INDEPENDENT AUDITORS' REPORT

To the Members of
O'Connor & Company L.L.C.

We have audited the accompanying statement of financial condition of O'Connor & Company L.L.C. as of December 31, 2003, that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of O'Connor & Company L.L.C. as of December 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statement taken as a whole. The information contained in the supplementary schedules is presented for purposes of additional analysis and is not a required part of the basic financial statement, but is supplementary information required by Rule 17a-5 of the Securities Exchange Act of 1934 and Regulation 1.10 under the Commodity Exchange Act. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statement and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statement taken as a whole.

O'CONNOR & COMPANY L.L.C.

NOTES TO STATEMENT OF FINANCIAL CONDITON as of December 31, 2003

1. Organization and Business

O'Connor & Company L.L.C. (the "Company"), an Illinois limited liability company, is a registered securities broker-dealer with the Securities and Exchange Commission and is a member of the National Association of Securities Dealers, Inc. The Company is also a registered futures commission merchant with the Commodity Futures Trading Commission and is a member of the National Futures Association. The Company has memberships in all principal U.S. securities and futures exchanges and provides clearing and execution services for professional floor traders, institutional and retail customers.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies that have been followed in preparing the accompanying financial statements is set forth below:

Income Recognition

Security options and commodity options transactions and the related commission revenue and expenses are recorded on trade date. Other securities transactions and the related revenue and expenses thereon are recorded on settlement date. The Company primarily recognizes commission revenue from commodity futures contracts as they are closed.

Securities Owned

Securities owned are carried at market value.

Depreciation and Amortization

Furniture and equipment are depreciated using accelerated methods over the estimated useful lives of the assets. Leasehold improvements are being amortized on a straight-line basis over the term of the associated lease.

Income Taxes

No provision has been made for Federal income taxes as the taxable income of the Company is included in the respective income tax returns of the members.

Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Management determines that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

3. Securities Owned

Securities owned consist of U.S. Government obligations that are deposited at exchange clearing organizations and held in segregated bank accounts.

O'CONNOR & COMPANY L.L.C.

NOTES TO STATEMENT OF FINANCIAL CONDITION, Continued
as of December 31, 2003

4. Segregated Assets

Under the rules of the Securities and Exchange Commission, the Company had cash of \$3,458,788 and U.S Treasury securities with a market value of \$15,749,326 segregated for the exclusive benefit of securities customers.

Under the Commodity Exchange Act, segregated assets included in the statement of financial condition and in the statement of segregation requirements and funds in segregation are as follows:

Cash segregated under Federal regulations	\$ 2,369,892
Receivables from brokers, dealers, and clearing organizations	52,602,562

O'CONNOR & COMPANY L.L.C.

NOTES TO STATEMENT OF FINANCIAL CONDITION, Continued
as of December 31, 2003

6. Off Balance Sheet Risk and Concentration of Credit Risk

In the normal course of business, the Company accepts and clears futures contracts and options on futures contracts for the accounts of its customers, primarily exchange members and institutional firms. As such, the Company guarantees to the respective clearing houses or other brokers, its customers' performance under these contracts. To reduce its risk, the Company requires its customers to meet, at minimum, the margin requirement established by each of the exchanges at which contracts are traded. Margin requirements for exchange members may be significantly less than those required from other customers. Margin is a good faith deposit from the customer that reduces risk to the Company of failure on behalf of the customer to fulfill any obligation under these contracts. To minimize its exposure to risk of loss due to market variation, the Company adjusts these margin requirements as needed.

Customers may also be required to deposit additional funds, securities or other collateral. As a result of market variation, the Company may satisfy margin requirements by liquidating certain customer positions. Management believes that the margin deposits and collateral held at December 31, 2003 were adequate to minimize the risk of material loss that could be created by positions held at that time.

7. Employee Benefit Plan

The Company has established a salary reduction (401(k)) plan for qualified employees. The Company may elect to match employees' contributions and make further discretionary contributions to the plan, subject to certain limitations as set forth in the plan agreement.

Employee contributions made to the plan during the year ended December 31, 2003 were approximately \$407,000.

8. Liabilities Subordinated to Claims of General Creditors

At December 31, 2003, liabilities subordinated to claims of general creditors consist of the following:

<u>Lender</u>	<u>Effective Date</u>	<u>Amount</u>	<u>Maturity Date</u>	<u>Interest Rate</u>
Common member	08/01/03	2,500,000	12/15/06	Prime +2.5%

O'CONNOR & COMPANY L.L.C.

