This Structural Term Sheet, Collateral Term Sheet, or Computational Materials, as appropriate (the "material"), was prepared solely by the Underwriter(s), is privileged and confidential, is intended for use by the addressee only, and may not be provided to any third party other than the addressee's legal, tax, financial and/or accounting advisors for the purposes of evaluating such information. Prospective investors are advised to read carefully, and should rely solely on, the final prospectus and prospectus supplement (the "Final Prospectus") related to the securities (the "Securities") in making their investment decisions. This material does not include all relevant information relating to the Securities described herein, particularly with respect to the risk and special considerations associated with an investment in the Securities. All information contained herein is preliminary and it is anticipated that such information will change. Any information contained herein will be more fully described in, and will be fully superseded by the preliminary prospectus supplement, if applicable, and the Final Prospectus. Although the information contained in the material is based on sources the Underwriter(s) believe(s) to be reliable, the Underwriter(s) make(s) no representation or warranty that such information is accurate or complete. Such information should not be viewed as projections, forecasts, predictions, or opinions with respect to value. Prior to making any investment decision, a prospective investor shall receive and fully review the Final Prospectus. NOTHING HEREIN SHOULD BE CONSIDERED AN OFFER TO SELL OR SOLICITATION OF AN OFFER TO BUY ANY SECURITIES. The Underwriter(s) may hold long or short positions in or buy and sell Securities or related securities or perform for or solicit investment banking services from, any company mentioned herein.

The analysis in this report is based on information provided by Deutsche Mortgage Securities, Inc. (the "Seller"). Deutsche Bank Securities Inc. ("DBSI" or the "Underwriter") makes no representations as to the accuracy or completeness of the information contained herein. The information contained herein is qualified in its entirety by the information in the prospectus and prospectus supplement (collectively, the "Prospectus") for this transaction. The information contained herein is preliminary as of the date hereof, supersedes any previous information delivered to you by DBSI and will be superseded by the applicable Prospectus and any other information subsequently filed with the Securities and Exchange Commission. These materials are subject to change, completion, or amendment from time to time without notice, and DBSI is under no obligation to keep you advised of such changes. These materials are not intended as an offer or solicitation with respect to the purchase or sale of any security. Any investment decision with respect to the securities should be made by you based upon the information contained in the Prospectus relating to the securities. You should consult your own counsel, accountant, and other advisors as to the legal, tax, business, financial and related aspects of a purchase of these securities.

The attached information contains certain tables and other statistical analyses (the "Computational Materials") which have been prepared by DBSI in reliance upon information furnished by the Seller. They may not be provided to any third party other than the addressee's legal, tax, financial and/or accounting advisors for the purposes of evaluating said material. Numerous assumptions were used in preparing the Computational Materials which may or may not be reflected herein. As such, no assurance can be given as to the Computational Materials' accuracy, appropriateness or completeness in any particular context; nor as to whether the Computational Materials and/or the assumptions upon which they are based reflect present market conditions or future market performance. These Computational Materials should not be construed as either projections or predictions or as legal, tax, financial or accounting advice. Any weighted average lives, yields and principal payment periods shown in the Computational Materials are based on prepayment assumptions, and changes in such prepayment assumptions may dramatically affect such weighted average lives, yields and principal payment periods. In addition, it is possible that prepayments on the underlying assets will occur at rates slower or faster than the rates shown in the attached Computational Materials. Furthermore, unless otherwise provided, the Computational Materials assume no losses on the underlying assets and no interest shortfalls. The specific characteristics of the securities may differ from those shown in the Computational Materials due to differences between the actual underlying assets and the hypothetical underlying assets used in preparing the Computational Materials. The principal amount and designation of any security described in the Computational Materials are subject to change prior to issuance. Neither DBSI nor any of its affiliates makes any representation or warranty as to the actual rate or timing of payments on any of the underlying assets or the payments or yield on the securities.

