital employed and other information of RPL on 100% gross basis. However suitable eliminations have also been shown to disclose RIL's share in RPL & to reconcile with consolidated financial statements.

The reportable Segments are further described below:

a) **The petrochemicals segment** includes production and marketing operations of petrochemical products namely, High and Low density Polyethylene, Polypropylene, Polyvinyl Chloride, Polyester Yarn, Polyester Fibres, Purified Terephthalic Acid, Paraxylene, Ethylene Glycol, Olefins, Aromatics, Linear Alkyl Benzene and Polyethylene Terephthalate.

b) **The refining segment** includes business conducted through Reliance Petroleum Limited (RPL), an associate company which has set up and operates the world's largest grass root refinery, which is also the 7th largest refinery in the world at any single site with a capacity of 27 million tonnes per annum.

c) The businesses, which were not reportable segments for financial disclosure purposes during the year, have been grouped under the **"Others" segment**. This comprises of the following:

- Oil and Gas business;
- Textile Business;
- Infocom and Telecom business conducted through subsidiaries Reliance Infocom Inc, Reliance Infocom BV and Reliance Technologies LLC and through associates Reliance Telecom Ltd., Reliance Infocom Ltd. and Reliance Communications Ltd.
- Power business conducted through BSES Limited an associate company.
- Finance business including Infrastructure finance business conducted through associates Reliance Capital Ltd. and Reliance Industrial Infrastructure Limited.

To

The Board of Directors
Reliance Industries Limited
Mumbai

We have reviewed the accompanying statement of un-audited financial results of Reliance Industries Limited for the half year ended September 30, 2001. Preparation of this statement is the responsibility of the Company's Management and has been approved by the Board of Directors.

A review of the interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express an opinion.

Based on our review conducted as above, nothing has come to our notice that causes us to believe that the accompanying statement of un-audited financial results prepared in accordance with accounting standards and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

1. The figures for the corresponding quarter and nine months have been restated, wherever necessary, to make them comparable.

2. The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge for depreciation of Rs 127 crores (US $ 26 million) for the period ended 31st December 2001 and an equivalent amount has been withdrawn from General Reserve. **This has no impact on profit for the period.**

3. The Company had changed the method of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets during the financial year 2000-01. This has been disclosed in the audited annual accounts of the Company for the year ended 31st March 2001. The impact of this change for that year was Rs 163 crores. To make the figures comparable, depreciation for the corresponding nine months ended 31st December 2000 has been restated at Rs 1,141 crores, an increase of Rs 123 crores.

4. During the period under review, there has been a change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets at Jamnagar. **The profit for the nine months would have been higher by Rs 173 crores (US $ 36 million), had there been no such change in the method of providing depreciation.**

5. Consequent to the change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method during the nine months under review, there is an additional charge of depreciation of Rs 442 crores (US $ 92 million) in respect of earlier years which has been withdrawn from General Reserve.

6. Hitherto, the Company had been providing for tax at the end of the financial year. During the year under review, the provision for current tax is being made on quarterly basis. To make figures comparable, previous year's annual provision for tax of Rs 135 crores has been restated on quarterly basis.

7. Extra Ordinary Income of Rs 358 crores (US$ 74 million) has arisen from the divestment of Larsen & Toubro Ltd. shares.

8. The provision for deferred tax liability for the quarter has been made in accordance with Accounting Standard (AS) 22 – "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India. The provision for deferred tax liability that has accumulated prior to 1st April 2001, estimated at Rs 1,486 crores has been charged against the opening balance of the Profit and Loss Account as on 1st April 2001, in accordance with the said Accounting Standard.

9. Reliance Petroinvestments Ltd. has become a subsidiary of the Company.

10. Reliance Life Insurance Company Ltd. and Reliance General Insurance Company Ltd have ceased to be subsidiaries of the Company.

11. This statement along with the consolidated financial results and segment information has been placed before the Board at its meeting held on 31st January 2002 and approved.

Dear Sir,

Sub: Interim Dividend – Subsequent developments and Circular Resolution for revocation of the interim dividend declared by the Board on 3rd March 2002.

As had been agreed by you, we had, vide our letter dated 1st March 2002, informed you that a meeting of the Board of directors of the Company would be held on March 03, 2002 inter alia to declare interim dividend for the financial year 2001-02, considering the larger interest of our shareholders. In the said letter, we had also advised you that, as agreed by you, the Register of Members of the company would remain closed from 23rd March 2002 to 26th March 2002 (both days inclusive) to determine the shareholders who would be eligible to receive the interim dividend.

Thereafter, we had, vide our letter dated 3rd March 2002 (after the conclusion of the meeting of the Board of directors), informed you that the interim dividend had duly been declared by the directors at the said meeting.

You had duly intimated your members about the said declaration of dividend, and the closure of our Register of Members for this purpose.

Despite your prior agreement, and the formal intimation to your members, we have now been advised by your letter dated 6th March 2002 that the notice period given by us for fixing the book closure is falling short of the notice period required under Clause 16 of the Listing Agreement.

