WashTec AG: Preliminary figures for 2003

Augsburg, March 25, 2004 - According to preliminary figures, the WashTec Group increased its sales slightly by 2.4 percent to EUR 241.1 million in 2003 and maintained its position as the European market leader in car washes.

The focus during the past fiscal year was on an extensive restructuring programme, whose effects are clearly reflected in the Group's earnings figures. The one-time effects related to the reorganisation amounted to EUR 24.3 million.

Earnings before interest and taxes (EBIT) amounted to EUR –15.7 million in 2003, compared to EUR –7.5 million in the previous year. EBIT adjusted for one-time effects amounted to EUR 9.5 million in 2003, after EUR 3.5 in the previous year.

The reorganisation initiated in early 2003 is proceeding according to plan. The most important measures included the termination of the process and train wash technology activities, the cost-optimisation of sales and service structures and the concentration of the production sites. With the implemented measures WashTec has successfully laid the basis for the turnaround in 2004.

For fiscal 2004, the company expects positive earnings.

The Executive Board

Ad-hoc release

Management change at WashTec AG

Now that the reorganisation of the WashTec Group has largely been completed, Johannes Kehr will return to the Supervisory Board on April 1, 2004. In accordance with Section 105 paragraph 2 of the German Stock Corporation Act, he had been delegated to the company's Executive Board, where he served as Speaker and was responsible for the restructuring programme as well as for Service and later also for Sales.

At her own request, Board member Sabine Decker resigns from the Executive Board with effect from March 31, 2004 to fulfil other functions.

Against the background of the expected positive earnings performance of the WashTec Group, the Supervisory Board has decided to reduce the size of the Executive Board. Thorsten Krüger, the member in charge of Technology, will serve as new Speaker and additionally be responsible for Sales and Marketing. Jürgen Lauer, the member in charge of Finance, will also assume responsibility for Service.