An investor or potential investor in the certificates (and each employee, representative, or other agent of such person or entity) may disclose to any and all persons, without limitation, the tax treatment and tax structure of the transaction (as defined in United States Treasury Regulation Section 1.6011-4) and all related materials of any kind, including opinions or other tax analyses, that are provided to such person or entity. However, such person or entity may not disclose any other information relating to this transaction unless such information is related to such tax treatment and tax structure.

THIS INFORMATION IS FURNISHED TO YOU SOLELY BY DBSI AND NOT BY THE ISSUER OF THE SECURITIES OR ANY OF ITS AFFILIATES (OTHER THAN DBSI). DBSI IS ACTING AS UNDERWRITER AND NOT ACTING AS AGENT FOR THE ISSUER IN CONNECTION WITH THE PROPOSED TRANSACTION.

This Structural Term Sheet, Collateral Term Sheet, or Computational Materials, as appropriate (the "material"), was prepared solely by the Underwriter(s), is privileged and confidential, is intended for use by the addressee only, and may not be provided to any third party other than the addressee's legal, tax, financial and/or accounting advisors for the purposes of evaluating such information. Prospective investors are advised to read carefully, and should rely solely on, the final prospectus and prospectus supplement (the "Final Prospectus") related to the securities (the "Securities") in making their investment decisions. This material does not include all relevant information relating to the Securities described herein, particularly with respect to the risk and special considerations associated with an investment in the Securities. All information contained herein is preliminary and it is anticipated that such information will change. Any information contained herein will be more fully described in, and will be fully superseded by the preliminary prospectus supplement, if applicable, and the Final Prospectus. Transaction Overview (Cont.)

Statistical Cut-off Date: March 1, 2004.

Cut-off Date: April 1, 2004.

Expected Pricing: Week of March 29, 2004

Expected Closing Date: On or about April 30, 2004

Certificate Insurer: Ambac Assurance Corporation ("Ambac"), rated Aaa by Moody's, AAA by S&P, and AAA by Fitch

Distribution Date: 25th day of each month (or the next business day if such day is not a business day) commencing in May 2004.

Optional Termination: If the total outstanding balance of either the Group I Mortgage Loans or Group II Mortgage Loans on any Distribution Date is less than 10% of the total outstanding principal balance of the respective group as of the Cut-off Date, the Master Servicer may purchase the related mortgage loans in the related loan group, but is not required to do so. If the Master Servicer elects to purchase the related Mortgage Loans, the outstanding class principal balance of the related classes of certificates will be paid in full, together with accrued interest.

Coupon Step-up: On the Distribution Date following the first possible optional termination date with respect to each loan group, the pass-through rates on the related Senior Certificates and the related Mezzanine Certificates will increase to the following, subject to the applicable Net WAC Pass-Through Rate.

Class	After Optional Termination	Class	After Optional Termination
I-A-5	0.50%	II-AR-1	2 x Margin
I-A-6	0.50%	II-AR-2	2 x Margin

I-M-3	0.50%	II-MR-3	1.5 x Margin

Monthly Servicer Advances: The Servicers will collect monthly payments of principal and interest on the Mortgage Loans and will be obligated to make advances of delinquent monthly principal and interest payments, to the extent such amounts are deemed recoverable by the related Servicer. If any Servicer fails to make any such required advance, the Master Servicer will be required to do so subject to its determination of recoverability. Each of the Servicers and the Master Servicer is entitled to be reimbursed for these advances, and therefore these advances are not a form of credit enhancement.

Credit Enhancement:
- Excess Interest
- Overcollateralization ("OC")
- Subordination

Record Date: The Record Date for the Group I Certificates (other than the Class I-A-1 Certificates) will be the last business day of the month preceding the related Distribution Date. The Record Date for the Class I-A-1 Certificates and the Group II Certificates will be the business day preceding the related Distribution Date.