Registered Office : Maker Chambers IV, 3rd Floor, 222, Nariman Point, Mumbai - 400 021, India.

Accordingly, since it will not be possible to fix date(s) of book closure on or before 30th March 2002 to conform to the notice period stipulated under Clause 16 of the Listing Agreement, we will be briefing our Directors about these developments, and will be securing their consent through circular resolution for revocation of the interim dividend declared by the Board on 3rd March 2002.

Please inform your members accordingly.

Notes to Segment Information:

1. As per Accounting Standard 17 on Segment Reporting (AS 17), the Company has reported segments information on consolidated basis including businesses conducted through its subsidiaries and associates. The company has reported segment information in three segments namely Petrochemicals, Refining and Others.

   The standard requires disclosure of segment information to facilitate better understanding of the performances of an enterprise's business operations. In order to present a complete picture of business segments conducted through its significant associate, Reliance Petroleum Limited (RPL), the segment information presented includes revenues, results, capital employed and other information of RPL on 100% gross basis. However suitable eliminations have also been shown to disclose RIL's share in RPL & to reconcile with consolidated financial statements.

   The reportable Segments are further described below:

   a) **The petrochemicals segment** includes production and marketing operations of petrochemical products namely, High and Low density Polyethylene, Polypropylene, Polyvinyl Chloride, Polyester Yarn, Polyester Fibres, Purified Terephthalic Acid, Paraxylene, Ethylene Glycol, Olefins, Aromatics, Linear Alkyl Benzene and Polyethylene Terephthalate.

   b) **The refining segment** includes business conducted through Reliance Petroleum Limited (RPL), an associate company which has set up and operates the world's largest grass root refinery, which is also the 5th largest refinery in the world at any single site with a capacity of 27 million tonnes per annum.

   c) The businesses, which were not reportable segments for financial disclosure purposes during the year, have been grouped under **the "Others" segment**. This comprises of the following:

   - Oil and Gas business;
   - Textile Business;
   - Infocom and Telecom business conducted through subsidiaries Reliance Infocom Inc, Reliance Infocom BV and Reliance Technologies LLC and through associates Reliance Telecom Ltd., Reliance Infocom Ltd. and Reliance Communications Ltd.
   - Power business conducted through BSES Limited an associate company.
   - Finance business including Infrastructure finance business conducted through associates Reliance Capital Ltd. and Reliance Industrial Infrastructure Limited.

Notes:

1. The figures for the corresponding period have been restated, wherever necessary, to make them comparable.

2. The Scheme of amalgamation of Reliance Petroleum Limited, with the Company with effect from 1st April 2001, has been approved by the shareholders of both the companies and is submitted to the Hon'ble High Courts at Mumbai and Ahmedabad for sanction u/s 391 and 394 of the Companies Act, 1956. The financial impact of the scheme of amalgamation will be appropriately reflected in the final audited results upon sanction of the scheme.

3. The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge towards depreciation of Rs 170 crores (US $ 35 million) for the year ended 31st March 2002 and an equivalent amount has been withdrawn from the General Reserve. **This has no impact on profit for the year.**

4. The Company had changed the method of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets during the financial year 2000-01. This has been disclosed in the audited annual accounts of the Company for the year ended 31st March 2001. The impact of this change for that year was Rs 163 crores. To make the figures comparable, depreciation for the corresponding quarter ended 31st March 2001 has been restated at Rs 424 crores, a decrease of Rs 123 crores.

5. During the year under review, there has been a change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets at Jamnagar. **The profit for the year would have been higher by Rs 230 crores (US $ 47 million), had there been no such change in the method of providing depreciation.**

   Consequent to the above change, in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method, there is an additional charge towards depreciation of Rs 442 crores (US $ 92 million) in respect of earlier years which has been adjusted against the amount withdrawn from the General Reserve.

6. Hitherto, the Company had been providing for tax at the end of the financial year. During the year under review, the provision for current tax is being made on quarterly basis. To make figures comparable, previous year's annual provision for tax of Rs 135 crores has been restated on quarterly basis.

7. Extra Ordinary Income of Rs 358 crores (US$ 74 million) has arisen from the divestment of equity shares in Larsen & Toubro Limited.

8. The provision for deferred tax liability for the year has been made in accordance with Accounting Standard (AS) 22 – "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India. The provision for deferred tax liability that has accumulated prior to 1st April 2001 amounting to Rs 1,486 crores has been charged against the opening balance of the Profit and Loss Account as on 1st April 2001, in accordance with the said Accounting Standard.

9. Reliance Petroinvestments Limited has ceased to be a subsidiary of the Company after 31st March 2002.

10. This statement along with the consolidated financial results and segment information has been placed before the Board at its meeting held on 23rd April 2002 and approved.

	- Percentage of Shareholding	56.23%	56.76%

Notes:

1. (a) The figures for the corresponding year have been restated, wherever necessary, to make them comparable.

