ADDENDUM TO ANADOLU EFES 2003 CONSOLIDATED RESULTS

PREVIOUSLY RELEASED ON APRIL 22ND

Our 33.33% owned associate company **Coca-Cola İçecek A.Ş. ("CCI")**, accounted for in our 2003 audited financial statements prepared in accordance with International Financial Reporting Standards ("IFRS") on equity basis, has made certain amendments to its accounts after our release of our audited financial statements on April 22nd. This was done as part of their preparatory work for the contemplated IPO of CCI in the coming months. These amendments, applied in consensus with their independent auditors Güney S.M.M.M. A.Ş. (an affiliated firm of Ernst & Young International), consist of reclassifications between net sales and expense accounts as well as elimination of timing differences.

These amendments made by CCI are calculated to have no impact on the carrying value of this associate and on the total Shareholder's Equity in our balance sheet and the impact on our consolidated 2003 net profit is calculated to be approximately 1%. Therefore the aforementioned changes will not generate any revisions to our 2003 audited consolidated financial statements prepared in accordance with International Financial Reporting Standards ("IFRS").

Based on the revised 2003 financial statements of CCI, the revised summary financial results of CCI, in the format as announced previously, are presented below for disclosure purposes;