Structural Overview

Interest Accrual Period:	▪ Interest on the Group I Certificates (other than the Class I-A-1 Certificates) will accrue during the calendar month preceding the related Distribution Date. The accrual period for the Class I-A-1 Certificates and the Group II Certificates will be (a) as to the Distribution Date in May 2004, the period commencing on the Closing Date and ending on the day preceding the Distribution Date in May 2004, and (b) as to any Distribution Date after the Distribution Date in May 2004, the period commencing on the Distribution Date in the month immediately preceding the month in which that Distribution Date occurs and ending on the day preceding that Distribution Date. Interest on the Group I Certificates, other than the Class I-A-1 Certificates, will be calculated on a 30/360 basis. Interest on the Class I-A-1 Certificates and the Group II Certificates will be calculated on an actual/360 basis.
Interest Distribution Amount:	▪ For the Offered Certificates on any Distribution Date is equal to interest accrued during the related Interest Accrual Period on the certificate principal balance or Notional Amount, as applicable, of that class immediately prior to such Distribution Date at the applicable pass-through rate for such class, reduced (to an amount not less than zero), in the case of each such class, by the allocable share, if any, for such class of Prepayment Interest Shortfalls to the extent not covered by Compensating Interest paid by the Master Servicer or the Servicers, as applicable, and shortfalls resulting from the application of the Servicemembers Civil Relief Act.
Interest Carry Forward Amount:	▪ The Interest Carry Forward Amount with respect to any class of Offered Certificates and any Distribution Date is equal to the amount, if any, by which the Interest Distribution Amount for that class of certificates for the immediately preceding Distribution Date exceeded the actual amount distributed on such class of certificates in respect of interest on the immediately preceding Distribution Date, together with any Interest Carry Forward Amount with respect to such class of certificates remaining unpaid from the previous Distribution Date, plus interest accrued thereon at the related pass-through rate for the most recently ended Interest Accrual Period, to the extent permitted by applicable law.
Senior Interest Distribution Amount:	▪ For the Class A Certificates on any Distribution Date, an amount equal to the sum of the Interest Distribution Amount for such Distribution Date for each such class and the Interest Carry Forward Amount, if any, for such Distribution Date for each such class.
Administration Fee Rate:	▪ With respect to each Mortgage Loan, the Administration Fee Rate is equal to the sum of (i) the rate at which the fee payable to the Master Servicer is calculated, (ii) the rate at which the fee payable to the related Servicer is calculated, (iii) the rate at which the fee payable to the Credit Risk Manager is calculated and (iv) the rate at which the premium payable in connection with any lender paid primary mortgage insurance policy is calculated, if applicable. The initial Administration Fee Rate is equal to approximately [0.278]% and [0.4025]% as of the Cut-off Date respectively for the Group I Mortgage Loans and Group II Mortgage Loans.
Net Mortgage Rate:	▪ For any Mortgage Loan for any Distribution Date shall be a per annum rate equal to the applicable mortgage rate for such Mortgage Loan as of the first day of the month preceding the month in which such Distribution Date occurs minus the Administration Fee Rate.
Ambac Insurance Policy:	Ambac will unconditionally and irrevocably guarantee: ▪ interest on the Class I-A-5 Certificates and the Class I-A-6 Certificates at the related Pass-Through Rate. ▪ the amount of any losses allocated to the Class I-A-5 Certificates and the Class I-A-6 Certificates not covered by excess cash flow or overcollateralization. ▪ the payment of principal on the Class I-A-5 Certificates and the Class I-A-6 Certificates by no later than the March 2034 Distribution Date. ▪ Ambac will not guarantee the payment of Net WAC Rate Carryover Amount, Relief Act Shortfalls, or Prepayment Interest Shortfalls.

Structural Overview (Cont.)