NOTES TO STATEMENT OF FINANCIAL CONDITION, Continued
as of December 31, 2003

9. Commitments

The Company conducts its operations in leased office facilities and annual rentals are charged to current operations. The leases are subject to escalation clauses based on the operating expenses of the lessors.

The minimum annual rental commitments under non-cancelable operating leases, along with the minimum annual sub-lease rentals to be received in the future are as follows as of December 31, 2003:

<u>Year Ending December 31,</u>	<u>Gross Commitment</u>	<u>Sub-lease Rentals</u>	<u>Net Commitment</u>
2004	2,265,000	337,000	1,928,000
2005	2,210,000	312,000	1,898,000
2006	2,215,000	311,000	1,904,000
2007	2,197,000	320,000	1,877,000
2008	2,237,000	330,000	1,907,000
Thereafter	<u>18,356,000</u>	<u>2,703,000</u>	<u>15,653,000</u>
Total	\$ <u>29,480,000</u>	\$ <u>4,313,000</u>	\$ <u>25,167,000</u>

10. Related Party Transactions

At December 31, 2003, the Company had investments of approximately \$6,680,000 in four affiliated companies.

Certain exchange memberships owned by the common members, having an aggregate fair market value of approximately \$5,412,000, are registered for the use of the Company.

11. Net Capital Requirements

The Company is a broker dealer subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1) and is a futures commission merchant subject to the Commodity Futures Trading Commission Minimum Capital Requirement (Regulation 1.17). Under these rules, the Company is required to maintain "net capital" equivalent to \$2,500,000, two percent of "aggregate debit items" or four percent of "funds required to be segregated" arising from customer transactions, whichever is greater, as these terms are defined.

Adjusted net capital, aggregate debit items and funds required to be segregated change from day to day. Under the more restrictive of these rules, the Company had net capital and net capital requirements of approximately \$40 million and \$2.5 million, respectively. The net capital rule may effectively restrict member withdrawals and the repayment of subordinated loans.

O'CONNOR & COMPANY L.L.C.

NOTES TO STATEMENT OF FINANCIAL CONDITION, Continued
as of December 31, 2003

12. Discontinued Operations

The Company had previously acquired an entity that engaged in operations as a Designated Primary Market Maker on the floor of the Chicago Board Options Exchange. The cost of the acquired Company was previously included in investments in the statement of financial condition. During 2003, the Company made the decision to exit this business segment, and initiated sale discussions pertaining to this investment with potential buyers.

13. Subsequent Event

In January, 2004, the Company's investment in TradeNet, L.L.C. ("TradeNet") was sold (see Note 12). TradeNet acted as a Designated Primary Market Maker on the Chicago Board Options Exchange. At December 31, 2003, the fair value of the Company's investment in TradeNet totaled \$2,281,965 and is reflected as investments in affiliates in the statement of financial condition.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL

To the Members of
O'Connor & Company L.L.C.

In planning and performing our audit of the statement of financial condition of O'Connor & Company L.L.C. (the "Company") as of December 31, 2003, we considered its internal control structure, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (the "SEC"), we have made a study of the practices and procedures followed by the Company, including tests of compliance with such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g), in the following:

1. Making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and the reserve required by Rule 15c3-3(e)
2. Making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System
4. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3

Also, as required by Regulation 1.16 of the Commodity Futures Trading Commission (the "CFTC"), we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by the Company that we considered relevant to the objectives stated in Regulation 1.16 in making (1) the periodic computations of minimum financial requirements pursuant to Regulation 1.17, (2) the daily computations of the segregation requirements of section 4d(2) of the Commodity Exchange Act and the regulations thereunder, and the segregation of funds based on such computations, and (3) the daily computations of the foreign futures and foreign options secured amount requirements pursuant to Regulation 30.7 of the CFTC.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures, and of the practices and procedures referred to in the proceeding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's and the CFTC's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) and Regulation 1.16(d)(2) list additional objectives of the practices and procedures listed in the proceeding paragraphs.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC and the CFTC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and the Commodity Exchange Act and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2003 to meet the SEC's and the CFTC's objectives.

This report is intended solely for the information and use of management, the SEC, the CFTC, the Chicago Board Options Exchange, the New York Stock Exchange, the Chicago Board of Trade, the Chicago Mercantile Exchange and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and/or Regulation 1.16 of the CFTC in their regulation of registered brokers and dealers and futures commission merchants, and is not intended to be and should not be used by anyone other than these specified parties.