   (b) The figures for the current year include figures of erstwhile Reliance Petroleum Limited (RPL) which is amalgamated with the Company with effect from 1st April 2001 and are therefore not comparable with those of the previous year. In view of the amalgamation, the effects of all inter company transactions between the company and RPL have been eliminated.

2. (a) In terms of the Scheme of Amalgamation (Scheme) sanctioned by the order dated 7th June 2002 of Hon'ble High Court of Bombay and the order dated 13th September 2002 of the Hon'ble High Court of Gujarat, RPL (whose core business is refining of crude oil) has been amalgamated with the Company with effect from 1st April 2001.

   (b) In accordance with the said Scheme

   (i) The assets, liabilities, rights and obligations of RPL have been vested in the Company with effect from 1st April 2001 and have been recorded at their respective fair values under the purchase method of accounting for amalgamation.

   (ii) 34,26,20,509 Equity shares of Rs. 10/- each are to be issued as fully paid-up to the shareholders of RPL, without payment being received in cash, and pending allotment, these have been shown under the head "Equity Share Suspense" net of calls in arrears of Rs 0.33 crore.

   (iii) Equity Share Suspense includes 10,46,60,154 shares of Rs 10/- each to be allotted to the trustees of the trust created by Reliance Industrial Investments and Holdings Limited, a wholly owned subsidiary of the Company against its investments in RPL

   (iv) Excess of fair value of net assets taken over by the Company over the paid up value of equity shares to be issued and allotted and the carrying amount of shares held by the Company in RPL has been dealt with as under:

   Rs. 130.17 crores representing Debenture Redemption Reserve in RPL books, has been credited to Debenture Redemption Reserve;

   Rs. 0.65 crore representing Capital Reserve in RPL books, has been credited to Capital Reserve;

   Rs.1071.50 crores representing balance in the profit and loss account in RPL books, has been credited to Profit and Loss Account and net balance of Rs. 10,739.67 crores has been credited to Securities Premium Account. As required by Accounting Standard (AS-14) on Accounting for Amalgamation issued by the Institute of Chartered Accountants of India, these reserves have been accounted as prescribed in the Scheme. Had the Scheme not prescribed this treatment, these amounts would have been credited to Capital Reserve.

3. (a) As per Accounting Standard (AS) 22 on "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India, the provision for deferred tax as at 1.4.2001 has been computed at Rs. 1065 crores and is charged to revenue reserves.

(b) The profits from RPL's refinery did not attract any income tax except for minimum alternate tax (MAT) owing to tax holiday and thus no provision for deferred tax was made by RPL. However, pursuant to the amalgamation of RPL with the Company, the depreciation benefits under Income Tax Act 1961, on RPL's assets are now available to RIL. Hence, RIL's provision for deferred tax has increased to Rs 996 crores.

4. The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge towards depreciation of Rs 170 crores (US$ 35 million) for the year ended 31st March 2002 and an equivalent amount has been withdrawn from the General Reserve. **This has no impact on profit for the year.**

5. The company has changed the method of depreciation from straight line method to written down value method, with effect from 1-4-2001 for Aromatics complex situated at Jamnagar, to provide for earlier replacement on account of technological advancements.

In compliance with the Accounting Standards (AS-6), on "Depreciation Accounting" issued by the Institute of Chartered Accountants of India, depreciation has been recomputed from the date of commissioning of these assets at WDV rates applicable to those years. Consequent to this there is an additional depreciation charge of Rs. 450 crores (US$ 92 million) which relates to the previous years and an equivalent amount has been withdrawn from the General Reserve and credited to the Profit and Loss Account.

Had there been no change in the method of depreciation, the charge for the year would have been lower by Rs. 238 crores (US$ 49 million) excluding the charge relating to the previous years.

Consequently, the Net Block of Fixed Assets and Reserves and Surplus are lower by Rs. 688 crores (US$ 141 million).

6. Extra Ordinary Income includes income of Rs 358 crores (US$ 73 million) on account of sale of equity shares of Larsen & Toubro Limited and Rs 54 crores (US$ 11 million) on account of insurance claim received against the damage caused by the earthquake of January 2001, **the charge for which was already accounted for in the financial year 2000-01.**

7. As a part of restructuring of its textiles business the Company had announced a Voluntary Retirement Scheme (VRS) for its workers and staff at Naroda. About 4900 people were offered the benefits of the scheme out of which over 4600 people accepted and an amount of Rs.77 crores (US$ 16 million) was disbursed. This expenditure is being amortised over a period of five years.

8. This statement has been placed before the Board at its meeting on 30th September 2002 and has been approved for its release.

Notes:

1. The figures for the corresponding periods have been restated, wherever necessary, to make them comparable.

2. The financial results are in accordance with the standard accounting practices followed by the company in preparation of its statutory accounts, and have been subjected to a "Limited Review" by the auditors of the Company.

3. In terms of the Scheme of Amalgamation (Scheme) sanctioned by the order dated 7th June 2002 of Hon'ble High Court of Bombay and the order dated 13th September 2002 of the Hon'ble High Court of Gujarat, Reliance Petroleum Limited (RPL) (whose core business is refining of crude oil) has been amalgamated with the Company with effect from 1st April 2001.