Net WAC Pass-Through Rate:

- With respect to the Group I Certificates (other than the Class I-A-IO Certificates), (A) for the May 2004 Distribution Date through the April 2006 Distribution Date, a per annum rate equal to (1) the weighted average of the Net Mortgage Rates of the Group I Mortgage Loans as of the first day of the month preceding the month in which such Distribution Date occurs minus (2) the pass-through rate for the Class I-A-IO Certificates for such Distribution Date multiplied by a fraction, the numerator of which is (x) the Notional Amount of the Class I-A-IO Certificates immediately prior to such Distribution Date, and the denominator of which is (y) the aggregate principal balance of the Group I Mortgage Loans as of the first day of the month in which such Distribution Date occurs and (B) for each Distribution Date thereafter, the weighted average of the Net Mortgage Rates of the Group I Mortgage Loans as of the first day of the month preceding the month in which such Distribution Date occurs.
- With respect to the Class II-AR-1 Certificates and any Distribution Date, a per annum rate (subject to adjustment based on the actual number of days elapsed in the related Interest Accrual Period) equal to the weighted average of the Net Mortgage Rates of the Group II-1 Mortgage Loans. With respect to the Class II-AR-2 Certificates and any Distribution Date, a per annum rate (subject to adjustment based on the actual number of days elapsed in the related Interest Accrual Period) equal to the weighted average of the Net Mortgage Rates of the Group II-2 Mortgage Loans. With respect to the Group II Mezzanine Certificates and any Distribution Date, a per annum rate (subject to adjustment based on the actual number of days elapsed in the related Interest Accrual Period) equal to the weighted average (weighted on the basis of the results of subtracting from the aggregate principal balance of the Group II-1 Mortgage Loans and Group II-2 Mortgage Loans current certificate principal balance of the Class II-AR-1 Certificates and Class II-AR-2 Certificates, respectively) of (i) the weighted average of the Net Mortgage Rates of the Group II-1 Mortgage Loans, and (ii) the weighted average of the Net Mortgage Rates of the Group II-2 Mortgage Loans. In the case of the Class I-A-1 Certificates and the Group II Certificates, the applicable Net WAC Pass-Through Rate will be adjusted on an actual/360 basis.

Net WAC Rate Carryover Amount:

- If on any Distribution Date the pass-through rate for the Class A Certificates, other than the Class I-A-IO Certificates, and the Mezzanine Certificates is limited to the related Net WAC Pass-Through Rate, the "Net WAC Rate Carryover Amount" will be equal to the sum of (i) the excess of (a) the amount of interest such Class A Certificates or Class M Certificates would have been entitled to receive on such Distribution Date if the Net WAC Pass-Through Rate had not been applicable to such certificates over (b) the amount of interest accrued on such classes at the applicable Net WAC Pass-Through Rate plus (ii) the related Net WAC Rate Carryover Amount from the prior Distribution Date not previously distributed together with interest thereon at the related pass-through rate for the most recently ended Interest Accrual Period. Any Net WAC Rate Carryover Amount will be paid on such Distribution Date or future Distribution Dates to the extent of available funds.

Class I-A-1 Cap Agreement:

- On the Closing Date, the Trustee will enter into a "Class I-A-1 Cap Agreement" to make payments in respect of any Net WAC Pass-Through Rate Carryover Amounts as described herein. The notional balance of the Class I-A-1 Cap Agreement will be based upon the provided schedule.

Class II-AR-1 Cap Agreement:

- On the Closing Date, the Trustee will enter into a "Class II-AR-1 Cap Agreement" to make payments in respect of any Net WAC Pass-Through Rate Carryover Amounts as described herein. The notional balance of the Class II-AR-1 Cap Agreement will be based upon the provided schedule.

Class II-AR-2 Cap Agreement:

- On the Closing Date, the Trustee will enter into a "Class II-AR-2 Cap Agreement" to make payments in respect of any Net WAC Pass-Through Rate Carryover Amounts as described herein. The notional balance of the Class II-AR-2 Cap Agreement will be based upon the provided schedule.

Class II-MR-1 Cap Agreement:

- On the Closing Date, the Trustee will enter into a "Class II-MR-1 Cap Agreement" to make payments in respect of any Net WAC Pass-Through Rate Carryover Amounts as described herein. The notional balance of the Class II-MR-1 Cap Agreement will be based upon the provided schedule.

