INDEPENDENT AUDITOR'S REPORT

To the Managing Directors of
Hyde Park Capital Advisors, LLC
Tampa, Florida

We have audited the accompanying statements of financial condition of Hyde Park Capital Advisors, LLC as of December 31, 2003 and 2002, and the related statements of operations and changes in member's equity and cash flows for the years then ended that are being filed pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hyde Park Capital Advisors, LLC at December 31, 2003 and 2002, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III, and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**HYDE PARK CAPITAL ADVISORS, LLC
(WHOLLY-OWNED BY HYDE PARK CAPITAL PARTNERS, LLC)
NOTES TO FINANCIAL STATEMENTS**

(1) ORGANIZATION AND NATURE OF BUSINESS

Hyde Park Capital Advisors, LLC (the Company) is a Florida Limited Liability Company that is wholly-owned by Hyde Park Capital Partners, LLC. Operations commenced January 2, 2000. The Company provides investment banking services to middle market, private and public companies throughout the United States. The Company became a member of the National Association of Securities Dealers (NASD) on January 1, 2001.

(2) SIGNIFICANT ACCOUNTING POLICIES

Revenue recognition – The Company generally recognizes investment banking revenues on an accrual basis per the terms of the contracts with its customers. For certain customers whose financial condition is uncertain, revenue is not recognized until the successful completion of a contract and receipt of cash fees due.

As of December 31, 2003, the Company completed a contract upon which a portion of the investment proceeds consisted of a note payable to the client. The Company agreed to collect its success fee based on when the client received payments on the note from the investor. The Company is due \$225,000 based on the original contract terms and the closing documents. However, due to the uncertainty of collection, the Company has not recorded a receivable. Management believes this policy is conservative given the uncertainties of the collectibility of the note by the client.

The Company received stock during the year ended December 31, 2002 valued at \$10,751 as compensation under certain investment banking contracts. The stock compensation is included in investment banking revenue on the statement of operations. The stock is not publicly traded. Management valued the stock at the price paid by an unrelated third party investor. The stock was subsequently distributed to Hyde Park Capital Partners, LLC.

In addition, the Company has received stock warrants as part of its compensation on certain of its investment banking contracts. A nominal value has been assigned to these warrants because of the difficulty of assessing the value of the underlying stocks which are not publicly traded.

Accounts receivable – Accounts receivable are billed based on the terms of the individual contracts with the Company's customers. An account is considered past due if not paid within 30 days of the invoice date. The allowance for doubtful accounts is estimated on a specific identification basis considering the financial condition of the customer and other specific facts and circumstances. Accounts receivable are written off when they are determined to be uncollectible.

Concentration of credit risk – The Company maintains deposits in excess of federally insured limits. Accounting principles generally accepted in the United States of America require disclosure, regardless of the degree of risk. The risk is managed by maintaining all deposits in high quality financial institutions.

Furniture and equipment – These assets are carried at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the life of the respective assets are expensed currently. When an asset is retired or otherwise disposed of, the cost of the asset is eliminated from the asset account, accumulated depreciation is charged with an amount equal to the depreciation provided and the difference, if any, is charged or credited to income.

Depreciation is computed on the declining balance method over the estimated useful lives of the asset which is generally 3 to 7 years.

**HYDE PARK CAPITAL ADVISORS, LLC
(WHOLLY-OWNED BY HYDE PARK CAPITAL PARTNERS, LLC)
NOTES TO FINANCIAL STATEMENTS**

(2) SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Advertising costs – All advertising costs are expensed as incurred.

Income taxes – The Company is a single member limited liability company which is disregarded for income tax purposes. All income or loss is allocated to Hyde Park Capital Partners, LLC. Consequently, no provision for income taxes has been included in these financial statements, as income taxes are a liability of the member rather than of the Company.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates that affect certain reported amounts and disclosures. These estimates are based on management's knowledge and experience. Accordingly, actual results could differ from these estimates.

(3) COMMITMENTS

The Company entered into a five year lease agreement for its office space, furnishings and parking which commenced January 31, 2000. Rents are adjusted annually based on increases in the Consumer's Price Index. There are five renewal options of one year each. Total rent expense for 2003 and 2002 was \$129,187 and \$121,005, respectively.

The following is a schedule of the total minimum payments due under the lease:

2004	\$	120,736
2005		10,070

(4) NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2003, the Company had net capital of \$220,219 which was \$214,219 in excess of its required net capital of \$6,000. At December 31, 2002, the Company had net capital of \$65,149 which was \$59,149 in excess of its required net capital of \$6,000. The Company's net capital ratio was .12 to 1 and .21 to 1 at December 31, 2003 and 2002, respectively.

(5) RELATED PARTY TRANSACTIONS

The payable is due to members of Hyde Park Capital Partners, LLC and relates to business entertainment expense reflected in other business development expenses on the statement of operations.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING

Managing Directors
Hyde Park Capital Advisors, LLC
Tampa, Florida

In planning and performing our audit of the financial statements of Hyde Park Capital Advisors, LLC (the Company), for the year ended December 31, 2003, we considered its internal control in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of compliance with such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining an internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Managing Directors
Hyde Park Capital Advisors, LLC
Tampa, Florida

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2003, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