Consequently:

(a) The figures for the corresponding previous periods have been restated to include the effect of the amalgamation of RPL with the Company with effect from 1st April 2001.

(b) The paid up share capital of the Company has increased to Rs 1,396 crores on allotment of shares on 23rd October 2002, to the shareholders of erstwhile RPL.

4. The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge for depreciation of Rs 58 crores (US $ 12 million) for the half-year ended 30th September 2002 and an equivalent amount has been withdrawn from General Reserve. **This has no impact on profit for the period.**

5. Reliance Petroinvest Limited (RPiL), in which the Company holds 50% equity through its wholly-owned subsidiary, Reliance Ventures Limited, holds 11.41 crore shares, representing 46% equity holding in Indian Petrochemicals Corporation Limited, in terms of the divestment of IPCL at a price of Rs 231 per share by payment in cash.

6. This statement along with the segment information has been placed before the Board at its meeting held on 31st October 2002 and approved for its release.

We have reviewed the accompanying statement of unaudited financial results of Reliance Industries Limited for the half year ended September 30, 2002. Preparation of this statement is the responsibility of the company's management and has been approved by the board of directors.

A review of the interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review conducted as above, nothing has come to our notice that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with accounting standards and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

1. The figures for the corresponding periods have been restated, wherever necessary, to make them comparable.

2. In terms of the Scheme of Amalgamation (Scheme) sanctioned by the Hon'ble High Court of Bombay and the Hon'ble High Court of Gujarat, Reliance Petroleum Limited (RPL) (whose core business was refining of crude oil) has been amalgamated with the Company with effect from 1st April 2001.

   Consequently:

   a) The figures for the corresponding previous periods have been restated to include the effect of the amalgamation of RPL with the Company with effect from 1st April 2001.

   b) The paid up share capital of the Company has increased by Rs 342 crores on allotment of shares on 23rd October 2002, to the shareholders of erstwhile RPL.

3. The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge for depreciation of Rs 117 crores (US $ 25 million) for the year ended 31st March 2003 and an equivalent amount has been withdrawn from General Reserve. **This has no impact on profit for the year.**

4. During the period under review, there has been a change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets at Jamnagar. **The profit for the year would have been higher by Rs. 97 crores (US$ 20 million), had there been no such change.**

5. Consequent to the change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method, in respect of certain assets at Jamnagar, there is an additional charge of depreciation of Rs 385 crores (US$ 81 million) in respect of earlier years, and an equivalent amount has been withdrawn from General Reserve. This has no impact on profit for the year.

6. During the period under review, the Company has changed the method of depreciation on development rights and producing properties with effect from 1-4-2002 by adoption of Full Cost method given in the Guidance Note on Accounting for Oil and Gas Producing Activities issued by the Institute of Chartered Accountants of India. In the past, depreciation was provided without considering undeveloped proved reserves and its estimated future development costs. **The profit for the year would have been higher by Rs 25 crores (US$ 5 million) had there been no such change.**

7. Consequent to the change in the method of depreciation on development rights and producing properties, there is an additional charge during the year of Rs 114 crores (US$ 24 million) in respect of earlier years and an equivalent amount has been withdrawn from General Reserve. This has no impact on profit for the year.

8. During the year, Vimal Fabrics Limited and Reliance Petroinvestments Limited have ceased to be subsidiaries of the Company.

9. During the year, Reliance Communications Inc. (a Company incorporated in the United States of America), Reliance Communications (U.K.) Ltd (a company incorporated in the United Kingdom) and Gas Transport and Infrastructure Company Limited have become subsidiaries of the Company.

10. The Company along with its 100% subsidiaries, Reliance Power Ventures Limited (RPVL) and Reliance Industrial Investments and Holdings Limited (RIIHL), had made a cash offer to the shareholders of BSES Ltd (BSES), to purchase up to 3,22,81,460 paid-up Equity Shares representing 20% of the fully diluted voting capital of BSES at a price of Rs.230.10 per share. Consequent to the above offer, BSES became a subsidiary of the Company from 17th March 2003. However, consequent upon transfer of 5.66% of the paid up Equity Capital of BSES by RPVL to Reliance Capital Ltd, the shareholding in BSES stood reduced to 49.5% and it ceased to be subsidiary of the Company with effect from 29th March 2003.

11. The above statement has been placed before the Board at its meeting held on 23rd April 2003 and has been approved for its release.

Notes:

1. The figures for the corresponding periods have been restated, wherever necessary, to make them comparable.

2. In terms of the Scheme of Amalgamation (Scheme) sanctioned by the Hon'ble High Court of Bombay and the Hon'ble High Court of Gujarat, Reliance Petroleum Limited (RPL) (whose core business was refining of crude oil) has been amalgamated with the Company with effect from 1st April 2001.

   Consequently the figures for the corresponding previous quarter have been restated to include the effect of the amalgamation of RPL with the Company with effect from 1st April 2001.