The notional balance of the Class II-MR-2 Cap Agreement will be based upon the provided schedule.
Class II-MR-3 Cap Agreement:	On the Closing Date, the Trustee will enter into a "Class II-MR-3 Cap Agreement" to make payments in respect of any Net WAC Pass-Through Rate Carryover Amounts as described herein. The notional balance of the Class II-MR-3 Cap Agreement will be based upon the provided schedule.
Overcollateralization Amount:	Overcollateralization refers to the amount by which the aggregate principal balance of the related Mortgage Loans exceeds the certificate principal balance of the related Offered Certificates. This excess (the "Overcollateralization Amount") is intended to protect the certificateholders against shortfalls in payments on the Offered Certificates. If, due to losses, the related Overcollateralization Amount is reduced below the related Required Overcollateralization Amount, Net Monthly Excess Cashflow, if available, will be applied first to pay principal on the related Class A Certificates, other than the Class I-A-IO Certificates if applicable, then to pay principal on the related Mezzanine Certificates until the related Overcollateralization Amount equals the related Required Overcollateralization Amount.
Group I Required Overcollateralization Amount:	The Group I Required Overcollateralization Amount for the Group I Certificates, which will be fully established at issuance, is anticipated to be approximately 0.35% of the Cut-off Date principal balance of the Group I Mortgage Loans.
Group II Required Overcollateralization Amount:	With respect to any Distribution Date and the Group II Mortgage Loans, (a) if such Distribution Date is prior to the Group II Stepdown Date, 0.60% of the aggregate principal balance of the Group II Loans as of the Cut-Off Date, or (b) if such Distribution Date is on or after the Group II Stepdown Date, the greater of (i) 1.20% of the then current aggregate principal balance of the Group II Loans as of the last day of the related Due Period (after giving effect to scheduled payments of principal due during the related Due Period, to the extent received or advanced, and unscheduled collections of principal received during the related Prepayment Period, and after reduction for Realized Losses incurred during the related Prepayment Period) and (ii) the Group II Overcollateralization Floor. The Group II Required Overcollateralization Amount will not be established at issuance, but over time it is targeted to increase as set forth in the preceding sentence.
Group II Overcollateralization Floor:	0.50% of the aggregate principal balance of the Group II Mortgage Loans.
Required Overcollateralization Percentage:	For any Distribution Date with respect to each loan group, a percentage equal to (a) the related Required Overcollateralization Amount divided by (b) the aggregate principal balance of the related Mortgage Loans as of the last day of the related Due Period (after giving effect to scheduled payments of principal due during the related Due Period, to the extent received or advanced, and unscheduled collections of principal received during the related Prepayment Period, and after reduction for Realized Losses incurred during the related Prepayment Period).
Overcollateralization Increase Amount:	An Overcollateralization Increase Amount for any Distribution Date is the amount of Net Monthly Excess Cashflow actually applied as an accelerated payment of principal to the extent the Required Overcollateralization Amount exceeds the current Overcollateralization Amount.
Overcollateralization Reduction Amount:	An Overcollateralization Reduction Amount for any Distribution Date is the amount by which the current Overcollateralization Amount exceeds the Required Overcollateralization Amount after taking into account all distributions of principal required to be made on the Distribution Date.

Available Distribution Amount:

- For any Distribution Date and any loan group, net of the fees and reimbursements payable to the Master Servicer, the Servicers, the Credit Risk Manager and the Certificate Insurer, as applicable, an amount equal to (i) the aggregate amount of scheduled monthly payments on the related Mortgage Loans due on the related Due Date and received on or prior to the related Determination Date; (ii) unscheduled payments in respect of the related Mortgage Loans (including prepayments, insurance proceeds, liquidation proceeds and proceeds from repurchases of and substitutions for the related Mortgage Loans occurring during the related Prepayment Period); (iii) all Monthly Servicer Advances with respect to the related Mortgage Loans received for the Distribution Date; (iv) all Compensating Interest paid by the Servicers and the Master Servicer in respect of Prepayment Interest Shortfalls for the related Due Period and (v) payments received on the Class I-A-1 Cap Agreement, the Class II-AR-1 Cap Agreement, the II-AR-2 Cap Agreement, the Class II-MR-1 Cap Agreement, the Class II-MR-2 Cap Agreement and the Class II-MR-3 Cap Agreement, if any, to pay the Net WAC Rate Carryover Amount on the Class I-A-1 Certificates, the Class II-AR-1 Certificates, the Class II-AR-2 Certificates, the Class II-MR-1 Certificates, the Class II-MR-2 Certificates and the Class II-MR-3 Certificates, respectively.

Class I-A-6 Lockout Distribution Amount:

- For any Distribution Date, the Class I-A-6 Lockout Distribution Percentage for that Distribution Date multiplied by the product of (A) a fraction, the numerator of which is the certificate principal balance of the Class I-A-6 Certificates and the denominator of which is the aggregate certificate principal balance of all of the Group I-A Certificates (other than the Class I-A-IO Certificates and in each case immediately prior to such Distribution Date) and (B) the Group I-A Principal Distribution Amount for such Distribution Date.

Class I-A-6 Lockout Distribution Percentage:

- The Class I-A-6 Lockout Distribution Percentage is assigned as follows:

Distribution Date Occurring in	Percentage
May 2004 to April 2007	0%
May 2007 to April 2009	45%
May 2009 to April 2010	80%
May 2010 to April 2011	100%
May 2011 and thereafter	300%

Principal Distribution Amount:

- For any Distribution Date and any loan group will be the sum of (i) the principal portion of all scheduled monthly payments on the related Mortgage Loans due during the related Due Period, whether or not received on or prior to the related Determination Date; (ii) the principal portion of all proceeds received in respect of the repurchase of a related Mortgage Loan (or, in the case of a substitution, certain amounts representing a principal adjustment as required by the Pooling and Servicing Agreement) during the related Prepayment Period; (iii) the principal portion of all other unscheduled collections, including insurance proceeds, condemnation proceeds, Liquidation Proceeds and all full and partial principal prepayments, received during the related Prepayment Period, to the extent applied as recoveries of principal on the related Mortgage Loans, (iv) plus the Overcollateralization Increase Amount for such Distribution Date; minus (v) the amount of any Overcollateralization Reduction Amount for such Distribution Date and any amounts payable or reimbursable therefrom to the Servicers, the Trustee, the Custodian, the Master Servicer or the Securities Administrator prior to distributions being made on the Offered Certificates. In no event will the Principal Distribution Amount with respect to any Distribution Date and a loan group be (x) less than zero or (y) greater than the then outstanding aggregate Certificate Principal Balance of the related Offered Certificates in the related loan group

Structural Overview (Cont.)

Group I-A Principal Distribution Amount:

- With respect to any Distribution Date and prior to the Group I Stepdown Date, or on or after the Group I Stepdown Date if a Group I Trigger Event is in effect, the principal collected and advanced on the Group I Mortgage Loans during the related Due Period plus the related Overcollateralization Increase Amount, if any, minus the related Overcollateralization Reduction Amount, if any.
- With respect to any Distribution Date on or after the Stepdown Date, if no Trigger Event is in effect, an amount equal to the excess (if any) of (x) the certificate principal balance of the Group I-A Certificates (other than the Class I-A-IO Certificates) immediately prior to such Distribution Date over (y) the positive difference between (a) the aggregate outstanding principal balance of the Group I Mortgage Loans as of the last day of the related Due Period (after reduction for Realized Losses incurred during the related Prepayment Period) and (b) the product of (i) aggregate outstanding principal balance of the Group I Mortgage Loans as of the last day of the related Due Period (after reduction for Realized Losses incurred during the related Prepayment Period) and (ii) the sum of (A) approximately 9.80% and (B) the related Required Overcollateralization Percentage.
- The Group I-A Principal Distribution Amount will generally be distributed to the holders of the Group I-A Certificates, other than the Class I-A-IO Certificates, in the following order of priority:

