NOTES TO THE INTERIM FINANCIAL REPORT - FIRST QUARTER ENDED 31 MARCH 2004

Part I : Compliance with Malaysia Accounting Standards Board 26 ("MASB 26") "Interim Financial Reporting"**a) *Accounting Policies and Methods of Computation***

The interim financial report is unaudited and has been prepared in accordance with MASB 26, "Interim Financial Reporting" and paragraph 9.22 of the Bursa Malaysia Securities Berhad ("Bursa Malaysia") Listing Requirements.

The interim financial report should be read in conjunction with the audited financial statements of the Group for the financial year ended 31 December 2003. The accounting policies and methods of computation adopted for the interim financial statements are consistent with those adopted for the annual audited financial statements for the financial year ended 31 December 2003 except for a change in the Group's accounting policy on goodwill. It had been the Group's policy to write-off goodwill arising on consolidation to the income statement when the acquisition occurs.

With effect from 1 January 2004, goodwill will be recognised as an intangible asset and disclosed on the consolidated balance sheet at cost less any impairment losses. The carrying value of goodwill will be subject to review whenever events or changes in circumstances indicate that it may not be recoverable. If such indications exist, the carrying value of the goodwill will be assessed and written down to its recoverable amount.

It is management's view that the change in accounting policy will result in a more appropriate presentation of goodwill in the Group's financial statements and that this is in line with international best practice.

The change in accounting policy will be applied prospectively with effect from the current financial year as the resulting adjustment that relates to prior periods is not reasonably determinable. The comparative figures are therefore not restated.

In addition, the Group has complied with new approved accounting standards that are effective and applicable in the current financial year.

MASB 32, "Property Development Activities" became operative for financial periods commencing 1 January 2004. Consequently, in compliance with the Standard, "Real property assets" has been renamed as "Land held for development".

The Group registered revenue and profit before tax of RM725.8 million and RM242.2 million respectively for the current quarter. This is an increase of 5% and 29% respectively compared to the previous year's corresponding quarter.

The increase in the current quarter's revenue is mainly attributable to the better underlying performance in the leisure and hospitality segment which was mainly due to higher visitor arrivals.

The higher profit before taxation is mainly due to the higher revenue in the current quarter and higher donations amounted to RM22.5 million which were made in the corresponding quarter in 2003.

2) Material Changes in Profit Before Taxation for the Current Quarter as compared with the Immediate Preceding Quarter

The Group registered a profit before tax of RM242.2 million in the current quarter as compared to RM132.5 million in the preceding quarter.

The higher profit is mainly due to lower share of losses from Star Cruises Limited ("SCL"), an associated company of RM5.8 million in the current quarter as compared to share of losses of RM125.4 million in the preceding quarter. Excluding the results of SCL, the underlying performance of the leisure and hospitality segment was marginally weaker in the current quarter compared to the preceding quarter mainly due to lower visitor arrivals.

3) *Prospects*

In line with the government's continual policy to promote Malaysia as an international tourist destination and barring unforeseen circumstances, the Group's performance is expected to be satisfactory for the remaining period of the year.

4) *Variance of Actual Profit from Forecast Profit*

The Group did not issue any profit forecast or profit guarantee for the year.

5) *Taxation*

Taxation charges for the current quarter and current financial period ended 31 March 2004 are as follows:

	<u>Current quarter</u> <u>RM'000</u>	<u>Current financial period ended 31 March 2004</u> <u>RM'000</u>

Over provision in respect of prior years

	<u>74,290</u>	<u>74,290</u>

The effective tax rate of the Group for the current quarter and current financial period ended 31 March 2004 is higher than the statutory tax rate mainly due to the non-deductibility of certain expenses for tax purpose.

6) *Profit on Sale of Unquoted Investments and/or Properties*

The results for the current quarter and current financial period ended 31 March 2004 do not include any profit or loss on sale of unquoted investments and properties which are not in the ordinary course of business.