3. The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge for depreciation of Rs. 21 crores (US$ 5 million) for the quarter ended 30th June 2003 and an equivalent amount has been withdrawn from General Reserve. **This has no impact on profit for the quarter.**

4. As a part of the long-term settlement with the unions the Company had announced a voluntary retirement scheme (VRS) for its workers and staff at Patalganga. Over 400 people have opted for the same and an amount of Rs.76 crores (US$ 16 million) has been disbursed during this quarter. **This expenditure has been treated as an extra-ordinary item.**

5. As a part of restructuring of its textiles business the Company had announced a voluntary retirement scheme (VRS) for its workers and staff at Naroda. Nearly 1,300 people have accepted and an amount of Rs.38 crores (US$ 8 million) has been disbursed during July 2003. This will be considered in the subsequent quarter. **With this VRS the current strength at Naroda stands reduced to about 1700 people from the peak strength of over 8300 in 1996.**

6. In accordance with the Accounting Standard (AS) 26 on "Intangible Assets" issued by the Institute of Chartered Accountants of India, Rs. 47 crores (US$ 10 million), being the balance unamortised Miscellaneous Expenditure has been adjusted from the General Reserves. **This has no impact on profit for the quarter.**

7. There were no investors' complaints pending as on April 1, 2003. Out of 3,435 complaints received during the first quarter ended June 30, 2003, 3,392 complaints were resolved and the balance were resolved on July 1, 2003.

8. The statutory auditors of the Company have carried out a Limited Review of the results for quarter ended June 30, 2003.

9. The above results were reviewed by the audit committee. The Board of Directors at its meeting held on 31st July 2003 approved the above results and its release.

To,

The Board of Directors
Reliance Industries Limited
Mumbai

We have reviewed the accompanying statement of unaudited financial results of Reliance Industries Limited for the quarter ended June 30, 2003. Preparation of this statement is the responsibility of the company's management and has been approved by the board of directors.

A review of the interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review conducted as above, nothing has come to our notice that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with accounting standards and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

1. The figures for the corresponding periods have been restated, wherever necessary, to make them comparable.

2. In terms of the Scheme of Amalgamation (Scheme) sanctioned by the Hon'ble High Court of Bombay and the Hon'ble High Court of Gujarat, Reliance Petroleum Limited (RPL) (whose core business was refining of crude oil) has been amalgamated with the Company with effect from 1st April 2001.

   Consequently the figures for the corresponding previous quarter have been restated to include the effect of the amalgamation of RPL with the Company with effect from 1st April 2001.

3. The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge for depreciation of Rs. 21 crores (US$ 5 million) for the quarter ended 30th June 2003 and an equivalent amount has been withdrawn from General Reserve. **This has no impact on profit for the quarter.**

4. As a part of the long-term settlement with the unions the Company had announced a voluntary retirement scheme (VRS) for its workers and staff at Patalganga. Over 400 people have opted for the same and an amount of Rs.76 crores (US$ 16 million) has been disbursed during this quarter. **This expenditure has been treated as an extra-ordinary item.**

5. As a part of restructuring of its textiles business the Company had announced a voluntary retirement scheme (VRS) for its workers and staff at Naroda. Nearly 1,300 people have accepted and an amount of Rs.38 crores (US$ 8 million) has been disbursed during July 2003. This will be considered in the subsequent quarter. **With this VRS the current strength at Naroda stands reduced to about 1700 people from the peak strength of over 8300 in 1996.**

6. In accordance with the Accounting Standard (AS) 26 on "Intangible Assets" issued by the Institute of Chartered Accountants of India, Rs. 47 crores (US$ 10 million), being the balance unamortised Miscellaneous Expenditure has been adjusted from the General Reserves. **This has no impact on profit for the quarter.**

7. There were no investors' complaints pending as on April 1, 2003. Out of 3,435 complaints received during the first quarter ended June 30, 2003, 3,392 complaints were resolved and the balance were resolved on July 1, 2003.

8. The statutory auditors of the Company have carried out a Limited Review of the results for quarter ended June 30, 2003.

9. The above results were reviewed by the audit committee. The Board of Directors at its meeting held on 31st July 2003 approved the above results and its release.

We have reviewed the accompanying statement of unaudited financial results of Reliance Industries Limited for the half year ended September 30, 2003. Preparation of this statement is the responsibility of the company's management and has been approved by the Board of Directors.

A review of the interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review conducted as above, nothing has come to our notice that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with accounting standards and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Industries Limited

Regd. Office: 3rd Floor, Maker Chambers IV, 222, Nariman Point, Mumbai 400 021

October 31, 2001

My dear fellow Reliance shareowners,

I am happy to report RIL's record performance for the 6 months period ended September 30, 2001.

