**CORRECTION TO BAA'S 2003 TRAFFIC FIGURES**

In reporting record December passenger traffic figures and a record number of passengers for the calendar year 2003, BAA gave some incorrect comparisons for individual airports.

Of BAA's UK airports, Stansted, Glasgow, Edinburgh and Southampton experienced record traffic in 2003. Heathrow and Gatwick however recorded figures lower than in 2000.

Detailed figures for 2003, 2002, 2001 are featured on [www.baa.com/newsdesk](http://www.baa.com/newsdesk). (The calendar year figures are issued each January).
