## INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying Balance Sheets of Strategic Investors Corporation as of April 30, 2004 and 2003 and the related Statements of Income, Retained Earnings and Cash Flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Strategic Investors Corporation as of April 30, 2004 and 2003, and the results of its operations and its cash flows for the years then ended in conformity with generally accepted accounting principles.
