INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Investco Securities, Inc. (An S Corporation)
Memphis, Tennessee

We have audited the statements of financial condition of Investco Securities, Inc. (an S Corporation) as of December 31, 2003 and 2002 and the related statements of income and retained earnings, changes in stockholders' equity, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Investco Securities, Inc. as of December 31, 2003 and 2002, and the results of its operations and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

INVESTCO SECURITIES, INC.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2003 and 2002

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Operations

Investco Securities, Inc. (the “Company”) began operations on July 17, 1989, and is a registered securities broker and dealer operating in the Mid-South.

Method of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Revenue Recognition

Commission revenues and commission expenses are recorded on a trade date basis.

Concentrations and Credit Risks

The Company’s credit risk primarily relates to cash and cash equivalents. The Company maintains cash balances at a bank. Those accounts are insured by the Federal Deposit Insurance Corporation up to an aggregate of \$100,000.

One customer accounted for 100% of the Company’s commissions and consulting revenues for the years ended December 31, 2003 and 2002.

Cash and Cash Equivalents

For the purpose of the statement of cash flows, all investments with maturities of three months or less are considered to be cash and cash equivalents.

Property and Equipment

Office equipment is stated at cost and depreciated using the double-declining balance method over 7 years.

Income Taxes

On August 16, 1989 the shareholder of Investco Securities, Inc. consented to the Corporation's election to be treated as an "S" Corporation under Internal Revenue Code Section 1362(a) for its taxable year commencing July 17, 1989. The income or loss of an "S" Corporation is not taxed at the corporate level, it passes through to the shareholders; hence, there is no provision for federal income taxes.

NOTE 2 – ACCOUNTS RECEIVABLE – RELATED PARTIES

The Company had receivables from affiliated companies of \$0 and \$3,000 as of December 31, 2003 and 2002, respectively. During 2002, a stockholder used a return of paid in capital distribution to repay his receivable of \$48,399.

NOTE 3 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2003, the Company had net capital of \$12,891, which was \$7,891 in excess of its required net capital of \$5,000.

NOTE 4 – PROFIT SHARING PLAN

The Company has a defined contribution profit sharing plan covering the full-time employees. The Company's contributions related to the plan are voluntary. There were no contributions made by the Company for the years ended December 31, 2003 and 2002.

SUPPLEMENTAL INFORMATION

INVESTCO SECURITIES, INC.

SUPPLEMENTARY REPORT OF INDEPENDENT ACCOUNTANTS UNDER SEC RULE 17a-5

To the Board of Directors of
Investco Securities, Inc.

In planning and performing our audits of the financial statements of Investco Securities, Inc. as of December 31, 2003 and 2002 and for the years then ended, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Investco Securities, Inc., that we considered relevant to the objectives stated in Rule 17a-5(g)(1), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and the reserve required by rule 15c3-3(e).

The management of Investco Securities, Inc. is responsible for establishing and maintaining a system of internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate. Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under

standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities and Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2003 and 2002 to meet the Commissions objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, Inc. and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.

Walter L. Lister, Jr.

Memphis, Tennessee