1. To the Class I-A-6 Certificates, the Class I-A-6 Lockout Distribution Amount for that Distribution Date, until the certificate principal balance thereof has been reduced to zero;
2. To the Class I-A-1 Certificates after taking into account distributions pursuant to 1 above, until the certificate principal balance of such class has been reduced to zero;
3. Concurrently (i) to the Class I-A-2, Class I-A-3 and Class I-A-4 Certificates and (ii) to the Class I-A-7 Certificates, in each case after taking into account distributions pursuant to 1 and 2 above, on a pro rata basis based on the certificate principal balance of each such class, until the certificate principal balance of each such class has been reduced to zero; provided that the distributions to the Class I-A-2, Class I-A-3 and Class I-A-4 Certificates shall be made on a sequential basis, in that order; and
4. To the Class I-A-5 Certificates and Class I-A-6 Certificates, sequentially, after taking into account distributions pursuant to 1, 2 and 3 above, based on the certificate principal balance of each such class, until the certificate principal balance of each such class has been reduced to zero;

Class II-AR-1 Principal Distribution Amount:

- With respect to any Distribution Date and prior to the Group II Stepdown Date, or on or after the Group II Stepdown Date if a Group II Trigger Event is in effect, the principal collected and advanced on the Group II-1 Mortgage Loans during the related Due Period plus the related Overcollateralization Increase Amount, if any, minus the related Overcollateralization Reduction Amount, if any.
- With respect to any Distribution Date on or after the Group II Stepdown Date, if no Group II Trigger Event is in effect, an amount equal to the excess (if any) of (x) the certificate principal balance of the Class II-AR-1 Certificates immediately prior to such Distribution Date over (y) the positive difference between (a) the aggregate outstanding principal balance of the Group II-1 Mortgage Loans as of the last day of the related Due Period (after reduction for Realized Losses incurred during the related Prepayment Period) and (b) the product of (i) aggregate outstanding principal balance of the Group II-1 Mortgage Loans as of the last day of the related Due Period (after reduction for Realized Losses incurred during the related Prepayment Period) and (ii) the sum of (A) approximately 15.50% and (B) the related Required Overcollateralization Percentage

Structural Overview (Cont.)

Allocation of Losses:

- On each Distribution Date, Realized Losses with respect to the Mortgage Loans in each related loan group will:
  1. first, reduce the Net Monthly Excess Cashflow;
  2. second, reduce the Overcollateralization Amount, until reduced to zero;
  3. third, reduce the certificate principal balance of the Class I-M-3 Certificates and the Class II-MR-3 Certificates, as applicable, until the certificate principal balance thereof has been reduced to zero;
  4. fourth, reduce the certificate principal balance of the Class I-M-2 Certificates and the Class II-MR-2 Certificates, as applicable, until the certificate principal balance thereof has been reduced to zero; and
  5. fifth, reduce the certificate principal balance of the Class I-M-1 Certificates and the Class II-MR-1 Certificates, as applicable, until the certificate principal balance thereof has been reduced to zero.
- There will be no allocation of Realized Losses to the Class A Certificates. Investors in the Class A Certificates should note, however, that although Realized Losses cannot be allocated to such Certificates, under certain loss scenarios there may not be enough principal and interest on the related Mortgage Loans to distribute to the holders of the Class A Certificates all principal and interest amounts to which they are then entitled.
- Once Realized Losses have been allocated to the Mezzanine Certificates, such amounts with respect to such Certificates will no longer accrue interest, such allocated amounts will not be reinstated thereafter and no amounts will be distributed with respect to those written down amounts (even if Net Monthly Excess Cashflow and/or the Overcollateralization Amount are greater than zero on any subsequent Distribution Date).
