EMI Group plc

Statement

9 April 2004

EMI wishes to clarify the nature of the false allegations made in newspaper reports against EMI in connection with EMI's suit against Avatar Records for non-payment of amounts due. Neither Avatar nor any other person has alleged that EMI has misstated its revenues from sales and in fact EMI has never misreported its sales in its accounts or elsewhere. The allegations relate only to the behaviour of certain independent marketing consultants in respect of the manipulation of the US chart position of a limited set of recordings, as determined by the Nielsen SoundScan. There is no testimony that EMI engaged in these practices, and EMI categorically denies any such allegations.