Significant highlights of RIL's performance during the period under review:

- RIL is India's largest private sector company in terms of net profits, net worth, and assets, and is second only to Reliance Petroleum Ltd. (RPL) in terms of sales
- Sales of Rs. 12,624 crores (US$ 2,637 million)
- Cash profit increased 10% to Rs. 2,204 crores (US$ 460 million)
- Net profit increased 10% to Rs. 1,320 crores (US$ 276 million)
- Consolidated profits (including financials of RPL, BSES, RIL's 100% subsidiaries, and other affiliates) of Rs. 1,768 crores (US$ 369 million)
- RIL and RPL are India's largest two exporters with combined manufactured exports of US$ 1.08 billion (Rs. 5,150 crores) for the 6 month period under review
- 104% capacity utilisation, yielding record production volume of 5.74 million tonnes
- Annualised earnings per share (EPS) of Rs. 25.1 (US$ 0.52)
- Annualised consolidated earnings per share (EPS) of Rs. 33.6 (US$ 0.70)
- Annualised cash earnings per share (CEPS) of Rs. 40.6 (US$ 0.85)

I am also happy to note that the RIL share has continued to provide superior returns to its shareholders.

The RIL share has provided compounded returns of 19% per annum over the last 5 years. At the closing price of Rs. 255.40 on October 31, 2001, RIL shares are trading at only 7.6 times the annualised consolidated EPS.

I look forward to your continued support and participation in our profitable journey together.

Notes:

(1) The figures for the corresponding quarter and half year have been restated, wherever necessary, to make them comparable. **(2)** The financial results are in accordance with the standard accounting practices followed by the company in preparation of its statutory accounts, and have been subjected to a "Limited Review" by the auditors of the Company. **(3)** The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge for depreciation of Rs 84 crores (US $ 18 million) for the period ended 30th September 2001 and an equivalent amount has been withdrawn from General Reserve. **This has no impact on profit for the period. (4)** The Company had changed the method of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets during the financial year 2000-01. This has been disclosed in the audited annual accounts of the Company for the year ended 31st March 2001. The impact of this change for that year was Rs 163 crores. To make the figures comparable, depreciation for the corresponding half year ended 30th September 2000 has been restated at Rs 747 crores, an increase of Rs 82 crores. **(5)** During the period under review, there has been a change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method in respect of certain assets at Jamnagar. **The profit for the half year would have been higher by Rs 115 crores (US $ 24 million), had there been no such change in the method of providing depreciation. (6)** Consequent to the change in the basis of providing depreciation from straight-line method (SLM) to written down value (WDV) method during the half year under review, there is an additional charge of depreciation of Rs 442 crores (US $ 92 million) in respect of earlier years which has been adjusted against the amount withdrawn from General Reserve. **(7)** Hitherto, the Company had been providing for tax at the end of the financial year. During the year under review, the provision for current tax is being made on quarterly basis. To make figures comparable, previous year's annual provision for tax of Rs 135 crores has been restated on quarterly basis. **(8)** The provision for deferred tax liability for the quarter has been made in accordance with Accounting Standard (AS) 22 - "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India. The provision for deferred tax liability that has accumulated prior to 1st April 2001, estimated at Rs 1,486 crores has been charged against the opening balance of the Profit and Loss Account as on 1st April 2001, in accordance with the said Accounting Standard. **(9)** This statement along with the consolidated financial results and segment information has been placed before the Board at its meeting held on 31st October 2001 and approved.

ANNEXURE 8b

October 31, 2002

Our dear fellow Reliance shareowners,

We are happy to report RIL's record performance for the half year ended September 30, 2002.

We are delighted that Reliance Industries has become the first Indian private sector company to record net profit of over Rs 1,000 crores in one quarter. This unique achievement is a tribute to the great vision, inspiration and dedication of our founder, Shri Dhirubhai Ambani.

Significant highlights of RIL's performance during the period under review:

- RIL is India's largest private sector company in terms of sales, net profits, net worth, and assets.
- Gross Turnover (including inter divisional sales and excise duty) of Rs. 31,782 crores (US$ 6,569 million), an increase of 6%
- Turnover (net of inter divisional sales) of Rs 24,100 crores (US$ 4,981 million), an increase of 3%
- Operating Profit (PBDIT) increased by 3% to Rs 4,610 crores (US$ 953 million)
- Cash Profit increased to Rs. 3,649 crores (US$ 754 million), an increase of 8%.
- Net Profit of Rs. 1,920 crores (US$ 397 million), an increase of 25%.
- Annualised Earnings Per Share (EPS) of Rs. 27.4 (US $ 0.57)
- Annualised Cash Earnings Per Share (CEPS) of Rs. 52.2 (US $ 1.08)
- Contribution to the national exchequer in the form of various taxes of Rs. 6,485 crores (US $ 1,340 million)
- Exports including deemed exports of Rs 5,557 crores (US$ 1,149 million) an increase of 8%
- Refinery operated at 110% capacity utilisation and processed 14.94 million tonnes of crude during the half-year.

We are happy with Reliance's strong financial performance, in a period marked by a slowdown in global and domestic demand, and continued firmness in our major feedstock costs.

Reliance's consistent financial performance in this challenging industry environment once again demonstrates the strength of our market leadership, and the global competitiveness of our operations.

During the first half, we have completed the acquisition of IPCL, and the merger of Reliance Petroleum with Reliance Industries. These are significant milestones, which will provide increased benefits of scale, integration, and financial flexibility, thereby contributing to our future growth, and to enhancement of overall shareholder value.

We look forward to your continued support and participation in our profitable journey together.

NOTES TO UNAUDITED FINANCIAL RESULTS FOR THE QUARTER/HALF-YEAR ENDED 30TH SEPTEMBER 2002 :

1. The figures for the corresponding periods have been restated, wherever necessary, to make them comparable.

2. The financial results are in accordance with the standard accounting practices followed by the company in preparation of its statutory accounts, and have been subjected to a "Limited Review" by the auditors of the Company.

3. In terms of the Scheme of Amalgamation (Scheme) sanctioned by the order dated 7th June 2002 of Hon'ble High Court of Bombay and the order dated 13th September 2002 of the Hon'ble High Court of Gujarat, Reliance Petroleum Limited (RPL) (whose core business is refining of crude oil) has been amalgamated with the Company with effect from 1st April 2001.

   Consequently:

   (a) The figures for the corresponding previous periods have been restated to include the effect of the amalgamation of RPL with the Company with effect from 1st April 2001.

   (b) The paid up share capital of the Company has increased to Rs 1,396 crores on allotment of shares on 23rd October 2002, to the shareholders of erstwhile RPL.

4. The Company had revalued its Plant and Machinery located at Patalganga and Naroda during the financial year 1997-98. Consequent to the revaluation, there is an additional charge for depreciation of Rs 58 crores (US $ 12 million) for the half-year ended 30th September 2002 and an equivalent amount has been withdrawn from General Reserve. This has no impact on profit for the period.

5. Reliance Petroinvestment Limited (RPIL), in which the Company holds 50% equity through its wholly-owned subsidiary, Reliance Ventures Limited, holds 11.41 crore shares, representing 46% equity holding in Indian Petrochemicals Corporation Limited, in terms of the divestment of IPCL at a price of Rs 231 per share by payment in cash.

6. This results along with the segment information has been placed before the Board at its meeting held on 31st October 2002 and approved for its release.

Notes to Segment Information for the half-year ended 30th September 2002:

1. As per Accounting Standard 17 on Segment Reporting (AS 17), the Company has reported segments information as described below:

   a) The **petrochemicals** segment includes production and marketing operations of petrochemical products namely, High and Low density Polyethylene, Polypropylene, Polyvinyl Chloride, Polyester Yarn, Polyester Fibres, Purified Terephthalic Acid, Paraxylene, Ethylene Glycol, Olefins, Aromatics, Linear Alkyl Benzene and Polyethylene Terephthalate.

   b) The **refining** segment includes production and marketing operations of the petroleum refinery.

   c) The businesses, which were not reportable segments for financial disclosure purposes during the year, have been grouped under the **"others"** segment. This comprises of the following:

   - Oil and Gas business;
   - Textile Business;

2. Income from investments other than interest income has been considered as unallocable income.

Reliance
Industries Limited

16th October,2003

Our dear fellow Reliance Shareowners,

We are pleased to report RIL's record performance for the half year ended September 30, 2003. We are seeing signs of an upturn in the petrochemicals cycle, and are confident of achieving even better performance in the future.

Significant highlights of RIL's performance during the period under review :

- Gross Turnover (including inter divisional transfers and excise duty) of Rs 35,202 crores (US$ 7,675 million) against Rs 31,782 crores for the corresponding previous half-year, an increase of 11%.
- Turnover (net of inter divisional transfers) of Rs 27,311 crores (US$ 5,955 million) against Rs 24,100 crores for the corresponding previous half-year, an increase of 13%.
- Operating Profit (PBDIT) increased to Rs 5,188 crores (US$ 1,131 million) as against Rs 4,610 crores for the corresponding previous half-year, an increase of 13%.
- Cash Profit increased to Rs 4,215 crores (US$ 919 million) against Rs 3,649 crores for the corresponding previous half-year, an increase of 15%.
- Net Profit of Rs 2,367 crores (US$ 516 million) against Rs 1,920 crores for the corresponding previous half-year, an increase of 23%.
- Earnings Per Share (EPS) for the half-year is Rs 17.0 (US$ 0.37) & Cash Earnings Per Share (CEPS) for the half-year is Rs 30.2 (US$ 0.66).

  (Annualised Earnings Per Share (EPS) is Rs 33.9 (US$ 0.74) & Annualised Cash Earnings Per Share (CEPS) is Rs 60.4 (US$ 1.32).
- The Company's refinery operated at 112% capacity utilisation and processed 15.2 million tonnes of crude during the half-year.
- Exports including deemed exports increased 41% to Rs 7,837 crores (US$ 1,709 million) as against Rs 5,557 crores for the corresponding previous half-year.

Stability in feedstock prices, accompanied by increases in product selling prices, has contributed to our improved margins.

Overall demand for our products remains healthy, and with improving capacity utilisation rates globally, we expect to maintain the uptrend in our profitability.

Our continued focus on financial and working capital management has resulted in significantly lower interest costs during the quarter, further contributing to improvement in net margins.

The 41% growth in our exports, in a period that has seen a 3.5% appreciation in the domestic currency, once again demonstrates the international quality and global competitiveness of our products, and the strength of our customer relationships worldwide.

We look forward to your continued support and participation in our profitable journey together.

Dear Sir,

Scrip Code: **500325**
Sub: **Secretarial Audit of Listed Companies**

Please refer to SEBI Circular No.D&CC/CIR-16/2002 dated 31st December, 2002, wherein SEBI has advised that all the listed companies shall subject themselves to a secretarial audit to be undertaken by a qualified Chartered Accountant or a Company Secretary in practice, for the purposes of reconciliation of the total admitted capital with both the depositories and the total issued and listed capital.

We forward herewith Secretarial Audit Report, in the new format, from M/s. Dayal & Lohia, Chartered Accountants, Mumbai, certifying the admitted capital with both the depositories, total issued capital and the listed capital for the quarter ended 30th September, 2003, in compliance with the above circular issued by SEBI. This Secretarial Audit Report was placed before the Board of Directors of the Company at its meeting held on 16th October, 2003.

Thanking you,

Yours faithfully,
For **Reliance Industries Limited,**

Dear Sir,

Re: Amalgamation of RPL with the Company

Further to our letter dated March 1, 2002, we wish to inform you that at the meeting of the Board of Directors of the Reliance Industries Limited (the "Company") held in Mumbai today, the proposal for amalgamation of Reliance Petroleum Limited ("RPL") with the Company was considered and approved.

The proposed Scheme of Amalgamation provides that the amalgamation will take effect from the Appointed Date i.e. April 1, 2001. All assets, liabilities and obligations of RPL will vest in the Company with effect from the said Appointed Date.

The Scheme of Amalgamation approved by the Board of Directors of the Company envisages a share exchange ratio of 1 (One) equity share of the face value of Rs. 10/- of the Company for every 11 (Eleven) equity share(s) of the face value of Rs. 10/- each of RPL.

The Scheme of Amalgamation is, inter alia, subject to the approval of the shareholders of the Company and RPL and the High Court of Gujarat at Ahmedabad and High Court of Judicature at Bombay.

Please inform your members accordingly.

Thanking you,

Yours faithfully,
For Reliance Industries Limited

RPL's merger with RIL approved – Creates India's first private sector Fortune Global 500 company

Mumbai, September 13, 2002: The Hon'ble High Court of Gujarat has today approved the proposal for the merger of Reliance Petroleum Limited (RPL) with Reliance Industries Limited (RIL).

Earlier, on June 7, 2002, the Hon'ble High Court of Bombay had approved the proposal for the merger of RPL with RIL.

On March 3, 2002, the Board of Directors of RIL and RPL had unanimously approved the merger of RPL with RIL, subject to all necessary approvals.

Subsequently, on April 8, 2002, the shareholders of RIL approved the said merger with an overwhelming majority representing 99.95% in value of members present and voting, at the shareholders' meeting convened under the orders of the High Court of Bombay.

Similarly, on April 15, 2002, the shareholders of RPL approved the same, with an overwhelming majority representing 99.99% in value of members present and voting, at the shareholders' meeting convened under the orders of the High Court of Gujarat.

The book closure dates, for the issuance of new RIL shares to RPL shareholders, pursuant to the proposed merger, and for the payment of dividends for the financial year 2001-02, and the schedule for completion of other formalities, will be intimated to the stock exchanges and the public very shortly.

Based on announced unaudited results of RIL and RPL for the financial year 2001-02, the merger will create India's largest private sector company, on all major financial parameters.

The merger will give RIL the unique distinction of becoming India's first private sector company to feature in the internationally tracked Fortune Global 500 list of the world's largest corporations.

Commenting on the merger, Anil D. Ambani, Vice Chairman and Managing Director, RIL, stated, "Reliance's emergence as India's first private sector Fortune Global 500 company, within a short span of just 25 years of going public, is a tribute to the vision and entrepreneurial spirit of our legendary founder, the late Dhirubhai H. Ambani. This watershed event will stand forever in our minds in testimony of Dhirubhai Ambani's belief in the capabilities of the people of India, and the potential of the Indian markets."

Based on latest available data published in 2002, RIL will rank:

- amongst the top 200 companies globally in terms of net profits
- amongst the top 300 companies globally in terms of net worth
- amongst the top 425 companies globally in terms of assets
- amongst the top 500 companies globally in terms of sales

In addition to the above, the merger will rank RIL amongst the top energy and petrochemicals companies globally. RIL will rank:

- amongst the top 30 energy and petrochemicals companies globally based on net profits
- amongst the top 50 energy and petrochemicals companies globally based on sales

Within Asia, post merger, RIL will rank:

- amongst the top 4 Asian oil and gas and chemical companies in terms of net profits
- amongst the top 17 Asian oil and gas and chemical companies in terms of sales
